## G. REPORTS

### G.1. CITY COUNCIL REPORTS ON REGIONAL ACTIVITIES (Informational Oral Presentation - not for Council action)

#### a) March Joint Powers Commission (MJPC)

No Report

#### b) Riverside County Habitat Conservation Agency (RCHCA)

No Report

#### c) Riverside County Transportation Commission (RCTC)

Mayor Jesse L. Molina reported on the construction of the new carpool lane on I-215 is substantially completed which includes HOV lanes between Riverside and San Bernardino Counties. Cal-Trans, RCTC and SANBAG worked in collaboration of this project with funds from Measure I, Measure A, and federal funding sources.

#### d) Riverside Transit Agency (RTA)

Mayor Jesse L. Molina announced the Dial-a-Ride Plus program will take effect on July 1. This will provide an additional 2 miles to their service area for seniors and those with disabilities. The program can be used for various activities such as dialysis, doctor appointments and grocery shopping to name a few.

#### e) Western Riverside Council of Governments (WRCOG)

Council Member Jeffrey J. Giba reported on the TUMF fees saying they are set to increase. The draft fee program was presented to the executive committee for their review. He spoke about the HERO program and the Fiscal Year 2015-16 budget of \$13.7 million. Council Member Giba announced WRCOG received two awards of excellence. The next WRCOG meeting will be held on June 11. He attended his first SCAG regional planning group meeting.

#### f) Western Riverside County Regional Conservation Authority (RCA)

Council Member D. La Donna Jempson attended the RCA meeting on June 1. They reported on the agency's 3<sup>rd</sup> quarter financial report which included acquiring 15 properties for habitat purposes, two land donations and two

conservation easements. The board approved Resolution No. 2015-006, which amends the agency’s conflict of interest code.

g) School District/City Task Force

No Report

**G.2. CONSIDERATION OF A BALLOT MEASURE FOR WORLD LOGISTICS CENTER LEGISLATIVE ENTITLEMENTS (Report of: City Attorney)**

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Ahmad R. Ansari, P.E., Public Works Director/City Engineer

**AGENDA DATE:** June 23, 2015

**TITLE:** AWARD TO JOHNSON-MACHINERY FOR THE REPLACEMENT PURCHASE OF THREE CATERPILLAR 420F BACKHOES

---

### **RECOMMENDED ACTION**

#### **Recommendations:**

1. Award to Johnson-Machinery, Riverside, CA, for the purchase of three (3) 2015 Caterpillar 420F Backhoes, and:
2. Authorize the Purchasing & Facilities Division Manager to issue a purchase order to Johnson-Machinery in the amount of \$353,822.88.

### **SUMMARY**

This report recommends approval to purchase (3) replacement backhoes. The current fleet consists of a 2000 John Deere 410E backhoe, a 2002 Caterpillar 430D backhoe, and a 2006 John Deere 410G backhoe which have come to the end of their useful life. This purchase is funded through Capital Equipment Replacement Funds appropriated within and supplemented by Measure A Funds, and funding for the backhoes was approved by the City Council as part of the Mid-Year Budget Adjustments for the FY 2014/15 Operating Budget on March 24, 2015.

### **DISCUSSION**

Three backhoes were approved for purchase in the 2014/15 Mid-Year Budget process. Additionally, the Maintenance & Operations Division has been awarded funds from Carl Moyer Memorial Air Quality Standards Attainment Program (grant). The awarded grant, in the amount of \$49,412, off-sets a deficiency of available replacement funds to purchase the three backhoes. Council approved the acceptance of this grant on April 28, 2015. This grant requires that the backhoes meet certain air quality mandates. In

order to be considered for the grant and receive the largest possible amount of grant funds, specific information on engine type, make and model were required per the grant criteria to ensure that the air quality mandates would be met. The Maintenance & Operations Division has justified the Caterpillar 420F Backhoe as the standard manufacturer/model for all City of Moreno Valley Fleet backhoes based upon various safety, operational efficiency, and maintenance efficiency factors as detailed in the memorandum dated June 2, 2015 and is included as Attachment 3.

With the awarded grant funds, combined with City funds, the Maintenance & Operations Division is seeking to purchase three backhoes made by Caterpillar, model 420F, which corresponds to the information provided in the grant application. The awarded grant requires the City to take possession of the three backhoes by September 30, 2015.

The Maintenance & Operations Division is seeking to expedite the purchase through the piggyback process, consistent with the City of Moreno Valley Purchasing Ordinance, 3.12.260 which states: "Where advantageous for the city and to the extent consistent with state law, the city manager may authorize the financial and administrative services director or the purchasing manager to purchase supplies, materials, equipment or contractual services through legal, competitively awarded contracts with or of other governmental jurisdictions or public agencies, including California Multiple Award Schedules (CMAS) commonly referred to as "piggybacking," without further contracting, solicitation or formal bidding as described in this chapter. (Ord. 844 § 2, 2012)".

The National Joint Powers Alliance (NJPA) has awarded Caterpillar a nationwide contract for supplying heavy duty construction equipment to public agencies through its dealer network. Johnson-Machinery is a complete Caterpillar dealer with multiple locations in Southern California and will deliver these units in the required timeline.

## **ALTERNATIVES**

1. Approve the award to Johnson-Machinery, Riverside, CA, for the purchase of (3) Caterpillar, Model 420F Backhoes; and authorize the Purchasing & Facilities Division Manager to issue a purchase order to Johnson-Machinery in the amount of \$353,822.88. *This alternative will allow the City to receive SCAQMD funding to procure (3) street maintenance backhoes and implement effective air pollution reduction projects.*
2. Do not approve the award to Johnson-Machinery, Riverside, CA, for the purchase of (3) Caterpillar, Model 420F Backhoes; and authorize the Purchasing & Facilities Division Manager to issue a purchase order to Johnson-Machinery in the amount of \$353,822.88. *This alternative will prohibit the City from receiving SCAQMD funding to procure (3) street maintenance backhoes and implement effective air pollution reduction projects.*

## **FISCAL IMPACT**

The City Council approved the funding for (3) backhoes on March 24, 2015. Funds are available within account 2001-70-78-45311-660322. No additional appropriation is

required.

**NOTIFICATION**

One (1) New CATERPILLAR Model: 420F2 HRC Backhoes with all standard equipment in addition to the additional specifications listed below:

## Standard Equipment

### CONSIST NOTE

THIS LISTING IS A GENERAL DESCRIPTION  
OF A 420F2 BACKHOE LOADER EQUIPPED WITH

THE LOWEST CHARGE ITEMS.

### BOOMS, STICKS AND LINKAGES

14'4" Center pivot excavator style  
backhoe  
Pilot operated joystick hydraulic  
controls with pattern changer valve  
Pilot operated stabilizer controls  
Boom transport lock  
Swing transport lock  
Street pads stabilizer shoes  
Anti-drift hydraulics

(Boom, Stick and E-Stick)  
Cat Cushion Swing(tm) system  
Bucket level indicator  
Lift cylinder brace  
Return-to-dig (auto bucket positioner)  
Self-leveling loader with single lever  
control  
Transmission neutralizer switch  
Single Tilt Loader

### POWERTRAIN

Cat C4.4, 74.5KW (Net 93HP / 69KW)  
Direct Injection Turbo Charged Engine,  
with ACERT technology.  
US EPA Tier4 Final Emissions Compliant  
with Selective Catalytic Reduction(SCR)  
Water separator with service indicator  
Thermal starting aid system  
Eco mode  
A dry-type axial seal air cleaner with  
integral precleaner, automatic dust  
ejection system & filter condition  
indicator  
Hydraulically boosted multi-plate wet

disk brake with dual pedals & interlock  
Differential lock  
Drive-line parking brake  
High Ambient Cooling Package  
Torque converter  
Transmission—four speed synchro mesh  
with power shuttle & neutral safety  
switch  
Spin-on fuel, engine oil & transmission  
oil filters  
Outboard planetary rear axles  
Open Circuit Breather

### HYDRAULICS

Load sensing, variable flow system  
with 43 gpm axial piston pump  
6 micron hydraulic filter  
O-ring face seal hydraulic fittings  
Caterpillar XT-3 hose

Hydraulic oil cooler  
Pilot control shutoff switch  
PPPC, Flow-sharing hydraulic valves  
Hydraulic suction strainer

### ELECTRICAL

12 volt electrical start  
150 ampere alternator  
Horn and Backup Alarm  
Hazard flashers/turn signals

Key start/stop system  
880 CCA maintenance free battery  
Battery disconnect switch  
External/internal power receptacles(12v)

Halogen head lights (4)  
 Halogen rear flood lights (4)  
 Stop and tail lights  
 Audible system fault alarm

Diagnostic ports for engine and machine  
 Electronic Control Modules  
 Remote jump start connector

**OPERATOR ENVIRONMENT**

Lighted gauge group  
 Interior rearview mirror  
 Rear fenders  
 ROPS canopy  
 2-inch retractable seat belt  
 Tilt steering column  
 Steering knob

Hand and foot throttle  
 Automatic Engine Speed Control  
 One Touch Low Idle  
 Floor mat and Coat Strap  
 Lockable storage area  
 Air suspension seat

**OTHER STANDARD EQUIPMENT**

Hydrostatic power steering  
 Standard Storage Box  
 Transport tie-downs  
 Ground line fill fuel tank with 44  
 gallon capacity  
 Ground line fill diesel exhaust fluid  
 tank with 5 gallon capacity  
 Rubber impact strips on radiator guards

Bumper  
 CD-ROM Parts Manual  
 Backhoe Safety Manual  
 Operations and Maintenance Manual  
 Lockable hood  
 Tire Valve Stem Protection  
 Long Life Coolant -30C (-20F)  
 Padlocks (2 on ST, 3 on IT)

**MACHINE SPECIFICATIONS**

COMMENT AND REVIEW  
To the  
REQUEST FOR PROPOSAL (RFP) #060311  
Entitled

HEAVY CONSTRUCTION EQUIPMENT TOGETHER WITH RELATED ACCESSORIES, SUPPLIES  
AND SERVICES

The following advertisement was placed in the Star Tribune on April 21, 2011 and April 27, 2011 and the Daily Journal of Commerce and on the NJPA website [www.njpacoop.org](http://www.njpacoop.org), Onvia and on [noticetobidders.com](http://noticetobidders.com) website:

The National Joint Powers Alliance® (NJPA) issues this request for proposal (RFP) to provide HEAVY CONSTRUCTION EQUIPMENT TOGETHER WITH RELATED ACCESSORIES, SUPPLIES, AND SERVICES, on behalf of ourselves and our Members from government, education, and non-profit agencies located in all 50 states and potentially internationally. Details of this RFP are available beginning April 20, 2011 and continuing until May 11, 2011. Details and specifications may be obtained by letter of request to Gregg Meierhofer, NJPA, 200 First Street Northeast, Staples, MN 56479, or by e-mail at [RFP@njpacoop.org](mailto:RFP@njpacoop.org). Proposals will be received until June 2, 2011 at 2:00 p.m. Central Time at the above address and opened June 3, 2011 at 8:00AM Central Time.

RFP's were requested from and distributed to:

Altec	Best Equipment Co.
Bierschbach Equipment and Supply	Bobcat Company
Boyer Trucks	Caterpillar
CNH Case New Holland	Construction Products and Consultants, Inc.
Drive Cam	Federal Contracts Corp.
Group Elabrie	Henderson Products
Henke Manufacturing	Indian Eyes, LLC
John Deere	Link-Belt Construction Equipment, Co.
Manitowoc Cranes	Mauldin Paving Products
M-B Companies, Inc.	Mitsubishi Caterpillar Forklift America, Inc.
Multiquip, Inc.	NAPA
NorAm	Norco Equipment
Old Dominion Brush Company, Inc.	RDO Equipment
Sierra Systems	State of South Carolina
State of South Dakota	Sullair

Late inquiries were requested from:

Finn Corporation  
Henderson Products

Hammerhead  
Modern Machinery Co., Inc.

Bids were opened on June 10, 2011 at the offices of NJPA offices 200 1<sup>st</sup> Street Northeast in Staples, Minnesota 56479. All bids received were deemed responsive. Bids were received from the following:

Grove US LLC (Manitowoc)  
CNH America, LLC  
Sullair Corporation  
Old Dominion Brush Co., Inc.  
DriveCam, Inc.  
Multiquip  
John Deere Construction Retail Sales, a division of JDSS  
Noram Marketing SVGS  
Terex Corp. dba Terex Construction Americas

Caterpillar, Inc.  
Labrie Environmental Group, Inc.  
Federal Contracts Corp.  
Altec Industries, Inc.  
Wirtgen America, Inc.  
VT Leeboy, Inc.  
Clark Equipment Company

The following bids were deemed to be non-responsive:

Noram Marketing SVGS  
Terex Corp. dba Terex Construction Americas

Lack of required insurance  
Lack of required insurance

The following bids were removed from consideration after being deemed to be substantially outside the scope of our solicitation:

Labrie Environmental, Group, Inc.  
Old Dominion Brush Company  
Federal Contracts Crop.

We sincerely invite these bidders to re-submit their bids when NJPA issues a solicitation for bids for the goods and services offered in those submissions.

Bids were reviewed by the Bid Review committee consisting of:

Ginger Line, Coordinator of Bids and Contracts  
Gregg Meierhofer, Coordinator of Bids and Contracts  
Tracy Plinske, Coordinator of Bids and Contracts  
Keith Hanson, Assistant to Manager of Financial Services, CPA

National Joint Powers Alliance

200 First Street NE • Staples MN, 56479

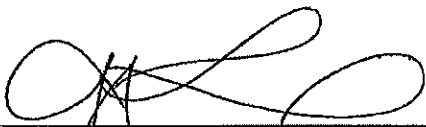

888-894-1930 • www.njpacoop.org

The findings of the Bid Review Committee are summarized as follows:

The Bid Evaluation Committee found the bid responses to be generally well put together and offering a wide array of products and services. The Committee also found the bids to be within a "Competitive Range".

For these reasons the NJPA Evaluation Team recommends award of NJPA #060311 to:

- Grove US LLC (Manitowoc)
- CNH America, LLC
- Sullair Corporation
- Altec Industries, Inc.
- Wirtgen America, Inc.
- VT Leeboy, Inc.
- John Deere Construction Retail Sales, a division of JDSS
- Caterpillar, Inc.
- DriveCam, Inc.
- Multiquip
- Clark Equipment Company

## Public Works Department

### MEMORANDUM

To: Rix Skonberg, Purchasing & Facilities Division Manager

From: Ahmad R. Ansari, Public Works Director / City Engineer 

Date: June 2, 2015

Subject: Justification for selection of Caterpillar 420F Backhoe as standardized manufacturer/model for all City of Moreno Valley Fleet backhoes

Three backhoes were approved for purchase in the 2014-15 Mid-Year Budget process. The Maintenance & Operations Division has been awarded funds from Carl Moyer Memorial Air Quality Standards Attainment Program (grant). The awarded grant off-sets a deficiency of available replacement funds to purchase the three backhoes. Council approved the grant on April 28, 2015. This grant requires that the backhoes meet certain air quality mandates. In order to be considered for the grant and receive the largest possible amount of grant funds, specific information on engine type, make and model were required on the grant application to insure that the air quality mandates would be met. With the awarded grant funds, combined with City funds, the Maintenance & Operations Division is seeking to purchase three backhoes made by Caterpillar, model 420F, that corresponds to the information provided in the grant application.

The awarded grant requires the City to take possession of the three backhoes by September 30, 2015. The Maintenance & Operations Division is looking to expedite the purchase through a piggyback process using a single-source provider, Johnson-Machinery, Riverside, California. Both the City and Johnson-Machinery are both members of NJPA allowing for the opportunity of a piggyback process rather than a formal Request for Proposal (RFP) process. Johnson-Machinery is a complete Caterpillar dealer with multiple locations in Southern California. Additionally, the Maintenance & Operations Division based

the justification for selection of the Caterpillar 420F Backhoe as the standard manufacture/model for all City of Moreno Valley Fleet backhoes on the following criteria:

### Safety

- Model is capable of lifting its entire range and strength at low idle, albeit slower, and has the ability to perform multiple maximum strength functions without having to be at full power, or being subjected to the jerky movements of a gear pump system.
- During regeneration, there is a decreased risk of fire and no need to park in an area free of combustible debris. Other manufactures have a requirement to leave the machine in an area where combustible material within the vicinity will not catch fire, allowing for the equipment to run its regeneration cycle (usually 30 – 40 minutes).
- Ease of operation, based on Equipment Operator feedback, and standardization of all backhoes to one manufacturer/model enhances safety and operator familiarity during operation.

### Operational Efficiency

- Utilizes a variable displacement axial piston hydraulic pump incorporating Priority Proportional Pressure Compensating valves, not utilized by other competitors. This system allows for load sensing, enabling the machine's hydraulics to direct hydraulic horsepower and flow where and when needed. This prevents unnecessary horsepower demand of the engine, providing for better fuel consumption and less wear/tear on the machine.
- Passive regeneration process minimizes down time of the machine, including crew members and materials supporting the machine.

### Maintenance Efficiency

- Parts are easily identifiable and parts availability is readily available the same day in most cases
- Ease of maintenance, based on Fleet Staff feedback, and demonstrated durability based on historical usage of existing Caterpillar equipment within the City's fleet.

Based on these criteria, in lieu of a formal RFP process, the three Caterpillars are recommended to be directly purchased from the vendor as a sole source solution. The Maintenance and Operations Division is requesting concurrence on this recommendation to expedite this procurement of this heavy equipment.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Allen Brock, Community Development Director

**AGENDA DATE:** June 23, 2015

**TITLE:** FIRST AMENDMENT OF INDEPENDENT CONTRACTOR AGREEMENT WITH ESGIL CORPORATION

---

### **RECOMMENDED ACTION**

#### **Recommendation:**

1. Approve the first amendment of Independent Contractor Agreement with EsGil Corporation of San Diego, California, to provide plan review services for the Building Safety Division.
  
2. Authorize the Mayor to execute the Amendment.

### **SUMMARY**

This report recommends approval of the first amendment to the Independent Contractor Agreement with EsGil Corporation to continue providing plan review services for the Building Safety Division.

### **DISCUSSION**

The City executed a contract for services in July 2012 with EsGil Corporation for plan review services for the Building Safety Division. The term of the contract was for three years, with provisions for two one-year extensions, not to exceed a total contract period of five years.

EsGil Corporation provides as needed plan review services for the Building Safety Division. This service is critical to providing timely service for the City's customers with respect to project processing and development and furthering positive economic development throughout the community.

All costs associated with this agreement are fully recovered from fees paid for by the applicant. In addition, the contract includes a reduced rate for services thereby helping to control the costs of the Division and for the applicants for these necessary services. Also included with this Amendment is the City's latest established Insurance Requirements as described in Attachment 2, Exhibit A. The contractor has agreed to comply and will provide the necessary documentation prior to approval.

**ALTERNATIVES**

1. Approve the First Amendment of Independent Contractor Agreement with EsGil Corporation to provide plan review services. *This alternative is recommended by staff.*
2. Do not approve the First Amendment of Independent Contractor Agreement with EsGil Corporation thereby leaving the Division without a contractor for plan review services requiring the need to pursue another contractor. *This alternative is not recommended by staff.*

**FISCAL IMPACT**

The Agreement extension will not impact the General Fund as it is fully funded by recovering fees for service paid for by the applicant.

**PREPARATION OF STAFF REPORT**

Prepared By:  
Allen D. Brock  
Community Development

Department Head Approval:  
Allen D. Brock  
Community Development

**CITY COUNCIL GOALS**

**Revenue Diversification and Preservation.** Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

2. Exhibit A - First Amendment Insurance Requirements
3. Exhibit B - Esgil Independent Contractor Agreement

**APPROVALS**

Budget Officer Approval	<u>✓ Approved</u>	6/12/15 1:25 PM
City Attorney Approval	<u>✓ Approved</u>	6/16/15 8:08 AM
City Manager Approval	<u>✓ Approved</u>	6/16/15 11:29 AM

## FIRST AMENDMENT TO INDEPENDENT CONTRACTOR AGREEMENT

The First Amendment to Agreement is by and between the CITY OF MORENO VALLEY, a municipal corporation, hereinafter referred to as “City,” and ESGIL CORPORATION, hereinafter referred to as “Contractor.” This First Amendment to Agreement is made and entered into effective on the date the City signs this Amendment.

### RECITALS:

Whereas, the City and Contractor entered into an Agreement entitled “INDEPENDENT CONTRACTOR AGREEMENT” hereinafter referred to as “Agreement,” dated July 3, 2012.

Whereas, the Consultant is providing professional and technical services as more specifically described in the Agreement, attached hereto as “Exhibit B.”

Whereas, it is mutually desirable to amend the Agreement to extend the term of the contract for one year, from June 30, 2015, to June 30, 2016, as provided for in Section 2 (C) of the Agreement.

Whereas, City desires to amend Section 2 (G) of original Agreement to conform to current City insurance requirements as described in “Exhibit A – First Amendment,” entitled “Insurance Requirements.”

### SECTION 1 AMENDMENT TO ORIGINAL AGREEMENT:

1.1 Section 2 (C) of Agreement is hereby amended by extending the Contractor Ending Date one year, from June 30, 2015, to June 30, 2016.

1.2 Section 2 (G) of the Agreement is hereby amended by amending insurance requirements to those as described in “Exhibit A – First Amendment,” entitled “Insurance Requirements.”

**FIRST AMENDMENT TO INDEPENDENT CONTRACTOR AGREEMENT****SECTION 2**

2.1 Except as otherwise specifically provided in this Amendment, all other terms and conditions of the Agreement shall remain in full force and effect.

## INSURANCE REQUIREMENTS

### Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. The most current version of Insurance Services Office (ISO) Commercial General Liability Coverage Form CG 00 01, which shall include insurance for “bodily injury,” “property damage” and “personal and advertising injury” with coverage for premises and operations, products and completed operations, and contractual liability.
2. The most current version of Insurance Service Office (ISO) Business Auto Coverage Form CA 00 01, which shall include coverage for all owned, hired, and non-owned automobiles or other licensed vehicles (Code 1- Any Auto).
3. Workers’ Compensation insurance as required by the California Labor Code and Employer’s Liability Insurance.
4. Professional Liability (Errors and Omissions) insurance appropriate to Consultant’s profession.

### Minimum Limits of Insurance

Consultant shall maintain limits of liability of not less than:

1. General Liability:
  - \$1,000,000 per occurrence for bodily injury and property damage
  - \$1,000,000 per occurrence for personal and advertising injury
  - \$2,000,000 aggregate for products and completed operations
  - \$2,000,000 general aggregate
2. Automobile Liability:
  - \$1,000,000 per accident for bodily injury and property damage
3. Employer’s Liability:
  - \$1,000,000 each accident for bodily injury
  - \$1,000,000 disease each employee
  - \$1,000,000 disease policy limit

## 4. Professional Liability (Errors and Omissions):

\$1,000,000 per claim/occurrence  
 \$2,000,000 policy aggregate

**Umbrella or Excess Insurance**

In the event Consultant purchases an Umbrella or Excess insurance policy(ies) to meet the “Minimum Limits of Insurance,” this insurance policy(ies) shall “follow form” and afford no less coverage than the primary insurance policy(ies).

**Deductibles and Self-Insured Retentions**

Consultant shall be responsible for payment of any deductibles contained in any insurance policy(ies) required hereunder and Consultant shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the City Manager or his/her designee. At the option of the City Manager or his/her designee, either (i) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers; or (ii) Consultant shall provide a financial guarantee, satisfactory to the City Manager or his/her designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. At no time shall City be responsible for the payment of any deductibles or self-insured retentions.

**Other Insurance Provisions**

The General Liability and Automobile Liability insurance policies are to contain, or be endorsed to contain, the following provisions:

1. City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers are to be covered as additional insureds.
2. The coverage shall contain no special limitations on the scope of protection afforded to City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers.
3. Consultant’s insurance coverage shall be primary and no contribution shall be required of City.

The Workers’ Compensation insurance policy is to contain, or be endorsed to contain, the following provision: Consultant and its insurer shall waive any right of subrogation against City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers.

If the Professional Liability (Errors and Omissions) insurance policy is written on a claims-made form:

1. The retroactive date must be shown, and must be before the effective date of the Agreement or the commencement of work by Consultant.
2. Insurance must be maintained and evidence of insurance must be provided for at least 3 years after any expiration or termination of the Agreement or, in the alternative, the policy shall be endorsed to provide not less than a 3-year discovery period.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of the Agreement or the commencement of work by Consultant, Consultant must purchase extended reporting coverage for a minimum of 3 years following the expiration or termination of the Agreement.
4. A copy of the claims reporting requirements must be submitted to City for review.
5. These requirements shall survive expiration or termination of the Agreement.

All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after 30 calendar day written notice by certified mail, return receipt requested, has been given to City. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, Consultant shall furnish City with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for City, Consultant shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

### **Acceptability of Insurers**

All policies of insurance required hereunder shall be placed with an insurance company(ies) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than “A-VII” in Best’s Insurance Rating Guide; or authorized by the City Manager or his/her designee.

**Verification of Coverage**

Consultant shall furnish City with all certificate(s) and **applicable endorsements** effecting coverage required hereunder. All certificates and **applicable endorsements** are to be received and approved by the City Manager or his/her designee prior to City’s execution of the Agreement and before work commences.

Attachment: Exhibit A - First Amendment Insurance Requirements (1525 : FIRST AMENDMENT OF INDEPENDENT CONTRACTOR AGREEMENT

City of Moreno Valley

## INDEPENDENT CONTRACTOR AGREEMENT

This Agreement is made by and between the City of Moreno Valley, California, a municipal corporation, hereinafter referred to as the "City", and the following named independent contractor, hereinafter referred to as the "Contractor," based upon City policies and the following legal citations:

- A. Government Code Section 53060 authorizes the engagement of persons to perform special services as independent contractors; and
- B. The public interest, convenience, necessity and general welfare will be served by this Agreement.

This Agreement is made and entered into effective the date the City signs this Agreement.

### 1. CONTRACTOR INFORMATION:

Contractor's Name: EsGil Corporation  
 Address: 9320 Chesapeake Dr., Suite 208  
 City: San Diego State: CA Zip: 92123  
 Business Phone: (858) 560-1468 Fax No. (858) 560-1576  
 Other Contact Number: (800) 983-7445  
 Business License Number: TBD  
 Federal Tax I.D. Number: 95-3444018

### 2. CONTRACTOR SERVICES, FEES, AND RELEVANT DATES:

- A. The Contractor's scope of service is described in Exhibit "A" attached hereto and incorporated herein by this reference.
- B. Payment terms are provided in Exhibit "B" attached hereto and incorporated herein by this reference.
- C. The Contractor Starting Date is July 1, 2012 and the Contractor Ending Date is June 30, 2015. If mutually agreeable, the City and Contractor may extend this agreement in increments of one year, not to exceed a total contract period of five years. The City acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

3. **STANDARD TERMS AND CONDITIONS:**

- A. Control of Work. Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The City will not provide any training to Contractor or his/her/its employees.
- B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services is paid by the Contractor, an agent or employee of the City, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the City, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the City.
- C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the City. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Agreement, with the exception that the City shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].
- D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Agreement.
- E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's performance of the work contemplated by this Agreement. Acceptance of this Agreement signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.
- F. City Indemnification. The City agrees to indemnify, defend and save the Contractor harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, Housing Authority's and CSD's employees and all claims which arise from the negligent performance or failure to perform the services or other obligations of the City under this Agreement, or are caused by the negligent acts of the City, Housing Authority and CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.
- G. Insurance Requirements. The Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be

rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

The Contractor shall procure and maintain, at its sole expense, Workers' Compensation Insurance in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Contractor and the City, the Housing Authority and CSD against any loss, claim, or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Agreement

General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, sub-Contractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum amounts provided below:

Bodily Injury	\$1,000,000 per occurrence/ \$2,000,000 aggregate
Property Damage	\$500,000 per occurrence/ \$500,000 aggregate

Professional Errors and Omission Insurance—such coverage shall not be less than \$1,000,000 per claim and aggregate.

Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/CSD/Housing Authority premises. Such coverage limits shall not be less than \$1,000,000 combined single limit.

Insurance requirements waived with Risk Manager's approval.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City Risk Manager prior to the execution of this Agreement. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the

Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, its officers, employees and agents, under any third party liability policy

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail of amendment or cancellation to the City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

- H. Intellectual Property. Any system or documents developed, produced or provided under this Agreement, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the City unless explicitly stated otherwise in this Agreement. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Agreement. The City and the Contractor agree that to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.
- I. Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Agreement. This Agreement applies only to the current proposal as attached. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties. Assignment of this Agreement is prohibited without prior written consent.
- J. (a) The City may terminate this Agreement without cause by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue work through the date of termination, provided that no work or service(s) shall be commenced or continued after receipt of the notice which is not intended to protect the interest of the City. The City shall pay the Contractor within thirty (30) days after receiving any invoice after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.
- (b) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Contractor shall perform no

further work or service(s) under the Agreement unless the notice of termination authorizes such further work.

- K. Payment. Payments to the Contractor pursuant to this Agreement will be reported to Federal and State taxing authorities as required. The City will not withhold any sums from compensation payable to Contractor. Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractor's time and materials charges under the Agreement. Upon reasonable notice, such records must be made available to the City's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Agreement.
- L. Restrictions on City Employees. The Contractor shall not employ any City employee or official in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.
- M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall govern the interpretation of this Agreement. Any legal proceeding arising from this Agreement shall be brought in the appropriate court located in Riverside County, State of California.

## *Plan Review Services*

### **A. INTRODUCTION**

#### **1) Methodology/Approach**

##### Plan Control Logs

When plans are received at EsGil, they are reviewed for completeness of submittal, and then logged into our network tracking system. **Attachment "A"** is a sample report from our log system. Our staff enters project information into our database within 24 hours of arrival. Target times and maximum completion times are assigned for each plan review discipline. This information is transferred to a plan check assignment list with completion deadlines as listed in the contract.

The assigned Plan Review Engineer coordinates his/her review with the other plan check disciplines (electrical, mechanical, energy, fire, disabled access) to ensure good communication and coordination of listed deficiencies. EsGil Corporation assures that corrections are communicated as quickly and as clearly as possible. Our goal is to help the applicant through the plan review process. All corrections are identified based on compliance with specified codes and regulations.

##### Checklists

We have an extensive plan check library that covers all aspects of engineering, code interpretation and legal aspects of plan review. We have all plan review lists on a computer network that allows us to be very user friendly and responsive to the designers, as well as our client building officials. Our checklists have been tailored for each client. **Attachment "B"** is sample building correction list.

Plan review engineers follow the checklists for their reviews. They add to or modify any item on the checklist at their work station and then print out a list showing only those items where deficiencies were found to exist on the plans. All documents shall be provided in a format desired by the City. Copies of the checklists are then sent to the City and/or the applicant and design team via mail, fax or e-mail.

##### Quality Control / Supervision

Quality control and supervision of plan review staff are accomplished by having all staff in a single location, a clearly defined organization and having management and supervisory decision-makers immediately available to oversee reviews and answer questions. Oversight reviews are made by supervisors as needed to ensure quality control.

Billing Process

Each month, a detailed billing is sent to the City which shows each project reviewed. This billing will also show the turnaround times and other pertinent information. Please see **Attachment "C"** for a sample copy of our invoice.

Applicant Appeals

In cases where an applicant wishes to appeal a decision made by our staff, it will first be reviewed by a supervisor. If the issue still cannot be resolved, the City Building Official will be contacted and a summary of the issue presented. Our staff will then take guidance from the Building Official's decision.

Customer service is a priority for EsGil. Our staff is committed to working with the public to ensure the health and safety of each jurisdiction's community while making the regulatory process understandable, user friendly and reasonable.

**2) Proposing Firm**

<u>Name:</u>	EsGil Corporation
<u>Mailing Address:</u>	9320 Chesapeake Drive #208 San Diego, CA 92123
<u>E-mail:</u>	mail@esgil.com
<u>Telephone:</u>	(858) 560-1468
<u>Fax #:</u>	(858) 560-1576

**3) Project Manager and Staff**

Plan reviews for the City will be managed by Chuck Mendenhall, Vice-President of EsGil Corporation. Mr. Mendenhall is a California licensed Civil and Structural Engineer, and has over thirty-five years of building inspection department experience. Chuck will provide all liaisons with City staff and will be available to respond to any designer challenges of plan review items. Kurt Culver, P.E., S.E. will assist and provide back-up for Chuck. Please see **Attachment "D"** for resumes of the principals and **Attachment "E"** for a list of all professional staff that will be assigned to Moreno Valley plan reviews.

**4) Team Members**

EsGil has the depth of staff available to commit to the workload identified in your RFP. Our staff includes licensed structural engineers, licensed civil engineers, mechanical engineers, electrical engineers, I.C.C. certified building and fire plans examiners and I.C.C. building and fire certified inspectors. We also have CASp and LEED Certified Plans Examiners. All EsGil plan review engineers are I.C.C. Certified. **Attachment "E"** lists our key personnel with their license numbers, certifications, credentials and areas of responsibility.

## **B. QUALIFICATIONS**

EsGil Corporation is a specialized firm that has provided full-service building and fire plan review, inspection and permit processing services to city, county, tribal and state agencies for over 30 years. We have provided building and fire reviews for projects having a valuation in excess of 60 billion dollars. Projects include high-rise buildings, residential projects, tenant improvements, remodels, regional shopping centers, hotels, resorts, hospitals, sports arenas, detention facilities, police stations, fire stations, city halls, libraries, schools, industrial facilities, hazardous occupancies, trash recycling, essential facilities, unreinforced masonry seismic upgrades and casinos.

We understand the Building Official's role. The two corporate founders of EsGil formerly served as Director and Deputy Director of the San Diego County Building Inspection Department. The corporation presently operates the full building inspection departments and also serves as the Building Official for the cities of Del Mar, Encinitas, Lemon Grove, Poway, Santee and Solana Beach. Responsibilities include providing on-site staff for the public counter, inspection, supervision, in addition to plan check in both the City offices and at our local office. The National City and Coronado Building and Fire Departments also utilize our full-service plan check, inspection and permit processing services. Please see **Attachment "G"** for our Client Reference Sheet.

Through EsGil Corporation, client cities share with other jurisdictions a full-depth of highly trained professionals. Our highly-credentialed plan check engineers assist with reviewing state-mandated structural, plumbing, mechanical, electrical, disabled access, fire, energy conservation, green code regulations and also any local building regulations. Highly qualified EsGil managers are always available for policy decisions, problem resolution, applicant appeals of staff decisions, quality control, and supervision. This level of expertise and experience would typically not be affordable by an individual city. **Attachments "D" and "E"** lists the credentials, licenses and certifications of our top-level management and plans examiners assigned to Moreno Valley projects.

During the plan review process, our staff is prepared to meet with the applicant or architect/engineer, City employees or consultants. Telephone discussions or meetings at project sites are welcomed to ensure that any plan review issues are handled efficiently. Our goal is to issue approved plans as quickly as possible but in full compliance with laws, codes, ordinances and regulations. Phone calls, teleconferences and meetings at our office are included in our plan check fees. Conferences and meetings outside of our office may be charged hourly, based on our hourly labor rates listed on **"City Form 5"**.

### Training

We believe that continuous training for our staff is absolutely imperative for the accuracy and reliability of our inspections and plan reviews. Our plan review and inspection staff attends training classes presented by building organizations such as SEA, ICC and CALBO, with many of our staff members highly sought-after to lecture, teach, and be mentors. We also provide in-house training and cross-training for our staff on a regular basis.

### Memberships

Our involvement and support for our local building organizations is a priority for our company and our staff. Kurt Culver, President of EsGil Corporation, currently serves as a member of CALBO's Structural Safety Committee and two other staff members have formerly served as President of the Structural Engineers Association of San Diego.

We are also active members of the following organizations:

- International Code Council (ICC)
- California Building Officials (CALBO)
- International Association of Electrical Inspectors (IAEI)
- International Association of Plumbing and Mechanical Officials (IAPMO)
- Structural Engineers Association (SEAOSD)
- American Concrete Institute (ACI)
- County Building Officials (CBOAC)
- National Fire Sprinkler Association (NFSA)
- CALBO Structural Safety Committee

In addition to serving on numerous committees for these organizations, our staff is also involved with the California Seismic Safety Commission, Strong Motion Instrumentation Advisory Committee and the Leadership in Energy and Environmental Design (L.E.E.D) Green Building Council.

### Conflict of Interest

Since 1979, our only product has been providing services to building inspection departments and state agencies. By limiting our clients to only government agencies *and performing no design*, any conflict of interest is completely avoided. All employees have signed agreements that restrict any outside activities or employment that would create a conflict of interest. We have no direct or indirect financial interest in any projects in Moreno Valley.

EsGil Corporation declares that no potential conflict of interest exists or will exist which might impair or undermine our ability or credibility when providing plan checking services to the City of Moreno Valley.

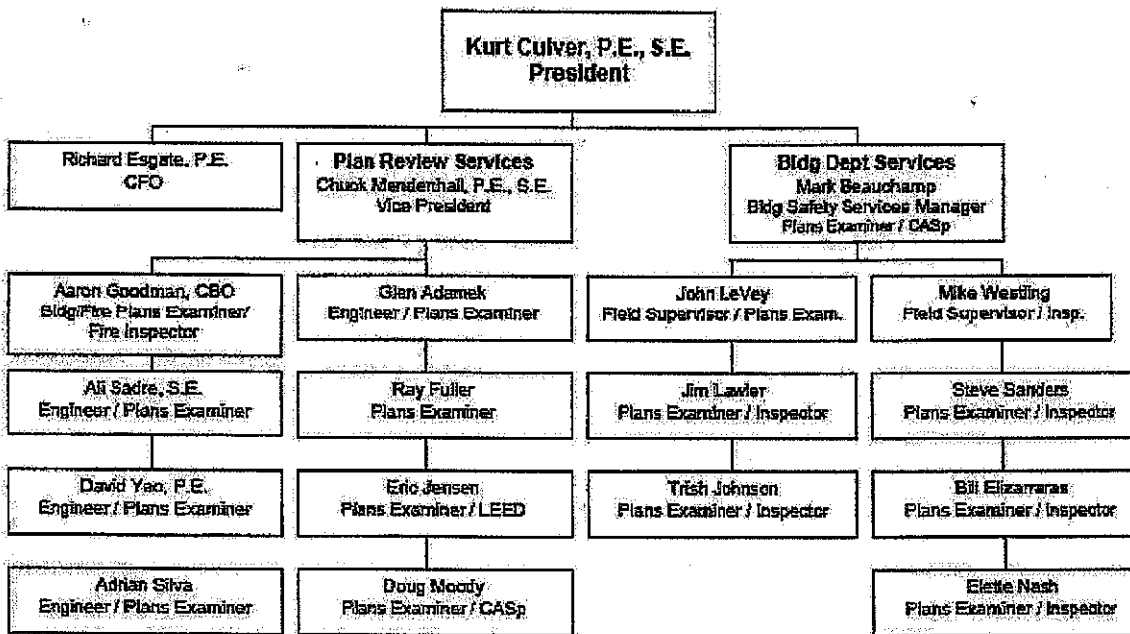

Insurance

To protect our clients and the Corporation, we carry one million dollars of general and professional liability (E&O) insurance with a two million dollar aggregate. Our policies are written exclusively for plan review and building/fire department services. EsGil currently carries all of the insurance requested and can meet or exceed the insurance requirements listed in the RFP. Please see Attachment "F" for a copy of our insurance certificate created for the City of Moreno Valley.

**C. PERSONNEL**

Attachments "D" and "E" lists our personnel experience and background. The following is a copy of our organization chart listing our professional staff:

**ESGIL CORPORATION ORGANIZATION CHART**  
TECHNICAL SERVICES

**D. REFERENCE**

We have also provided the same scope of work for other jurisdictions in this area and are very familiar with the designers working in the region. Please see "City Form 4" (References pages) for a list of three (3) jurisdictional references who have used our plan review services within the last five years.

Attachment "G" is a list of other long-term client references where we have provided a similar scope of services; Attachment "H" are letters of recommendation from several of our clients. We encourage you to contact any of our clients to evaluate our professional quality and public relations.

**E. AUTHORIZATION**

The terms and conditions contained in this proposal shall remain valid for a period of no less than ninety (90) days from the date of submittal. I am the person that is officially authorized to bind EsGil Corporation to the terms of the contract and is capable of acceptance from the City:

  
\_\_\_\_\_  
Kurt Culver, President

**F. FEE SCHEDULE**

Please see "City Form 5" (Proposal Schedule) for a copy of our proposed fees, which will be valid for at least one (1) year from the effective date of the contract if awarded.

**G. TIME SCHEDULES**

Our diverse staff provides flexibility when managing workloads. During peak workloads, we do not accept projects from cities and counties where we do not have an ongoing contractual relationship, thereby maintaining all current contractual service agreements. When necessary, we also assign overtime to allow our plan review staff to meet those timeframes, at no cost to the City. During our thirty-three years in business, we have always been able to meet all of our agreed-upon review times.

The following is a list of our proposed turnaround time for each possible type of job assigned:

<b>Project Type</b>	<b>Initial Check</b>	<b>Rechecks</b>	<b>Plan Change</b>
Single Family Dwellings	5	5	5
Apartments	5	5	5
Tenant Improvements	5	5	5
Commercial/Industrial	10	5	5

\* Turnaround times not to exceed the workdays listed.

Accelerated / expedited plan reviews can be performed on overtime in half the normal turn-around times or as requested by the Building Official.

## **H. TRANSPORTATION OF PLANS**

To assist in the security of plans, EsGil currently provides Federal Express and Golden State Overnight services for pick-up and delivery of plans when requested by the City staff, at no cost to the City.

Resubmitted plans may be delivered to the City office or shipped directly to our office, based on the City's procedures and requirements. EsGil has the ability to receive plans by mail or via electronic transmission, which decreases the time delays and costs associated with shipping plans. At completion, perforated or signed sets of the final plans are delivered to the City.

## **I. LIST OF SUBMITTALS / CITY SUBMITTAL DOCUMENTS**

<b>PLAN CHECK NO.: 12-0731 thru 737, 740/1, 768</b>		<b>JURISDICTION: Menifee</b>
<b>OCCUPANCY: E</b>	<b>USE: School</b>	
<b>TYPE OF CONSTRUCTION: V-B</b>	<b>ACTUAL AREA: varies</b>	
<b>ALLOWABLE FLOOR AREA: To be</b>	<b>STORIES: 1 and 2</b>	
<b>determined</b>	<b>HEIGHT: varies</b>	
<b>SPRINKLERS?: Yes</b>	<b>OCCUPANT LOAD: varies</b>	
<b>REMARKS:</b>		
<b>DATE PLANS RECEIVED BY</b> <b>JURISDICTION: 4/10/12</b>	<b>DATE PLANS RECEIVED BY</b> <b>ESGIL CORPORATION: 4/11/12</b>	
<b>DATE INITIAL PLAN REVIEW</b> <b>COMPLETED: April 20, 2012</b>	<b>PLAN REVIEWER: Kurt Culver</b>	

**FOREWORD (PLEASE READ):**

This plan review is limited to the technical requirements contained in the International Building Code, Uniform Plumbing Code, Uniform Mechanical Code, National Electrical Code and state laws regulating energy conservation, noise attenuation and access for the disabled. This plan review is based on regulations enforced by the Building Department. You may have other corrections based on laws and ordinances enforced by the Planning Department, Engineering Department, Fire Department or other departments. Clearance from those departments may be required prior to the issuance of a building permit.

Code sections cited are based on the 2010 CBC, which adopts the 2009 IBC.

The following items listed need clarification, modification or change. All items must be satisfied before the plans will be in conformance with the cited codes and regulations. Per Sec. 105.4 of the 2009 International Building Code, the approval of the plans does not permit the violation of any state, county or city law.

**To speed up the recheck process, please note on this list (or a copy) where each correction item has been addressed, i.e., plan sheet number, specification section, etc. Be sure to enclose the marked up list when you submit the revised plans.**

**Menifee 12-0731 thru 737, 740/1, 768**  
**April 20, 2012**

• **GENERAL**

1. Please make all corrections and submit THREE new *complete* sets of prints, to:  
The Menifee building department.

• **PLANS**

2. The architectural plans are incomplete. Please fill in all empty reference bubbles, complete all notes, complete all details, provide necessary dimensions, etc. A complete plan review cannot be performed until then.
3. All sheets of the plans and the first sheet of the calculations are required to be signed by the licensed architect or engineer responsible for the plan preparation. California State Law.
4. Architectural plans were provided for the Storage Building, but no structural information. Also, the "Project Summary" doesn't list it. Please clarify.
5. The reported floor areas on sheet T1 don't seem to include the areas of the various balconies (at each floor). Please recheck the reported floor areas.
6. Provide a note on the plans indicating if any hazardous materials will be stored and/or used within the building which exceed the quantities listed in IBC Tables 307.1(1) and 307.1(2). Room E123?

• **SITE PLAN**

7. Provide a fully dimensioned site plan drawn to scale. Sec. 107.2. Include the following:
  - a) Clearly dimension building setbacks from property lines, street centerlines, and from all adjacent buildings on the site plan.
  - b) Existing and proposed buildings and structures. What is shown southwest of Building E?
8. When two or more buildings are on the same property, the buildings shall have an assumed property line between them for the purpose of determining the required walk and opening protection and roof cover requirements, per Section 705.3. Section 503.1.2.
  - a) Please show the assumed property line on the plans (with dimensions), and then show appropriate wall/opening protection. Buildings D/E appear to be quite close, but check all buildings for this requirement.
  - b) Additionally, some of the separated "buildings" are connected by exit balconies at the second floor. Please provide a narrative to justify this (pedestrian walkways?).

**Menifee 12-0731 thru 737, 740/1, 768  
April 20, 2012**

9. Exterior exit balconies, stairways and ramps shall be located at least 10' from adjacent lot lines and from other buildings on the same lot unless the adjacent building exterior walls and openings are protected in accordance with Section 707 based on fire separation distance. Section 1027.3.

**• BUILDING HEIGHT/STORIES**

10. For the 2-story buildings, please document on the plans that the fire sprinklers are being used to allow increase the allowable number of stories from Table 503.

**• FIRE BARRIERS**

11. Incidental use areas may need to be separated from the main occupancy. See Table 508.2.5 below. Please address the following specific concerns:

- a) Storage rooms.
- b) Even if sprinklers are used to eliminate the need for 1-hour wall construction, Section 508.2.5.2 still requires the partitions to extend to the underside of the floor/roof above and for any doors in the partitions to be self-closing.
- c) In California, the State Fire Marshall has modified the table to prohibit sprinklers as an alternate to the 1-hour protection for laboratories in Group E occupancies. Will there be any laboratories? Room E120?

ROOM OR AREA	SEPARATION AND/OR PROTECTION
Storage rooms over 100 square feet.	1 hour or provide automatic fire-extinguishing system.

**• EXITS**

12. All doors and gates, within the exit path to a public way from an occupancy of Group A or E having an occupant load of 50 or more shall not be provided with latches or locks unless they are equipped with panic hardware. Sections 1008.1.10 and 1002.

**Menifee 12-0731 thru 737, 740/1, 768**  
**April 20, 2012**

• **CORRIDORS**

13. Corridors shall have fire partition walls of one-hour construction when required by Table 1018.1. Show the locations of the rated corridors on the plans or clearly show compliance with an applicable exception from Section 1018.1.
- a) In California, E occupancies must be fire-rated, even if the building is sprinklered.
    - i) "Waiting A203" must be constructed as a one-hour corridor. This will also affect A102, etc.
    - ii) Also, the second exit for Room B201 is into a stairwell. That stairwell (and its extension at the lower level) must be constructed as a rated corridor.
14. Fire-resistance rated exit corridors shall not be interrupted by intervening rooms. Foyers, lobbies or reception rooms constructed as for corridors shall not be construed as intervening rooms. Section 1018.6.
- a) Corridor A203 must be separated from A202.
  - b) See also A103.
15. Corridors shall have interior door openings protected by tight-fitting smoke and draft control assemblies rated 20 minutes. Doors shall be maintained self-closing or be automatic closing by action of a smoke detector per Section 715.4.8. Doors shall be gasketed to provide a smoke and draft seal where the door meets the stop on sides and top. Section 715.
16. Windows in the walls of fire-rated interior corridor walls (Section 715.5):
- a) Such openings shall be protected by glazing listed and labeled for a fire-protection rating of at least 3/4-hour (or 1/4-inch thick wired glass in steel frames).
  - b) The maximum width or height of such windows shall not exceed 54 inches, and the maximum area may not exceed 1,296 square inches.
  - c) The total area of such windows shall not exceed 25% of the area of a common wall with any room. Section 715.5.8.2.
17. Duct penetrations (or air transfer openings) of fire-rated corridor construction shall have fire and smoke dampers per Sections 716.

• **EXIT SIGNS**

18. Exit signs are required whenever two exits are required. Show all required exit sign locations. Section 1011.1.

Menifee 12-0731 thru 737, 740/1, 768  
April 20, 2012

• GLASS AND GLAZING

19. Glazing in the following locations should be of safety glazing material in accordance with Section 2406.4:
- a) Fixed or operable panels adjacent to a door where the nearest exposed edge of the glazing is within a 24-inch arc of either vertical edge of the door in a closed position and where the bottom exposed edge of the glazing is less than 60 inches above the walking surface.
  - b) Individual fixed or operable panels, other than those locations described above, that meet all of the following conditions:
    - i) Exposed area of an individual pane is greater than 9 square feet, and;
    - ii) Exposed bottom edge is less than 18 inches above the floor, and;
    - iii) Exposed top edge is greater than 36 inches above the floor, and;
    - iv) One or more walking surfaces are within 36 inches horizontally of the plane of the glazing.
  - c) Glazing adjacent to stairways or ramps under certain conditions.

• ROOFS

20. Specify on the plans the following information for the roof materials, per Section 1506.3:
- a) Manufacturer's name.
  - b) Product name/number.
  - c) ICC approval number, or equal.
21. Show the required attic ventilation on the plans. Show "area required" and "area provided." The net free ventilating area shall not be less than  $1/300^{\text{th}}$  of the area of the space ventilated. Further, 50% of the opening area must be provided with ventilators in the upper portion (at least 3' above eave or cornice) with the balance of ventilators provided by eave or cornice vents. Section 1203.2.
22. Show location of attic access with a minimum size of 20"x30", unless the maximum vertical headroom height in the attic is less than 30 inches. Access must be provided to each separated attic area. Section 1209.2.

• MISCELLANEOUS LIFE/SAFETY

23. Specify the guard height at Key Note 13 on A2.1, etc.
24. Pedestrian walkways must be shown to comply with Section 3104.
25. Specify on the plans that the Emergency Responder Safety Features of Section 914 will be installed.

**Menifee 12-0731 thru 737, 740/1, 768  
April 20, 2012**

26. Specify on the plans that **portable fire extinguishers** will be installed in the building in accordance with Section 906.
27. A **Fire Alarm System** shall be installed under the following conditions, per Section 907 (see exceptions):
- a) Group E occupancies with an occupant load of 50 or more persons or containing more than one classroom or one or more rooms used for day care purposes.

• **ACCESSIBILITY**

28. Provide notes and details on the plans to show compliance with the enclosed "Disabled Access" Review List.

• **GREEN BUILDING STANDARDS**

The California Building Standards Commission (BSC) has adopted the Green Building Standards Code which became effective January 1, 2011 and must be enforced by the local building official. The following mandatory requirements for commercial construction must be included on your plans. The Green Building Standards apply only to **newly constructed** buildings throughout California. CGC 101.3

29. Note on the site plan that for projects of one acre or less the site shall be planned and developed to keep surface water away from buildings. A "SWPP" shall be provided and approved by the City Engineer, showing site grading and provide for storm water retention and drainage during construction. BMP's that are currently enforced by the city engineer must be implemented prior to initial inspection by the building department. CGC 5.106.3.
30. Note on the plans that bicycle parking for projects with over 10 tenant occupants (10 employee occupants) shall comply with CGC Section 5.106.4. The specific details must be submitted and approved by the Planning Department.
31. Note on the plans that fuel-efficient vehicle parking will be provided in accordance with CGC Section 5.106.5.1. The specific details for the parking must be submitted and approved by City Planning Department.
32. Note on the plans that exterior light pollution must comply with CGC section 5.106.8.
33. Submit to the Engineering Department or other Agency that regulates construction waste management a Waste Management Plan that outlines the items listed in CGC Section 5.408.2.
34. Note on the plans that a minimum of 50% of construction waste is to be recycled. CGC 5.408.3

**Menifee 12-0731 thru 737, 740/1, 768****April 20, 2012**

35. Note on the plans that 100% of trees, stumps, rocks, vegetation and associated soils primarily from the construction will be reused or recycled. CGC 5.408.4
36. For new buildings that are 10,000 sq. ft. and over, the architect or responsible design professional shall submit, prior to plan approval, a "**Commissioning Plan**". The Commissioning Plan must be submitted with the plan documents during plan check. The Plan must be reviewed and approved by the plan checker for compliance with 5 required features listed in CGC 5.410.2.3 as follows: (a) General project information (b) Commissioning goals (c) List the systems to be commissioned with information on design intent, equipment and systems to be tested, functions to be tested and acceptable performance based on tests (d) Commissioning Team member information (e) commissioning process activities, schedules and responsibilities
37. Note on the plans that a building "Systems Manual" as listed in CGC Section 5.410.2.5 shall be delivered to the building owner or representative and the facilities operator. Further, note on the plans that the "Systems Manual" shall contain the required features listed in CGC Section 5.410.2.5.1.
38. Note on the plans that during construction, ends of duct openings are to be sealed, and mechanical equipment is to be covered. CGC 5.504.3.
39. Note on the plans that VOC's must comply with the limitations listed in Section 5.504.4 and Tables 4.504.1, 5.504.4.1, 5.504.4.2, 5.504.4.3 and 5.504.4.5 for: Adhesives, Sealants, Paints and Coatings, Carpet and Composition Wood Products. CGC 5.504.4.
40. Note on the plans that installations of HVAC, refrigeration and fire suppression systems will not contain CFC's or Halons, per CGC 5.508.1
41. Note on the plans that prior to final approval of the building the licensed contractor, architect or engineer in responsible charge of the overall construction must complete and sign the Green Building Standards Certification form and given to the building department official to be filed with the approved plans.
42. Provide calculations prepared by a licensed engineer that will show water consumption reduction of 20% below the baseline water consumption listed in 5.303.2.2. In lieu of providing the calculations, imprint on the plans Table 5.303.2.3, which lists fixtures that meet the 20% reduction. CGC 5.303.2

Menifee 12-0731 thru 737, 740/1, 768  
April 20, 2012

TABLE 5.303.2.3 FIXTURE FLOW RATES

FIXTURE TYPE	MAXIMUM FLOW RATE AT 20 % REDUCTION
Showerheads	2 gpm @ 80 psi
Lavatory faucets-nonresidential	0.4 gpm @ 60 psi
Kitchen faucets	1.8 gpm @ 60 psi
Wash fountains	1.8 [rim space (in.)/20 gpm @ 60 psi]
Metering faucets	0.2 gallons/cycle
Metering faucets for wash fountains	.20 [rim space (in.)/20 gpm @ 60 psi]
Gravity tank type water closets	1.28 gallons/flush <sup>1</sup>
Flushometer tank water closets	1.28 gallons/flush <sup>1</sup>
Flushometer valve water closets	1.28 gallons/flush
Electromechanical hydraulic water closets	1.28 gallons/flush <sup>1</sup>
Urinals	5 gallons/flush

1. Includes single and dual flush water closets with an effective flush of 1.28 gallons or less:

Single flush toilets-The effective flush volume shall not exceed 1.28 gallons (4.8 liters). The effective flush volume is the average flush volume when tested in accordance with ASME A 112.19.233.2.

Dual flush toilets-The effective flush volume shall not exceed 1.28 gallons (4.8 liters). The effective flush volume is defined as the composite, average flush volume of two reduced flushes and one full flush. Flush volumes will be tested in accordance with ASME A 112.19.2 and ASME A 112.19.14.

43. Imprint on the plumbing plans Table 5.303.6 in the CGC. Note on the plans that waste water fixtures shall comply with the standards listed in CGC Table 5.303.6.
44. Note on the plans that landscape irrigation water use shall have weather based controllers. CGC 5.304.3.1.

**Menifee 12-0731 thru 737, 740/1, 768**  
**April 20, 2012**

• **FOUNDATION**

45. Provide a copy of the project soil report prepared by a licensed civil engineer. The report shall include foundation design recommendations based on the engineer's findings.
46. Provide a letter from the soils engineer confirming that the foundation plan, grading plan and specifications have been reviewed and that it has been determined that the recommendations in the soil report are properly incorporated into the plans (when required by the soil report).
47. Note on plans that surface water will drain away from building and show drainage pattern. The grade shall fall a minimum of 5% within the first 10 feet (2% for impervious surfaces). Section 1804.3.

• **STRUCTURAL**

48. Revise the lateral designs to use a rho factor of 1/3, or provide calculations to justify using 1.0. ASCE 7-05, Section 12.3.4.2 and equation 12.4-3.
49. **Importance Factors.** A load importance factor of **1.25** should be used in accordance with ASCE 7-05, Section 1.5.1.1 (seismic) or Section 6.5.5 (wind) or Section 7.3.3 (snow), based on the Occupancy Category given in Table 1-1. *This includes buildings with elementary school, secondary school or day-care facilities (capacity > 250 people), etc. See Table 1604.5 of the IBC for a complete listing.*
50. On sheet S210, please provide information for the elevator area.
51. Some roof/floor members are spaced 48" and 32" on center. Please specify on the plans the Panel Span rating for the plywood at these locations.
52. On sheet S221, please investigate the need for a pad footing below the reaction of the beam on Line C (21k).
53. On sheet S221, please see the bearing wall in-line with the 6x12 on Line 1 (where the 4x8's are). That bearing wall has no footing shown below it on the foundation plan.
54. Also, what is the size of the header opposite that 6x12?
55. On sheet S230, it appears that a portion of the perimeter continuous footing is missing at Line G/F (at 4).
56. On sheet S241, please clarify the support for the 6x12 beam on Line 3 (between F and G).
57. On sheet S252, please specify the roof framing over the elevator.

**Menifee 12-0731 thru 737, 740/1, 768**

**April 20, 2012**

58. Regarding the structural calculations:

- a) Please revise page 9 to specify Wind Exposure C (instead of B).
- b) The floor plan sketches on the plans (AK1, etc.) don't match the plans. They appear to be rotated, mirror-images of the actual building layouts. Please revise the sketches.
- c) Also, the shear wall lengths on those various sketches don't match the foundation/framing plans. In some cases, the difference is only a few inches, but in other cases it's a few feet. Please clarify.
- d) Sheet AB5 calls for a beam that is 11.875" deep, the sketch on AK3 shows a different depth and the plans themselves show a much smaller depth. Please investigate.

• **ADDITIONAL**

59. For the Director's deck on sheet A2.1 please specify the surfacing material, show the slope and provide drains/overflows.
60. On sheet A2.5 (etc.), "FB" and "FC" floor designations are shown. How do the floor plans make it clear which one goes where?
61. Please provide complete information on the plans for the proposed fireplace.
62. Please see the following sheets for PME corrections.
63. To speed up the review process, note on this list (or a copy) where each correction item has been addressed, i.e., plan sheet, note or detail number, calculation page, etc.
64. Please indicate here if any changes have been made to the plans that are not a result of corrections from this list. If there are other changes, please briefly describe them and where they are located in the plans.

**Have changes been made to the plans not resulting from this correction list?** Please indicate:  Yes  No

65. The jurisdiction has contracted with Esgil Corporation located at 9320 Chesapeake Drive, Suite 208, San Diego, California 92123; telephone number of 858/560-1468, to perform the plan review for your project. If you have any questions regarding these plan review items, please contact **Kurt Culver** at Esgil Corporation. Thank you.

Menifee 12-0731 thru 737, 740/1, 768  
April 20, 2012

## PLUMBING AND MECHANICAL CORRECTIONS

PLAN REVIEWER: Glen Adamek

### GENERAL AND ARCHITECTURAL PME ITEMS

66. Each sheet of the plans must be signed by the person responsible for their preparation, even though there are no structural changes, before the permits are issued. Business and Professions Code. The final set of corrected drawings to be reviewed for signing and sealing just before the permits are to be issued.
67. Provide data on the proposed hazardous materials to be stored and used within each separate building. CBC 414. Present the description of the hazardous materials in a format that coincides with the material classifications found in CBC Tables 307.1(1) and 307.1(2).
- Clearly show the *types* of hazardous materials being stored or used. Provide a list of the proposed hazardous materials; include the material safety data sheets (MSDS), if applicable.
  - Clearly show the *amounts* for each type of hazardous material to be stored and in use.
  - Clearly show the *locations* in the building where each type of hazardous material is being stored or used.
  - Note: If hazardous materials are present in any amount, forward this information to the mechanical designer for design compliance with CMC Chapter 5.
68. Include, on the mechanical plans, the locations of all required smoke, fire, combination smoke and fire, or ceiling radiation dampers. Be sure to include a symbol on the symbol schedule for each damper type. CBC 716
69. Show compliance with CBC, Section 1204.1: "Interior spaces intended for human occupancy shall be provided with active or passive space-heating systems capable of maintaining a minimum indoor temperature of 68°F. at a point 3 feet above the floor on the design heating day. Show compliance with CBC, Section 1204.1: "Interior spaces intended for human occupancy shall be provided with active or passive space-heating systems capable of maintaining a minimum indoor temperature of 68°F. at a point 3 feet above the floor on the design heating day. As per the International Building Code, Code and Commentary book: "Heating facilities are required for comfort in all new construction. The systems may be either active (such as forced-air furnace) or passive (such as solar systems), as long as the specified performance is achieved. ... The exception recognizes that not all interior spaces are associated with human comfort by the nature of their uses, such as commercial cooler or freezer. These and similar spaces would not require heating systems."
70. Corridors shall not serve as supply, return, exhaust, relief or ventilation air ducts, as per CBC, Section 1017.4.

**Meniffee 12-0731 thru 737, 740/1, 768****April 20, 2012**

71. Please provide complete construction drawings for plan review and to issue permits. Notes on the drawings state: "Not For Construction"
72. Sheet P0.1 is missing from the plan package.
73. The mechanical sheets in the plan package do not match the list of mechanical sheets in the Sheet Index on sheet T1. The some sheet numbers or different, some sheets are missing from the plans and some of the sheets provided are not listed in the Sheet Index. Please correct to agree.
74. Please provide complete plans and details for the proposed Fireplace shown in building B.
75. Clearly show the locations of the elevator equipment (elevator equipment room) in building A and building E.
76. Provide the required independent ventilation for the elevator equipment room to prevent the overheating of the electrical equipment. CBC Section 3006.2
77. Please correct the drawings to show the required 42 inch tall "Guards" (guard rails) as per IBC, Section 1013.5. Where appliances, equipment, fans, roof hatch openings or other components that require service are located within 10 feet of a roof edge or open side of a walking surface..."

**PLUMBING (2010 CALIFORNIA PLUMBING CODE)**

78. Provide a plumbing material schedule on the plans describing the following systems: Potable water piping, the drain, waste, and vent piping, gas piping, and the roof drains.
79. Sheet P1.0 does not include construction details and drawings for the site plumbing systems. Provide the site plumbing plans showing the sizes and locations of the gas meters and water meter, and the sizes, routes, and slopes of the building sewer, storm drainage system, site gas lines, and site water lines.
80. Identify the extent of the private sewer, water, and gas systems on the plumbing site plan. Clearly specify, on the plans, which City Department is responsible for the permitting, plan check, and inspections for the private utility systems. If private, the responsibility of the City Building Department, and under the Uniform Plumbing Code, provide complete civil site utility plans for plan check, or obtain a separate permit from the City for the civil site plans.
81. Please show the upstream sewer manhole rim and finished floor elevations. Provide backwater valves for all fixtures installed on floor levels below the next upstream manhole rim elevation. (Only fixtures installed on floor levels below the next upstream manhole rim elevation may flow through a backwater valve.) UPC 710.1

**Menifee 12-0731 thru 737, 740/1, 768****April 20, 2012**

82. Please provide plumbing fixture and plumbing equipment schedules for all proposed plumbing fixture and plumbing equipment.
83. Please provide complete water line sizing calculations and plans that agree. Include the water pressure, pressure loss calculations, water demands, and the developed pipe lengths. UPC 610.0 or Appendix 'A'. Please address the following:
- Show the sizes and locations of the separate water meter for each separate building as per the water line sizing calculations on sheet P0.2. Also, developed pipe lengths and elevation pressure losses will be reviewed when water meter locations are provided.
  - Show the minimum and maximum water pressure supplied to each of the separate public water meters. Pressure regulators may be required and pressure losses were not included in the water line sizing calculations for pressure regulators.
  - Please provide cut-sheet and callout data on the drawing for the proposed flush valve water closets. Many flush valve water closets require more than the 25 psi used in the water line sizing calculations to operate.
  - Note, the allowed GPM and velocity values do not seem to match the values in CPC, Chart A-4 for copper tubing. The allowed GPM and velocity values for each separate pipe size for each separate building water system will be reviewed when the water piping material is clearly shown.
  - A complete review of the water sizing calculations and plans will be done when the complete corrected water sizing calculations and plans are provided.
84. Describe the method of compliance for temperature limitations for the public use lavatories (limited to 110 degrees). Note: The water heater thermostat may not be used for compliance with this Code section. CPC 413. Energy Standards 413(C)3.
85. Hot water recirculating loop systems requirements (Not single family homes): Detail the following:
- The installation of an air release valve on the inlet side of the recirculation pump, within 4' of the pump.
  - A check valve is required between the recirculating pump and the water heating equipment to prevent the hot water from flowing backwards through the recirculation loop.
  - A check valve is required on the cold water supply line between the hot water system and the next closest tee on the cold water supply line. (See CPC 608.3 for expansion tank requirements.)

**Menfee 12-0731 thru 737, 740/1, 768****April 20, 2012**

86. All water closet seats, except those within dwelling units, shall be of the open front type or have an automatic seat cover dispenser, as per UPC, Section 408.2.2.
87. Floors shall slope to the floor drain(s) location(s). Please detail on the architectural floor plans. UPC 411.4
88. Show 1/4 inch per 12 inch slope on drain and waste lines. UPC Section 708.0
89. Provide gas line plans and calculations, showing gas pressures, piping types, pipe lengths, gas demands and pipe sizing method used. UPC Section 1217.0.
90. Please correct the sizing of the horizontal rainwater piping for the 4 inches per hour rainfall rate as per the City of Menfee.

**MECHANICAL (2010 CALIFORNIA MECHANICAL CODE)**

91. Review with the architect the locations that require (fire/ceiling radiation/or fire/smoke) damper and/or shaft protection and identify installations on the mechanical plans themselves.
92. Building B is shown to have a Fireplace. If a Pre Fab Fireplace is to be used please provide cut-sheets, listing data and installation instructions for the proposed unit.
93. Correct the MECH-3C forms for the study rooms and classrooms, including the occupant load calculations for the required ventilation rates for outside air.
94. Please provide outside air amounts for each of the HVAC units as per the requirements on the MECH-3C forms.
95. Provide smoke detection in the supply air duct of an "air-moving system" for required shut-off of equipment for smoke control. UMC Section 609.0 An "air-moving system" is a system designed to provide heating, cooling, or ventilation in which one or more air-handling units are used to supply air to a common space or to draw air from a common plenum or space. UMC Section 203.0
96. Buildings of more than 15' in height shall have an inside means of access that meets the design requirements of UMC 904.10.3.3. Please provide. City approval for use of an outside ladder is required.

**Note:** If you have any questions regarding this Plumbing and Mechanical plan review list please contact Glen Adamek at (858) 560-1468. To speed the review process, note on this list (or a copy) where the corrected items have been addressed on the plans.

April 20, 2012

## ELECTRICAL and ENERGY COMMENTS

PLAN REVIEWER: Eric Jensen

### ELECTRICAL (2010 CALIFORNIA ELECTRICAL CODE)

97. The licensed designer must stamp and sign the approved set of the plans.
98. The City of Menifee has adopted an ordinance (2009-24) that restricts the types, style, and amount of outdoor lighting that may be installed for commercial and multifamily residential projects. As part of your plan submittal include all outdoor lighting fixture locations and a description of each fixture type, including manufacturers' catalog cut sheets. This design is unique in that the ordinance was drafted prior to the widespread availability of LED site lighting which is shown to be used for this project. The lumen level, however, of the fixtures exceed the allowable amounts in the ordinance for non-LED lighting. (4050 lumens versus 5562 lumens (lamp). Due to the new style of lamp, you may want to review with the City if their ordinance remains in place or is being modified. I
99. Include a structural pole base detail for the site lighting.
100. I see the Notes as to what buildings parts are what buildings (sheet E1.1) however they do not have common structural footing design. Include the bonding design of the various building sections that results in a common (to the building) ground plane.
101. The main electric Room "D":
  - a) Clearances to comply with CEC 110.26(A)(1) and 110.26(C)(2). Review the one door versus two door requirements.
  - b) Door swing out from the room and equipped with panic hardware. (Include the proper design on the architectural sheets, as well).
102. GFCI protection is required for all receptacle outlets installed within 6' of the edge of a sink. Please add in the classroom locations, where required.
103. How is the electrical room in building "E" (E112) ventilated such as to dissipate the heat generated by the 300 KVA transformer? (Review all electrical rooms containing transformers for adequate ventilation).
104. Explain the feeder conduit/conductor sizing and the lack of voltage drop considerations on the single line diagram. For example, the ball field feeder is approximately 1,000 feet long (to the jump off point, not including the branch circuits to the pole lights) yet the 150 ampere circuit will require 1/0 conductors which will barely fit interior of a 1 1/2" specified conduit?

**Menifee 12-0731 thru 737, 740/1, 768****April 20, 2012**

105. Include voltage drop calculations for the site branch circuit lighting circuits (No. 12 branch circuit conductor sizing?). Be sure to provide a site lighting schedule, there are unnamed fixture types shown on the site layouts.
106. Include a duct bank description for the various feeders from the 3,000 ampere distribution board. Duct bank to include sections with conduit sizing, number, placement, and depth. Review relative location to buildings, footings, etc.
107. Missing exit sign, building "B", second level. The exit sign and egress lighting design for building DE, second floor.

**ENERGY CONSERVATION**

108. Include the window energy specifications onto the architectural sheet "A10.2" (Window schedule).
109. Provide an LTG design for each (building) permit number.

**Note:** If you have any questions regarding this Electrical and Energy plan review list please contact Eric Jensen at (858) 560-1468. To speed the review process, note on this list (or a copy) where the corrected items have been addressed on the plans.

SAMPLE

Menifee 12-0731 thru 737, 740/1, 768  
 April 20, 2012

**DISABLED ACCESS REVIEW LIST**  
**DEPARTMENT OF STATE ARCHITECT**  
**TITLE 24**

The following disabled access items are taken from the 2010 edition of California Building Code, Title 24. Per Section 1.9.1, all publicly and privately funded public accommodations and commercial facilities shall be accessible to persons with disabilities.

NOTE: All Figures and Tables referenced in this checklist are printed in the California Building Code, Title 24.

• **WALKS AND SIDEWALKS**

1. Walks along an accessible route of travel are required to be  $\geq 48"$  minimum in width and have slip resistant surfaces, per Section 1133B.7.
  - a) The "Legend" on sheet A1.0 calls for 42" wide walks. Please revise.
2. Show that a 36" wide detectable warning material is provided at boundaries between walkways and vehicular ways. Section 1133B.8.5.

• **STAIRWAYS AND HANDRAILS**

3. At stairs, the handrail on at least one side must be straight (no 90-degree or 180-degree bends). Please check the plans. Section 1133B.4. See 1/A3.6 (Bldg. B), etc.

• **DOORS**

4. Show on the plans the required 18" strike-side clearance at Door B102, etc.

• **SIGNAGE**

5. Per Section 1011.3, tactile exit signs shall be required at the following locations:
  - a) Wherever basic CBC provisions require exit signs from a room or area to a corridor or hallway. The tactile exit sign shall have the words, "EXIT ROUTE."
  - b) Each grade-level exit door. The tactile exit sign shall have the word, "EXIT."
  - c) Each exit door that leads directly to a grade-level exterior exit by means of a stairway or ramp. The tactile exit sign shall have the following words as appropriate:
    - i) "EXIT STAIR DOWN."
6. Where permanent identification is provided for rooms and spaces, raised letters shall also be provided and shall be accompanied by Braille. Section 1117B.5.

Menifee 12-0731 thru 737, 740/1, 768

April 20, 2012

7. Provide a note on the plans stating that the signage requirements of Section 1117B.5 will be satisfied.

• ALARMS

8. Per Sections 907.9.1, 1114B.2.2 and 1007.9, when emergency warning systems or fire alarms are provided, there shall also be approved notification appliances for the hearing impaired, installed in accordance with national standards in the following areas:

- i) Classrooms.
- ii) Restrooms
- iii) Corridors
- iv) Multipurpose rooms.
- v) Occupied rooms where ambient noise impairs hearing of the fire alarm
- vi) Lobbies
- vii) Meeting rooms

9. Provide a note on the plans stating that the audible and visual alarms will comply with the provisions of Title 24 Section 907.

End

STAMP

Attachment: Exhibit B - Esgil Independent Contractor Agreement (1525 : FIRST AMENDMENT OF INDEPENDENT CONTRACTOR AGREEMENT

**KURT CULVER, S.E.**  
**PRESIDENT, ESGIL CORPORATION**

*Kurt Culver was formerly the Research Engineer with the City of San Diego Building Inspection Department. His responsibilities included supervision and training of plan check engineers, along with researching complex code issues to develop department policies.*

*As President of Esgil Corporation, Kurt has the responsibility of overseeing the day-to-day management of the office operation. This duty includes previewing all plans received, assignment of plans based on complexity and workload, consulting with the plan check engineers and reviewing their finished product. He serves as a liaison with clients from government agencies to handle requests. He is also responsible for the continuing program of providing technical training to staff.*

*Kurt has a Bachelor of Science degree (Civil Engineering) from San Diego State University and is both a licensed Civil Engineer and licensed Structural Engineer in Nevada and California. He has twenty-nine years experience in the interpretation and application of regulatory requirements contained in the building code.*

*Kurt is active in the Structural Engineers Association of California having served as the Treasurer and Secretary for the Board of Director in San Diego, as the Chairman of the Membership Committee. He is currently serving on the Code Committee.*

*Kurt also has I.C.C. Certification as a Plans Examiner. He has his teaching credentials in the Community College system where he taught building code classes for many years.*

*Kurt is completing his twenty-fifth year with Esgil Corporation, during which time he has successfully demonstrated his ability to apply his technical leadership and management skills to the benefit of the public and the clients served by Esgil Corporation.*

**CHUCK MENDENHALL, S.E.**  
**VICE-PRESIDENT, ESGIL CORPORATION**

*Chuck Mendenhall was formerly a Senior Structural Engineer with the County of San Diego Department of Planning and Land Use. He has over 30 years of continuous regulatory experience in the building inspection and plan check areas. His responsibilities include supervision and training of plan check engineers, field inspectors and advising field inspectors and plan check staff on complex or unusual design or construction problems. He also served as Chief of the El Cajon branch of Planning and Land Use Department, wherein he managed a staff of 30 planning and inspection personnel responsible for serving East San Diego County.*

*He has served in progressively more responsible positions starting with the San Diego County Building Department in 1971 as a Junior Civil Engineer and progressing through Assistant Structural Engineer, Associate Structural Engineer and ultimately Senior Structural Engineer. During this progression period he served one year as an Associate Civil Engineer with the San Diego County Department of Sanitation and Flood Control in charge of contract administering and inspection of capital improvement projects. He is thoroughly experienced in all aspects of plan review including residential, commercial and industrial structures.*

*Chuck matriculated at San Diego State University and has a Bachelor of Science Degree and Master of Science Degree in Civil Engineering. He is a licensed Professional Engineer (Civil and Structural) in Nevada and California, a licensed I.C.C. Building Inspector, Plans Examiner and Electrical Inspector and has his Teaching Credential in the Community College system where he has taught structural design review courses for engineers.*

*He has demonstrated his ability to effectively and efficiently perform both high level technical and management duties in a large regulatory department.*

**RICHARD ESGATE**  
**CFO / BOARD CHAIRMAN**

Richard Esgate is the CFO and Board Chairman for Esgil Corporation, which provides Building Department Services to 135 cities and counties. Richard is the Building Official for the Cities of Poway and Santee.

Richard has a Bachelor of Science degree from Cal Poly and is a Professional Engineer (Civil).

Richard Esgate has served as the Deputy Director of the County of San Diego Department of Planning and Land Use. He was responsible for the day-to-day management of the 120 staff division composed of the County building inspection function and portions of the County regulatory planning process. Land development operations were conducted in three high capability service delivery centers. Work elements included counter operations, building plan checking operations, field inspection operations, zoning enforcement, minor subdivision processing and receiving all land development applications.

Richard also served in the former County Engineer Department, the former Building Inspection Department and the Department of Sanitation and Flood Control. He has high level management experience in surveying, materials testing, contract management and road construction; in the field, office and plan checking functions of the building department and regulatory planning processes; and in the planning, budgeting and facility maintenance of the San Diego County Flood Control District.

Richard has served on numerous high level task forces where his knowledge and regulatory management skills contributed to improving the government function. He is a highly experienced regulatory services manager.

POLICY NUMBER: 6801052T972

COMMERCIAL GENERAL LIABILITY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

## BLANKET ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:  
**COMMERCIAL GENERAL LIABILITY COVERAGE PART**

**A. The following is added to WHO IS AN INSURED (Section II):**

Any person or organization that you agree in a "contract or agreement requiring insurance" to include as an additional insured on this Coverage Part, but only with respect to liability for "bodily injury", "property damage" or "personal injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with "your work" and included within the "products-completed operations hazard".

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to the additional insured is limited as follows:

- d. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.
- e. This insurance does not apply to the rendering of or failure to render any "professional services".
- f. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that "contract or agreement requiring insurance" to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the **LIMITS OF INSURANCE (Section III)** for this Coverage Part.

**B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

However, if you specifically agree in a "contract or agreement requiring insurance" that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is

available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance". But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured under any other insurance.

**C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that person or organization. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with such person or organization entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

**D. The following definition is added to DEFINITIONS (Section V):**

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

Re: EsGil Corporation Services

To Whom It May Concern:

As the Building Official, Building Inspector and Code Enforcement Officer for the City of Avalon, I wear many hats to manage, regulate and ensure the safety and well-being of the community. EsGil Corporation has allowed me to maintain efficient plan reviews and meet required deadlines with limited resources. Their staff of highly-qualified and experienced professionals offer a broad range of disciplines, providing thorough and comprehensive plan reviews.

Since 2008, the Avalon Building Department has used EsGil Corporation for on-call building plan review and inspection services; we look forward to continuing this relationship.

If you have any questions or would like additional information regarding our experience with EsGil and their staff, please feel free to contact me at the phone number or e-mail listed below.

Re: Reference Letter for EsGil Corporation

To Whom It May Concern:

For over thirty years, EsGil has provided building plan review services for the Carlsbad Building Department. Their company and staff have a respected working history with Carlsbad, assuring that the goals of our department are achieved and the needs of the City are met.

As a coastal city, urban development and environmental regulations in Carlsbad have changed significantly during that time, creating unique challenges for myself and the City staff. As our relationship with EsGil has evolved, so has our ability to meet those challenges. We've built a long-term partnership, providing our community with a service standard of quality, efficiency and integrity.

Please feel free to contact me at 760-602-2716 if you require any additional information regarding our experience with their services.

Sincerely,

Will Foss

Re: EsGil Corporation – Letter of Recommendation

To Whom It May Concern:

I am writing to provide a reference for EsGil Corporation and to describe the quality of services received by their company and their staff.

EsGil has provided building plan review services to the City of Coronado since 1981, with inspection and counter services beginning in 2009. They've been a valuable resource in meeting our Building Department needs.

The City of Coronado staff strives to provide our community with a complete package of quality, accountable and excellent customer service, while meeting required deadlines and turn-around times. Our long lasting relationship with the EsGil team is due to their proven track record of efficiency, consistency and flexibility.

I would highly recommend using EsGil and their staff as a Building and Safety resource for your community.

Thank you,

Dave Calvani,  
Senior Building Inspector,  
City of Coronado

 San Diego, CA 92123

Subject: Letter of Reference

Dear Mr. Esgate:

EsGil Corporation has continually provided full building services for the City of Encinitas since incorporation, 1987. The services you provide are seamless; the customer typically considers EsGil employees as City employees. EsGil staff work well with the various development services departments. They are very responsive to issues, and services are provided in a very expedient manner.

The comments we receive from our customers (via customer comment cards) regarding building services consistently rate the Building Division services as exceptional in all of our categories - availability, courtesy, helpfulness and knowledge. We have been monitoring customer comments for multiple years, and the City's Building Division is one of the top rated divisions for receiving exceptional service scores. You often make the City look good.

The timeliness of plan checks and inspections is greatly appreciated by our customers. You consistently meet your contractual performance measures, which is an example for all City departments to follow.

The overall management of the EsGil employees and the Building Division is also worth noting. Any change of staffing has been efficient and without impact to services. Staffing levels are typically adjusted to keep pace with either an increase or decrease in workload. I have personally worked with EsGil through two periods where development activity dropped significantly (early 1990's and 2009/10), and EsGil's performance through these periods has been well received by the Council, management and the public. You continued to provide the City with needed services.

I have also received commendation from the building industry regarding EsGil's performance. Over the past several years with Encinitas, I have had the pleasure of meeting multiple times with building industry representatives over a variety of issues. When discussing the City's

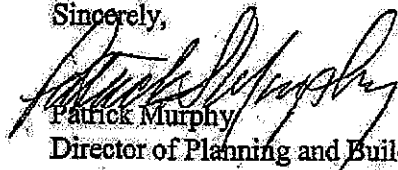

Tel: (760) 633-2710; Fax: (760) 633-2818

building services and EsGil's performance, the development community has always been pleased ... even saying "we don't want to lose EsGil." In a more formal process, the City reached out to the development community in 2003/04 to ask them "how are we doing." The consultant's report made the following comment: "Esgil and the Building [Division] received the most positive comments of all departments. Participants indicate that they provide good service – fast, predictable, precise, timely, etc."

It has been a personal pleasure working with EsGil all of these years. You have made my job easier. The City has been pleased with EsGil's services, and we hope to continue that relationship in the future. If you have any questions or need additional information, please call me (760/633-2696) or e-mail [pmurphy@cityofencinitas.org](mailto:pmurphy@cityofencinitas.org).

Sincerely,

Patrick Murphy

 San Diego, CA 92123-1355

Dear Mr. Culver:

EsGil has provided building services to the City of Poway since the City incorporated 30 years ago. Your company has provided excellent consultant services without the cost to the City of an in-house building staff.

EsGil building staff members are a very much a part of the City of Poway's Development Services team. They are knowledgeable regarding California Building Codes and regulations, and they have the same local knowledge that our in-house staff members have. We truly appreciate their problem-solving attitude and the overall customer service they provide.

We are fortunate to have EsGil staff working with us. Your staff's work is professional and thorough, and I would recommend EsGil to anyone considering hiring them.

Sincerely,

DEVELOPMENT SERVICES DEPARTMENT

## EXHIBIT B

### TERMS OF PAYMENT

1. The Contractor's compensation shall not exceed \$800,000 per fiscal year.
2. The Contractor will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: <http://www.moval.org/doingbiz/biz-license.shtml>
3. The Contractor will electronically submit an invoice to the City as provided in this Agreement for progress payments along with documentation evidencing services completed to date. The progress payment is based on actual time and materials expended in furnishing authorized professional services since the last invoice. At no time will the City pay for more services than have been satisfactorily completed and the City's determination of the amount due for any progress payment shall be final. The Contractor will submit all original invoices to Accounts Payable staff at [AccountsPayable@moval.org](mailto:AccountsPayable@moval.org)  
  
Accounts Payable questions can be directed to (951) 413-3073.  
  
Copies of invoices may be submitted to the Community & Economic Development Department at [susanc@moval.org](mailto:susanc@moval.org) or calls directed to (951) 413-3350.
4. The Contractor agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: [http://www.moval.org/city\\_hall/forms.shtml#bf](http://www.moval.org/city_hall/forms.shtml#bf)
5. The minimum information required on all invoices is:
  - A. Vendor Name, Mailing Address, and Phone Number
  - B. Invoice Date
  - C. Vendor Invoice Number
  - D. City-provided Reference Number (e.g. Project, Activity)

- E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed and rates, explicit portion of a contract amount, or detailed billing information that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.
6. The City shall pay the Contractor for all invoiced, authorized professional services within thirty (30) days of receipt of the invoice for same.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Allen Brock, Community Development Director

**AGENDA DATE:** June 23, 2015

**TITLE:** FIRST AMENDMENT OF INDEPENDENT CONTRACTOR AGREEMENT WITH SCOTT FAZEKAS & ASSOCIATES, INC.

---

### **RECOMMENDED ACTION**

#### **Recommendation:**

1. Approve the first amendment of Independent Contractor Agreement with Scott Fazekas & Associates, Inc. of Irvine, California, to provide plan review services for the Building Safety Division.
  
2. Authorize the Mayor to execute the Amendment.

### **SUMMARY**

This report recommends approval of the first amendment to the Independent Contractor Agreement with Scott Fazekas & Associates, Inc. to continue providing plan review services for the Building Safety Division.

### **DISCUSSION**

The City executed a contract for services in July 2012 with Scott Fazekas & Associates, Inc. for plan review services for the Building Safety Division. The term of the contract was for three years, with provisions for two one-year extensions, not to exceed a total contract period of five years.

Scott Fazekas & Associates, Inc. provides as needed plan review services for the Building Safety Division. This service is critical to providing timely service for the City's

customers with respect to project processing and development and furthering positive economic development throughout the community.

All costs associated with this agreement are fully recovered from fees paid for by the applicant. In addition, the contract includes a reduced rate for services thereby helping to control the costs of the Division and for the applicants for these necessary services. Also included with this Amendment is the City's latest established Insurance Requirements as described in Attachment 2, Exhibit A. The contractor has agreed to comply and will provide the necessary documentation prior to approval.

**ALTERNATIVES**

1. Approve the First Amendment of Independent Contractor Agreement with Scott Fazekas & Associates, Inc. to provide plan review services. *This alternative is recommended by staff.*
2. Do not approve the First Amendment of Independent Contractor Agreement with Scott Fazekas & Associates, Inc. thereby leaving the Division without a contractor for plan review services requiring the need to pursue another contractor. *This alternative is not recommended by staff.*

**FISCAL IMPACT**

The Agreement extension will not impact the General Fund as it is fully funded by recovering fees for service paid for by the applicant.

**PREPARATION OF STAFF REPORT**

Prepared By:  
Allen D. Brock  
Community Development Director

Department Head Approval:  
Allen D. Brock  
Community Development Director

**CITY COUNCIL GOALS**

**Revenue Diversification and Preservation.** Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

**ATTACHMENTS**

## FIRST AMENDMENT TO INDEPENDENT CONTRACTOR AGREEMENT

The First Amendment to Agreement is by and between the CITY OF MORENO VALLEY, a municipal corporation, hereinafter referred to as “City,” and SCOTT FAZEKAS & ASSOCIATES, INC., hereinafter referred to as “Contractor.” This First Amendment to Agreement is made and entered into effective on the date the City signs this Amendment.

### RECITALS:

Whereas, the City and Contractor entered into an Agreement entitled “INDEPENDENT CONTRACTOR AGREEMENT” hereinafter referred to as “Agreement,” dated July 3, 2012.

Whereas, the Consultant is providing professional and technical services as more specifically described in the Agreement, attached hereto as “Exhibit B.”

Whereas, it is mutually desirable to amend the Agreement to extend the term of the contract for one year, from June 30, 2015, to June 30, 2016, as provided for in Section 2 (C) of the Agreement.

Whereas, City desires to amend Section 2 (G) of original Agreement to conform to current City insurance requirements as described in “Exhibit A – First Amendment,” entitled “Insurance Requirements.”

### SECTION 1 AMENDMENT TO ORIGINAL AGREEMENT:

1.1 Section 2 (C) of Agreement is hereby amended by extending the Contractor Ending Date one year, from June 30, 2015, to June 30, 2016.

1.2 Section 2 (G) of the Agreement is hereby amended by amending insurance requirements to those as described in “Exhibit A – First Amendment,” entitled “Insurance Requirements.”

**FIRST AMENDMENT TO INDEPENDENT CONTRACTOR AGREEMENT****SECTION 2**

2.1 Except as otherwise specifically provided in this Amendment, all other terms and conditions of the Agreement shall remain in full force and effect.

**SIGNATURE PAGE TO FOLLOW**

## INSURANCE REQUIREMENTS

### Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. The most current version of Insurance Services Office (ISO) Commercial General Liability Coverage Form CG 00 01, which shall include insurance for “bodily injury,” “property damage” and “personal and advertising injury” with coverage for premises and operations, products and completed operations, and contractual liability.
2. The most current version of Insurance Service Office (ISO) Business Auto Coverage Form CA 00 01, which shall include coverage for all owned, hired, and non-owned automobiles or other licensed vehicles (Code 1- Any Auto).
3. Workers’ Compensation insurance as required by the California Labor Code and Employer’s Liability Insurance.
4. Professional Liability (Errors and Omissions) insurance appropriate to Consultant’s profession.

### Minimum Limits of Insurance

Consultant shall maintain limits of liability of not less than:

1. General Liability:
  - \$1,000,000 per occurrence for bodily injury and property damage
  - \$1,000,000 per occurrence for personal and advertising injury
  - \$2,000,000 aggregate for products and completed operations
  - \$2,000,000 general aggregate
2. Automobile Liability:
  - \$1,000,000 per accident for bodily injury and property damage
3. Employer’s Liability:
  - \$1,000,000 each accident for bodily injury
  - \$1,000,000 disease each employee
  - \$1,000,000 disease policy limit

## 4. Professional Liability (Errors and Omissions):

\$1,000,000 per claim/occurrence  
\$2,000,000 policy aggregate

**Umbrella or Excess Insurance**

In the event Consultant purchases an Umbrella or Excess insurance policy(ies) to meet the “Minimum Limits of Insurance,” this insurance policy(ies) shall “follow form” and afford no less coverage than the primary insurance policy(ies).

**Deductibles and Self-Insured Retentions**

Consultant shall be responsible for payment of any deductibles contained in any insurance policy(ies) required hereunder and Consultant shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the City Manager or his/her designee. At the option of the City Manager or his/her designee, either (i) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers; or (ii) Consultant shall provide a financial guarantee, satisfactory to the City Manager or his/her designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. At no time shall City be responsible for the payment of any deductibles or self-insured retentions.

**Other Insurance Provisions**

The General Liability and Automobile Liability insurance policies are to contain, or be endorsed to contain, the following provisions:

1. City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers are to be covered as additional insureds.
2. The coverage shall contain no special limitations on the scope of protection afforded to City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers.
3. Consultant’s insurance coverage shall be primary and no contribution shall be required of City.

The Workers’ Compensation insurance policy is to contain, or be endorsed to contain, the following provision: Consultant and its insurer shall waive any right of subrogation against City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers.

If the Professional Liability (Errors and Omissions) insurance policy is written on a claims-made form:

1. The retroactive date must be shown, and must be before the effective date of the Agreement or the commencement of work by Consultant.
2. Insurance must be maintained and evidence of insurance must be provided for at least 3 years after any expiration or termination of the Agreement or, in the alternative, the policy shall be endorsed to provide not less than a 3-year discovery period.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of the Agreement or the commencement of work by Consultant, Consultant must purchase extended reporting coverage for a minimum of 3 years following the expiration or termination of the Agreement.
4. A copy of the claims reporting requirements must be submitted to City for review.
5. These requirements shall survive expiration or termination of the Agreement.

All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after 30 calendar day written notice by certified mail, return receipt requested, has been given to City. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, Consultant shall furnish City with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for City, Consultant shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

### **Acceptability of Insurers**

All policies of insurance required hereunder shall be placed with an insurance company(ies) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than “A-VII” in Best’s Insurance Rating Guide; or authorized by the City Manager or his/her designee.

### Verification of Coverage

Consultant shall furnish City with all certificate(s) and **applicable endorsements** effecting coverage required hereunder. All certificates and **applicable endorsements** are to be received and approved by the City Manager or his/her designee prior to City's execution of the Agreement and before work commences.

City of Moreno Valley

## INDEPENDENT CONTRACTOR AGREEMENT

This Agreement is made by and between the City of Moreno Valley, California, a municipal corporation, hereinafter referred to as the "City", and the following named independent contractor, hereinafter referred to as the "Contractor," based upon City policies and the following legal citations:

- A. Government Code Section 53060 authorizes the engagement of persons to perform special services as independent contractors; and
- B. The public interest, convenience, necessity and general welfare will be served by this Agreement.

This Agreement is made and entered into effective the date the City signs this Agreement.

### 1. CONTRACTOR INFORMATION:

Contractor's Name: Scott Fazekas & Associates, Inc.  
 Address: 9 Corporate Park, Suite #200  
 City: Irvine State: CA Zip: 92606-5173  
 Business Phone: (949) 475-2901 Fax No: (949) 475-2560  
 Other Contact Number: \_\_\_\_\_  
 Business License Number: TBD  
 Federal Tax I.D. Number: 33-0711166

### 2. CONTRACTOR SERVICES, FEES, AND RELEVANT DATES:

- A. The Contractor's scope of service is described in Exhibit "A" attached hereto and incorporated herein by this reference.
- B. Payment terms are provided in Exhibit "B" attached hereto and incorporated herein by this reference.
- C. The Contractor Starting Date is July 1, 2012 and the Contractor Ending Date is June 30, 2015. If mutually agreeable, the City and Contractor may extend this agreement in increments of one year, not to exceed a total contract period of five years. The City acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

3. **STANDARD TERMS AND CONDITIONS:**

- A. Control of Work. Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The City will not provide any training to Contractor or his/her/its employees.
- B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services is paid by the Contractor, an agent or employee of the City, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the City, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the City.
- C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the City. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Agreement, with the exception that the City shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].
- D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Agreement.
- E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's negligence, recklessness or willful misconduct in its performance of the work contemplated by this Agreement. Acceptance of this Agreement signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.
- F. City Indemnification. The City agrees to indemnify, defend and save the Contractor harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, Housing Authority's and CSD's employees and all claims which arise from the negligent performance or failure to perform the services or other obligations of the City under this Agreement, or are caused by the negligent acts of the City, Housing Authority and CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.

- G. Insurance Requirements. The Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

The Contractor shall procure and maintain, at its sole expense, Workers' Compensation Insurance in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Contractor and the City, the Housing Authority and CSD against any loss, claim, or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Agreement

General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, sub-Contractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum amounts provided below:

Bodily Injury	\$1,000,000 per occurrence/ \$2,000,000 aggregate
Property Damage	\$500,000 per occurrence/ \$500,000 aggregate

Professional Errors and Omission Insurance—such coverage shall not be less than \$1,000,000 per claim and aggregate.

Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/CSD/Housing Authority premises. Such coverage limits shall not be less than \$1,000,000 combined single limit.

Insurance requirements waived with Risk Manager's approval.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City Risk Manager prior to the execution of this Agreement. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, its officers, employees and agents, under any third party liability policy

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail of amendment or cancellation to the City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

- H. Intellectual Property. Any system or documents developed, produced or provided under this Agreement, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the City unless explicitly stated otherwise in this Agreement. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Agreement. The City and the Contractor agree that to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.
- I. Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Agreement. This Agreement applies only to the current proposal as attached. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties. Assignment of this Agreement is prohibited without prior written consent.
- J. (a) The City may terminate this Agreement without cause by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue work through the date of termination, provided that no work or service(s) shall be commenced or continued after receipt of the notice which is not intended to protect the interest of the City. The City shall pay the Contractor within thirty (30) days after receiving any invoice after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.

- (b) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Contractor shall perform no further work or service(s) under the Agreement unless the notice of termination authorizes such further work.
- K. Payment. Payments to the Contractor pursuant to this Agreement will be reported to Federal and State taxing authorities as required. The City will not withhold any sums from compensation payable to Contractor. Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractor's time and materials charges under the Agreement. Upon reasonable notice, such records must be made available to the City's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Agreement.
- L. Restrictions on City Employees. The Contractor shall not employ any City employee or official in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.
- M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall govern the interpretation of this Agreement. Any legal proceeding arising from this Agreement shall be brought in the appropriate court located in Riverside County, State of California.

RE: Proposal for Building & Safety Plan Check & Inspection Consultant Services R.F.P. VAG 11/12-09

Dear City Clerk:

**SCOTT FAZEKAS & ASSOCIATES, INC. (SFA)** appreciates being considered to provide Plan Review and Inspection Services, as needed, to the City of Moreno Valley. We understand the specific needs of the City and will be able to offer services which are tailored to those needs.

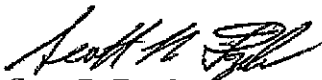

Some of the key features of SFA are as follows:

- Exclusively serving governmental agencies and provides no building design to avoid conflict of interest.
- Excellent staff with municipal experience and public relations skills.
- Strong internal organizational systems and policies to facilitate timely and professional services.
- Excellent references from clients and applicants.
- Questionnaires sent to every applicant to determine satisfaction level enabling refinement of services.
- Timely turnaround.
- Principal of SFA participation in hands-on plan review.
- Internal forms, policies and procedures to achieve tailored services to meet the exact needs of the City.

Credentials include: Structural Engineers, Civil Engineers, Architects, Certified Plans Examiners, Certified Building Inspectors, Certified Building Officials, Fire Protection Engineers, LEED Accredited Professionals and CASp Certification.

I hope the enclosed information is found to be concise and informative. Should additional information be desired in a given area, I would be pleased to provide it. I will look forward to hearing from you to further discuss how Scott Fazekas & Associates, Inc. can serve the City of Moreno Valley.

Sincerely,  
**SCOTT FAZEKAS & ASSOCIATES, INC.**

## **Section - 1 - Introduction**

---

### **KEY AGENCY NEEDS**

The entire Proposal addresses all the components that as a whole make SFA a high quality solution to the City's needs. Some of the following are highlights which we feel are specifically germane to the RFP.

- **Exclusively serving municipalities** for zero conflict of interest.
- **Fast turnaround times:** Ten (10) working days for initial review; Five (5) working days for rechecks. Seven (7) working days for accelerated reviews.
- **Competitive fees.**
- **Experience of individual plan check staff** in this field.
- **Municipal experience** in building departments and familiarity with all internal & external agency and division needs.
- **Excellent references** by numerous municipalities.
- **E-mail of correction lists** to City for timely communication.
- **Electronic Plan Review** option for plan submittals.
- **Quality Control** measures practiced to insure a quality work product.

SFA incorporates several internal procedures which will: 1) insure better communication with our client agencies and the applicants; 2) achieve plan reviews which are more consistent with the specific policies and needs of our clients; and 3) enhance internal organization and processing.

### **ABOUT THE COMPANY**

Scott Fazekas & Associates, Inc. (SFA) is a California Corporation founded by Scott Fazekas in June 1996. It was formed to offer building safety services and as-needed staffing exclusively to governmental agencies. Mr. Fazekas started and managed identical services for a consulting firm over the 11 years prior to forming SFA, with 12 years of prior municipal building safety experience as a City employee.

All of SFA's plan check staff are licensed Structural or Civil Engineers which allows SFA the ability to assign the challenging structural projects to any one of our engineering staff. This expertise allows SFA the ability to balance out workloads and meet obligations without overloading any one engineer.

**SFA does not perform any work for the private sector so no conflict of interest can result during our tenure, allowing SFA staff to maintain objectivity in the enforcement of regulations.**

SFA's office location is: 9 Corporate Park, Suite 200  
Irvine, CA 92606  
(949) 475-2901, FAX (949) 475-2560  
[sfairvine@aol.com](mailto:sfairvine@aol.com)

**Scott Fazekas & Associates, Inc.**

## **Section 2 - Scope of Services**

---

The following is the itemized Scope of Services which SFA's staff is prepared to provide for the City of Moreno Valley. All are expected to be performed as part of this Proposal. The Scope of Services and the manner in which they are performed will be in accordance with the specific requirements of the City's program.

- Review of plans for compliance with the applicable model codes, local ordinances amending those codes and consistent with local policies and interpretations.
- Prepare written corrections and copy the City on all corrections, if requested.
- Recheck and approval of the final plans after all corrections have been incorporated in the plans and forward to the City with all necessary documents.

SFA has met and frequently exceeds the deadlines of our client agencies. The best reference of SFA's ability to provide the required services in a timely manner is illustrated in our track record which can be supported by our client reference list.

### **PROJECT MANAGER-LIAISON**

SFA recognizes the need to assure an adequate level of commitment by key personnel. SFA will commit the President, Scott Fazekas, as the Project Manager who will see to the proper function of the building plan review process and will also be personally involved in performing services. He will serve as an extension of the City staff, fully capable of providing the necessary services as determined by the City. SFA's availability to the City staff is an essential ingredient. Prompt information on job status will be provided whenever requested.

SFA will also maintain continual documentation and updated information on the status of all plans being processed. Any inquiries regarding the status of plans which have been forwarded to SFA for review can be directed to us to avoid unnecessary research and phone time by City staff. If desired by the City, SFA will copy the City on all correction notices.

### **BUILDING PLAN REVIEW**

Plan Reviews will incorporate the following scope of regulations: Building, Residential, Plumbing, Mechanical, Electrical, Accessibility, Energy and CalGreen Codes.

SFA has LEED accreditation, CBIG Certification and CASp Certifications which may have value to the City.

### **INSPECTION SERVICES**

SFA proposes to suggest a unique method of staffing inspection services. It is more likely aligned with the current economic times and the needs of the City, offering cost savings over traditional consulting services.

## **Section 2 - Scope of Services**

---

SFA proposes to utilize a sub-consultant staffing agency which will payroll the employees. There are two options which are available to the City.

### **Option 1**

SFA would work with the City to select employees that would meet the qualifications, full or part-time hours and salary range based on the City's needs. We would direct the sub-consultant Apple One Staffing Services to employ them for the City. SFA would invoice the City under SFA's Agreement.

### **Option 2**

Similar to Option 1, however, SFA would not use the staffing company as a sub-consultant. Instead, the staffing service organization would employ the individual selected directly to the City. This saves the City a sub-consultant mark-up by SFA.

Selection of the employee would be by the City. SFA could assist the City in locating candidates or the staffing service organization can provide staff for a cost.

The rates based on multipliers times payroll rate for both of these options are shown in the Fee Proposal Section.

### **Section 3 - Methodology/Approach**

---

#### **INTERNAL POLICIES AND PROCEDURES OF SFA**

##### **Office Hours**

SFA's office hours are between 8:00 a.m. and 5:00 p.m. Monday through Friday during which time SFA staff will be available for communication directly with the applicants.

##### **Agency Information Sheet**

This form is designed as a starting point for the plan checker to review prior to commencing each project. It serves as a summary of items which may be unique or exclusive to each client such as ordinance amendments, special policies or interpretations, plan routing preferences, contact person(s) in agency, etc. . . This form is often backed up with other documents such as general notes, ordinances, agency checklists or guidelines. This form can easily be updated at any time by simply calling SFA.

##### **Plan Transmittal**

SFA will use our U.P.S. or OnTrack account which is paid for and made available for use by City staff for plan delivery purposes. Pre-labeled mail bags are also provided so dispatching plans to SFA is simple and convenient..

When plans are completed they are stamped on every page, signed and forwarded by U.P.S. or courier with a transmittal form directly to the City. The plan transmittal procedure used by SFA eliminates the possibility of the plans being tampered with when being forwarded for permit issuance.

##### **Computer Plan Check Log**

Internal tracking is accomplished by a sophisticated computer software that allows for daily tracking of status of each and every plan check and also gives SFA the workload of each engineer. Incoming and outgoing plans are logged into the computer daily which allows us to know the status of a project immediately. This program allows SFA to quickly answer applicants who call wanting to know plan check status of projects. Many other reports are also available and utilized by many of our clients. Reports that show the client all active plans for their City and the status of each can be printed on a weekly basis to show the client the activity of their projects. Weekly status reports are also printed for internal tracking of performance on turnaround times.

Additionally, SFA has a Daily Scheduling Report which monitors each plan checker's workload and plan review due dates. This is an essential ingredient in meeting our turnaround times.

### **Section 3 - Methodology/Approach**

---

#### **Correction Lists**

The plan review staff have a variety of correction lists, supplemental lists and guidelines for use as deemed appropriate on each individual project. Should the City require use of their standard correction lists, SFA can easily accommodate this by maintaining copies in our Agency Correction List File and referencing their use on our Agency Information Sheet which all plan check staff reference at the beginning of each review. Two copies of the correction lists are developed and attached to the plans along with a transmittal form.

When plans are completed, they are stamped on every page, signed and forwarded by U.P.S., OnTrack or courier with a transmittal form directly to the City. The plan transmittal procedure used by SFA eliminates the possibility of the plans being tampered with when being forwarded for permit issuance.

A list of all required plan corrections will be typed on SFA's Correction Lists and will be submitted to the City.

#### **Transmittal Form**

SFA's Transmittal Form is tailored for use specifically with building plan checks. Besides serving to document enclosures, it serves as a good communication tool to alert the permit technician of a number of things which are critical at the permit issuance stage. Some examples are: 1) when special inspection is required; 2) when another agency approval is necessary; 3) if the building official was involved in an interpretation and should be given a chance to review the project; and 4) if additional review fees are due as well as a number of other topics.

#### **Questionnaire**

SFA sends a Questionnaire to each applicant with the initial plan check comments for optional use after the plans are approved. This insures that the designer who worked with SFA is given the opportunity to comment. This helps by soliciting feedback on the services provided by SFA customers of the building departments which are entrusted to SFA. The comments received are forwarded to the client agency. This process makes the plan checker aware that the company values a professional attitude, sends a message to applicants that we care about providing professional services, and lastly, it informs the client agency about the service level SFA is providing.

SFA's goal is to provide consistent, timely and professional services geared to the needs of each client agency. We want to be considered an extension of your agency's staff; not providing generic services but services which are an integral component with our client's departmental operations. A copy follows in the Appendix.

### **Section 3 - Methodology/Approach**

---

#### **Timely Performance**

SFA will strive to maintain efficient turnaround times on all reviews since this is largely a measurement of our performance. It is one of the categories on our questionnaire which is given to our applicants. **The maximum turnaround time for initial reviews will be ten (10) working days.** Extremely large or complex structures would be as agreed upon with the City's Building Official in advance. **Rechecks will be done within five (5) working days.** **Accelerated plans will be reviewed in seven (7) working days.**

Every effort will be made to accommodate any fast track plan check schedules that might come about in the City. Special scheduling needs or provides of unique scope would be as agreed upon with the City. SFA prides ourselves on meeting the needs of our client agencies.

SFA will accommodate preliminary reviews to facilitate more on-track projects at the time of the formal submittal for plan check when requested by the City staff. This will aid in timely turnaround times as well as good public relations.

#### **Quality Control**

Quality control is achieved through implementation of internal policies and a philosophy which produces a work product that is recognized as professional, consistent, service-oriented, technically accurate, and tailored to each client agency's needs. In addition to our listed policies and procedures, SFA has instituted four internal practices: 1) Regular staff meetings with all plan check staff; 2) Applicant Questionnaires on all projects to monitor service level, 3) Tracking of turnaround time reports, 4) Employ a philosophy of retaining experienced staff and 5) Attendance at seminars as needed.

#### **Conflict of Interest**

Reputation of the City's consultant reflects upon the City. In addition to technical and administrative quality, the perception that the consultant is objective and free from any conflict of interest is critical. Not only does SFA decline doing any private work within the jurisdiction of the City of Moreno Valley, but we decline private, non-municipal work anywhere. Additionally, even our plan check staff are prohibited from doing any work outside of their employment with SFA that could cause a conflict of interest.

#### **Interaction with Applicants**

To summarize, SFA's approach involves courtesy, responsiveness, communication, technical thoroughness, convenience and follow-up on service level.

## **Section 4 - Qualifications/Experience**

### **PERSONNEL QUALIFICATIONS**

#### **Principal**

##### **Scott R. Fazekas, President, SFA**

Registered Architect, CA, C-019013, NCARB, Colorado, Nevada

28 years managing municipal building safety consulting services

40 years working in building safety divisions

Certified Building Official, I.C.C.

Certified Plans Examiner, I.C.C./Calbo

Certified Building Inspector, I.C.C./Calbo

LEED AP

Certified Access Specialist, CASp

Mr. Fazekas as President of SFA is authorized to bind the company to the terms and conditions contained in this Proposal and states that the terms are valid for 90 days from the date submitted.

#### **Associates**

##### **Ganesh Rao, Plan Check Engineer**

Registered Structural Engineer, CA, S-4471

10 Years Design Experience

16 Years Plan Review Experience

##### **Vic Penner, Plan Check Engineer**

Registered Structural Engineer, CA, S-2083

Certified Plans Examiner, I.C.B.O.

24 Years Municipal Safety Departments

15 Years Private Municipal Consulting

##### **Brett Archibald, Plan Check Engineer**

Registered Civil Engineer, CA

Certified Plans Examiner, I.C.C.

Bachelor of Science in Civil Engineering, SDSU

Build It Green Certification, CA

Certified Access Specialist, CASp

##### **Peter Tang, Plan Check Engineer**

Registered Professional Engineer, CA

##### **Russ Helmick, Electrical Plans Examiner**

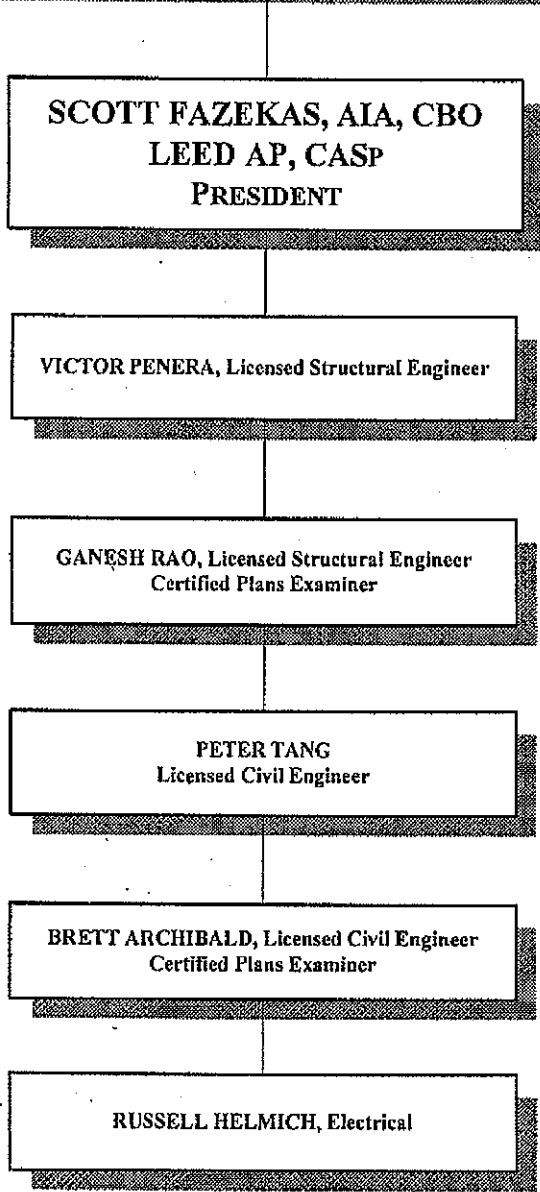

He worked as Chief Electrical Inspector with the City of Irvine and now works for SFA. Russ also serves on NFPA code development and has taught electrical classes nationally for both NFPA and local ICC chapters.

PLAN CHECK & INSPECTION SERVICES RFP #VAG=11/12-09  
ORGANIZATION CHART**

Attachment: Exhibit B - Scott Fazekas Independent Contractor Agreement (1524 : FIRST AMENDMENT OF INDEPENDENT CONTRACTOR

## **Section 4 - Qualifications/Experience**

### **SFA'S EXPERIENCE**

SFA currently provides building safety services for the following jurisdictions:

Anaheim	Indian Wells	Santa Rosa	San Dimas
Arcadia	Garden Grove	Norwalk	San Fernando
Beaumont	Huntington Beach	Ontario	Santa Ana
Cathedral City	Irvine	Palm Desert	
Corona	Laguna Woods	Pasadena	
Costa Mesa	Lake Elsinore	Perris	
Pico Rivera	La Habra Heights	Rancho Palos Verdes	

SFA has performed tens of thousands of plan reviews which have included every type of construction and occupancy group in the building spectrum. We have also encountered many unique administrative policies and processes in working with the building officials in our client jurisdictions which may have arisen due to tight project scheduling, application of alternate design methods or simply due to unique project characteristics. If additional information on plan check references is desired, SFA will be glad to accommodate such a request

## **Section 5 - Proposed Fee**

---

SFA proposes to charge for plan check at a rate based on the percentage of the plan check fee collected by the City and on an hourly basis for services not subject to the Fee Schedule.

1. Fees for plan check are proposed at 50% of the City's plan check fees. For tracts, a rate of 80% of the City's plan check fee is proposed.
2. An hourly rate of \$110 is proposed for projects which are selected for the City's large projects program, currently defined as those exceeding 25 million and offered only to select clients.
3. Hourly plan check fees not otherwise covered by the City's Fee Schedule are proposed at \$110.00.
4. Expedited reviews, when requested by the City are proposed at 125% of the regular rate.

SFA proposes to charge for inspectors as follows:

### **Option 1**

Full-time employee with benefits billed through SFA's Agreement would be payroll times 1.81.

### **Option 2**

Full-time employee with benefits billed directly from the staffing service payroll times 1.45.

For example, a \$25.00/hour employee would be charged at \$45.25 and \$36.25 for Options 1 and 2, respectively.

These rates are based on the Staffing Service not being required to find and select the employee and would be contingent upon the City finding and selecting the employee.

If the Staffing Service is requested to find the employees, rates of 1.94 and 1.55 would be charged, respectively.

Attachment: Exhibit B - Scott Fazekas Independent Contractor Agreement (1524 : FIRST AMENDMENT OF INDEPENDENT CONTRACTOR

AFFIDAVIT OF NON-CONVICTION

I hereby affirm that:

I am the President and the duly authorized  
(Title)

Representative of the firm of: Scott Fazekas & Associates, Inc.  
(Name of Corporation)

Whose address is: 9 Corporate Park, S-200  
Irvine, CA 92606 And that

I possess the legal authority to make this affidavit on behalf of myself and the firm for which I am acting.

Except as described in paragraph 3 below, neither I nor the above firm, nor to the best of my knowledge, and of its officers, directors, or partners, or any of its employees directly involved in obtaining Contracts with the City have been convicted of, or have plead *nolo contendere* to a charge of, or having during the course of an official investigation or other proceeding admitted in writing or under oath acts or omissions which constitute bribery, attempted bribery, or conspiracy to bribe under the laws of any State of the Federal government (conduct prior to July 1, 1977 is not required to be reported).

State "none" or, as appropriate, list any conviction, plea or admission described in paragraph two above, with the date, court, official, or administrative body; the individuals involved and their position with the firm, and sentence or disposition, if any.

I acknowledge that this affidavit is required to allow the City to make a determination. I acknowledge that, if the representations set forth in the affidavit are not true and correct, the City may terminate any Contract awarded and may take any other action.

I do solemnly declare and affirm under the penalties of perjury that the contents of this affidavit are true and correct.

### PLAN REVIEW SERVICES

SFA proposes to charge a rate based on a percentage of the plan check fee collected by the City and on an hourly basis for services not subject to the Fee Schedule.

1. Fees for plan check are proposed at 45% of the City's plan check fees. For tracts, a rate of 80% of the City's plan check fee is proposed.
2. An hourly rate of \$110 is proposed for projects which are selected for the City's large projects program, currently defined as those exceeding 25 million and offered only to select clients.
3. Hourly plan check fees not otherwise covered by the City's Fee Schedule are proposed at \$110.00.
4. Expedited reviews, when requested by the City are proposed at 125% of the regular rate.

### INSPECTIONS SERVICES

SFA proposes to charge for inspectors as follows:

#### Option 1

Payroll rate x 1.81 for F.T.E. with benefits. See Proposal for elaboration.

#### Option 2

Payroll rate x 1.45 for F.T.E. with benefits. See Proposal for elaboration.

ADDENDA ACKNOWLEDGMENT

The undersigned acknowledges receipt of the following ADDENDA and the cost, if any, or such revision has been included in the TOTAL BID of the Bidding Schedule(s). If NONE, WRITE "NONE" ON THE FIRST LINE.

Subject: Letter of Recommendation for Scott Fazekas & Associates

Dear Ms. Garcia:

It is a pleasure to write this letter of recommendation for Scott Fazekas & Associates, Inc. (SFA) as you requested in you RFP for Building & Safety Services. I, Kevin Shear, am the Building Official for the City of Ontario and have served in this capacity for 13 years. I have worked in a number of Building and Safety Departments for over 30 years, and have used SFA to provide plan check services for approximately 17 years.

I have found their services to be exemplary and the staff to be both knowledgeable in their profession and cordial with both the public and City staff. I have always been able to depend on SFA to provide consistent, quality services with speed, accuracy, and professionalism.

Sincerely,

Kevin Shear  
Building Official  
City of Ontario

**Subject: Letter of Recommendation for Scott Fazekas & Associates, Inc**

Dear Ms. Garcia:

I have worked with Mr. Scott Fazekas for a number of years and I'm pleased to write this letter of recommendation for Scott Fazekas & Associates, Inc. (SFA) for Building & Safety Services.

I am currently the Assistant Director of Development Services for the City of Perris and have worked in various capacities within the Building and Safety field for over 24 years. Through the years SFA has been on contract with many of the Cities I have been with, to include securing his services in my capacity of Building Official in order to expedite and streamline the plan check process within the City. I have found his services to be dependable, efficient and knowledgeable in building code review. It is because of this established track record that that we are able to recommend this firm as an asset to any Building Department.

I would be more than happy to discuss SFA in more detail should you desire.

Sincerely,

Rene Avila  
Assistant Director of Development Services

**Subject: Letter of Recommendation for Scott Fazekas & Associates, Inc.**

Dear Ms. Garcia:

I'm pleased to write this letter of recommendation for Scott Fazekas & Associates, Inc (SFA) as requested in your RFP for Building & Safety Services. I am the Building Official for the City of Costa Mesa. I have worked in building safety departments for over 31 years and have used SFA's services for approximately 17 years.

The services provided by SFA have always been accurate and on time. The staff of SFA has worked well with the public and has become a valuable resource for the City of Costa Mesa.

If you would like to discuss this matter further, please e-mail me at:

**EXPERIENCE**

Mr. Fazekas is President of Scott Fazekas & Associates, Inc. (SFA) which provides building official, building plan check and building inspection services to governmental agencies. He has interfaced with architects, engineers, designers, contractors, plan checkers, inspectors, developers and building owners to achieve code compliant building construction through the application of local, state, and federal codes and regulations.

Mr. Fazekas has plan checked buildings which encompass the full spectrum of building types and occupancy groups and has served as building official for fourteen jurisdictions through long term and interim contract arrangements. He has also contributed to both the design and code enforcement professions by regularly lecturing at code-related seminars and classes. He served six years on the American Institute of Architects Building Performance and Regulations Committee where he monitored the ANSI A117.1 Disabled Access Standards. He also served four years on I.C.B.O.'s General Design/Structural Review Committee and on the Orange Empire Chapter of I.C.B.O.'s Code Change Committee.

Mr. Fazekas has 40 years of progressive experience working in and for building departments. Prior to starting SFA, he was employed by BSI Consultants, Inc. as a Senior Vice President and Division Manager of the Building Safety Division. He was responsible for starting, developing and managing the Building Safety Division for 11 years. During that time he served as building official in California and Washington jurisdictions and oversaw plan review services for more than one hundred client agencies. He also founded and served as President of Employment Systems Inc., which was a corporation dedicated to municipal staffing needs. Before his term with BSI, he spent 13 years working for the building divisions in the Cities of Newport Beach and Costa Mesa where he worked his way through all levels in the departments from clerk to permit technician, inspector and plan check engineer.

**EXPERIENCE**

After completing 30 years of service with the City of Los Angeles, Mr. Penera retired in April, 2000 and immediately joined SFA as a member of its plan check engineering staff.

Having worked four years in the Department of Public Works and 26 years in Building and Safety with the City of Los Angeles, Mr. Penera has substantial experience in both design and plan checking of structural systems. In the 26 years he spent with LA Department of Building and Safety, he plan checked a wide spectrum of structural systems, occupancies and uses; from simple, wood-frame, single family room additions to complex, high-rise, steel office buildings.

During the last three years of his career with Los Angeles Department of Building and Safety, Mr. Penera served as the Deputy Superintendent of Building in charge of the Engineering Bureau. As Chief of the Engineering Bureau, Mr. Penera oversaw a staff of 175 engineers, technicians and clerical staff responsible for the checking for compliance of state and local regulations related to building, electrical, plumbing, mechanical and zoning issues.

Mr. Penera was active in the development of the first International Building Code (IBC). For one year he served on the Steering Committee for the development of the first draft of the IBC and for two years served as Chairman of the Structural Subcommittee to draft the structural engineering chapters (Chapters 16-26) of the proposed IBC.

**GANESH M. RAO****EDUCATION**

Masters of Science in Civil Engineering  
Brigham Young University, Provo, Utah  
Bachelor of Science in Civil Engineering, Bangalore University, India

**PROFESSIONAL REGISTRATION**

Registered Structural Engineer in California  
Registered Professional Engineer in California  
Certified Plans Examiner, I.C.C.

**EXPERIENCE**

Mr. Rao has been a building plan check engineer in SFA's Irvine office since 1998. He reviews both commercial and residential plans for compliance with model codes and local ordinances. He has a total of 23 years of progressively involved engineering experience.

Prior to his employment with SFA, Mr. Rao has spent eight years in the design field with experience in California, Nevada and Hawaii designing wood, steel concrete and post-tensioned low, mid and high-rise structures. Occupancies which he has performed design work for have included retail, medical, office resort, bridge, industrial, schools, parking structure and hanger facilities.

Mr. Rao has experience in a variety of geographic regions. His design experience includes projects in California, Nevada, Washington, Oregon, Hawaii and the Territory of Guam. His plan review experience has been in California, Nevada and Colorado. Mr. Rao has reviewed plans for code compliance, residential, tenant improvement, low to mid-rise, tilt-up warehouses, etc. Projects included a three-dimensional finite element analysis of space frame for a mall in the Territory of Guam, Disney Building in Burbank utilizing "Waurch" moment connections, seismic retrofit of Mattel Distribution Center, an aircraft hanger and Sony Technology Center in San Diego. Projects also included design and detailing of antenna structure ranging from 30 feet monopole to 400 foot latticed tower.

**PETER K. TANG****EDUCATION**

Bachelor of Science in Engineering, California State Polytechnic University, 1994

**PROFESSIONAL REGISTRATION**

Licensed Civil Engineer, California, C-59691

**EXPERIENCE**

Mr. Tang has been a plan check engineer in SFA's Irvine office for seven years. He reviews both residential and commercial plans for compliance with model codes and ordinances. With a background in forensic investigations on wood-framed structures, he is particularly well versed in wood structures.

Over a sixteen year period, Mr. Tang has been exposed to a variety of engineering design assignments with three different structural design firms. He was employed by Seismic, Inc. in Pomona, Ficcadenti & Waggoner Structural Engineers in Irvine, and John A. Martin Structural Engineers in Los Angeles prior to his employment with SFA.

Mr. Tang has been an excellent supervisor to junior plan checkers in the area of wood framing. His expertise in rack design has also made him a valuable resource in the review of increasingly large rack systems.

Mr. Tang was a project designer on Fresno State's Savemart Center, a steel and concrete sports area; the Pacific Grand Resort, a steel conference center in Huntington Beach; the Westpart Tiempo Community in Irvine, a seismic retrofit of homes; and the Casa Gateway Condos in Pacific Palisades, a seismic evaluation of 3-story homes.

**BRETT ARCHIBALD****EDUCATION**

Bachelor of Science in Civil Engineering, California State San Diego, 2002  
Structural Emphasis in Course Work

**CERTIFICATIONS**

Registered Civil Engineer, California  
Certified Plans Examiner, I.C.C.  
Certified Mechanical Inspector, I.C.C.  
Build It Green Certification, CA  
Certified Access Specialist, DSA

**EXPERIENCE**

Mr. Archibald is one of SFA's professional staff in our Irvine office. He has ten years of experience with SFA reviewing both residential and commercial projects. He is assigned as liaison to the City of La Habra Heights where he has set times to coordinate with City staff.

Mr. Archibald has experience in plan checking a variety of projects including single and multi-family housing, tenant improvements, seismic retrofits, tilt-up warehouses, etc. These projects involved structural systems such as wood framing, light gauge steel, moment frames, cantilever columns, concrete and masonry.

Mr. Archibald has also been instrumental in helping to establish tailored documentation for some of SFA's newer clients or clients which are modifying procedures or policies. His computer skills have assisted in the coordination of SFA processing with the needs of our clients.

**PROFESSIONAL AFFILIATIONS**

International Code Council  
American Society of Civil Engineers

**RUSSELL J. HELMICK, JR.****EDUCATION**

Associates Degree in Math, Santa Ana College, CA, 1962  
K-14 Teaching Credential, UCLA, Los Angeles, CA

**CERTIFICATION**

Certified Building Official, I.C.C.

**EXPERIENCE**

Mr. Helmick currently provides specialized consulting electrical plan review for all types of commercial and industrial buildings for SFA. He is responsible for reviewing electrical plans for various municipalities and consults with staff on electrical code.

Prior to joining SFA, Mr. Helmick was an Inspection Supervisor and Chief Electrical Inspector with the City of Irvine. In his thirty years with the City, he supervised and trained a team of electrical inspectors; performed difficult, special and complex inspections; and resolved complaints and disputes. He was available to interpret code to laymen, contractors, architects and others as necessary.

During his tenure with the City of Irvine, Mr. Helmick was an instructor at Saddleback Community College for twenty years teaching electrical code and inspection; building code and law; Contractor's License Law, Construction Inspection and Energy Management. He has taught electrical seminars for IAIE and ICBO since 1991. He also serves on NFPA's Electrical Code Development Committee.

**Scott Fazekas & Associates, Inc.**

## EXHIBIT B

TERMS OF PAYMENT

1. The Contractor's compensation shall not exceed \$800,000 per fiscal year.
2. The Contractor will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: [http://www.moval.org/do\\_biz/biz-license.shtml](http://www.moval.org/do_biz/biz-license.shtml)
3. The Contractor will electronically submit an invoice to the City as provided in this Agreement for progress payments along with documentation evidencing services completed to date. The progress payment is based on actual time and materials expended in furnishing authorized professional services since the last invoice. At no time will the City pay for more services than have been satisfactorily completed and the City's determination of the amount due for any progress payment shall be final. The Contractor will submit all original invoices to Accounts Payable staff at [AccountsPayable@moval.org](mailto:AccountsPayable@moval.org)  
  
Accounts Payable questions can be directed to (951) 413-3073.  
  
Copies of invoices may be submitted to the Community & Economic Development Department at [susanc@moval.org](mailto:susanc@moval.org) or calls directed to (951) 413-3350.
4. The Contractor agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: [http://www.moval.org/city\\_hall/forms.shtml#bf](http://www.moval.org/city_hall/forms.shtml#bf)
5. The minimum information required on all invoices is:
  - A. Vendor Name, Mailing Address, and Phone Number
  - B. Invoice Date
  - C. Vendor Invoice Number
  - D. City-provided Reference Number (e.g. Project, Activity)

- E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed and rates, explicit portion of a contract amount, or detailed billing information that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.
6. The City shall pay the Contractor for all invoiced, authorized professional services within thirty (30) days of receipt of the invoice for same.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Allen Brock, Community Development Director

**AGENDA DATE:** June 23, 2015

**TITLE:** FIRST AMENDMENT OF INDEPENDENT CONTRACTOR AGREEMENT WITH WILLDAN ENGINEERING

---

### **RECOMMENDED ACTION**

#### **Recommendations:**

1. Approve the first amendment of Independent Contractor Agreement with Willdan Engineering of San Bernardino, California, to provide plan review and inspection services for the Building Safety Division.
  
2. Authorize the Mayor to execute the Amendment.

### **SUMMARY**

This report recommends approval of the first amendment to the Independent Contractor Agreement with Willdan Engineering to continue providing plan review and inspection services for the Building Safety Division.

### **DISCUSSION**

The City executed a contract for services in July 2012 with Willdan Engineering for plan review and inspection services for the Building Safety Division. The term of the contract was for three years, with provisions for two one-year extensions, not to exceed a total contract period of five years.

Willdan Engineering provides as needed plan review and inspection services for the Building Safety Division. This service is critical to providing timely service for the City's

customers with respect to project processing and development and furthering positive economic development throughout the community.

All costs associated with this agreement are fully recovered from fees paid for by the applicant. In addition, the contract includes a reduced rate for services thereby helping to control the costs of the Division and for the applicants for these necessary services. Also included with this Amendment is the City's latest established Insurance Requirements as described in Attachment 2, Exhibit A. The contractor has agreed to comply and will provide the necessary documentation prior to approval.

**ALTERNATIVES**

- 1. Approve the First Amendment of Independent Contractor Agreement with Willdan Engineering to provide plan review and inspection services. *This alternative is recommended by staff.*
- 2. Do not approve the First Amendment of Independent Contractor Agreement with Willdan Engineering thereby leaving the Division without a contractor for plan review and inspection services requiring the need to pursue another contractor. *This alternative is not recommended by staff.*

**FISCAL IMPACT**

The Agreement extension will not impact the General Fund as it is fully funded by recovering fees for service paid for by the applicant.

**PREPARATION OF STAFF REPORT**

Prepared By:  
Allen D. Brock  
Community Development Director

Department Head Approval:  
Allen D. Brock  
Community Development Director

**CITY COUNCIL GOALS**

**Revenue Diversification and Preservation.** Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

## FIRST AMENDMENT TO INDEPENDENT CONTRACTOR AGREEMENT

The First Amendment to Agreement is by and between the CITY OF MORENO VALLEY, a municipal corporation, hereinafter referred to as “City,” and WILLDAN ENGINEERING, hereinafter referred to as “Contractor.” This First Amendment to Agreement is made and entered into effective on the date the City signs this Amendment.

### RECITALS:

Whereas, the City and Contractor entered into an Agreement entitled “INDEPENDENT CONTRACTOR AGREEMENT” hereinafter referred to as “Agreement,” dated July 3, 2012.

Whereas, the Consultant is providing professional and technical services as more specifically described in the Agreement, attached hereto as “Exhibit B.”

Whereas, it is mutually desirable to amend the Agreement to extend the term of the contract for one year, from June 30, 2015, to June 30, 2016, as provided for in Section 2 (C) of the Agreement.

Whereas, City desires to amend Section 2 (G) of original Agreement to conform to current City insurance requirements as described in “Exhibit A – First Amendment,” entitled “Insurance Requirements.”

### SECTION 1 AMENDMENT TO ORIGINAL AGREEMENT:

1.1 Section 2 (C) of Agreement is hereby amended by extending the Contractor Ending Date one year, from June 30, 2015, to June 30, 2016.

1.2 Section 2 (G) of the Agreement is hereby amended by amending insurance requirements to those as described in “Exhibit A – First Amendment,” entitled “Insurance Requirements.”

**FIRST AMENDMENT TO INDEPENDENT CONTRACTOR AGREEMENT****SECTION 2**

2.1 Except as otherwise specifically provided in this Amendment, all other terms and conditions of the Agreement shall remain in full force and effect.

**SIGNATURE PAGE TO FOLLOW**

Attachments: Exhibit A – First Amendment – Insurance Requirements

Exhibit B – Independent Contractor Agreement

Attachment: First Amendment to Independent Contractor Agreement-Willdan (1523 : FIRST AMENDMENT OF INDEPENDENT CONTRACTOR

## INSURANCE REQUIREMENTS

### Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. The most current version of Insurance Services Office (ISO) Commercial General Liability Coverage Form CG 00 01, which shall include insurance for “bodily injury,” “property damage” and “personal and advertising injury” with coverage for premises and operations, products and completed operations, and contractual liability.
2. The most current version of Insurance Service Office (ISO) Business Auto Coverage Form CA 00 01, which shall include coverage for all owned, hired, and non-owned automobiles or other licensed vehicles (Code 1- Any Auto).
3. Workers’ Compensation insurance as required by the California Labor Code and Employer’s Liability Insurance.
4. Professional Liability (Errors and Omissions) insurance appropriate to Consultant’s profession.

### Minimum Limits of Insurance

Consultant shall maintain limits of liability of not less than:

1. General Liability:  
\$1,000,000 per occurrence for bodily injury and property damage  
\$1,000,000 per occurrence for personal and advertising injury  
\$2,000,000 aggregate for products and completed operations  
\$2,000,000 general aggregate
2. Automobile Liability:  
\$1,000,000 per accident for bodily injury and property damage
3. Employer’s Liability:  
\$1,000,000 each accident for bodily injury  
\$1,000,000 disease each employee  
\$1,000,000 disease policy limit

## 4. Professional Liability (Errors and Omissions):

\$1,000,000 per claim/occurrence  
\$2,000,000 policy aggregate

**Umbrella or Excess Insurance**

In the event Consultant purchases an Umbrella or Excess insurance policy(ies) to meet the “Minimum Limits of Insurance,” this insurance policy(ies) shall “follow form” and afford no less coverage than the primary insurance policy(ies).

**Deductibles and Self-Insured Retentions**

Consultant shall be responsible for payment of any deductibles contained in any insurance policy(ies) required hereunder and Consultant shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the City Manager or his/her designee. At the option of the City Manager or his/her designee, either (i) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers; or (ii) Consultant shall provide a financial guarantee, satisfactory to the City Manager or his/her designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. At no time shall City be responsible for the payment of any deductibles or self-insured retentions.

**Other Insurance Provisions**

The General Liability and Automobile Liability insurance policies are to contain, or be endorsed to contain, the following provisions:

1. City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers are to be covered as additional insureds.
2. The coverage shall contain no special limitations on the scope of protection afforded to City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers.
3. Consultant’s insurance coverage shall be primary and no contribution shall be required of City.

The Workers’ Compensation insurance policy is to contain, or be endorsed to contain, the following provision: Consultant and its insurer shall waive any right of subrogation against City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers.

If the Professional Liability (Errors and Omissions) insurance policy is written on a claims-made form:

1. The retroactive date must be shown, and must be before the effective date of the Agreement or the commencement of work by Consultant.
2. Insurance must be maintained and evidence of insurance must be provided for at least 3 years after any expiration or termination of the Agreement or, in the alternative, the policy shall be endorsed to provide not less than a 3-year discovery period.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of the Agreement or the commencement of work by Consultant, Consultant must purchase extended reporting coverage for a minimum of 3 years following the expiration or termination of the Agreement.
4. A copy of the claims reporting requirements must be submitted to City for review.
5. These requirements shall survive expiration or termination of the Agreement.

All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after 30 calendar day written notice by certified mail, return receipt requested, has been given to City. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, Consultant shall furnish City with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for City, Consultant shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

### **Acceptability of Insurers**

All policies of insurance required hereunder shall be placed with an insurance company(ies) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than “A-VII” in Best’s Insurance Rating Guide; or authorized by the City Manager or his/her designee.

**Verification of Coverage**

Consultant shall furnish City with all certificate(s) and **applicable endorsements** effecting coverage required hereunder. All certificates and **applicable endorsements** are to be received and approved by the City Manager or his/her designee prior to City’s execution of the Agreement and before work commences.

Attachment: Exhibit A - First Amendment Insurance Requirements (1523 : FIRST AMENDMENT OF INDEPENDENT CONTRACTOR AGREEMENT

City of Moreno Valley

## INDEPENDENT CONTRACTOR AGREEMENT

This Agreement is made by and between the City of Moreno Valley, California, a municipal corporation, hereinafter referred to as the "City", and the following named independent contractor, hereinafter referred to as the "Contractor," based upon City policies and the following legal citations:

- A. Government Code Section 53060 authorizes the engagement of persons to perform special services as independent contractors; and
- B. The public interest, convenience, necessity and general welfare will be served by this Agreement.

This Agreement is made and entered into effective the date the City signs this Agreement.

### 1. CONTRACTOR INFORMATION:

Contractor's Name: Willdan Engineering  
 Address: 650 E. Hospitality Lane #400  
 City: San Bernardino State: CA Zip: 92408  
 Business Phone: (909) 386-0200 Fax No: (909) 888-5107  
 Other Contact Number: N/A  
 Business License Number: 19168  
 Federal Tax I.D. Number: 95-2295858

### 2. CONTRACTOR SERVICES, FEES, AND RELEVANT DATES:

- A. The Contractor's scope of service is described in Exhibit "A" attached hereto and incorporated herein by this reference.
- B. Payment terms are provided in Exhibit "B" attached hereto and incorporated herein by this reference.
- C. The Contractor Starting Date is July 1, 2012 and the Contractor Ending Date is June 30, 2015. If mutually agreeable, the City and Contractor may extend this agreement in increments of one year, not to exceed a total contract period of five years. The City acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

3. **STANDARD TERMS AND CONDITIONS:**

- A. Control of Work. Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The City will not provide any training to Contractor or his/her/its employees.
- B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services is paid by the Contractor, an agent or employee of the City, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the City, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the City.
- C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the City. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Agreement, with the exception that the City shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].
- D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Agreement.
- E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's negligence, recklessness or willful misconduct in its performance of the work contemplated by this Agreement. Acceptance of this Agreement signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.
- F. City Indemnification. The City agrees to indemnify, defend and save the Contractor harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, Housing Authority's and CSD's employees and all claims which arise from the negligent performance or failure to perform the services or other obligations of the City under this Agreement, or are caused by the negligent acts of the City, Housing Authority and CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.

- G. Insurance Requirements. The Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

The Contractor shall procure and maintain, at its sole expense, Workers' Compensation Insurance in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Contractor and the City, the Housing Authority and CSD against any loss, claim, or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Agreement

General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, sub-Contractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum amounts provided below:

Bodily Injury	\$1,000,000 per occurrence/ \$2,000,000 aggregate
Property Damage	\$500,000 per occurrence/ \$500,000 aggregate

Professional Errors and Omission Insurance—such coverage shall not be less than \$1,000,000 per claim and aggregate.

Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/CSD/Housing Authority premises. Such coverage limits shall not be less than \$1,000,000 combined single limit.

Insurance requirements waived with Risk Manager's approval.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City Risk Manager prior to the execution of this Agreement. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, its officers, employees and agents, under any third party liability policy

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by first class mail of amendment or cancellation to the City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by first class mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

- H. Intellectual Property. Any system or documents developed, produced or provided under this Agreement, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the City unless explicitly stated otherwise in this Agreement. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Agreement. The City and the Contractor agree that to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.
- I. Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Agreement. This Agreement applies only to the current proposal as attached. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties. Assignment of this Agreement is prohibited without prior written consent.
- J. (a) The City may terminate this Agreement without cause by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue work through the date of termination, provided that no work or service(s) shall be commenced or continued after receipt of the notice which is not intended to protect the interest of the City. The City shall pay the Contractor within thirty (30) days after receiving any invoice after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.

- (b) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Contractor shall perform no further work or service(s) under the Agreement unless the notice of termination authorizes such further work.
- K. Payment. Payments to the Contractor pursuant to this Agreement will be reported to Federal and State taxing authorities as required. The City will not withhold any sums from compensation payable to Contractor. Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractor's time and materials charges under the Agreement. Upon reasonable notice, such records must be made available to the City's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Agreement.
- L. Restrictions on City Employees. The Contractor shall not employ any City employee or official in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.
- M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall govern the interpretation of this Agreement. Any legal proceeding arising from this Agreement shall be brought in the appropriate court located in Riverside County, State of California.

 Moreno Valley, CA 92552

**Subject: Proposal to Provide Building and Safety Plan Check and Inspection Consultant Services - R.F.P.# VAG - 11/12-09**

Dear City Clerk:

**Willdan Engineering** is pleased to present this proposal to the **City of Moreno Valley** to continue to provide Building and Safety plan check and inspection services. Willdan has been a consistent industry leader for more than 47 years providing all aspects of municipal and infrastructure engineering, including building and safety, public works, public financing, planning, and construction management services.

While our exceptional services are presented in the proposal, listed below are reasons why Willdan is uniquely qualified to provide these services to the **City of Moreno Valley**.

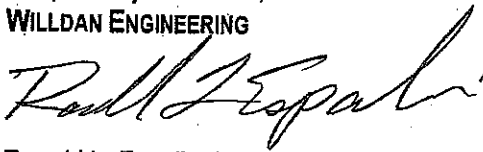

- **Willdan Engineering** has been providing Building and Safety services to the City of Moreno Valley since 1998. Our staff has extensive experience working with the City's procedures and expectations.
- **Willdan Engineering** offers **electronic plan checking** which significantly expedites review and reduces shipping and printing costs for the applicant, and promotes a paperless environment.
- **Willdan Engineering** specializes in providing professional building, engineering, and planning services to municipalities. The firm has been providing building and safety services to cities and counties on a contract basis since 1979.
- **Willdan Engineering** presently provides building and safety services to a vast number of jurisdictions throughout Southern California. In this capacity, we provide a full range of services including building and safety plan review, permit issuance, inspection and code enforcement. We service client needs from an occasional overload plan review to staffing an entire Department.
- **Willdan Engineering** can provide CASp certified inspectors to the City as required by **Senate Bill No. 1608**, specifically **CHAPTER 549**.
- **Willdan Engineering** can provide **OSHPD 3** plan review and inspection services.
- **Willdan Engineering** offers all disciplines the City may require with on-staff personnel. No subconsultants will be needed for any required services.

City of Moreno Valley  
Building and Safety Services  
May 2, 2012  
Page 2

- **Willdan Engineering** provides no private sector engineering services; therefore there is no conflict of interest.
- **Willdan Engineering** staff will be prepared to attend all required meetings at City Hall either the same day, or within 24 hours notice.

Our approach to each assignment is to furnish the client with technical assistance and strong project management in a professional, efficient and economical manner. We are looking forward to continuing to provide Building and Safety services to the **City of Moreno Valley**. This proposal shall remain valid for a period of ninety (90) days from date of submittal.

Respectfully submitted,  
**WILLDAN ENGINEERING**

Ronald L. Espalin, PE  
Director of Building and Safety

## FIRM OVERVIEW/QUALIFICATIONS

**WILLDAN ENGINEERING** has dedicated itself to providing public agencies with reliable engineering and consulting services for more than 47 years. Combining depth of staffing, state-of-the-art technical resources, and local offices rooted in their communities, Willdan Engineering has earned its reputation as a problem solver across a wide range of client interests. We understand the concerns of government agencies – especially those of local government. Our company offers a broad scope of expertise that uniquely qualifies us to serve the needs of cities, counties, and special districts, as well as state and federal agencies.

Since 1964, **Willdan Engineering** has helped revolutionize the way consulting services are provided by local offices. Our regional and satellite offices are strategically located to offer local, focused service to the varied demographics of our public agency customers. Willdan Engineering's lean organization enables staff to efficiently communicate individual project challenges and goals company-wide, thereby utilizing all of Willdan Engineering's resources to deliver the highest quality and most cost-effective product.

**Willdan Engineering** understands the unique nature of public agency needs and issues. In addition to many of our staff having served in management positions at public agencies prior to joining **Willdan Engineering**, we have numerous assignments with over 60% of the cities and counties in California for building officials, city engineers, planning directors, traffic engineers, and other public agency staff members.

### Building and Safety Services

Willdan's experience and strength in building and safety encompasses the complete range of technical disciplines, including, building inspection, grading inspection, accessibility inspection, CASp services, building plan check, and fire-life safety. The inspection and plan check staff maintain current certifications and attends training on a regular basis, to stay current with industry technologies and standards. Specific certifications and education are delineated in staff resumes herein.

This, with our depth of experience, expertise, knowledge and resources, Willdan is able to offer practical solutions that are timely and cost effective, and that will meet the needs of the City of Moreno Valley. The diversity of Willdan's staffs' experience is an added value of our professional services to our clients.

### WILLDAN ENGINEERING SERVICES

- Building and Safety
- City Engineering
- Capital Program Management
- Construction Management/Inspection
- Development Services/Plan Review
- Environmental/Planning
- Flood Control Design
- Landscape Architecture
- Pavement Management
- Structural Engineering
- Survey/Mapping
- Traffic Engineering
- Transportation Engineering
- Water/Wastewater

Below is a chart detailing Willdan's Engineering staff by discipline:

California Registered Engineers		California Certified Plans Examiners/Inspectors/Planners	
DISCIPLINE	NUMBER	DISCIPLINE	NUMBER
Civil	56	Building	64
Structural	4	Plumbing	39
Fire Protection	1	Electrical	40
Architect	1	Mechanical	39
Electrical	1	Fire	4
Mechanical	2	Accessibility	58
Landscape Architect	3	Civil	55
Traffic	8	Planner	5

Willdan's corporate-wide capabilities include:

**Engineering**

- Building and Safety
- Disaster Recovery
- Landscape Architecture
- Planning
- Program/Construction Management
- Structural Design
- Survey/Mapping/GIS
- Traffic Design
- Transportation Design
- Water/Wastewater Design

**Geotechnical**

- Forensic Investigation
- Geotechnical/Foundation Testing/Inspection
- Materials Testing
- Seismic Hazard

**Financial Services**

- Arbitrage/Rebate
- Cost Allocation/ Study
- Development Fee Study
- Fiscal Impact Analysis
- Utility Rate Analysis

**Homeland Solutions**

- Infrastructure Protection
- Needs Assessment
- Large Event Security

**Resource Solutions**

- Environmental Assessment/Audit
- Munitions Investigation
- Soil/Groundwater Investigation

**Energy Solutions**

- Demand Side Energy Management
- Energy Efficiency
- Renewable Resources/Sustainability

## SCOPE OF WORK

### PLAN REVIEW SERVICES

Willdan Engineering presently provides Building and Safety services to a number of municipalities and jurisdictions throughout Northern and Southern California. In this capacity, we provide a full range of services including plan review, permit issuance, inspection, code enforcement, counter technician and Building Official services. We service client needs from an occasional overload plan review to staffing an entire Building Division. Willdan has gained a great deal of municipal insight and expertise in serving our extensive clientele over the years. We have performed plan review and inspection on projects ranging from single family residential additions to complex high rise towers (including hotels and casinos), medical facilities and industrial centers. Willdan's plans examiners are ICC certified plans examiners, licensed architects, and registered engineers.

Willdan's experience and strength in building and safety encompasses the complete range of technical disciplines, that is, structural engineering plan check, fire-life safety, electrical, plumbing and mechanical codes, the Title 24 codes, as well as local amendments to the adopted codes. We have extensive experience with the **California Green Building Standards Code**. Willdan staff attends classes and seminars on a regular basis to maintain an up-to-date comprehension of all code requirements.

All building plans will be examined for compliance with the adopted version of the California Building Code, California Residential Code, Green Building Standards Code, California Mechanical Code, California Plumbing Code, California Electrical Code, and the Accessibility, Noise and Energy Conservation requirements as mandated by State Title 24 and all applicable City Ordinances. Plan review for Disabled Access Compliance will include a review of precise grading plans.

All plan check will include compliance with code requirements as well as an overview of the application package for other applicable requirements such as approvals from other local agencies and districts. All plan review will comply with the City's directives, codes and policies. Plan check will include a review of any or all of the following design elements as determined by the City:

**Architectural**  
**Fire/Life-safety**  
**Plumbing**  
**Mechanical**  
**Structural**

**Residential**  
**Electrical**  
**Energy Conservation Regulations (Title 24)**  
**Disabled Access Regulations (CBC)**  
**Green Building Standards**

Willdan staff will either pick up the plans from the City, or have them overnighted to our office at no cost to the City. All plans will be returned to the City either by messenger or overnight delivery at no cost to the City.

Willdan will notify each applicant with two complete typewritten plan check letters which outline the documents reviewed, instructions to the applicant regarding the processing of documents, and a listing of plan check comments. The plan check comments will refer to appropriate sheets, details or calculation pages and the code section of concern. Comments shall specify the apparent code violation. At the City's discretion, plan check comments, plans and documents will be returned directly to the designers until such time as plans are approved.

Our plan checkers will schedule meetings during work hours to discuss and clarify plan check issues with designers, owners and contractors. Resolutions of code issues may also be accomplished by telephone, or meetings prior to resubmitting corrected plans and documents.

**Turn-Around Schedule**

Typical turn-around time for the initial plan check is eight to ten working days, three to five days for rechecks. This schedule is applicable for all types of construction and can be adjusted to serve the City in the most efficient manner. **Expedited plan check will be provided at the request of the City.**

TYPE OF PROJECT	INITIAL PLAN CHECK	SUBSEQUENT PLAN CHECKS
All residential and non-residential	Eight - ten working days	Three - five working days

Attachment: Exhibit B - Willdan Independent Contractor Agreement (1523 : FIRST AMENDMENT OF INDEPENDENT CONTRACTOR

### ELECTRONIC PLAN REVIEW

Willdan has the ability to provide plan review services electronically, at no additional cost to the City or applicants. No additional computer software or hardware is required, only an Internet connection is necessary. Services are provided at the request of the applicant or the agency we serve. Submittals are accepted in PDF format. Willdan will review plans and can transmit the electronic redlined plans back to the applicant or designer as directed, electronically along with the plan review comment sheet.

This service allows for collaboration between the City, designer and plans examiner to facilitate a complete understanding of plan review comments and can reduce shipping, printing and time for plan review processing for the applicant. Below is an example of a redlined plan as reviewed in electronic format.

Attachment: Exhibit B - Willdan Independent Contractor Agreement (1523 : FIRST AMENDMENT OF INDEPENDENT CONTRACTOR

## INSPECTION SERVICES

To supplement the current City building inspector on an as needed basis, Willdan can provide certified inspectors to perform building and safety inspections. Our inspectors are fully experienced to perform residential, commercial and industrial inspections for compliance to the approved plans and related documents. The inspections will be performed in accordance with the City's adopted version of the California Building Code, California Residential Code, Green Building Standards Code, California Mechanical Code, California Plumbing Code, California Electrical Code, and the State and Federal regulations for Accessibility, Noise and Energy Conservation.

Inspection staff will be available on a same-day or next-day basis, and will also be available to meet with City staff, builders, developers, and citizens to provide assistance and resolve any inspection issues that may arise.

Inspectors will review the permit package to verify that the on-site condition is consistent with the appropriate records for square footage, setbacks, heights, and other requirements that may be applicable. Inspectors will comply with the City's procedures for reporting inspection results, use City inspection correction forms, make appropriate entries onto the permit documents, and follow City procedures prior to finalizing a building permit.

Willdan will ensure all inspection records, including daily records of what was inspected which will be recorded on the job card, and permit copy entered into the City's Building and Safety Division computer system. We will employ such techniques as necessary to minimize delays to builders and provide helpful advice and counsel to builders, owners, engineers and architects as to enhance the orderly flow of the construction process, yet maintaining an effective level of enforcement.

## CASp SERVICES

If required, Willdan can provide CASp certified inspectors to the City as required by **Senate Bill No. 1608**, specifically **CHAPTER 549** which reads as follows:

*(d) (1) Commencing July 1, 2010, a local agency shall employ or retain at least one building inspector who is a certified access specialist. The certified access specialist shall provide consultation to the local agency, permit applicants, and members of the public on compliance with state construction-related accessibility standards with respect to inspections of a place of public accommodation that relate to permitting, plan checks, or new construction, including, but not limited to, inspections relating to tenant improvements that may impact access. If a local agency employs or retains two or more certified access specialists to comply with this subdivision, at least one-half of the certified access specialists shall be building inspectors who are certified access specialists.*

## COUNTER SERVICES

On an as-needed basis, our designated permit technician or inspector will provide counter assistance, permitting and development activities, plan processing, public inquires and other services as needed which can include but is not limited to:

- ✓ Building permit processing and issuance
- ✓ Resolution of resident inquires, complaints
- ✓ Front counter support
- ✓ Plan review monitoring to ensure turnaround times and standards
- ✓ Process Public Records request
- ✓ Maintain records, prepare documents for storage and or imaging;

## PERSONNEL

Mr. Patrick Johnson, PE, shall serve as *Project Manager* for plan review services. Mr. James Barrett, CBO, shall serve as *Project Manager* for inspection and counter services.

## FEE SCHEDULE

Willdan proposes to provide plan review services for seventy-five percent (75%) of the fees collected by the City. **These fees exclude:**

- plan review for large projects with a valuation over \$25 million
- revisions to previously approved plans
- single family dwellings
- miscellaneous plans
- room additions
- tenant improvements
- remodels

We propose plan review for these projects to be provided for an hourly rate of \$125.

Hourly rates are as follows:

SERVICE PROVIDED	HOURLY RATE
Plan Review (non percent of fee)	\$ 125
Project Meetings	\$ 125
Inspection	\$ 105
Counter Services	\$ 60

**18 Years  
Experience**

Mr. Johnson, a registered Civil Engineer in California, Arizona, Nevada, and Colorado is a Plan Check Engineer for the San Bernardino Office. Patrick has more than 18 years experience in the construction and engineering field. He has more than six years plan check experience with Willdan, and is responsible for structural plan review.

Mr. Johnson's primary focus has been on structural engineering of lightweight commercial, industrial, and residential structures. Since employed with Willdan, he has attended a number of code enforcement and seismic application seminars and has received his Master of Engineering degree, specializing in Structures, from California State Polytechnic University. His extensive experience includes plan checking numerous projects that vary in size and complexity.

Mr. Johnson's previous engineering experience includes the position of a Design Engineer with KLP Consulting Engineers of Centennial, Colorado. In this capacity, he specialized in the design of lightweight commercial, multi and single-family housing. At times he would be called out to the field as a forensic engineer to justify the probable cause of structural damages caused by expansive soils. Mr. Johnson also has engineering experience in the design of variety of transportation projects including single and multi-span bridges, pedestrian tunnels, retaining walls, and concrete box culverts.

Other than residential and commercial timber framed structures, Mr. Johnson has plan checked several tilt up warehouse buildings that range in size up to 2.3 million square feet. He has also plan checked numerous structures consisting of braced and moment frames for lateral resistance, prestressed concrete structures, and multi-story buildings up to 6 stories in height.

### **Relevant Project Experience**

#### **PLAN CHECK**

- Morongo Band of Mission Indians - Administration Building
- March Joint Powers Authority - Fresh and Easy Food Processing Facility
- California State University, San Bernardino - Education Building
- City of Moreno Valley - Skechers Warehouse
- City of Fontana - Kaiser Administration Building

**26 Years  
Experience**

**Mr. Arne Lovnaseth**, a registered Architect in California, is a Plan Check Architect for the San Bernardino Office. He has 26 years experience in the construction field specializing in design work and plans examining. As a 1983 and 2001 graduate of Cal Poly Pomona his primary focus has been on architectural design of lightweight commercial and residential structures. He has attended a number of code enforcement seminars and currently is compiling a NCARB record for certification nationwide. He has extensive experience in ADA compliance.

During his tenure with Willdan, Mr. Lovnaseth has provided Counter Plan Review services to the City of Redlands, City of Colton, and the March Joint Powers Authority, a redevelopment agency located at March Air Force Base.

Recent plan review projects include:

- **March JPA** - Sysco, 500,000 sq.ft. food processing facility.
- **March JPA** - Fresh & Easy Processing facilities 800,000 sq. ft. complex.
- **City of Loma Linda** - Church addition, 30,000 sq.ft.
- **Moreno Valley** - Chili's Restaurant, 10,000 sq.ft.

Other projects include single and multi-family homes, industrial buildings, commercial warehouses, restaurants, fitness centers, motels, medical facilities and numerous tenant improvements.

Mr. Lovnaseth's previous architectural and plan checking experience includes the position of Senior Plans Examiner for a large Inland Empire City for more than five years. In this capacity, he specialized in the plan checking of lightweight commercial, multi and single-family housing. He supervised a staff of 5 plans examiners and permit technicians, issuing over 3,000 building permits a year.

Prior experience includes project manager at John McInnes Architect in Laguna Beach for five years and job captain at Sumich Design in San Juan Capistrano for eight years.

**30 Years Experience**

Mr. Reed is a Senior Plans Examiner/Deputy Building Official for Willdan's San Bernardino Regional Office. He has more than 30 years of plan review, inspection and construction experience. His extensive experience includes plan review of numerous projects in compliance with the California Building, Plumbing, Mechanical, Electrical, and Fire Codes. Also review of projects under ADA, OSHPD, and Titles 19 & 25.

Examples of recent projects include:

#### PLAN CHECK

- Barona Casino, valuation \$63,000,000
- San Manuel Casino, valuation \$45,106,000
- Morongo Casino, valuation \$250,000,000
- California State University Student Housing, valuation \$7,000,000
- Walgreens Distribution Center, valuation \$18,500,000

#### PLAN CHECK - OSPD III

- Lowes
- Hampton Inn
- Wal-Mart
- San Manuel Village

#### INSPECTION

- New 100,000 square foot Mercedes-Benz dealership
- New 115,000 square foot K-Mart store
- New 5,000 square foot California Pizza Kitchen

Prior to joining Willdan, Mr. Reed's extensive experience includes plan checking and inspecting industrial and commercial buildings and reviewing plans for compliance with the applicable codes, state and local requirements.

Mr. Reed served the County of Riverside as a plans examiner for the Building Department and as a building inspector for the Cities of Mission Viejo and Laguna Niguel. In this capacity, he reviewed plans for compliance with County and City ordinances, State requirements and codes; he assisted with permit issuance at the public counter, answered technical questions from design professionals and the general public.

**25 years  
Experience**

**Mr. Barrett** serves as building inspection manager for the San Bernardino Office. In this capacity, he supervises the Building and Safety Inspection Group and oversees in-house counter technicians. Mr. Barrett has extensive experience in building and safety inspection, code enforcement and plan checking responsibilities. His vast experience includes plan check and inspection of medical research facilities, multi-story office buildings, educational facilities, parking structures, retail outlets, single-family and multi-family residential developments.

Mr. Barrett, a Certified Building Official, has been responsible for complete building and safety operations, that is, front counter operations, permit issuance, plan check, field inspection, and permit coordination with other municipal departments and agencies. His plans examining expertise includes complete fire-life safety building code enforcement, model codes in plumbing, mechanical and electrical as well as the California Building Standard, Title 24 Energy Standards and Accessibility, and ADA requirements. Currently he performs these responsibilities for the City of Loma Linda and the City of Colton.

#### **Relevant Project Experience**

**City of Colton – Interim Building Official** – Oversee city staff, review policy's, provide customer assistance at the counter, prepare monthly reports and perform inspections

**City of Loma Linda, Deputy Building Official** – Responsible for the day to day building and safety operations, oversee inspection and counter staff provide customer service at the public counter and perform inspections. Also provided inspection management and supervision for various projects including the following:

- Loma Linda University, Centennial Complex, a 150,000 square foot 4 story state of the art medical training facility.
- Loma Linda Academy, gymnasium and education complex.
- Loma Linda University Church Expansion and Renovation

**City of Calimesa, Deputy Building Official** – over see counter and inspection staff.

**City of Canyon Lake, Deputy Building Official** - over see counter and inspection staff.

**March Joint Powers Authority, Deputy Building Official** – Provide inspection management and supervision for various large projects including the following:

- DHL Distribution Center
- Fresh and Easy Food Processing and Distribution Center
- Two Sisters Food Group, Food Processing and Distribution Center
- March Global Port Jet "A" Fuel Farm

**Morongo Band of Mission Indians, Project/Inspection Manager** – Provided inspection management for the following projects

- 28 story hotel tower and Casino Resort
- Arrowhead Bottling Plant, Morongo Band of Mission Indians
- Administration and Cultural Center

**California Energy Commission, Project/Inspection Manager**

- Indigo Energy Facility/Wild Flower Energy 135 mega watt peaker power plant, North Palm Springs
- Alliance Colton, Two 40 mega watt peaker plants

Prior to joining Willdan, Mr. Barrett served as Building Official/Code Enforcement Manager for the City of Banning. In this capacity, he was responsible for the daily operations and supervision of the Building and Code Enforcement Division. He also served as the Chief Plan Checker and Building Abatement Officer and contract administrator for Animal Control services.

Testing Technician*

**26 years  
Experience**

Mr. Patzer, OSHPD and Building Inspector in our San Bernardino Office, has over twenty years of Building and Safety inspection experience. Extensive building inspections include public buildings, commercial and retail construction, medical and educational facilities, single-family dwellings, and multi-family developments. He coordinates with plan check staff, other municipal departments and agencies at the permit issuance stage and when finalizing permits. Most recently he served as an I.O.R for the Casino Morongo Co-Gen Plant, multi level parking structure, high rise hotel tower and casino and the San Manuel Casino, central plant, and multi level parking structure.

Prior to joining Willdan, Mr. Patzer served as Lead Inspector for an engineering firm located in Spring Valley, California. In this capacity, he supervised three inspectors and performed welding and high strength bolt inspection in the field and in the shop. Special projects included the Rancho Los Amigos Hospital in Downey, Riverside County Regional Medical Center, White Memorial Medical Center Market Creek Plaza and Courtyard by Marriot Hotel located in San Diego.

#### Specific Project Experience

**Morongo Band of Mission Indians-** Mr. Patzer as Sr. Building Inspector served as an I.O.R. on this project. It consisted of a 29 story hotel tower, 5 level parking structure, 500,000 square foot casino and a 16 delta mega watt co-gen plant.

**San Manuel Band of Mission Indians-** Mr. Patzer as a Sr. Building Inspector served as an I.O.R. on this project. It consisted of a Casino, a 7 level parking structure and a central plant.

**City of Indian Wells-** As a Sr. Inspector Mr. Patzer provided all of the California Building Codes inspections for this project. The project was a 6 story addition to the Hilton Grand Champions Resort and Conference Center. He was responsible for ensuring all construction including but not limited to structural, electrical, mechanical and plumbing met the California Codes and approved plans.

**City of Fontana-** As a Sr. Inspector Mr. Patzer provided supervision of 3 contract inspectors in the City of Fontana. Inspections were performed under the provisions of the California Building Codes. Specifically, Mr. Patzer performed all of the inspections for 3, one million square foot warehouses. Each with a electric service of 1200 AMPS.

**Various Special Inspector Assignments-** Mr. Patzer performed the Welding and High Strength Bolt Inspections for the following projects: Rancho Los Amigos Hospital in Downey, Riverside County Regional Medical Center, White Memorial Medical Center.

NON-COLLUSION AFFIDAVIT

### DESCRIPTION OF THE ATTACHED DOCUMENT

#### Non-Collusion Affidavit

(Title or description of attached document)

(Title or description of attached document continued)

Number of Pages 1 Document Date 04/30/12

(Additional information)

### INSTRUCTIONS FOR COMPLETING THIS FORM

The wording of all Jurats completed in California after January 1, 2008 must be in the form as set forth within this Jurat. There are no exceptions. If a Jurat to be completed does not follow this form, the notary must correct the verbiage by using a jurat stamp containing the correct wording or attaching a separate jurat form such as this one which does contain proper wording. In addition, the notary must require an oath or affirmation from the document signer regarding the truthfulness of the contents of the document. The document must be signed AFTER the oath or affirmation. If the document was previously signed, it must be re-signed in front of the notary public during the jurat process.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public.
  - Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the jurat process is completed.
  - Print the name(s) of document signer(s) who personally appear at the time of notarization.
  - Signature of the notary public must match the signature on file with the office of the county clerk.
  - The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different jurat form.
    - ☐ Additional information is not required but could help to ensure this jurat is not misused or attached to a different document.
    - ☐ Indicate title or type of attached document, number of pages and date.
- Securely attach this document to the signed document

**AFFIDAVIT OF NON-CONVICTION**

I hereby affirm that:

I am the Director of Building and Safety and the duly authorized  
(Title)

Representative of the firm of: Willdan Engineering  
(Name of Corporation)

Whose address is: 650 Hospitality Lane, Suite 400, San Bernardino, California 92408

\_\_\_\_\_ And that

I possess the legal authority to make this affidavit on behalf of myself and the firm for which I am acting.

Except as described in paragraph 3 below, neither I nor the above firm, nor to the best of my knowledge, and of its officers, directors, or partners, or any of its employees directory involved in obtaining Contracts with the City have been convicted of, or have plead *nolo contendere* to a charge of, or having during the course of an official investigation or other proceeding admitted in writing or under oath acts or omissions which constitute bribery, attempted bribery, or conspiracy to bride under the laws of any State of the Federal government (conduct prior to July 1, 1977 is not required to be reported).

State "none" or, as appropriate, list any convection, plea or admission described in paragraph two above, with the data, court, official, or administrative body; the individuals involved and their position with the firm, and sentence or disposition, if any.

I acknowledge that this affidavit is required to allow the City to make a determination. I acknowledge that, if the representations set forth in the affidavit are not true and correct, the City may terminate ant Contract awarded and may take any other action.

I do solemnly declare and affirm under the penalties of perjury that the contents of this affidavit are true and correct.

To Whom It May Concern:

Willdan has been providing plan check and inspection services for Building and Safety and Public Works in the City of Grand Terrace for over 12 years. In addition to these services, Willdan is the City Engineer. Their highly qualified staff, attention to detail for all projects, and their unfailing customer service has been a great asset to the City. We consider Willdan as our extended staff and not our consultant.

Personally, I have had the pleasure of working with Willdan not only in the City of Grand Terrace, but also during my tenure as Building Official for the City of Highland.

I highly recommend Willdan to provide Building and Safety services to the City of Moreno Valley. Please feel free to contact me if you would like to discuss their qualifications further.

Sincerely,

Richard Shields, CBO  
Director of Building and Safety/Public Works

RE: Letter of Recommendation

City Council To Whom It May Concern:

Mayor

Larry McCallon

Mayor Pro Tem

Penny Lilburn

Sam J. Racadio

Jody Scott

John P. Timmer

City Manager

Joseph A. Hughes

I would like to take this opportunity to offer a formal recommendation for Willdan Engineering. As the Building Official of the City of Highland I have worked with the Willdan staff on various projects.

Willdan has been the City of Highland's contract Building Division plans reviewer/inspector services provider since the City incorporated in 1987. Besides providing additional staff, as needed, to assist the Planning and Engineering Department staff on various projects over the years, Willdan developed and implemented the plan review service for the City of Highland Fire Prevention Division in approximately 2004 and has provided Deputy Fire Marshall/Fire inspection services for the last six years.

I have found the Willdan Staff to be well very knowledgeable on the recent code developments and always helpful when problems arise. Construction plans have been reviewed in a consistent timely manner and their staff is dedicated to work with the City's needs.

I believe that Willdan Engineering exhibits many of the qualities that are essential to assisting the city with its continued development, and would highly recommend them for assisting in your city's needs.

Respectfully,

Dale Everman, CBO  
Building Official  
City of Highland

Reference: Building Services – Reference Letter

It is with great pleasure that I recommend Willdan for consideration in providing Building and Safety Services. Willdan has provided the City of Loma Linda building related services since 1980. Detailed below are the services that Willdan provides to the City of Loma Linda:

- Building Plan Check Services both non-structural and structural services.
- Building Inspection Services
- On-Call Building Services including weekends and holidays
- Building Official and Special/Safety Inspection Services
- Public Works Inspection
- Grading and Engineering Improvements Plan Check Services

We have found that contracting these services to be advantageous and that Willdan is competitive and fare in the pricing of those services.

I have also found the Willdan team to be very flexible and accommodating in meeting the need of the client/city and provide efficient and professional services. Willdan, as a company, has the history and staffing to provide governmental contract services. Should you have any questions, please feel free to contact me at (909) 799-2895.

Sincerely,

Konrad Bolowich  
 Assistant City Manager  
 City of Loma Linda

## EXHIBIT B

TERMS OF PAYMENT

1. The Contractor's compensation shall not exceed \$800,000 per fiscal year.
2. The Contractor will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: [http://www.moval.org/do\\_biz/biz-license.shtml](http://www.moval.org/do_biz/biz-license.shtml)
3. The Contractor will electronically submit an invoice to the City as provided in this Agreement for progress payments along with documentation evidencing services completed to date. The progress payment is based on actual time and materials expended in furnishing authorized professional services since the last invoice. At no time will the City pay for more services than have been satisfactorily completed and the City's determination of the amount due for any progress payment shall be final. The Contractor will submit all original invoices to Accounts Payable staff at [AccountsPayable@moval.org](mailto:AccountsPayable@moval.org)  
  
Accounts Payable questions can be directed to (951) 413-3073.  
  
Copies of invoices may be submitted to the Community & Economic Development Department at [susanc@moval.org](mailto:susanc@moval.org) or calls directed to (951) 413-3350.
3. The Contractor agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: [http://www.moval.org/city\\_hall/forms.shtml#bf](http://www.moval.org/city_hall/forms.shtml#bf)
4. The minimum information required on all invoices is:
  - A. Vendor Name, Mailing Address, and Phone Number
  - B. Invoice Date
  - C. Vendor Invoice Number
  - D. City-provided Reference Number (e.g. Project, Activity)

- E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed and rates, explicit portion of a contract amount, or detailed billing information that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.
6. The City shall pay the Contractor for all invoiced, authorized professional services within thirty (30) days of receipt of the invoice for same.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Ahmad R. Ansari, P.E., Public Works Director/City Engineer

**AGENDA DATE:** June 23, 2015

**TITLE:** APPROVAL OF BUYER'S AGENT AGREEMENT FOR THE WHITNEY POINT SOLAR PROJECT

---

### **RECOMMENDED ACTION**

#### **Recommendations:**

1. Approve the Buyers' Agent Agreement for the Whitney Point Solar Project.
2. Authorize the City Manager to execute the Agreement on behalf of the City.

### **SUMMARY**

On February 10, 2015, the City Council approved the Power Purchase Agreement (PPA) between Whitney Point Solar, LLC (NextEra Energy) and Power and Water Resources Pooling Authority (PWRPA), Pittsburg Power Company, Eastside Power Authority, and the City of Moreno Valley. The Buyers' Agent Agreement describes the terms and conditions to authorize PWRPA, who has the largest allocation of output from the Whitney Point Project, to act as the Buyers' Agent. PWRPA will then provide administrative approvals, determinations, responses, and other actions in certain circumstances under the PPA on behalf of the Buyers in order to carry out the Buyers' rights and activities with respect to the PPA.

This item was presented to the Utilities Commission on May 15, 2015, and was approved.

### **DISCUSSION**

The Whitney Point Solar Project is a 20 MW solar photovoltaic facility to be developed in Fresno County whose expected commercial operation date is November 15, 2016.

The output of the project is allocated as follows:

- Eastside Power Authority            2.0 MW
- Pittsburg Power Company            2.5 MW
- City of Moreno Valley                4.5 MW
- PWRPA                                    11.0 MW

To coordinate activities of the Buyers with respect to the PPA, each of the Buyers has agreed to appoint PWRPA as Buyers' Agent. PWRPA will act on behalf of all Buyers regarding certain rights and activities related to the project. The Agent's duties will include only administrative functions, and will not include activities that have a financial impact to the Buyers.

The Buyers' Agent Agreement also establishes a Material Actions Committee, whose purpose is to provide direction regarding activities that have a financial impact to each Buyer. The members of the Material Actions Committee will consist of one representative and one alternative from each Buyer. The voting share of each member will correspond to the Buyers' percentage of output from the Facility.

Each Buyer will share in the costs incurred by the Buyers' Agent based upon the Buyers' percentage of output from the Facility.

The term of the Buyers' Agent Agreement will run concurrent with the terms of the PPA.

### **ALTERNATIVES**

1. Approve the Buyers' Agent Agreement for the Whitney Point Solar Project. *The Buyers' Agent Agreement provides ease of coordination of administrative activities between the Buyers and Seller related to the Project.* Staff recommends this alternative.
2. Do not approve the Buyers' Agent Agreement for the Whitney Point Solar Project. *Coordination of administrative activities would be less efficient and more time consuming for both Buyers and Seller.* Staff does not recommend this alternative.

### **FISCAL IMPACT**

There is no cost associated at this time with the adoption of the Buyers' Agent Agreement for the Whitney point Solar Project. It is anticipated that the costs associated with activities of the Buyers' Agent will begin in Fiscal Year 2016/2017.

### **NOTIFICATION**

Publication of the Agenda.

**AND**

**CITY OF MORENO VALLEY**  
(together, as "**Limited Buyers**")

Dated as of \_\_\_\_\_, 2015  
( "**Effective Date**")

**BUYERS' AGENT AGREEMENT**

This BUYERS' AGENT AGREEMENT ("Agreement"), dated as of \_\_\_\_\_, 2015, is being entered into by and among the POWER AND WATER RESOURCES POOLING AUTHORITY, a joint powers authority and a public entity organized under the laws of the State of California ("PWRPA"), as "Buyers' Agent," and the PITTSBURG POWER COMPANY, a joint powers agency organized and existing under the laws of the State of California ("Pittsburg Power"), the EASTSIDE POWER AUTHORITY, a joint powers authority and a public entity organized under the laws of the State of California ("Eastside"), and CITY OF MORENO VALLEY, a California municipal corporation organized and existing under the laws of the State of California ("Moreno Valley"). Collectively, Pittsburg Power, Eastside and Moreno Valley shall be referred to herein as "Limited Buyers." This Agreement relates to the administration of duties with respect to the "Buyers' Agent" in that certain POWER PURCHASE AGREEMENT, dated April 17, 2015, relating to the Whitney Point Solar Facility ("WP Agreement"). Each Buyer Agent and Buyer is referred to individually in this Agreement as a "Party" and together as the "Parties."

**RECITALS**

A. Capitalized terms in this Agreement shall have the meanings given to such terms (i) in the WP Agreement or (ii) in the body of this Agreement (as first identified in parentheses and underscored font).

B. In connection with the development and acquisition of their respective long-term renewable energy generation resources, the Buyers have identified a 20 MW solar photovoltaic facility ("Facility") to be developed by Whitney Point LLC, a subsidiary of NextEra Energy Resources ("Seller").

C. The Buyers have participated in negotiations for and have entered into the WP Agreement with Seller for the development of the Facility and the sale of Products from the Facility. The WP Agreement also provides a provision by which the Buyers may be offered a right of first offer with respect to a proposed transaction for the sale of the Facility to an unaffiliated third party.

D. The WP Agreement includes provisions for PWRPA to act as Buyers' Agent, on its own behalf and for and on behalf of Pittsburg Power, Eastside and Moreno Valley in certain circumstances, as expressly provided in the WP Agreement.

E. Each of the Buyers intends by this Agreement to provide the manner and means to coordinate the exercise of certain of the Buyers' rights and activities with respect to the WP Agreement and to authorize PWRPA, acting as the Buyers' Agent, to provide such approvals, determinations, responses and other actions under the WP Agreement on behalf of the Buyers in order to carry out the applicable terms thereof and realize the related benefits thereunder.

\* \* \*

Attachment: Buyers' Agent Agreement (1489 : APPROVAL OF BUYER'S AGENT AGREEMENT FOR THE WHITNEY POINT SOLAR PROJECT)

## AGREEMENT

NOW, THEREFORE, in consideration of the foregoing Recitals, which are incorporated herein, the mutual covenants and agreements herein set forth, and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

### ARTICLE 1 EFFECTIVE DATE; TERM

**1.1 Effective Date.** This Agreement shall be effective as of the date on which all Parties have executed this Agreement (“Effective Date”). Buyers’ Agent shall confirm its acknowledgement of the Effective Date by electronic mail to the Limited Buyers as soon as reasonably practicable following the Effective Date, providing as attachments to such electronic mail transmittal electronic copies of (i) the cover page of this Agreement and (ii) a conformed copy of this Agreement.

**1.2 Term.** The term of this Agreement shall commence on the Effective Date and continue coterminous with the WP Agreement.

### ARTICLE 2 APPOINTMENT OF BUYERS’ AGENT; RELATIONSHIPS

**2.1 Appointment and Acceptance.** Subject to the terms and conditions of this Agreement, the Limited Buyers hereby appoint and authorize PWRPA to act as the Buyers’ Agent on behalf of Buyers. The Limited Buyers acknowledge and agree that, by this appointment, Buyers’ Agent has the power and authority to take such actions, grant such consents, and bind Buyers with respect to the matters provided for in the WP Agreement, subject to the processes described in this Agreement. PWRPA hereby accepts the appointment as Buyers’ Agent and agrees to act as Buyers’ Agent for and on behalf of the Limited Buyers as well as on its own behalf, all as provided in this Agreement.

**2.2 Limitation on Appointment.** Notwithstanding any provision to the contrary in this Agreement, Buyers’ Agent shall not have any authority, duties or responsibilities except those expressly set forth herein and in the WP Agreement, and those duties and responsibilities reasonably incidental thereto. No fiduciary function, responsibility, duty, obligation or liability shall be read into this Agreement or otherwise exist against Buyers’ Agent. The duties of Buyers’ Agent are and shall be ministerial and administrative in nature and Buyers’ Agent shall not, by reason of this Agreement or actions taken under this Agreement, be a trustee or fiduciary for the Limited Buyers.

**2.3 Reliance by Buyers’ Agent.** Buyers’ Agent shall be entitled to rely upon, and shall be fully protected in relying upon, (a) any notice, consent, certificate, affidavit, letter, fax, statement, order or other document believed by it to be genuine and correct and to have been signed, sent or made by the proper person or persons and (b) advice and statements of legal counsel and other experts selected by Buyers’ Agent. Buyers’ Agent may seek the advice, concurrence or prior indemnification from the Limited Buyers concerning any matters of judgment or discretion. Buyers’ Agent shall be justified in failing or refusing to take any action

unless Buyers' Agent shall first receive such advice, concurrence or assurance of the Limited Buyers (or an individual Limited Buyer, as the case may be), as Buyers' Agent shall reasonably determine to be necessary.

**2.4 Non-Reliance on Buyers' Agent.** The Limited Buyers each expressly acknowledge that Buyers' Agent has not made any representations or warranties to the Limited Buyers and that no action hereafter taken by Buyers' Agent shall be deemed to constitute a representation or warranty by Buyers' Agent. Each Limited Buyer represents to Buyers' Agent and the other Limited Buyers that it has, independently and without reliance upon Buyers' Agent or any of the other Limited Buyers, and based on such documents and information as each Limited Buyer has deemed appropriate, made its own appraisal of and investigation into the WP Agreement and made its own decision to enter into this Agreement. Each Buyer also covenants that it will, independently and without reliance upon Buyers' Agent, continue to make its own decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to matters under the WP Agreement.

### **ARTICLE 3 BUYERS' AGENT'S DUTIES**

**3.1 General.** Under the WP Agreement, Buyers' Agent is specified as the Buyer that shall receive notices from Seller, provide responses to certain action by the Seller and issue various approvals and determinations. Buyers' Agent's duties shall be classified under two categories: (a) administrative, which principally relates to the distribution and processing of notices and information under the WP Agreement (as further described in Section 3.2) and (b) material, which principally relates to the exercise of Buyers' material rights and activities with respect to the WP Agreement (as further described in Section 3.3). Additionally, Buyers' Agent shall be responsible for taking certain additional action that may be necessary or convenient to matters related to the WP Agreement (as further described in Section 3.4).

**3.2 Administrative Actions.** Unless an action is considered a Material Action, as described in Section 3.3, Buyers' Agent shall perform the actions required of a Buyers' Agent in the WP Agreement in a manner that Buyers' Agent believes to be reasonable, and without advance input from or notice to the Limited Buyers. For all such administrative actions, Buyers' Agent shall provide reasonably prompt notice to the Limited Buyers of action taken by Buyers' Agent or information received from Seller, as the case may be.

**3.3 Material Actions.** The following actions, and no other actions under the WP Agreement, shall constitute "Material Actions" and shall require direction from the Material Actions Committee, as defined and described in Article 4, in order for Buyers' Agent to perform such actions:

(a) Section 4.4(b) of the WP Agreement; approval of the Major Maintenance Blockout, and action incidental thereto;

(b) Section 5.4 of the WP Agreement; approval of any Lien on any portion of the Facility or any other property or assets that are related to the operation, maintenance and use of the Facility;

(c) Section 7.4(c) of the WP Agreement; approval of the equation relating to Deemed Generated Energy.

(d) Section 13.3 of the WP Agreement; negotiation and agreement upon the Facility Lender Consent.

(e) Section 14.7 of the WP Agreement; consent to any Change in Control.

(f) Section 14.19(a) of the WP Agreement; determination as to whether Seller will defend Buyer Indemnites from legal action.

(g) Section 14.9(c) of the WP Agreement; approval of a different condition or use of the Facility following damage or destruction of the Facility.

(h) Section 14.9(d) of the WP Agreement; consent to Seller's actions with respect to condemnation or other taking of the Facility.

(i) Section 14.25(b) of the WP Agreement; notification to Seller as to whether or cancel their respective right of first offer.

**3.4 Additional Actions.** Buyers' Agent shall take the following actions that may be necessary or convenient to matters related to the WP Agreement:

(a) Buyers' Agent shall provide the MAC and MAC Representatives (as such terms are defined and described in Article 4) information that may be useful to the MAC's decision with respect to a Material Action, including studies, material or services.

(b) Buyers' Agent shall furnish any other reasonable assistance, service or information related to a matter under the WP Agreement, as reasonably requested by the MAC or a MAC Representative.

**3.5 Delegation of Duties.** Buyers' Agent may execute any of its duties under this Agreement by or through independent contractors, representatives, agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Buyers' Agent shall not be responsible for the negligence or misconduct of any independent contractors, representatives, agents or attorneys-in-fact selected by it; provided, however, Buyers' Agent shall use commercially reasonable care to ensure that such third-party providers (a) maintain errors and omission and liability insurance in a form and amount reasonably appropriate for the services provided and (b) indemnify the Limited Buyers for liability or costs incurred by the Limited Buyers as a result of negligent action or inaction by the third-party provider. The Limited Buyers shall be subrogated to all claims of Buyers' Agent against such independent contractors, representatives, agents or attorneys-in-fact.

/

## ARTICLE 4 MATERIAL ACTIONS COMMITTEE

**4.1 Establishment and Authorization of Material Actions Committee.** The Material Actions Committee (“MAC”) is hereby established and authorized to act on behalf of each of the Buyers for the purposes of (a) providing coordination among the Buyers in carrying out certain collective actions related to Material Actions and (b) providing the manner and means for achieving agreement among the Buyers with respect to such collective actions.

**4.2 MAC Representatives.** The MAC shall consist of a single representative (“MAC Representative”) from each of the Buyers. Each of the Buyers shall, within thirty (30) days of the Effective Date of this Agreement, give notice to the other Buyers of its MAC Representative. An alternate MAC Representative may be appointed to act on behalf of any MAC Representative by similar written notice. An alternate MAC Representative may attend all meetings of the MAC but may vote only if the MAC Representative for whom the alternate serves is absent.

**4.3 Voting Shares; Effective Vote.** The voting share associated with each MAC Representative shall correspond to the Buyers’ Percentage of Facility Output, as set forth in Appendix M of the WP Agreement, as follows: PWRPA (55%); Moreno Valley (22.5%); Pittsburg Power (12.5%) and Eastside (10%). Unless all of the Buyers shall determine otherwise, actions of the MAC shall require the affirmative vote of MAC Representatives having a voting share equal to or greater than sixty-five percent (65%). Each of the Buyers agrees that the vote of the MAC Committee with respect to a Material Action shall be determinative as to such matter and shall constitute the agreement of the Buyers as to such matter for purposes of the WP Agreement.

**4.4 Chairperson; Quorum.** Unless all of the Buyers shall determine otherwise, the Chairperson of the MAC shall be PWRPA’s MAC Representative, or the alternate thereto. The Chairperson shall be responsible for calling and presiding over meetings of the MAC. For the purpose of conducting meetings, a quorum shall exist so long as MAC Representatives having a voting share greater than seventy percent (70%) are present. The conducting of MAC meetings, including voting at such meetings, may be by assembled meeting or by telephone or video conferencing, or by any combination thereof, to the extent permitted by law.

**4.5 Use of Administrative Exhibits.** Buyers’ Agent may use exhibits to confirm or implement provisions of this Agreement or the WP Agreement. The Parties intend that such exhibits shall be ministerial or administrative in nature, and shall not affect a material right or obligation under this Agreement or the WP Agreement. Exhibits may be added to this Agreement, and modified or deleted, by an affirmative vote of MAC Representatives having a voting share equal to or greater than sixty-five percent (65%). Upon such affirmative vote, the exhibit shall become an integrated part of this Agreement. Buyers’ Agent shall provide notice to the Buyers of the addition, modification or deletion of any exhibit. The then-current list of exhibits shall be contained in Exhibit A to this Agreement, as may be modified from time to time. In the event of any conflict between this document and any exhibit, the terms and provisions of this document, as may be amended from time to time, shall control. In the event of any conflict between or among the exhibits, the exhibit of latest date shall control.

## ARTICLE 5 SUCCESSOR BUYERS' AGENT

Subject to the terms of this Article 5 and the WP Agreement, Buyers' Agent may resign as Buyers' Agent upon no less than ninety (90) days' advance written notice to the Limited Buyers. Upon receipt of Buyers' Agent's notice, the Buyers shall work cooperatively and in good faith to appoint a successor Buyers' Agent. The Buyers may appoint another Buyer to act as successor Buyers' Agent upon satisfaction of the following conditions: (a) the Buyer agrees to assume Buyers' Agent's responsibilities and (b) the Buyer has been approved by MAC Representatives having a voting share greater than seventy percent (70%). Until such appointment is made, the Buyers' Agent shall be the Buyer with the largest Applicable MW Share, as set forth in Appendix M of the WP Agreement, as further described in Section 12.1(e) of the WP Agreement.

## ARTICLE 6 COSTS

**6.1 General.** All reasonable and customary expenses, including, without limitation, reasonable attorneys fees and legal expenses, incurred by Buyers' Agent in the performance of its duties hereunder shall be allocated to and paid by the Buyers, including PWRPA, based on each Buyers' Percentage of Facility Output, as set forth in Appendix M of the WP Agreement, as follows: PWRPA (55%); Moreno Valley (22.5%); Pittsburg Power (12.5%) and Eastside (10%). As requested by Limited Buyers from time to time, Buyers' Agent shall provide an estimate of future expenses.

**6.2 Payment and Audit.** From time to time, and at such times as Buyers' Agent shall determine (not more frequently than monthly), Buyers' Agent shall submit to each Buyer a request and requisition for payment by such Buyer of its proportionate share of expenses under this Agreement. Each Buyer shall pay or cause to be paid the amount of such request and requisition within thirty (30) days after receipt thereof. If a Party fails to pay any such request or requisition when due, interest shall accrue, to the extent permitted by law, at a rate equal to the Interest Rate as defined in the WP Agreement until payment is made. At such reasonable times as shall be requested by a Buyer, the books and cost records of Buyers' Agent relevant to expenses under this Agreement shall be subject to audit by such Buyer, at such Buyer's sole cost and expense.

## ARTICLE 7 LIABILITY

**7.1 Exculpatory Provision.** Buyers' Agent shall not be (a) liable for any action lawfully taken or omitted to be taken by Buyers' Agent under or in connection with this Agreement, except for Buyers' Agent's gross negligence or willful misconduct or (b) responsible in any manner for (i) warranties made by Seller in the WP Agreement or in any certificate, report, statement or other document referred to or received by Buyers' Agent under or in connection with the WP Agreement ("Seller Statements"), (ii) the validity, effectiveness,

genuineness, enforceability, priority or sufficiency of the Seller Statements, or (iii) any failure of Seller to perform its obligations under the WP Agreement.

## **7.2 Modifying or Explanatory Provisions.**

(a) The exculpatory provision set forth in Section 7.1 shall apply to all types of claims or actions including, but not limited to, claims or actions based on contract or tort.

(b) Except as expressly stated in the WP Agreement or this Agreement, Buyers' Agent shall not be under any obligation to ascertain or to inquire as to the observance or performance of Seller's obligations under the WP Agreement, or to inspect the books or records of Seller.

(c) For the avoidance of doubt, a Party may protect and enforce its rights under this Agreement by a suit or suits in equity for specific performance of any obligation or duty of any other Party, and Buyers' Agent may enforce by any legal means its right to payment for costs incurred under this Agreement.

(d) The rights, obligations and liabilities of PWRPA, as Buyers' Agent under this Agreement and the WP Agreement shall not apply to or otherwise be affected by, and shall be deemed and interpreted to be legally separate from, the rights, obligations and liabilities of PWRPA as a Buyer under this Agreement and the WP Agreement.

**7.3 Allocation of Liability.** Excluding liability or cost associated with the gross negligence or willful misconduct by Buyers' Agent, which shall be solely the responsibility of Buyers' Agent, all liability or cost under this Agreement, including liability or cost associated with Buyers' Agent performance of duties under this Agreement, shall be allocated in accordance with each Buyers' Percentage of Facility Output.

## **ARTICLE 8 DISPUTES**

**8.1 Dispute or Claim.** Any action, claim or dispute that any Party may have against another Party or Parties arising out of this Agreement ("Dispute") shall be submitted in writing to the other Parties. The written submission of any Dispute shall include a concise statement of the question or issue in dispute together with a statement listing the relevant facts and documents that support the claim.

**8.2 Good Faith Resolution; Informal Negotiation.** The Parties agree to cooperate in good faith to attempt to achieve an expeditious resolution of such a Dispute. Pending resolution of such Dispute, unless otherwise provided for under this Agreement, the Parties shall proceed diligently with the performance of their respective obligations pursuant to the terms of this Agreement. Prior to initiating litigation, as described in Section 8.3, the Parties shall first attempt in good faith to resolve any Dispute through settlement discussions among the MAC Representatives.

**8.3 Litigation Rights.** Subject to Section 8.2, if the Parties are unable to satisfactorily resolve the Dispute within thirty (30) days from the receipt of notice of the Dispute, subject to any extensions of time as may be mutually agreed upon in writing, a Party may initiate litigation in a court of law with jurisdiction located in Sacramento County, California, which shall be the exclusive venue to litigate disputes.

**8.4 No Attorneys Fees.** If any action is brought at law or in equity in any court or through any alternative mutually agreeable dispute resolution process to enforce any provision of this Agreement, or for damages by reason of any alleged breach of this Agreement, the Parties mutually agree that each Party to this Agreement shall bear its own attorneys fees and costs.

## ARTICLE 9 MISCELANEOUS

**9.1 Incorporation of the WP Agreement.** By this reference, the WP Agreement is specifically incorporated herein and made a part hereof.

**9.2 Entire Agreement.** Subject to Section 4.5 and Section 9.1, this Agreement contains all representations and the entire understanding among the Parties with respect to the duties and functions of the Buyers' Agent. No other representations are intended or shall be implied. Any prior contemporaneous correspondence, memoranda, or agreements, whether oral or written, which are in conflict with this Agreement are intended to be replaced in total by this Agreement.

**9.3 Governing Law.** This Agreement was made and entered into in the State of California and shall be governed by, interpreted and enforced in accordance with the laws of the State of California, without regard to conflict of law principles.

**9.4 Representation.** The Parties acknowledge that each Party was represented by counsel in the negotiation and execution of this Agreement, and any uncertainty or ambiguity in this Agreement shall not be interpreted against a Party on the basis that the Party drafted the language, but shall be interpreted according to the application of the rules on interpretation of contracts.

**9.5 Notice.** Notices provided under this Agreement, including administrative notices that relate to the distribution and processing of information under the WP Agreement (as further described in Section 3.2), shall be in writing and sent via electronic mail (return receipt requested, if necessary or advisable) to the persons specified below:

**Power & Water Resources Pooling Authority**

Attention: Kent Palmerton  
Email: kent@wkpalmerton.com

**Pittsburg Power**

**Eastside Power Authority**

Attention: Scott Edwards

Email: sae16@lsid.org

**Moreno Valley**

Attention: Jeannette Olko

Email: jeannetteo@moval.org

By written notice given to the other Parties, a Party may change the name or electronic mail address of its representative, or may add additional recipients to whom notices under this Agreement should be provided.

**9.6 Severability.** In case any one or more of the provisions of this Agreement shall for any reason be held to be illegal or invalid by a court of competent jurisdiction, it is the intention of each of the Parties that such illegality or invalidity shall not affect any other provision, but rather that this Agreement shall be construed and enforced as if such illegal or invalid provision had not been contained, unless a court holds that the provisions are not separable from all other provisions of this Agreement.

**9.7 Amendments.** The Parties acknowledge and agree that any amendment to this Agreement shall be in writing and duly executed by the Parties.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Allen Brock, Community Development Director

**AGENDA DATE:** June 23, 2015

**TITLE:** RESOLUTION FOR THE MULTI-SPECIES HABITAT CONSERVATION PLAN MITIGATION FEE CPI ADJUSTMENT (FY15-16)

---

### **RECOMMENDED ACTION**

#### **Recommendation:**

1. Adopt Resolution No. 2015-52. A Resolution of the City Council of the City of Moreno Valley, California, Amending the Mitigation Fees for the Multi-species Habitat Conservation Plan (MSHCP) Mitigation Fee by the Consumer Price Index (CPI).

### **SUMMARY**

This report recommends City Council approval of a Resolution authorizing a fee adjustment (increase) to the existing Multi-Species Habitat Conservation Plan (MSHCP) mitigation fees based on increases in the Consumer Price Index (CPI). The Western Riverside County-Regional Conservation Authority (WRC-RCA) Board of Directors took action to approve a CPI adjustment of 0.726% for Fiscal Year 2015-2016. The adopted MSHCP fee ordinance allows for CPI adjustments to MSHCP fees if approved by City Council.

### **DISCUSSION**

The City of Moreno Valley is one of 18 member cities that participate in the Multiple Species Habitat Conservation Plan (MSHCP), along with the County of Riverside. The MSHCP is an important policy document that protects 146 native species of plants and animals. As identified on the agency's website, "the regional effort to set aside habitat and protect species allows for the development and transportation infrastructure necessary for a healthy economy to move ahead without sacrificing our region's environment and quality of life."

The Multi-Species Habitat Conservation Agency fee was initially adopted by the City in 2004 in conjunction with implementation of the MSHCP. In 2007, the City adopted an updated fee ordinance that incorporated CPI increases at that time. The City Council action further allowed for subsequent CPI adjustments to be made by City Council Resolution. In 2008, the City Council approved a CPI adjusted fee increase as recommended by the WRC-RCA Board of Directors.

Earlier this year on March 2, 2015, the WRC-RCA Board of Directors took action to approve the annual CPI based fee adjustment of 0.726% for Fiscal Year 2015-2016 (Attachment 1). Notification letters were sent to member cities describing the increase and requesting action by the cities. The adopted MSHCP ordinance specifically allows for CPI adjustments to the MSHCP fees if approved by the City Council. Upon authorization, the proposed adjustment would become effective on July 1, 2015.

As provided for in Section 15061(b)(3) of the CEQA Guidelines, the proposed fee adjustment is an activity that is exempt from the California Environmental Quality Act (CEQA) since there is no possibility that the activity may have a significant impact on the environment.

### **ALTERNATIVES**

1. Approve the proposed fee resolution and implement the 0.726% increased fee adjustment. *Staff recommends this alternative.*
2. Take no action, and thereby not approve the proposed CPI increase to the MSHCP fees. This alternative would be inconsistent with the action of the WRC-RCA Board of Directors, and the City's approved agreements pertaining to the MSHCP. *Staff does not recommend this alternative.*

### **FISCAL IMPACT**

The Multi-Species Habitat Conservation Agency fee is a pass-through fee to the WRC-RCA for the purpose of habitat conservation. The CPI increase will have no direct fiscal impact on the City. If the City does not approve the CPI adjustment, the City could become liable for not collecting the fees recommended by the WRC-RCA Board of Directors.

### **NOTIFICATION**

Not applicable. The proposed increase is based on the CPI, and is allowed by the MSHCP fee ordinance with the approval of a corresponding fee resolution of the City Council.

Moreno Valley, CA 92552

**RE: RCA BOARD ACTION TO APPROVE IMPLEMENTING THE WESTERN RIVERSIDE COUNTY MSHCP LOCAL DEVELOPMENT MITIGATION FEE CPI ADJUSTMENT FOR FISCAL YEAR 2015-16**

Dear Ms. Dawson:

The MSHCP calls for an annual CPI adjustment to local development mitigation fees collected to fund the implementation of the Plan. Fee ordinances adopted by the County and Cities reflect this requirement. Based on the CPI increase from December 2013 to December 2014, MSHCP fees will increase 0.726% effective July 1, 2015.

On March 2, 2015, the RCA Board of Directors took action to approve implementing the CPI adjustment for Fiscal Year 2015-16 and directed RCA staff to inform the County and Cities of this action.

RCA recommends that member agencies adopt the new fees for the Fiscal Year 2015-16 rates as outlined in the attached.

If you have any questions or need additional information, please feel free to call me at (951) 955-9700.

Sincerely,

Honey Bernas  
Director of Administrative Services

## WESTERN RIVERSIDE COUNTY MULTIPLE SPECIES HABITAT CONSERVATION PLAN

### LOCAL DEVELOPMENT MITIGATION FEE SCHEDULE FOR FISCAL YEAR 2016 (Effective July 1, 2015 – June 30, 2016)

Fee Category	Fee
Residential, density less than 8.0 dwelling units per acre (fee per dwelling unit)	\$ 1,952
Residential density between 8.0 and 14.0 dwelling units per acre (fee per dwelling unit)	\$ 1,250
Residential density greater than 14.0 dwelling Units per acre (fee per dwelling unit)	\$ 1,015
Commercial (fee per acre)	\$ 6,645
Industrial (fee per acre)	\$ 6,645

## RESOLUTION NO. 2015-52

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING THE MITIGATION FEES FOR THE MULTI-SPECIES HABITAT CONSERVATION PLAN (MSHCP) MITIGATION FEE BY THE CONSUMER PRICE INDEX (CPI)

WHEREAS, the City of Moreno Valley ("City") is a member agency of the Western Riverside County-Regional Conservation Authority (WRC-RCA), a joint powers agency comprising the County of Riverside and eighteen cities in Western Riverside County; and

WHEREAS, the member agencies of the WRC-RCA recognized that a Consumer Price Index (CPI) increase is needed to assist with funding of the implementation of the MSHCP Plan; and

WHEREAS, on April 24, 2007, the WRC-RCA Board of Directors requested that member agencies to include a provision to allow for future Consumer Price Index (CPI) increases to be approved by resolution which served as a basis for the City Council to repeal and re-enact Chapter 3.48 of the Municipal Code; and

WHEREAS, Section 3.48.050 of the City's Municipal Code specifically allows for CPI adjustments to be approved City Council Resolution if the adjustments to the fees are justified based on inflation; and

WHEREAS, on March 2, 2015, the WRC-RCA Board of Directors recommended the implementation of a 0.726% CPI adjustment; and

WHEREAS, City staff reviewed the CPI fee adjustment and recognizes that the adjustment is consistent with the City's Municipal Code; and

WHEREAS, the fees collected pursuant to this Resolution shall be used by the Western Riverside County-Regional Conservation Authority for habitat purposes consistent with the implementing documents of the Multi-species Habitat Conservation Plan; and

WHEREAS, the levying of a CPI increase has been reviewed by the City Council and City staff in accordance with the California Environmental Quality Act ("CEQA") and the CEQA Guidelines and it has been determined that the CPI fee increase would be exempt from CEQA pursuant to Section 15061(b)(3) of the CEQA Guidelines.

1  
Resolution No. 2015-52  
Date Adopted: June 23, 2015

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

In accordance with Section 3.48.050 of the Moreno Valley Municipal Code there is hereby approved the following fee schedule for MSHCP mitigation fees which replaces the prior fee schedule set forth in Resolution 2008-76.

1. The following fee schedule reflecting a 0.726% increase in the MSHCP mitigation fees based on the Consumer Price Index is hereby approved and adopted:

Residential, density less than 8.0 dwelling units per acre	\$ 1,952/unit
Residential, density 8.1 and 14.0 dwelling units per acre	\$ 1,250/unit
Residential, density greater than 14.1 dwelling units per acre	\$ 1,015/unit
Commercial and Industrial (per acre)	\$ 6,645

2. All fees established by this Resolution, shall, when collected, be paid to the City Treasurer for deposit into a trust account for transmittal to the Western Riverside County-Regional Conservation Authority.

3. If any provision, clause, sentence or paragraph of this Resolution or the application thereof to any person or circumstances shall be held invalid, such invalidity shall not affect any other provision or application of the provisions of this Resolution which can be given effect without the invalid provision or application, and to this end the provisions of this Resolution are hereby declared to be severable.

4. The fees approved, increased and established herein shall become effective July 1, 2015.

2  
Resolution No. 2015-52  
Date Adopted: June 23, 2015

Approved and Adopted this 23<sup>rd</sup> day of June, 2015.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Chris Paxton, Administrative Services Director

**AGENDA DATE:** June 23, 2015

**TITLE:** APPROVE THE EXECUTION OF A CITY AGREEMENT TO LETNER ROOFING FOR ROOF REHABILITATION OF THE CONFERENCE AND RECREATION CENTER AND THE PUBLIC SAFETY BUILDING.

---

### **RECOMMENDED ACTION**

Recommendations:

1. Authorize the City Manager to execute a contract with Letner Roofing, of Orange, CA, for purposes of repairing and restoring roof systems at the Conference and Recreation Center and the Public Safety Building.
2. Authorize the Purchasing & Facilities Division Manager to issue a purchase order to Letner Roofing in the not-to-exceed amount of \$490,209.10, once both parties have executed the contract.
3. Authorize the Purchasing and Facilities Division Manager to execute any subsequent minor project change orders, up to, but not exceeding the 10% contingency amount of \$44,564.00.

### **SUMMARY**

This report recommends award of a contract to Letner Roofing in order to rehabilitate two roof systems at the City's Conference and Recreation Center and Public Safety Building. The roofing systems have received scheduled roof maintenance, and rehabilitation is expected at this point in the lifecycle of each of these facilities. The project is funded with resources set aside for this purpose in the 7310 Facilities Maintenance Fund.

### **DISCUSSION**

The City's Conference & Recreation Center and the Public Safety Buildings, 10 and 16 years old respectively, require roof restoration. Normal scheduled roof maintenance has been performed throughout the life of these buildings to allow longevity of the roofing system. Due to the intense summer heat experienced in Moreno Valley, roof systems deteriorate to a point where restoration is required approximately every 15 years. If roof systems aren't restored at that point, a complete removal and replacement would be required later at considerable added cost.

Restoration includes replacing the roofing membrane system, flashings, and skylight curbs. The Conference & Recreation Center work includes the gymnasium roof, which contains 24 skylights. Due to the method of skylight installation during initial construction, continuous water leaks have developed at the skylight roof protrusions. Given the floor in the gymnasium is a wood product, every effort should be taken to keep water off of the surface. With proper installation, the new skylights and roof repair will provide many years of dependable service.

A formal bid request was issued on April 30<sup>th</sup> through the Planet Bids system. Ten prime bidders and six sub-contractors purchased plans and specifications. Six contractors were present at the pre-bid job walk. Five bidders responded by the due date with Letner Roofing Company providing the lowest responsive bid of \$445,645.10. The engineers estimate for this work was \$576,000.

Terms of the bid included a project start date of September 1, 2015. Allowing our project to start in September provides for optimal pricing as roofing companies are currently busy working on schools during the summer break.

### **ALTERNATIVES**

1. Approve and authorize the recommended actions as presented in this staff report. *This alternative will facilitate the timely rehabilitation of roofing systems.*
2. Do not approve and authorize the recommended actions as presented in this staff report. *This alternative will delay needed improvements; significant delay would result in considerable added cost.*

### **FISCAL IMPACT**

Funding for this project was originally approved in the FY 14/15 budget for Fund 7310. No additional appropriation is being requested. Due to an unanticipated delay to the start date of this project this appropriation will be reduced in the FY 14/15 budget and appropriated in the FY 15/16 budget.

Funding for this project in the amount of \$490,210 (\$445,645.10 plus 10% contingency) is budgeted as follows:

Description	Fund	GL Account No.	Type (Rev/Exp)	FY 15/16 Budget Increase	FY 14/15 Budget Decrease
Facilities ISF	7310	18 40 18410 620910	EXP	\$490,210	(\$490,210)

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Allen Brock, Community Development Director

**AGENDA DATE:** June 23, 2015

**TITLE:** FIRST AMENDMENT TO THE CITY OF MORENO VALLEY'S CALIFORNIA ENERGY EFFICIENCY STRATEGIC PLAN PHASE 3

---

### **RECOMMENDED ACTION**

#### **Recommendation:**

1. Authorize the First Amendment to the Agreement to the California Energy Efficiency Strategic Plan Phase 3 Implementation Contract.
2. Authorize the City Manager to execute said Amendment.

### **SUMMARY**

This report recommends approval of the First Amendment to Moreno Valley's current Strategic Plan Strategies Phase 3 Agreement. The Amendment makes minor revisions to the target dates for closing of the program. With approval of the Amendment, all work on the tasks shall be completed by midnight December 31, 2015, and the Contract termination date set at midnight March 31, 2016. Staff concurs with the attached First Amendment document. Staff is working towards completion of the required tasks and is on schedule to meet the revised dates.

### **DISCUSSION**

The City applied for and received funding under the Southern California Edison (SCE) Strategic Plan Strategies Phase 3. On February 11, 2014, the City Council accepted the Southern California Edison Local Government Strategic Plan Strategies funding for Phase 3 (i.e. referred to by SCE as a "strategic solicitation"). The strategic solicitation provides up to \$100,920 in funds to complete four tasks related to energy efficiency.

- Redesign forms and handouts and create new informational material for energy efficiency code requirements.
- Develop standards for City structures to match LEED certification requirements without being LEED certified.
- Update General Plan's conservation element to include detailed energy efficiency policies.
- Develop Municipal Code amendment for "density bonuses" for residential developments exceeding State building code.

The funds can be used to cover use of existing staff resources to complete the required tasks. The Amendment to the contract will allow the staff efforts to continue through the end of the calendar year (December 31, 2015), and the contract termination date (i.e. close out) set as midnight March 31, 2016.

### **ALTERNATIVES**

1. Authorize the Amendment to the contract. This alternative would allow the work on the tasks to continue and be completed by December 31, 2015, and the contract would be extended to terminate on March 31, 2016. *This alternative is recommended.*
2. Not authorize the Amendment to the contract. If the contract is not extended then all work on the effort must cease on June 23, 2015. *This alternative would not allow for completion of remaining tasks of the City's Energy Efficiency Strategic Plan Phase 3 Implementation, and therefore, is not recommended.*

### **FISCAL IMPACT**

The extension of the contract would allow the City to continue the use of the remaining funds (approximately \$88,000). Under the contract, the awarded funds can only be used for the authorized specific tasks related to the City's Energy Efficiency Strategic Plan Phase 3 Implementation. If the contract is not extended all remaining work on the effort would cease June 23, 2015, unless alternate funds are allocated. The City's Planning Division has limited resources and could not complete these tasks without the SCE funding.

### **NOTIFICATION**

Not applicable.

### **PREPARATION OF STAFF REPORT**

Prepared By:  
Gabriel Diaz  
Associate Planner

Department Head Approval:  
Allen D. Brock, CBO  
Community Development Director

Concurred By:  
Richard Sandzimier  
Planning Official

**CITY COUNCIL GOALS**

**Revenue Diversification and Preservation.** Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

**Positive Environment.** Create a positive environment for the development of Moreno Valley's future.

**Community Image, Neighborhood Pride and Cleanliness.** Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

**ATTACHMENTS**

1. First Amendment to Strategic Plan Phase 3 Contract for The City of Moreno Valley v2
2. Strategic Plan Phase 3 Contract for The City of Moreno Valley

**APPROVALS**

Budget Officer Approval	<u>✓ Approved</u>	5/29/15 11:52 AM
City Attorney Approval	<u>✓ Approved</u>	6/03/15 8:18 AM
City Manager Approval	<u>✓ Approved</u>	6/16/15 8:57 AM

FIRST AMENDMENT TO THE AGREEMENT TO THE CALIFORNIA ENERGY EFFICIENCY  
STRATEGIC PLAN PHASE 3 IMPLEMENTATION CONTRACT  
BETWEEN **CITY OF MORENO VALLEY** AND SOUTHERN CALIFORNIA EDISON COMPANY

This FIRST AMENDMENT (“First Amendment”) to the California Energy Efficiency Strategic Plan Phase 3 Implementation Contract (“Contract”), by and between Southern California Edison Company (“SCE”) and **City of Moreno Valley** (“Implementer”), shall be effective as of December 1, 2014 (“Effective Date”). SCE and Implementer may be referred to herein individually as a “Party” and collectively as the “Parties”.

RECITALS

WHEREAS, the Parties executed the Agreement to implement the 2013-2014 Strategic Plan Phase III Program (referred to hereinafter as the “Program”), promoting long-term energy efficiency and climate action activities;

WHEREAS, on March 26, 2014, the California investor-owned utilities submitted a joint application (“2015 Application”) for the implementation of energy efficiency programs to be delivered to California utility customers for the year 2015, which included a continuation of the Program implementation by **City of Moreno Valley** through 2015 (“2015 Program”);

WHEREAS, on October 24, 2014, the California Public Utilities Commission (“CPUC”) issued Decision (“D”).14-10-046 approving the 2015 Application (“Final Decision”), thereby approving continuation of the Energy Efficiency Partnership Programs;

WHEREAS, D.14-10-046 was modified by CPUC D. 15-01-002 issued on January 9, 2015, which authorized continuation of the Program;

WHEREAS, the Parties desire to extend the Agreement through 2015 as set forth herein; and

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Section 22 of the Agreement is hereby deleted and replaced with the following:

22 Term. This Contract shall be effective as of the Effective Date. Unless otherwise terminated in accordance with the provisions of Section 23 below, this Contract shall terminate as midnight March 31, 2016; provided however, that all Work shall be completed by midnight December 31, 2015.

2. This First Amendment may be executed in one or more counterparts and delivered by electronic means, each of which will be deemed to be an original, but all of which will together constitute on and the same agreement.
3. Exhibit A (Statement of Work) of the Contract is hereby deleted in its entirety and replaced with a revised Exhibit A (Revised Statement of Work<sub>Rev1</sub>) attached to this First Amendment.
4. General. From and after the Effective Date, any reference to the Agreement contained in any notice, request, certificate or other instrument, document or agreement shall be deemed to mean the Agreement, as amended by the First Amendment. In the event of any conflict between the Agreement

and this First Amendment, this First Amendment shall prevail. Each party is fully responsible for ensuring that the person signing this First Amendment on that party's behalf has the requisite legal authority to do so.

- 5. Except as amended by this First Amendment, all provisions of the Agreement shall remain in full force and effect and shall govern the actions of the Parties under this First Amendment.

IN WITNESS WHEREOF, the Parties hereto have caused this First Amendment to be executed by their duly authorized representatives.

## Energy Efficiency Division

### Statement of Work

#### Revision Summary Page

**Program Name:** City of Moreno Valley Strategic Plan Strategies Phase 3

**Implementer:** City of Moreno Valley

**Revision 1, dated 7/30/2014, referenced throughout with Rev1**

#### Summary:

- Corrected a missing content in Task3. Original read “Develop a standard that requires new City buildings to meet LEED-certified. Since LEED-certification is costly, this standard would result in buildings that are more energy efficient than simply meeting code while avoiding the cost of LEED-certification” and now read “Develop a standard that requires new City buildings to meet LEED standards without actually being LEED-certified. Since LEED-certification is costly, this standard would result in buildings that are more energy efficient than simply meeting code while avoiding the cost of LEED-certification.”

**Revision 2, dated 2/6/2015, referenced throughout with Rev2**

#### Summary:

- Extend the effective end date from 12/31/2014 to 3/31/2016 pursuant to California Public Utilities Commission (CPUC) final decision D. 14-10-046 issued on October 24, 2014 which was modified by CPUC D. 15-01-002 issued on January 9, 2015. The Decisions authorized continuation of the Program.

## ATTACHMENT 2– STATEMENT OF WORK

**Program Name:** City of Moreno Valley Strategic Plan Strategies Phase 3

**Implementer:** City of Moreno Valley (“City”)

**Program Budget:** \$100,920.00

### SECTION 1 – DESCRIPTION

Pursuant to Decision (D).09-09-047, the California Public Utilities Commission (CPUC or Commission) authorized Southern California Edison Company (SCE) to conduct strategic plan activities (the Strategic Plan Program) centered on Energy Efficiency (sometimes referred to as EE) and addressing the "Big, Bold" strategies and related local government goals found in the CPUC's California's Long-Term Energy Efficiency Strategic Plan (CEESP).<sup>1</sup> Based on this authorization, SCE conducted a solicitation seeking activities to fund that would lead to long-term, sustainable changes as opposed to supporting staffing resources or short-term initiatives that would cease to exist once the funding had ended.

#### A. Defined Terms

Capitalized terms not otherwise defined in the text of this Statement of Work (SOW) are defined in Appendix B, “Defined Terms,” attached hereto and incorporated by reference. Capitalized terms not otherwise defined in the text of this SOW or in Appendix B hereto shall have the meaning ascribed to them in SCE’s General Terms and Conditions (Ts&Cs) for both EE and Demand Response (DR), attached to the Contract and incorporated herein by reference.

#### B. Background

SCE initiated both Phases 1 and 2 of the local government EE strategic plan support solicitation during 2010, and these two phases are currently being implemented. Funding for Phase 3 solicitation for 2013-2014 was approved in CPUC D.12-11-015, issued on November 15, 2012. On October 24, 2014, D. 14-10-046 was issued then was modified by D. 15-01-002 issued on January 9, 2015 to authorize continuation of the Program Rev2

---

<sup>1</sup> Visit [www.californiaenergyefficiency.com](http://www.californiaenergyefficiency.com) for a copy of the CEESP.

The ultimate goal for each participating city or county government, or a regional government, representing one or more local jurisdictions that are currently participating in SCE's Local Government or Institutional Partnerships (Implementer) in relationship to CEESP support, is to embed and institutionalize EE in its policies, programs, and processes and to establish a culture of EE within the Implementer's jurisdiction.

### **C. Objective**

Through the Program, the Implementer will deliver items listed in Table 6 of Appendix C (Strategic Plan "Support Menu") of this SOW, to develop and implement local government strategic plan support strategies during the years 2013-2014 and 2015<sup>Rev2</sup> timeframe.

## **SECTION 2 – GENERAL REQUIREMENTS**

### **A. Notice to Proceed (NTP)**

Implementer may start Work only upon the occurrence of each of the following:

1. Implementer receives a Contract, including "this SOW" from Contract Program Manager (CPM);
2. Implementer provides to the CPM a signed Contract; and
3. CPM provides to Implementer written notice to proceed with the Work (NTP).

### **B. License**

Within 10 Business Days of the CPM issuing the NTP, the Implementer and each of its sub-contractors will submit copies of any and all licenses and/or registrations required for the performance of the proposed Work to the CPM.

### **C. Goals**

Implementer must achieve delivery of project milestones and dates as outlined and agreed to by the CPM. The CPM will review the number of projects, tasks, and deliverables completed to assess Work progress.

### **D. Coordination with the CPM**

Implementer must achieve delivery of Work milestones and dates. The CPM will review the SOW requirements, including tasks and deliverables completed, to assess Work progress.

## **SECTION 3 – SCOPE OF WORK**

The Work will consist of the following tasks supporting the CEESP goals specifically set forth by SCE and accepted by Implementer:

**Task 1: Program Ramp-Up**

**A. Attend Program Kick-off Meeting**

Implementer's representative(s) will attend a Program kick-off meeting with the CPM to discuss Program logistics, evaluation, monitoring and verification coordination, invoicing requirements, SOW, and any remaining Contract issues at a time and location designated by SCE.

To avoid duplication and unnecessary expenditures, the CPM will provide information and guidance regarding currently available resources (e.g., available training programs, templates, etc.) that will be used by the Implementer in assessing pre-existing resources. This will enable the Implementer to focus efforts on the areas in each task where gaps exist.

**B. Program Data, Invoicing, and Reporting Tool Training**

The Implementer will attend the kick-off meeting to be trained on the use of SCE's invoicing and reporting tool (IR Tool). Thereafter, the Implementer will use the IR Tool to provide the CPM invoices and Monthly Reports each Month.

**Deliverables:**

Task 1 – Deliverable(s)	Due Date(s)
1. Attend a Program Kick-off meeting that includes IR Tool training.	Determined by SCE after the issuance of the NTP.
2. Delivery of updated IR Tool to CPM for review and approval.	IR Tool training plus five (5) Business Days.

**Task 2: Redesign Forms: Enforcement Compliance, Plan Review Processes (SP Task 2.1.2)**

The Implementer will redesign forms and hand-outs, and create hand-out(s) pertaining to CalGreen and the incorporation of EE into construction projects within the City. These forms will help developers and homeowners by providing information early in the process, and will reflect the updated changes to Title 24 and CalGreen through the end of 2013.

Through this task the City will evaluate the processes of other cities, including information, forms, and processes on processing permits and plans for CalGreen compliance. Forms and handouts will be developed based on this evaluation.

## A. Task Goals and Objectives

The Implementer will fulfill the following goals and objectives:

- Increase code compliance; and
- Encourage “reach” projects through the cross-marketing of energy efficient measures that are eligible for utility incentives.

Implementer will provide all materials developed under this task to CPM for review and comment:

**1. Report on Status of Implementer or Subcontractor to Support the Task:**

Implementer will submit monthly reports on the status of hiring expertise to integrate energy efficiency opportunities into the existing permitting processes, and development of materials.

**2. Assessment and Planning Report Form Redesign (Draft and Final):**

In preparation for the form and hand-out redesign, Implementer will research and examine the forms used by other cities, including information, forms and processes on processing permits and plans for CalGreen compliance of other local governments to gain insight from their experiences. From this review the Implementer will determine its strategy for re-designing its forms, etc., including:

- Forms Retained Without Modification
- Forms Revised
- Forms Eliminated
- Forms Added
- Fact or Information Sheets Added

**3. Development of Forms and Hand-outs (Draft and Final):**

The Implementer will redesign designated forms and hand-outs, and create hand-out(s) pertaining to CalGreen and the incorporation of EE into construction projects. These forms will help developers and homeowners by providing information early in the process. These forms will reflect all changes to Title 24 and CalGreen through the end of 2013. Final forms will be made available at the counter and on the City’s website.

**4. Best Practices and Lessons Learned Report:** Implementer will prepare a draft report describing lessons learned and its understanding of best practices experienced during the development and implementation of the compliance policies. Implementer

will also submit a draft Plan for sharing this report with other local governments.

Based on feedback received during the draft review, Implementer will take steps to assure that the final version of the Plan will meet the needs of the City and local governments.

- 5. **Monthly Status Report:** Implementer will provide a Monthly Report of all on-going activities including a list of Monthly achievements and outstanding issues.

**B. Task Performance Indicators**

The Implementer shall report on the following in Monthly Status Reports:

- 1. Number of forms that have been completed in the following categories:
  - a. Forms Retained Without Modification
  - b. Forms Revised
  - c. Forms Eliminated
  - d. Forms Added
  - e. Fact or Information Sheets Added

**Deliverables:**

<b>Task 3 Deliverable(s)</b>	<b>Due Date(s)</b>
1. Report on Status of Implementer or Subcontractor to Support the Task	NTP plus 1 Month.
2. Draft Assessment and Planning Report Form Redesign	NTP plus 5 Months.
3. Final Assessment and Planning Report Form Redesign	NTP plus 6 Months.
4. Draft Forms and Handouts	NTP plus 9 Months.
5. Final Forms and Handouts	NTP plus 11 Months.
6. Best Practices and Lessons Learned Report	NTP plus 13 Months.
7. Monthly Status Report	Monthly with Invoicing Requirements

**Task 3: LEED Standards for New Municipal Facilities (SP Task 3.2.2)**

The City will prepare and adopt a policy requiring new city buildings to be designed consistent with more efficient standards than currently required. As part of the task, the City will:

- Implement a measure that is included in the City's Energy Action Plan and Climate Action Strategy.
- Develop a standard that requires new City buildings to meet LEED standards without actually being LEED-certified<sub>Rev1</sub>. Since LEED-certification is costly, this standard would result in buildings that are more energy efficient than simply meeting code while avoiding the cost of LEED-certification.
- Review similar standards established by other local governments to leverage their efforts.

#### A. Task Goals and Objectives

Implementer will provide all materials developed under this task to CPM for review and comment:

1. **Report on Status of Consultant or Subcontractor to Support the Task:**  
Implementer will submit a report on the status of hiring the necessary expertise to develop and adopt a policy to require LEED Standards for municipal facilities.
2. **Assessment and Planning Report To Develop LEED Standards for New Municipal Facilities (Draft and Final):** To facilitate development of a policy to require LEED Standards for municipal facilities, Implementer will assess existing Program standards for municipal facilities. Based on this assessment, Implementer will prepare a plan for developing a policy that requires municipal facilities to meet LEED Standards. Through this task the Implementer will establish a specific policy addressing energy efficiency in municipal buildings. The plan will describe the process the Implementer will use to develop this standard.
3. **Draft LEED Standards for New Municipal Buildings:** Implementer will prepare a draft policy requiring municipal facilities to meet LEED Standards.

The policy will include description of building characteristics that would be covered by the policy (for example: minimum building size, building age and maximum number of occupants). The policy will also outline the financial impact to implement the LEED policy, and describe how the LEED policy will be implemented.

Implementer will submit the draft policy to the CPM and relevant stakeholders for review and comment.

4. **Final LEED Standards for New Municipal Buildings:** Based on feedback received from the CPM and stakeholders, Implementer will prepare a final policy requiring municipal facilities to meet LEED Standards for presentation to the City Council for review and approval.
5. **Submit LEED Standards for New Municipal Buildings to City Council for adoption:** Implementer will submit the final policy to City Council for review and adoption. If adopted, Implementer will provide documentation to the CPM that the standard was adopted, as well as the date the policy will be effective. If the policy is not adopted, Implementer will report the reasons for the rejection and alternative plans to be considered to accomplish adoption of the policy.
6. **Monthly Status Report:** Implementer will provide a monthly report of all on-going activities including a list of monthly achievements and outstanding issues.

**B. Task Performance Indicators**

The Implementer will, at a minimum, track the following through the IR Tool:

1. Baseline energy production/consumption for projects with LEED standards and for the same project without the adopted LEED standards.

The rationale and benefits of the proposed scope of work include the following:

1. Consensus-based solutions to minimize activities contributing to energy use and related emissions, and promote energy efficiency throughout the County.
2. Detailed programs, policies, and implementation measures to achieve the solutions identified.

**Deliverables:**

<b>Task 4 Deliverable(s)</b>	<b>Due Date(s)</b>
1. Report on Status of hiring Consultant or Subcontractor to Support the Task	NTP plus 1 Month.
2. Assessment and Planning Report for the Development of LEED Standards for New Municipal Facilities	NTP plus 5 Months.
3. Draft LEED Standards for New Municipal Facilities	NTP plus 8 Months.
4. Final LEED Standards for New Municipal Facilities	NTP plus 11 Months.

<p>5. Policy submitted to City Council for adoption; if adopted, provide written policy and evidence the policy was adopted by the local government; effective date of plan; if rejected, reasons for rejection and alternative plans.</p>	<p>NTP plus 12 Months.</p>
<p>6. Monthly Status Reports</p>	<p>Monthly with Invoicing Requirements</p>

**Task 4: Update the Implementer's General Plan With a Discussion of Energy Efficiency (SP Task 4.1.3)**

The Implementer will update the conservation element of its General Plan to include a detailed discussion of energy efficiency. The updated General Plan will provide an overview of the larger context of energy efficiency policy, and the City’s recently approved Climate Action Strategy and Greenhouse Gas Analysis. The final General Plan document will provide useful information that can be integrated into the planning efforts for use by the general public, private developers, and city staff or other governmental entities.

This task will involve research and analysis to develop appropriate General Plan text, input from stakeholders, and public hearings on the General Plan Amendment. The Implementer will:

- Research and examine how other cities have integrated energy policy into their General Plans.
- Evaluate the City’s current General Plan-Conservation Element to identify the most effective means of integrating the modified text which will focus on energy efficiency policy.
- Conduct public outreach, including at least one public meeting.
- Prepare draft text for the General Plan update.
- Prepare staff reports for Planning Commission and City Council.
- Provide information to decision-makers as needed.
- Upon approval by the City Council, coordinate with Media Services to update the General Plan on the City’s website, and coordinate web links between the City’s General Plan document, and the City’s other energy policy documents (e.g., Climate Action Strategy), and/or the City’s green webpage (“G.R.E.E.N. MoVal”).

## A. Task Goals and Objectives

Implementer will provide all materials developed under this task to CPM for review and comment:

1. **Report on Status of Consultant or Subcontractor to Support the Task:**  
Implementer will submit a monthly report on the status of hiring expertise to accomplish the Task.
2. **Assessment and Planning Report for Updating the General Plan With a Discussion of Energy Efficiency (Draft and Final):** In preparation for an appropriate update to the General Plan, Implementer will research and examine how other local governments integrated energy efficiency policy in their General Plans to gain insight from their experiences. Thereafter, the implementer will review and assess its current General Plan-Conservation Element to identify the most effective means of integrating the modified text which will focus on energy efficiency policy. The Implementer will provide a Report detailing the findings.  
  
Based on feedback received during the draft review, the Implementer will submit a final draft of the Assessment and Planning Report.
3. **Conduct and Report on Public Review:** Implementer shall conduct as least one public meeting. Implementer shall include list of meeting(s)/workshop(s) conducted, list of issues discussed, resolutions and accords reached, and list(s) of attendees.
4. **Updated General Plan with a Discussion of Energy Efficiency (Draft and Final):** Implementer will update the Conservation Element of its General Plan for the purpose of including an updated and detailed discussion of energy efficiency in the General Plan. The updated General Plan will provide an overview of the larger context of energy efficiency policy, and the Implementer's recently approved Climate Action Strategy and Greenhouse Gas Analysis. The final General Plan document will provide useful information that can be integrated into the planning efforts for use by the general public, private developers, and City staff or other governmental entities.
5. **Submit Updated General Plan Language to City Council for Adoption:** If the updated language is adopted, Implementer shall submit documentation of the adoption, including the date the policy becomes effective, to the CPM. If policy is rejected, Implementer shall submit memo report on reasons for rejection and its consideration of alternate plans for achieving amendment of the General Plan language consistent with the intent of this task.
6. **Report on Dissemination of Lessons Learned/Best Practices to Other**

**Municipalities:** Upon approval by the City Council, Implementer will coordinate with Media Services to update the General Plan on the City’s website, and coordinate web links between the City’s General Plan document, and the City’s other energy policy documents (eg. Climate Action Strategy), and/or the City’s green webpage (“G.R.E.E.N. MoVal”).

- 7. **Monthly Status Reports:** Implementer will provide a monthly report of all on-going activities including list of monthly achievements and outstanding issues;

**B. Task Performance Indicators**

The Implementer will, at a minimum, track the following through the IR Tool:

- 1. Number and type of public workshops conducted; and
- 2. Number of participants at each public workshop conducted.

**Deliverables:**

<b>Task 5 - Deliverable(s)</b>	<b>Due Date(s)</b>
1. Report on Status of Consultant or Subcontractor to Support the Task	NTP plus 1 Month.
2. Draft Assessment and Planning Report for Updating the General Plan With a Discussion of Energy Efficiency	NTP plus 5 Months.
3. Final Assessment and Planning Report for Updating the General Plan With a Discussion of Energy Efficiency	NTP plus 6 Months.
4. Draft General Plan Update with EE Discussion	NTP plus 7 Months.
5. Conduct and Report on Public Review	NTP plus 8 Months.
6. Final General Plan Update with EE Discussion	NTP plus 8 Months.
7. 7.8. Submit Updated General Plan to Planning Commission for Adoption	NTP plus 9 Months.
8. Submit Updated General Plan to City Council for Adoption	NTP plus 11 Months.
9. Report on Dissemination of Lessons Learned/Best Practices to Other Municipalities	NTP plus 13 Months.
10. Monthly Status Reports	Monthly with Invoicing Requirements

## **Task 5: Municipal Code Amendment to Provide Residential Density Bonuses for Energy Efficient Projects (SP Task 1.1.5)**

### **A. Task Goals and Objectives**

Through this task the City will develop a municipal code amendment to establish “density bonuses” for new residential developments that exceed Title 24 building code criteria, and to allow and encourage integration of Energy Efficiency (EE) into building design. The Implementer will develop a draft ordinance that would provide density bonuses for projects that incorporate specific criteria into their building design that result in achieving a quantifiable percentage reduction in energy usage beyond the Title 24 building code requirement. Energy producing measures (e.g., solar photovoltaic) would be excluded. New residential developments would meet these criteria by incorporating EE measures into the building design. The Implementer will conduct research and analysis to assess the parameters used for establishing density bonuses for all new residential developments within the City. Staff will obtain input from internal stakeholders and the development community concerning density bonuses for residential projects based on EE, which will also include determining the percentage to be achieved beyond the minimum Title 24 building code.

Implementer will provide all materials developed under this task to CPM for review and comment:

1. **Report on Status of Implementer or Subcontractor to Support the Task:**  
Implementer will submit monthly reports on the status of hiring subcontractor or consultant with expertise necessary to complete the activities in this task.
2. **Assessment and Planning Report for Municipal Code Amendment to Provide Residential Density Bonuses for Energy Efficient Projects (Draft and Final):** In preparation for the development of municipal code amendments that will provide residential density bonuses for energy efficient projects, Implementer will review available information on the manner in which energy efficiency and density bonuses can be developed. This Assessment and Planning Report will present the plan for developing the performance criteria that a project must achieve to qualify for the density bonus. These criteria can be met by incorporating energy efficiency measures into the building design. The plan will discuss the analytic methodology required to conduct the research needed to for these tasks.
3. **Draft Municipal Code Amendment:** The Implementer will evaluate alternative scenarios for density bonuses and the energy efficiency criteria to qualify for a density bonus. Based on this analysis, a draft municipal code amendment will be developed. Implementer will obtain input from the public and prepare a draft for

review by internal stakeholders, including the Planning Commission and City Council.

4. **Report on Stakeholder Input:** Implementer will report activities conducted with public and City officials. The report will include: list of stakeholder meetings, workshops, and other processes used to elicit public input; list of all attendees and contact information by workshop; and discussion on how input was used in refining the proposed code amendment.
5. **Final Municipal Code Amendment:** Based on feedback received during the draft review and stakeholder input, Implementer will prepare a final Municipal Code Amendment for final review by the Planning Commission and review and approval by the City Council.
6. **Submit Municipal Code Amendment to Planning Commission and City Council for Review and Adoption:** Implementer Staff will submit the Municipal Code Amendments to the Planning Commission for review and the City Council for review and approval. If the amendments are adopted, Implementer will submit documentation of the approval, as well as the date the amendments become effective. If the amendment is not adopted, Implementer will submit documentation to SCE that details the reasons for rejection, and alternate plans to be considered to increase the likelihood of adoption at a later date.
7. **Monthly Status Reports:** Implementer will provide a Monthly Report of all on-going activities including a list of Monthly achievements and outstanding issues.

**B. Task Performance Indicators**

The Implementer will, at a minimum, track the following information through the IR Tool:

- Status of the completion of the Municipal Code Amendment
- Stakeholder input
- Adoption by City Council
- If the Municipal Code Amendment is not adopted, Implementer will provide reasons why they were not adopted and provide alternative steps to be considered.

**Deliverables:**

Task 5 - Deliverable(s)	Due Date(s)
-------------------------	-------------

1. Report on Status of Implementer or Subcontractor to Support the Task	NTP plus 1 Month.
2. Draft Assessment and Planning Report for Municipal Code Amendments to Allow & Encourage Integration of EE, Distributed Generation, and Density Bonuses	NTP plus 2 Months.
3. Final Assessment and Planning Report for Municipal Code Amendment to Allow & Encourage Integration of EE, Distributed Generation, and Density Bonuses	NTP plus 2.5 Months.
4. Draft Municipal Code Amendments	NTP plus 8 Months.
5. Report on Stakeholder Input	NTP plus 10 Months.
6. Final Municipal Code Amendments	NTP plus 11 Months.
7. Submit Municipal Code Amendments to Planning Commission for Review	NTP plus 11 Months.
8. Submit Municipal Code Amendments to City Council for Adoption; provide effective date of code, or reasons for rejection and alternate plans considered	NTP plus 12 Months.
9. Monthly Status Reports	Monthly with Invoicing Requirements

## Task 6: Invoicing and Reporting

### A. Invoicing

The Implementer will submit to the CPM an Invoice which includes supporting documentation in accordance with the requirements delineated Appendix A, "Invoicing Requirements" and the Contract (Section 10).

SCE may amend the invoicing requirements from time to time, at which time SCE will notify Implementer of the changes and issue a Change Order. Implementer will implement these modifications in a timely manner and reflect any changes in future invoice documentation.

### B. Reporting

The Implementer will submit to the CPM all required reports initially as a draft for review and approval by the CPM. Implementer will be responsible for implementing, adhering to, and the submission of, the items as described in Appendix D, "Regulatory Reporting Requirements" and the Contract (Section 9).

SCE may amend the reporting requirements from time to time, at which time SCE will notify Implementer of the changes and issue a Change Order. Implementer will implement these modifications in a timely manner and reflected in future invoice documentation.

**Deliverables:**

<b>Task 6 Deliverable(s)</b>	<b>Due Date(s)</b>
1. Prepare and submit invoices and supporting documentation to SCE	15th Calendar Day of the Month per Appendix A, "Invoicing Requirements"
2. Submit final invoice to SCE	March 31, 2016 <i>Rev2</i>
3. Prepare and submit Monthly Report to SCE	15th Calendar Day of the Month per Appendix D, "Regulatory Reporting Requirements"
4. Submit Commission reports	Semi-annually and annually

**Task 7: Ramp-Down and Shut-Down Program**

**A. Program Shut-Down**

All Program operations will be completely shut down after the last day of the effective period of the Contract, and no later than December 31, 2015 *Rev2*, with the exception of preparation and submittal of the Final Report, as defined in Task 8.

**Deliverables:**

<b>Task 7 Deliverable(s)</b>	<b>Due Date(s)</b>
1. Complete all services	No later than December 31, 2015 <i>Rev2</i>

**Task 8: Submit Final Program Report**

After Program completion, the Implementer will submit a final report that reviews the Program's progress and accomplishment (the "Final Report"). The Final Report will include the information referenced in Appendix E, "Final Program Report Template".

**Deliverables:**

<b>Task 8 Deliverable(s)</b>	<b>Due Date(s)</b>
------------------------------	--------------------

1. Submit draft Final Report for SCE review and approval	No later than February 15, 2016 <sup>Rev2</sup>
2. Submit revised Final Report for SCE review and approval	The earlier of March 31, 2016 <sup>Rev2</sup> or within 2 weeks of receipt of SCE comments

## SECTION 4 – PAYMENT

### A. Payment Terms

The Program will utilize a 100% time and material based payment (T&M Payment) structure based on the fully burdened billing rates contained in Section 4, Table 1. All payments will be subject to Appendix A, “Invoicing Requirements” and the Contract (Section 10).

**Table 1: Fully Burdened Hourly Rates by Title<sup>2</sup>**

Staffing Direct Labor	Responsibility	Hourly Rate (U.S. Dollars)	Estimated % of Time
Planning Official	Supervision of ordinance & policy preparation, review ordinances, review options for proposed workshop(s), & input on final workshop approach(es)	\$175.00	5%
Building Official	Participation in training, and review and approval of proposed training(s)	\$175.00	2%
Associate/Senior Planner	Project manage, complete required research, identify best policy approach(es), prepare rough drafts, & coordinate ordinance preparation & proposed workshop(s)	\$150.00	80%
Building Staff	Assistance/input on redesigning forms.	\$100.00	2%
Planning Technician	Coordinate accounting and invoicing	\$100.00	6%
<b>Total</b>			<b>100%</b>

### B. Implementer's Budget Breakdown

<sup>2</sup> Fully burdened rates are defined as “Labor Related Cost Under Time and Materials Basis” in Section 10 of the Contract.

The Work budget is divided into three cost categories described as:

- **Administrative Costs:** Typically, program overhead costs, such as staff labor/benefits, employee expenses, and miscellaneous general expenses that are not marketing and outreach (Marketing and Outreach), direct implementation, or incentive/rebate costs. These costs will usually be for labor incurred in preparing invoices and reporting (monthly, semi-annual and ad hoc).
- **Marketing and Outreach Costs:** Typically, marketing costs such as collateral material, outreach costs such as promotional events, and staff labor associated with incurring marketing costs and activities.
- **Direct Implementation Costs:** Costs related to activities directly tied to, and associated with, the development and the implementation of the proposed Work, including subcontractor costs.
- **Total Two-Year Budget:** Sum of the components listed above.

The Implementer’s Budgets by cost category are shown for each task in Table 2 through Table 5.

**Table 2: Implementer’s Budget (Task 2)**

<b>Task 2 Budget Breakdown</b>		
<b>Allowable Cost</b>	<b>%</b>	<b>\$</b>
(1) Administration	10%	\$1,682
(2) Marketing and Outreach	5%	\$841
(3) Direct Program Implementation	85%	\$14,297
<b>Total Implementer Budget: (1)+(2)+(3)</b>	<b>100%</b>	<b>\$16,820</b>

**Table 3: Implementer's Budget (Task 3)**

<b>Task 3 Budget Breakdown</b>		
<b>Allowable Cost</b>	<b>%</b>	<b>\$</b>
(1) Administration	10%	\$1,682
(2) Marketing and Outreach	5%	\$841
(3) Direct Program Implementation	85%	\$14,297
<b>Total Implementer Budget: (1)+(2)+(3)</b>	<b>100%</b>	<b>\$16,820</b>

**Table 4: Implementer's Budget (Task 4)**

<b>Task 4 Budget Breakdown</b>		
<b>Allowable Cost</b>	<b>%</b>	<b>\$</b>
(1) Administration	10%	\$4,205
(2) Marketing and Outreach	2%	\$841
(3) Direct Program Implementation	88%	\$37,004
<b>Total Implementer Budget: (1)+(2)+(3)</b>	<b>100%</b>	<b>\$42,050</b>

**Table 5: Implementer's Budget (Task 5)**

<b>Task 5 Budget Breakdown</b>		
<b>Allowable Cost</b>	<b>%</b>	<b>\$</b>
(1) Administration	10%	\$2,523
(2) Marketing and Outreach	3%	\$631
(3) Direct Program Implementation	87%	\$22,076
<b>Total Implementer Budget: (1)+(2)+(3)</b>	<b>100%</b>	<b>\$25,230</b>

**C. Program Budget Limit**

In no event will the Implementer exceed the total amount budgeted by SCE for the Contract related to this SOW of \$100,920.00.

**D. Performance Indicators**

SCE will, at a minimum, monitor the Work based on the following Program Performance Indicators:

- Progress made against the goals, deliverables, and due dates above; and
- Actual performance versus predicted performance as outlined herein.

## APPENDIX A: INVOICING REQUIREMENTS

### A. Invoicing Instructions

#### 1. Advance Copy to CPM

An advance electronic copy of Implementer's invoice (Advance Copy) must be submitted to the CPM by the 15<sup>th</sup> Calendar Day of each month, and include the following attachments:

- Invoice Summary Page section of this Appendix A (see Item B.1 below); and
- All information outlined in the Time and Materials Invoicing Requirement section of this Appendix A (see Item B.2 below).

#### 2. Final Invoice to Accounts Payable

Upon CPM approval of the Advance Copy, the Implementer will submit a hard copy invoice (Final Invoice) to Accounts Payable within two (2) Business Days thereafter. The hard copy invoice must include the following attachments:

- Invoice Summary Page (see Item B.1 below);
- All information outlined in the Time and Materials Invoice Requirement section of this Appendix A (see Item B.2 below); and
- Any additional substantiating documentation, as requested at the sole discretion of the CPM or procurement agent.

**Mail an original and one copy of the Final Invoice to the following address:**

Southern California Edison Company  
Accounts Payable Division  
P.O. Box 700  
Rosemead, CA 91770

**Send an electronic copy of the Final Invoice to the CPM.**

If rates, rate format or rate components are different from that stated in the Contract, payment may be delayed due to necessary validation of the invoice.

Failure to comply with invoice instructions or any other terms and conditions of the Contract may result in adjustment or rejection of the invoice.

### B. Invoicing Requirements

**1. Invoice Summary Page:** All invoices must contain an invoice summary page with, at a minimum, the following information:

- SCE's Contract number;
- Task description;
- Total amount authorized;
- Current monthly amount invoiced (including the task(s));
- Cumulative amount invoiced to date (including the task(s)); and
- Statement of deliverables for the period.

**2. Time and Materials Invoicing Requirements**

In addition to the invoice instructions contained herein, the Implementer will also refer to Section 10 of the Contract for additional invoicing instructions.

Each invoice will provide sufficient detail to identify the following elements:

- Personnel work dates;
- Personnel work hours by name and classification;
- Personnel work rates: fixed hourly billing rates;
- Description of work performed - by person, by day, broken down no less than by the hour by task in sufficient detail to identify work performed;
- Itemized receipts for material and subcontract costs;
- Itemized receipts for "Out-of-Pocket" expenses authorized by the Contract; and
- Itemized receipts for authorized travel costs or detail of trips for which authorized mileage is charged.

## APPENDIX B: DEFINED TERMS

1. **Baseline Data:** The initial base metric for comparing the net result of programmatic changes versus what would have happened in the absence of the Program or activity.
2. **Business Day:** The period from one midnight to the following midnight, excluding Saturdays, Sundays, and holidays.
3. **Calendar Day:** The period from one midnight to the following midnight, including Saturdays, Sundays, and holidays.
4. **California Public Utilities Commission (“CPUC” or “Commission”):** Public agency that regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.
5. **Contract(s):** Agreement entered into between SCE and the Implementer which authorizes the Work, states the commercial terms, incorporates by reference SCE’s Ts&Cs (or a different set of terms and conditions mutually agreed upon between SCE and the Implementer), a Statement of Work, and other referenced documents, all of which form the contract between SCE and the Implementer to perform the Work described herein. The term “Contract(s)” will have the same definition and meaning ascribed to as the term “Agreement(s)” under SCE’s Ts&Cs.
6. **Contract Program Manager (CPM):** The SCE Representative who will manage the Program.
7. **Customer:** For purposes of this SOW, Customer shall mean any customer of SCE that is within the Implementer’s jurisdiction.
8. **Demand Response or DR:** Sometimes referred to as load curtailment or reduction. Mechanisms (such as interruptible rates, bill credits) are used to encourage consumers to use energy at different (lower cost) times of day or to interrupt energy use for certain equipment temporarily, usually in direct response to an event or price signal.
9. **Energy Efficiency or EE:** An action, appliance or device that reduces the total electric consumption of a Customer, while maintaining a level of service that is the same or better than before.
10. **Local Government or Institutional Partnership Programs:** A program that coordinates efforts of a utility and a local government or other entity to use the strengths of both parties to achieve energy savings goals.
11. **Marketing and Outreach:** Communications activities designed to identify, reach, and

motivate potential Customers to take actions to either learn more about or invest in EE opportunities.

## 12. Measures

- Specific Customer actions which reduce or otherwise modify energy end-use patterns.
- A service or a product whose installation and operation at a Customer's premises results in a reduction in the Customer's on-site energy use, compared to what would have happened without the service or product installation.

13. **Month or Monthly:** A term ending on the last Calendar Day of each month.

14. **Performance Indicators:** Specific, measureable, actionable, realistic and time-specific requirements that will directly and measurably contribute to SCE's business

15. **SCE Invoice and Reporting Tool (IR Tool):** SCE's invoicing and reporting tool that uses either a Web-based interface or a database format as determined by the CPM to collect program information. See Appendix A, "Invoicing Requirements," and Appendix D, "Regulatory Reporting Requirements" for more information.

16. **Title 24:** California Code of Regulations (CCR), Title 24, also known as the California Building Standards Code (composed of 12 parts). Title 24, Part 6 sets forth California's energy efficiency standards for residential and nonresidential buildings and was established in 1978 in response to a legislative mandate to reduce California's energy consumption. The standards are updated periodically to allow consideration and possible incorporation of new energy efficiency technologies and methods. Title 24, Part 6 is the focus of the Work under this Contract.

17. **Work:** Any and all obligations of Implementer to be performed for SCE and Customers pursuant to and during the term of the Contract resulting from this SOW, any revision to such Contract, or a subsequent amendment or Change Order. The Work will include, without limitation the Work described in Section 3 of this SOW.

**APPENDIX C: STRATEGIC PLAN SUPPORT MENU**

**Table 6. Strategic Plan Support Menu**

<b>Strategic Plan Goal 1:</b>		
Local governments lead adoption and implementation of “reach” codes stronger than Title 24 on both mandatory and voluntary bases.		
<b>STRATEGY</b>	<b>1.1</b>	Adopt codes, ordinances, standards, guidelines or programs that encourage or require building performance exceeding state requirements. The focus should be on using existing models, or if there is something new and unique, that it be replicable.
<b>TASKS</b>	1.1.1	Adopt building energy codes more stringent than Title 24’s requirements, using cost-effectiveness studies by Climate Zone done by the utilities; adopt one or two additional tiers of increasing stringency.
	1.1.2	Adopt a Green Building policy for municipal development, commercial development and/or residential development.
	1.1.3	Develop/adopt point of sale programs such as a Residential or Commercial Energy Conservation Ordinance. Focus on whole building performance.
	1.1.4	Change local codes to allow and encourage integration of EE, demand response, and on-site generation.
	1.1.5	Develop and adopt programs to encourage energy efficiency such as one-stop permitting, on-line permitting, separate Zero Net Energy (ZNE) permit processes, density bonuses, or a recognition program.
	1.1.6	Develop educational programs for local elected officials, building officials, commissioners, and stakeholders to improve adoption of EE codes, ordinances, standards, guidelines and programs.
<b>STRATEGY</b>	<b>1.2</b>	Implement codes, ordinances, standards, guidelines or programs that encourage building performance exceeding state standards.
<b>TASKS</b>	1.2.1	Implement any of the Tasks under Strategy 1.1 above, through a process involving internal and external stakeholders, etc.
<b>Strategic Plan Goal 2:</b>		
Strong support from local governments for energy code compliance enforcement.		
<b>STRATEGY</b>	<b>2.1</b>	Improve processes resulting in increased code compliance through education, training, and enforcement practices.
<b>TASKS</b>	2.1.1	Local government staff and contract staff attend code compliance workshops offered by the California Energy Commission (“CEC”), utility codes & standards staff, or other local governments with strong compliance records.
	2.12	Redesign enforcement, compliance, plan review processes; introduce new forms and templates.
<b>Strategic Plan Goal 3:</b>		

Local governments lead by example with their own facilities and energy usage practices.		
<b>STRATEGY</b>	<b>3.1</b>	Develop a program to track municipal energy usage, such as through energy management software and benchmarking of municipal facilities.
<b>TASKS</b>	3.1.1	Develop energy benchmarking policies and procedures to enable ongoing benchmarking of all local government facilities.
	3.1.2	Set up a 'utility manager' computer program to track municipal usage. Identify need for sub-metering to plan, budget and manage bills.
<b>STRATEGY</b>		
	<b>3.2</b>	Adopt a Climate Action Plan (CAP), Energy Action Plan (EAP) for municipal operations. The plan could include setting energy efficiency standards for new and existing facilities, developing a revolving loan fund for EE projects, and so on.
<b>TASKS</b>	3.2.1	Develop/adopt an energy chapter for City/County climate or energy action plan.
	3.2.2	Adopt a policy to require Leadership in Energy and Environmental Design (LEED), Energy Star Ratings, or other program standard for municipal facilities.
	3.2.3	Develop policy for a revolving EE fund for City/County facilities.
	3.2.4	Develop commissioning/retro-commissioning policies for municipal facilities.
Strategic Plan Goal 4: Local governments lead their communities with innovative programs for EE, sustainability and climate change.		
<b>STRATEGY</b>	<b>4.1</b>	Adopt a CAP, EAP, or adopt EE language into another policy document, such as a General Plan, to reduce community greenhouse gas emissions with a focus on EE.
<b>TASKS</b>	4.1.1	Develop a regional template for CAP or EAP.
	4.1.2	Customize CAP with EE language and data.
	4.1.3	Update General Plan/Conservation Element with Climate policies. Provide EE framework and data for other people doing planning.
	4.1.4	Conduct the EE savings analysis for an annual Greenhouse Gas inventory for the City/ County.
Strategic Plan Goal 5: Local government EE expertise becomes widespread and typical.		
Local governments participating in activities under Goals 1 – 4 will be increasing their expertise.		
The activities under Goal 5 are more directly related to the programs operated by the statewide local government associations (ICLEI, ILG and LGC), by regional local government agencies such as the Association of Bay Area Governments and Great Valley Center, and by the Statewide Local Government EE Best Practices Coordinator.		

## APPENDIX D: REGULATORY REPORTING REQUIREMENTS

In addition to any reporting requirements outlined in the Ts&Cs and Attachment No.1 of the Contract, the Implementer will follow the following reporting requirements when submitting documents to SCE:

- A. **Monthly Report:** The Monthly Report due on the 15<sup>th</sup> Calendar Day of each Month for work completed the preceding Month using the IR Tool. The Monthly Report will include a discussion on the following Program activities occurring during that Month:
1. Administrative activities;
  2. Marketing activities;
  3. Direct Implementation activities;
  4. Implementer's assessment of Program performance and Program status. For example, is the Program on target, exceeding expectations, or falling short of expectations, etc.;
  5. Discussion of changes in Program emphasis. For example, new Program elements, less or more emphasis on a particular delivery strategy, Program elements discontinued, Measure discontinued, etc.;
  6. Discussion of near term plans for Program over the coming months (e.g., marketing and outreach efforts that are expected to significantly increase Program participation);
  7. Changes to staffing and staff responsibilities, if any;
  8. Changes to contacts, if any;
  9. Changes to Subcontractor and Subcontractor responsibilities, if any;
  10. Number of Customer complaints received; and
  11. Program Theory and Logic Model, if not already provided in the PIP, or if Implementer makes any revisions.
- B. **Commission Reporting Requirements:** The Implementer will provide SCE with the requisite information on the prior Month's activities, accomplishments, and expenditures related to its respective Work obligations, for purposes of preparing any reports required of SCE by the Commission including Quarterly, Semi-annual and Annual Reports.

The Commission may amend reporting requirements from time to time. SCE will notify Implementer of any reporting changes and issue a Change Order. Implementer will implement these modifications in a timely manner and reflected in future invoice documentation.

Requirements for these reports may change per the direction of the Commission or the Commission's Energy Division. The current reporting requirements are as follows:

1. **Semi-annual Report:** Implementer will provide SCE with the requisite

information to be compiled for the portfolio reporting in Program Semi-annual Reports using the Semi-annual Report template set forth in Section 1.a herein. Semi-annual reports are due March 1<sup>st</sup> and September 1<sup>st</sup> of each year.

a. Semi-annual Report Template

i. A template will be provided by CPM prior to the reporting period.

2. Implementer will provide additional data or information as required by the Commission.

**C. Allowable Costs**

<b>Allowable Costs Table</b>	
The cost items listed on the Allowable Costs sheet are the only costs that can be claimed for ratepayer-funded energy efficiency work. The costs reported should be only for costs actually expended. Any financial commitments are to be categorized as commitments. If the reporting entity (i.e., SCE, in this case) does not have a cost listed on the cost reporting sheet, then no cost may be reported for that item. These Allowable Cost elements are to be used whenever costs are invoiced or reported to the CPM. If there is a desire to include additional Allowable Cost elements, the CPM should be contacted in order to seek approval from the Commission.	
	<b>3/30/2006</b>
<b>Cost Categories</b>	<b>Allowable Costs</b>
<b>Administrative Cost Category</b>	
<p><u>Note: *These allowable costs are to be allocated towards the direct implementation category.</u></p>	<b>Managerial and Clerical Labor</b>

	Implementer Labor - Rebate Processing
	Implementer - Rebate Applications

- D. **Ad Hoc Reporting:** Implementer acknowledges that SCE may, in its sole discretion, require Implementer to provide such other reports or documentation that SCE deems appropriate or necessary (the “Ad Hoc Reports”). Implementer will comply with any request for such Ad Hoc Report(s) within a reasonable time or, if applicable, within the time requested by SCE.

## APPENDIX E: FINAL PROGRAM REPORT TEMPLATE

Local Govt\_Final  
Report Template\_v10

Attachment: First Amendment to Strategic Plan Phase 3 Contract for The City of Moreno Valley v2 (1441 : FIRST AMENDMENT TO THE CITY OF

## SOUTHERN CALIFORNIA EDISON

CALIFORNIA ENERGY EFFICIENCY STRATEGIC PLAN  
IMPLEMENTATION CONTRACT

## CITY OF MORENO VALLEY STRATEGIC PLAN STRATEGIES PHASE 3

Contract No. 23399

THIS CONTRACT FOR SERVICES ("Contract") is by and between SOUTHERN CALIFORNIA EDISON ("SCE") and the City of Moreno Valley ("Implementer"), which Contract shall be effective as of \_\_\_\_\_ ("Effective Date"). SCE and Implementer may be referred to herein individually as a "Party" and collectively as the "Parties."

WHEREAS, on November 8, 2012 in Decision 12-11-015, the California Public Utilities Commission ("Commission") authorized certain energy efficiency programs, including the Energy Leader Partnership Program for the 2013-2014 program cycle

WHEREAS, in Decision 12-11-015, the Commission further authorized SCE to conduct a solicitation for certain energy efficiency strategic planning activities in connection with, and to support, its approved Energy Leader Partnership Programs and local governments generally;

WHEREAS, SCE has selected the Implementer to implement the City of Moreno Valley Strategic Plan Strategies Phase 3 (referred to hereinafter as the "Program"), promoting long-term energy efficiency and climate action activities;

WHEREAS, the Implementer shall implement the Program for the benefit of certain participating governmental jurisdictions and their constituents;

WHEREAS, the Parties desire to enter into an agreement that supersedes any and all previous agreements, and sets forth the terms and conditions under which the Program shall be implemented with respect to the Parties; and

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

**1.0 DEFINITIONS:**

All terms used in the singular will be deemed to include the plural, and vice versa. The words "herein," "hereto," and "hereunder" and words of similar import refer to this Contract as a whole, including all exhibits or other attachments to this Contract, as the same may from time to time be amended or supplemented, and not to any particular subdivision contained in this Contract, except as the context clearly requires otherwise. "Includes" or "including" when used herein is not intended to be exclusive, or to limit the generality of the preceding words, and means "including without limitation." The word "or" is not exclusive.

- 1.1. **Business Day:** The period from one midnight to the following midnight, excluding Saturdays, Sundays, and holidays.
- 1.2. **Calendar Day:** The period from one midnight to the following midnight, including Saturdays, Sundays, and holidays. Unless otherwise specified, all days in this Contract are Calendar Days.
- 1.3. **Contract:** This document issued by SCE to Implementer, as may be amended in writing as provided herein, which authorizes the Work, states the terms and conditions, and incorporates by reference the Statement of Work and any other referenced documents, if applicable, all of which form the agreement (Contract) between the Parties, with the following priority in the event of conflicting provisions: Amendments, from the most recent to the earliest; the Statement of Work; this Contract; and any other referenced documents.
- 1.4. **Energy Efficiency Measure (or Measure):** As used in the Commission's Energy Efficiency Policy Manual, Version 4, August 2008.
- 1.5. **EM&V:** Evaluation, Measurement and Verification of the Program pursuant to Commission requirements.
- 1.6. **Implementer Budget:** The approved maximum budget for funding the performance by Implementer of the Program, as set forth in the Statement of Work attached hereto as Exhibit A.
- 1.7. **Incentive:** As used in the Commission's Energy Efficiency Policy Manual, Version 4, August 2008.
- 1.8. **Jobsite:** An SCE facility or designated third party property at or for which the Work is performed.
- 1.9. **Participating Municipality:** Those jurisdictions or member cities that: (i) are located in SCE's service territory; and (ii) have been selected by SCE and Implementer to participate in the City of Moreno Valley Strategic Plan Strategies Phase 3 as set forth in the Statement of Work.
- 1.10. **Program:** The City of Moreno Valley Strategic Plan Strategies Phase 3 program.
- 1.11. **Procurement Energy Efficiency Funds:** The funds which make up the Implementer Budget and which are collected from electric utility ratepayers for public purposes programs, including energy efficiency programs approved by the Commission.
- 1.12. **Statement of Work (SOW):** A statement of the tasks to be performed by the Implementer, commercial terms including the Implementer Budget, reporting

requirements and other necessary information, as set forth in Exhibit A and incorporated herein as part of this Contract, as such SOW may be modified from time to time as provided herein.

1.13. Subcontractor: An entity contracting directly or indirectly with a Party, or any Subcontractor thereof, to furnish services or materials as part of or directly related to such Party's Work obligations.

1.14. Work: The work authorized by SCE for the Program as set forth in this Contract and as more fully described in the SOW attached hereto as Exhibit A.

## 2. PURPOSE

The Program is funded by California utility ratepayers and is administered by SCE under the auspices of the Commission. The purpose of this Contract is to authorize the expenditure of Procurement Energy Efficiency funds to Implementer for services performed pursuant to the terms of this Contract and to set forth the terms and conditions under which the Program will be implemented. The work authorized pursuant to this Contract is not to be performed for profit.

The Program was designed in furtherance of California's Long-Term Energy Efficiency Strategic Plan adopted by the Commission in 2008 ("Strategic Plan"). The Strategic Plan was formulated and developed through a collaborative effort among key stakeholders, including local governments, SCE and other California investor-owned utilities, and the Commission's Energy Division, and provides a strategic menu list of options that local governments can address during the 2013-2014 program cycle. The goal of the strategic plan menu is to present activities centered on energy efficiency and to address the "Big, Bold" strategies found in the Strategic Plan. The strategies are designed to embed and institutionalize energy efficiency in policies, programs, and processes within local governments.

## 3. AUTHORIZED WORK

3.1. Scope. The Work authorized under this Contract is set forth in the Statement of Work (Exhibit A) and shall be performed pursuant to the terms of this Contract.

3.2. Goals and Objectives. The Program is designed to meet the specific goals, objectives and milestones within the schedule and budget set forth in the Statement of Work (Exhibit A).

## 4. OBLIGATIONS OF PARTIES

### 4.1. General Obligations of Implementer.

4.1.1. Implementer will appoint a Program representative ("Implementer Representative") who will be the primary contact between SCE and Implementer, and who will be authorized to act on behalf of

Implementer in carrying out its obligations under this Contract. Such appointment shall be communicated in writing to SCE's designated Contract Program Manager within ten (10) Business Days following execution of this Contract.

- 4.1.2. Implementer shall be responsible for achieving the goals and objectives and producing the deliverables as set forth in the Statement of Work.
- 4.1.3. Implementer shall perform its Work obligations within the Implementer Budget and in conformance with the schedule associated with such Work as set forth in the Statement of Work, and shall furnish the required labor, equipment and material with the degree of skill, care and professionalism that is required by current professional standards.
- 4.1.4. Implementer shall be primarily responsible for coordinating the preparation of all Program-related documents, including all required reporting of Implementer pursuant to Section 9, and any such other reporting as may be requested by SCE. Implementer shall obtain the approval of SCE prior to usage of any SCE Program documents or other energy efficiency program documents or materials offered by SCE.
- 4.1.5. Upon reasonable request, Implementer shall submit to SCE all contracts, agreements or other requested documents with Implementer's Subcontractors performing Work for the Program.

4.2. General Obligations of SCE.

- 4.2.1. SCE will appoint a Program representative ("SCE Representative" or "Contract Program Manager" ("CPM")) who will be the primary contact between SCE and Implementer, and who will be authorized to act on behalf of SCE in carrying out SCE's obligations under this Contract.
- 4.2.2. SCE shall administer the Procurement Energy Efficiency funds authorized by the Commission for the Program in accordance with this Contract.

5. MARKETING

5.1. Marketing Materials. Implementer shall obtain the approval of SCE when developing Program marketing materials and prior to distribution, publication, circulation, or dissemination in any way to the public by Implementer or by a Participating Municipality. In addition, all advertising, marketing or otherwise printed or reproduced material (including website material) used to implement, refer to or is in anyway related to the Program must contain the respective name and logo of SCE and, at a minimum, the following language: *"This Program is*

*funded by California utility ratepayers and administered by Southern California Edison under the auspices of the California Public Utilities Commission.”*

5.2. Outreach. Implementer shall obtain the approval of SCE prior to implementation by Implementer or a Participating Municipality, of any public outreach activities or campaigns for the Program (exhibits, displays, public presentations, canvassing, etc.), and any marketing materials used in connection with such outreach activity shall comply with all requirements of Section 6 of this Contract.

5.3. Use of SCE Name. Implementer must receive prior review and written approval from SCE for the use of SCE's name or logo on any marketing or other Program materials. Implementer shall allow five (5) Business Days for SCE review and approval. If Implementer has not received a response from SCE within the five (5) Business Day period, then it shall be deemed that SCE has disapproved such use.

5.4. Use of Commission's Name. No Party may use the name of the Commission on marketing materials for the Program without prior written approval from the Commission staff. In order to obtain this written approval, SCE must send a copy of the planned materials to the Commission requesting approval to use the Commission's name and/or logo. Notwithstanding the foregoing, the Parties shall disclose their source of funding for the Program by stating prominently on marketing materials that the Program is “funded by California ratepayers under the auspices of the California Public Utilities Commission.”

## 6. CONTROL OF WORK

6.1 Compliance with Work Schedule: Implementer shall perform the Work in compliance with the Work schedule set forth in the Statement of Work. If performance of the Work (including any task, or achievement of any goals or objectives outlined in the Statement of Work) is delayed beyond the schedule for any reason, or if Implementer is aware that such Work will be delayed for any reason, Implementer shall notify the SCE Representative within thirty (30) Business Days in writing. SCE may, in its sole discretion, accept the delay, reduce the Work and Implementer Budget accordingly, or terminate the Contract, within thirty (30) Business Days following receipt of such written notice of delay from Implementer. Failure of Implementer to notify SCE in writing of such delay in the Work schedule within thirty (30) Business Days shall constitute a breach of this Contract and SCE may exercise any of the remedies set forth in this Section or in Section 23.

### 6.2 Changes to Work:

6.2.1 Changes. SCE may at any time make changes to the Work including additions, reductions, and changes to any or all of the Work, as directed in writing by the SCE Representative. Such changes may be made with a Change Order. The Implementer Budget and Work schedule shall be equitably adjusted, if required, to account for such changes and shall be set forth in a Change Order.

- 6.2.2 SCE Authority To Shift Funds Or Modify: SCE, in its sole discretion, may reallocate funds among the programs in its energy efficiency portfolio, or modify in anyway the program, funding or Work. In the event that SCE elects to change or modify the funding, program or Work, Implementer shall be notified in writing and if applicable by a Change Order to this Contract. Such Change Order will specify any changes to the Implementer's Scope of Work and may increase, decrease, or terminate overall program funding.
- 6.3 Stop Work Procedures: SCE may suspend Implementer's Work at any time upon notice to Implementer for convenience or for cause, including, without limitation, program funding, program implementation or management, safety concerns, fraud or complaints. Implementer shall stop performing the Work immediately upon receipt of such notice. Implementer shall resume the Work only upon receiving written notice from SCE that it may do so. .
- 6.4 Key Personnel: Implementer shall deliver to SCE a list of Implementer's key personnel prior to commencing the Work. Any change to Implementer's key personnel shall be pre-approved by SCE; provided, however, that an unplanned personnel change shall be reported to the SCE Representative immediately. The Implementer shall designate a person that shall coordinate all Work and communicate regularly for the Implementer with the SCE Representative. Implementer shall promptly replace any key personnel if requested by the SCE Representative, provided however, that this provision does not in any way require, endorse or approve (expressed or implied) the termination of employment by the Implementer of any employee replaced under the terms of this paragraph.
- 6.5 Subcontractors: Any Work subcontracted by Implementer shall be identified as such in the Contract and any Work subcontracted to an Implementer's affiliated entity shall be similarly specifically identified. For any subcontracted Work, the prior written approval of the SCE Representative shall be required for each Subcontractor, the activities to be performed, and the related charges. Implementer shall at all times be responsible for the Work, and for the acts and omissions of Subcontractors and persons directly or indirectly employed by them. Implementer shall be solely responsible and liable for ensuring that the terms and conditions of all subcontracts are in accordance with this Contract, including but not limited to all invoicing requirements. Any review or approval by SCE of a Subcontractor or a subcontract shall not relieve Implementer of its obligations hereunder.
- 6.6 Additional Instructions: If Implementer receives any verbal or written instructions for performance of Work from SCE personnel other than the SCE Representative, Implementer shall promptly reconfirm such instructions with the SCE Representative and request that a corresponding Change Order be issued as necessary.
- 6.7 Emergencies: In an emergency endangering life or property, Implementer shall: a) perform Work or such other services or work as is necessary to meet the emergency; and b) immediately notify SCE.
- 6.8 Drafts: Draft copies of required reports shall be submitted to the SCE Representative for review for contractual compliance, satisfaction of SCE needs and

good professional practices, comments, and approval, prior to the due date of such reports.

6.9 Inspection: SCE authorized representatives shall have the right of access to and inspection of Implementer's facilities and/or locations at reasonable times during regular business hours regarding performance of the Work.

6.10 Uncontrollable Forces: Implementer shall not be liable for delay in the Work Schedule or inability to perform the Work due to any cause beyond its reasonable control, such as strike, flood, fire, lightning, epidemic, quarantine restriction, war, sabotage, act of a public enemy, earthquake, or critical material unavailability; provided that Implementer promptly notifies SCE in writing of the nature, cause, date of commencement, and expected impact of the event and has exercised due diligence in proceeding to meet the Work Schedule. SCE shall extend the Work Schedule for an equitable period due to such causes without any change in the Contract price.

## 7. FITNESS FOR DUTY/JOBSITE ACCESS REQUIREMENTS

### 7.1 Fitness for Duty:

7.1.1 Implementer and its Subcontractor personnel on a Jobsite:

- (i) Shall report for work in a manner fit to do their job;
- (ii) Shall not be under the influence of or in possession of any alcoholic beverages or of any controlled substance (except a controlled substance as prescribed by a physician for such person so long as the performance or safety of the Work is not affected thereby); and
- (iii) Shall not have been convicted of any serious criminal offense which, by its nature, may have a discernible adverse impact on the business or reputation of SCE.

7.1.2 Inspection: Searches by SCE authorized representatives may be made of lockers, storage areas, vehicles, persons or personal effects on SCE owned, or leased property at various times without prior announcement. Such facility inspections may be conducted using detection dog teams to search work areas and other common areas in order to detect evidence of unlawful drug use or the presence of pyrotechnics, explosives, firearms, weapons, or facsimiles thereof, alcoholic beverages and illegal drugs ("Prohibited Items"). Prohibited Items must not be brought onto, or kept on, SCE property.

7.1.3 Compliance: Implementer shall advise its employees of the requirement of this Section 7.1 ("Fitness for Duty Requirements") before they enter on the Jobsite and shall immediately remove from the Jobsite any employee determined to be in violation of these requirements. Implementer shall impose these requirements on its Subcontractors. SCE may cancel the Contract if Implementer violates these Fitness for Duty Requirements.

## 7.2. JOBSITE ACCESS REQUIREMENTS

7.2.1 Notification of Convictions: During application for Jobsite access, and/or during the Work, Implementer shall immediately notify SCE whenever Implementer becomes aware of evidence that any Implementer's or its Subcontractors' employee, who has, or will have, Jobsite access, has been convicted of a serious criminal offense.

7.2.2 Visitor Badge Requirement: All visitors to a particular Jobsite must comply with that Jobsite's visitor access requirements.

7.3. Sexual Harassment: SCE supports a diverse work force and prohibits unlawful employment discrimination and harassment of every kind, including sexual harassment, in accordance with state and federal laws. Whenever present on SCE property or facilities, Implementer shall require its employees, Subcontractors, agents to comply with all applicable federal and state statutes, acts, regulations, codes and standards prohibiting conduct that might reasonably be construed as violating state or federal equal opportunity laws, including conduct such as making sexually suggestive jokes or remarks, touching, assaulting, making gestures of a sexual or suggestive nature, and impeding or blocking any SCE employee's, subcontractor's or agent's movement.

## 8. DOUBLE DIPPING PROHIBITED

If, in performing its respective Work obligations, Implementer engages contractors or vendors who provide incentives or services to SCE customers, Implementer shall take all appropriate steps to minimize double-dipping. As applicable:

8.1. Prior to providing incentives or services to any eligible customer, Implementer shall require its Subcontractors to obtain a signed form from such eligible customer stating that:

8.1.1. Such eligible customer has not received incentives or services for the same measure from any other SCE program or from another utility, state, or local program; and

8.1.2. Such eligible customer agrees not to apply for or receive Incentives or services for the same measure from any other SCE program or from another utility, state, or local program.

Each Party shall keep its customer-signed forms for at least five (5) years after the expiration or termination of this Contract.

8.2. No Party shall knowingly provide an incentive to a Participating Municipality, or make payment to a Subcontractor, who is receiving compensation for the same product or service either through another ratepayer funded program, or through any other funding source.

## 9. REPORTING/EM&V

9.1. Reporting. The Parties shall implement all reporting requirements set forth in the Statement of Work, including Appendix A and B of the Statement of Work. The reporting requirements set forth in such Appendix B will be amended when issued by the Commission for the 2013-2014 Program cycle, and may be amended from time to time thereafter at the discretion of the Commission. Upon issuance by the Commission of revised reporting requirements for 2013-2014 related to the Program, such Commission-approved reporting requirements shall replace the reporting requirements set forth in Appendix B of the Statement of Work in their entirety upon written notice to the Implementer, which notice shall include a copy of the revised Appendix B.

9.2. EM&V. The evaluators will be asked to prepare a Program logic model based upon the written proposal and on interviews with the Implementer. Research issues will be defined in collaboration with SCE program managers and may include questions such as: How well were program activities documented? How effectively was the proposed plan implemented? What could be done to improve the plan's effectiveness? Who are the decision-makers, and what information did they use to make their decisions?

## 10. PAYMENTS/COMMERCIAL TERMS

10.1. Implementer Budget. The Implementer Budget is set forth in the Statement of Work. Implementer shall not be entitled to compensation in excess of the Implementer Budget without a Change Order issued and signed by SCE.

10.2. Time and Material Basis. All Work will be performed on a time and material basis and subject to the following general provisions:

### 10.2.1. General Provisions.

- a. All charges shall be directly identifiable to, and required for the Work.
- b. Any charges for overtime shall require the prior written approval of the SCE Representative. Overtime rates shall be authorized and charged only for non-exempt personnel.
- c. Implementer shall complete the Work within the amount authorized by the Contract and in accordance with the Work Schedule. Implementer shall notify SCE's procurement agent responsible for the Contract and the SCE Representative at such time that it becomes reasonably apparent that the forecasted cumulative charges will exceed any amounts authorized by the Contract (whether by task, total amount of Contract, or both). Implementer shall not proceed with or be reimbursed for any Work performed, either beyond the effective period of the Contract, or exceeding the authorized amounts of the Contract, without a Change Order.

10.2.2 Labor Related Costs Under Time and Material Basis. Implementer shall invoice SCE at the fixed hourly rates for the applicable labor

categories stated in the Contract for time spent directly engaged in performance of the Work by Implementer's employees. Such fixed hourly rates shall be inclusive of all of Implementer's overhead costs (including all taxes and insurance), administrative and general fees, and profit.

10.2.3 Invoices. Implementer shall submit monthly invoices for the costs incurred in the prior month and shall include a cost breakdown for each task identified in the Statement of Work. Each invoice shall include:

10.2.3.1 Status

- a. SCE's Contract number.
- b. Task Description.
- c. Cost incurred to date.
- d. Current monthly amount invoiced.
- e. Cumulative amount invoiced to date.
- f. Current monthly and cumulative amounts authorized, and justification for all variances between amounts authorized and incurred or invoiced.
- g. Statement of deliverables for the period.

10.2.3.2 Labor

- a. Dates worked.
- b. Personnel name, work hours and classification.
- c. Personnel Fixed rate.
- d. Description of Work performed by task.
- e. Completion of Appendix "C" of the Statement of Work.

10.2.3.3 Reimbursable expenses (pre-approved by SCE)

- a. Material costs.
- b. Subcontract costs.
- c. Out-of-Pocket expenses.
- d. Travel costs.

10.2.4 Expenses. All reimbursable expenses shall be authorized by SCE in writing prior to the expenditure. Any expenses not so approved by SCE shall not be reimbursed. All expenses shall be charged at cost, without mark-up, and shall be necessary, reasonable and ordinary.

10.2.4.1 Material Costs. Material costs shall be substantiated with an invoice stating the unit price, quantity, and other information as required to identify the Work.

- 10.2.4.2 Subcontract Costs. Subcontracted Work shall be charged at the rates actually paid by Implementer, not to exceed the rates set forth in the Contract for Work by the Implementer. Implementer shall provide Subcontractor invoices for any Implementer invoice that includes Subcontractor costs.
- 10.2.4.3 Out-of-Pocket expenses. Miscellaneous costs such as telephone communications, routine copying, electronic mail, facsimiles, computer time and in-house technical software are deemed to be included in Implementer's overhead costs will not be reimbursed.
- 10.2.4.4 Travel Costs. Approved air travel costs shall in no case exceed economy or coach fare, whichever is reasonably available. Automobile travel from Implementer's office to the Jobsite and to SCE's general offices shall be paid at the fixed mileage rate stated in the Contract, or if not stated, at SCE's rate for SCE employees.
- 10.2.5 Final Invoice. The final invoice shall be marked "FINAL" and must be received by SCE within sixty (60) calendar days after completion of the Work. SCE shall not be liable for payment of any late invoices that are received by SCE beyond the 60 days.
- 10.2.6 Invoice Deficiencies. In the event SCE determines that Implementer's (or any of its subcontractors) invoices do not meet the invoicing requirements of the Contract, SCE will notify Implementer of the deficiencies and Implementer shall correct such deficiencies promptly.
- 10.2.7 Payment by SCE. shall pay each correct invoice, submitted in accordance with the terms of the Contract, within thirty (30) days of SCE's receipt of the correct invoice in SCE's Accounts Payable Division.
- 10.2.8 Records. Implementer shall maintain, for a period of five (5) years after final payment, complete accounting records (and supporting documentation) of all invoiced costs. SCE reserves the right to audit and copy any applicable documents related to the Work hours, all costs and expenses invoiced, and task completion records. Each invoice shall list the number of the Contract covered by such invoice.

## 11. COMPLIANCE WITH LAW; PERMITS, STATUTES AND CODES

11.1. The Implementer shall comply with, and shall ensure that the Work shall comply with the applicable requirements of all statutes, acts, ordinances, regulations, codes, and standards of federal, state, local and foreign governments, and all agencies thereof.

11.2. Implementer shall conform to the applicable employment practices requirements of (Presidential) Executive Order 11246 of September 24, 1965, as amended, and applicable regulations promulgated thereunder.

### 11.3 Implementer Policy for Web Accessibility.

If an Implementer currently hosts and manages a web site, on behalf of SCE, that contains public, customer-facing pages, content and/or transactions that is not already web accessible and compliant with Web Content Accessibility Guidelines version 2.0, Level AA (WCAG 2.0, Level AA), the Implementer must make updates to the web site pages, content and/or transactions to meet web accessibility compliance, unless Implementer is not required by law to comply.

As such, Implementers who plan to or currently host and maintain web sites that include web pages, content and/or transactions for SCE shall agree to the following terms regarding current and/or planned web sites unless Implementer is not required to do so by law:

- 11.3.1 All public facing web pages, transactions and content, including multi-media and interactive content and forms targeted for SCE customers, shall be made web accessible and meet the standards defined in WCAG 2.0, Level AA. Multi-media and interactive content within the scope of these terms include, and are not limited to, image files, video files, audio files, Flash movies and applications, Flex applications, Silverlight applications, functionality developed with AJAX and/or any other interactive technology not otherwise specified but utilized to serve up information and/or transactions on the web.
- 11.3.2 Attachments that are posted on a web page for download must also be made web accessible. Attachments include, and are not limited to, Adobe Acrobat PDF files, Microsoft Office files, or any other type of file intended for a customer to download and review offline. An exception may be allowed only if the content contained within the download is already offered on the web site in a web accessible format, and the downloadable attachment is duplicative to the content or transaction displayed on web pages. Such exceptions must be documented and requested by the Implementer, agreed upon by both Implementer and SCE, and granted by SCE prior to declaring any attachment exempt from web accessibility compliance.
- 11.3.3 Implementers must include compliance with WCAG 2.0, Level AA guidelines as part of the base system requirements for any work completed for SCE. Implementers are responsible for testing proposed web pages, content and/or transactions, and confirming compliance with WCAG 2.0 Level AA guidelines. Proof of testing may be documented in the form of test plans, test scripts, test results, and/or web accessibility audits (performed by the Implementer itself or an external party). SCE may, at any time, request for such documentation to confirm that testing was completed and that the published web page, content and/or transaction satisfies web accessibility compliance with WCAG 2.0, Level AA.

11.3.4 Upon deployment (i.e. publication for external consumption) of web accessible pages, content and/or transactions, Implementer must, to the best of its abilities, maintain compliance with WCAG 2.0, Level AA for as long as the web pages, content and/or transactions are made publicly available on the third-party hosted web site:

11.3.4.1 If Implementer must edit, enhance, modify, or update web pages, content and/or transactions, Implementer agrees to (re-)test for web accessibility compliance, and document test results to prove that said content continues to maintain web accessibility compliance. SCE may, at any time, request for such documentation to confirm that testing was completed and that the published web page, content and/or transaction satisfies web accessibility compliance with WCAG 2.0, Level AA.

11.3.4.2 On a periodic basis, SCE may perform audits on the third-party hosted site to assess web accessibility compliance. Audits may be completed by manual evaluation or through the use of an automated testing tool. If SCE identifies any content that was previously communicated as being compliant but is subsequently found to be in violation, 1) SCE will identify, in writing, the specific web page, content or transaction form where the violation is found, the specific WCAG 2.0, Level AA guideline that has been violated, and what the specific violation is determined to be; 2) Implementer agrees to correct the item(s) in violation on its own accord, with no cost impact to SCE, in a timeframe that both SCE and Implementer agree to, not to exceed 30 calendar days.

11.3.4.3 SCE requires an annual web accessibility audit of SCE's web properties by an independent auditor. Any part or all pages of a third-party hosted web site may be included in the annual audit. If the independent auditor identifies any web page, content or transaction that was previously communicated as being compliant but is subsequently found to be in violation, 1) Auditor will identify, in writing, the specific web page content or transaction form where the violation is found, the specific WCAG 2.0, Level AA guideline that has been violated, and what the specific violation is determined to be; 2) SCE shall provide Implementer with audit report, 3) Implementer agrees to correct the item(s) in violation on its own accord, with no cost impact to SCE, in a timeframe that both SCE and Implementer agree to, not to exceed 30 calendar days.

11.3.5 If an existing third-party hosted web site utilizes a commercial off-the-shelf third-party software package to deliver any type of

functionality that is customer-facing, the Implementer must work with the software manufacturer to determine whether the software produces web-accessible pages, content and/or transactions.

11.3.5.1 If the software manufacturer is unable to provide a product that produces web pages, content and/or transactions that meet WCAG 2.0, Level AA guidelines, the Implementer shall request the software manufacturer to produce such limitations in writing (i.e. in the form of product specifications, formal response from software manufacturer's technical support) and subsequently provide such documentation to SCE.

11.3.5.2 If the software manufacturer is unable to provide a product that produces web pages, content and/or transactions that meet WCAG 2.0, Level AA guidelines, the Implementer agrees to pursue, in good faith, an alternate product that can provide equivalent functionality and satisfy WCAG 2.0, Level AA web accessibility compliance requirements.

11.3.6 If an Implementer plans to utilize a commercial off-the-shelf third-party software package to deliver any type of functionality that is customer-facing for a future web site, the Implementer agrees to pursue, in good faith, a product that can meet the desired business functionality requirements and WCAG 2.0, Level AA web accessibility compliance requirements.

11.3.6.1 If the Implementer is unable to locate a product that meets both business functionality requirements and web accessibility compliance requirements, the Implementer must communicate such limitations, in writing, and justify the software selection choice. Implementer shall also request the software manufacturer of desired product to produce such limitations in writing (i.e. in the form of product specifications, formal response from software manufacturer's technical support) and subsequently provide such documentation to SCE. SCE shall reserve final decision-making authority to approve the usage of such software to deliver desired business functionality.]

## 12. INDEMNITY/CONSEQUENTIAL DAMAGES

12.1. Indemnity. Implementer shall indemnify, defend and hold harmless SCE, and its respective successors, assigns, affiliates, subsidiaries, current and future parent companies, officers, directors, agents, and employees, from and against any and all expenses, claims, losses, damages, liabilities or actions in respect thereof (including reasonable attorneys' fees) to the extent arising from (a) any act or omission of Implementer, its Subcontractors, or any of their respective employees, officers and agents, relating to this Contract, or (b) Implementer's breach of this

Contract or of any representation or warranty of Implementer contained in this Contract.

12.2. NO CONSEQUENTIAL DAMAGES. NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR STRICT LIABILITY INCLUDING, BUT NOT LIMITED TO, LOSS OF USE OF OR UNDER-UTILIZATION OF LABOR OR FACILITIES, LOSS OF REVENUE OR ANTICIPATED PROFITS, COST OF REPLACEMENT POWER OR CLAIMS FROM CUSTOMERS, RESULTING FROM A PARTY'S PERFORMANCE OR NONPERFORMANCE OF THE OBLIGATIONS HEREUNDER, OR IN THE EVENT OF SUSPENSION OF THE WORK OR TERMINATION OF THIS CONTRACT.

### 13. DEVELOPMENTS/PROPRIETARY RIGHTS

13.1. Ownership. The Parties acknowledge and agree that SCE, on behalf of its customers, shall own all deliverables, data, reports, information, manuals, computer programs, works of authorship, designs or improvements of equipment, tools or processes (collectively "Developments") or other written, recorded, photographic or visual materials, intellectual property, inventions and trade secrets and all deliverables produced in the performance of this Contract, whether proprietary or non-proprietary; provided, however, that Developments do not include equipment or infrastructure purchased for research, development, education or demonstration related to energy efficiency. Although Implementer shall retain no ownership, interest, or title in the Developments except as may otherwise be provided in this Contract, it will have a permanent, royalty free, non-exclusive license to use such Developments.

13.2. Risk of Loss. Implementer shall have risk of loss of or damage to the undelivered Developments until completion of the Work.

#### 13.3. Infringement.

13.3.1. Implementer represents and warrants that the Work performed by Implementer and/or its Subcontractors shall be free of any claim of trade secret, trade mark, trade name, copyright, or patent infringement or other violations of any proprietary rights of any person.

13.3.2. Implementer shall defend, indemnify and hold harmless, SCE, its officers, agents, employees, successors and assigns from and against any and all liability, damages, losses, claims, demands, actions, causes of action, and costs including reasonable attorney's fees and expenses arising out of any claim, demand, or charge that use of the Work or Developments infringe upon any trade secret, trademark, trade name, copyright, patent, or other intellectual property rights.

## 14. INSURANCE

14.1. Implementer will maintain, and shall require its Subcontractors to maintain, the following insurance coverage or self insurance coverage, at all times during the term of this Contract, with companies having an A.M. Best rating of "A-, VII" or better, or equivalent:

14.1.1. Workers' Compensation: statutory minimum.

14.1.2. Employer's Liability coverage: \$1 million minimum.

14.1.3. Commercial General Liability: \$2 million minimum  
per occurrence/\$4 million minimum aggregate.

Such insurances shall acknowledge SCE, its officers, agents and employees as additional insureds, be primary for all purposes, contain standard cross-liability or severability of interest provisions, and waive all rights of subrogation against SCE its officers, agents, employees and other contractors or Subcontractors.

14.1.4. Commercial or Business Auto: \$1 million minimum.

Such insurance shall acknowledge SCE, its officers, agents and employees as additional insureds and be primary for all purposes.

14.1.5. Professional Liability (if applicable): \$1 million minimum.

14.2. Evidence of Insurance. Upon request at any time during the term of this Contract, Implementer shall provide evidence that its insurance policies and the insurance policies of any Subcontractor, as provided in this Section are in full force and effect, and provide the coverage and limits of insurance that Implementer has represented and warranted herein to maintain at all times during the term of this Contract.

14.3. Self-Insurance. If Implementer is self-insured, it shall upon request forward documentation to SCE that demonstrates to SCE's satisfaction that Implementer self-insures as a matter of normal business practice before commencing the Work. SCE will accept reasonable proof of self-insurance comparable to the above requirements.

14.4. Notice of Claims. Implementer shall immediately report to SCE, and promptly thereafter confirm in writing, the occurrence of any injury, loss or damage incurred by Implementer or its Subcontractors or their receipt of notice or knowledge of any claim by a third party of any occurrence that might give rise to such a claim.

14.5. Insurance Indemnification. If Implementer fails to comply with any of the provisions of this Section, "INSURANCE", or any insurance requirements in the Contract, Implementer shall, at its own cost, defend, indemnify, and hold harmless SCE, its affiliates and their officers, directors, agents, employees, assigns, and

successors in interest, from and against any and all liability, damages, losses, claims, demands, actions, causes of action, costs, including attorney's fees and expenses, or any of them, arising out of or in connection with the performance or non-performance of the Work by Implementer or any Subcontractor, or their officers, directors, employees or agents to the extent that SCE would have been protected had Implementer complied with all of the provisions of this Section.

## 15. CUSTOMER CONFIDENTIALITY REQUIREMENTS

15.1. Non-Disclosure. Implementer, its employees, agents and Subcontractors shall not disclose any Confidential Customer Information (defined below) to any third party during the term of this Contract or after its completion, without Implementer having obtained the prior written consent of SCE, except as provided by law, lawful court order or subpoena and provided Implementer gives SCE advance written notice of such order or subpoena. Notwithstanding any other provisions in the Contract, Implementer's nondisclosure obligations with respect to SCE Confidential Customer Information shall survive any expiration or termination of the Contract in perpetuity.

15.2. Confidential Customer Information. "Confidential Customer Information" includes, but is not limited to, an SCE customer's name, address, telephone number, account number and all billing and usage information, as well as any SCE customer's information that is marked "confidential". If Implementer is uncertain whether any information should be considered Confidential Customer Information, Implementer shall contact SCE prior to disclosing the customer information.

15.3. Non-Disclosure Agreement. Prior to any approved disclosure of Confidential Customer Information, SCE may require Implementer to enter into a nondisclosure agreement.

15.4. Commission Proceedings. This provision does not prohibit Implementer from disclosing non-confidential information concerning the Work to the Commission in any Commission proceeding, or any Commission-sanctioned meeting or proceeding or other public forum.

15.5. Return of Confidential Information. Confidential Customer Information (including all copies, backups and abstracts thereof) provided to Implementer by SCE, and any and all documents and materials containing such Confidential Customer Information or produced by Implementer based on such Confidential Customer Information (including all copies, backups and abstracts thereof), during the performance of this Contract shall be returned upon written request by SCE.

15.6. Remedies. The Parties acknowledge that Confidential Customer Information is valuable and unique, and that damages would be an inadequate remedy for breach of this Section 15 and the obligations of the Parties are specifically enforceable. Accordingly, the Parties agree that in the event of a breach or threatened breach of this Section 15 by Implementer, SCE shall be entitled to seek and obtain an injunction preventing such breach, without the necessity of proving

damages or posting any bond. Any such relief shall be in addition to, and not in lieu of, money damages or any other available legal or equitable remedy.

## 16. SECURITY INCIDENT PROVISIONS

### 16.1. SCE Personal Information.

16.1.1. Definition. SCE Personal Information is defined as any information in the possession or under the control of SCE or any of its affiliates, or that is furnished or made available by SCE or any of its affiliates to Implementer, that identifies, relates to, describes, or is capable of being associated with, any particular individual (whether SCE employee, customer, or otherwise), including, but not limited to, his or her name, signature, social security number, physical characteristics or description, address, telephone number, passport number, driver's license or state identification card number, insurance policy number, medical information or health insurance information, education, employment, employment history, bank account number, credit card number, debit card number, or any other financial information.

16.2. Nondisclosure of SCE Personal Information. Implementer, its employees, agents and Subcontractors shall not disclose any SCE Personal Information (defined above) to any third party during the term of this Contract or after its completion, without Implementer having obtained the prior written consent of SCE, except as provided by law, lawful court order or subpoena and provided Implementer gives SCE advance written notice of such order or subpoena.

16.2.1. Notwithstanding any other provision in the Contract or Contract, Implementer's nondisclosure obligations with respect to SCE Personal Information shall survive any expiration or termination of the Contract in perpetuity. Upon the expiration or termination of the Contract, or at any time upon request of SCE, all SCE Personal Information in any medium, including all copies or parts thereof, shall be returned to SCE or destroyed, except that Implementer may retain one copy of any materials prepared by Implementer containing or reflecting SCE Personal Information if necessary for compliance with its internal record-keeping or quality assurance requirements only. If destroyed, such destruction shall be certified in writing by Implementer.

16.3. Security Incidents. This section shall apply only to the extent Implementer is in possession or control of SCE Personal Information or SCE Confidential Customer Information.

16.2.1 Security Incident Response Plan. Implementer shall develop, implement and maintain a written plan and process for preventing, detecting, identifying, reporting, tracking and remediating Security Incidents ("Security Incident Response Plan" or "SIRP"). A Security Incident

shall mean an event or set of circumstances that result in a reasonable expectation of a compromise of the security, confidentiality or integrity of SCE data or information under the Implementer's control. Examples of Security Incidents include are but not limited to:

- (i) Security breaches to Implementer's network perimeter or to internal applications resulting in potential compromise of SCE data or information.
- (ii) Loss of physical devices or media, e.g., laptops, portable media, paper files, etc., containing SCE data.
- (iii) Lapses in, or degradation of, Implementer's security controls, methods, processes or procedures.
- (iv) The unauthorized disclosure of SCE data or information.
- (v) Any and all incidents adversely affecting SCE's or its affiliates', as the case may be, information assets.

16.2.2 SIRP General Requirements. Implementer's SIRP will include Security Incident handling and response procedures, specific contacts in an event of a Security Incident, the contacts' roles and responsibilities, and their plans to notify SCE or its affiliates, as the case may be, concerning the Security Incident. The SIRP must be based on and meet all requirements of the following:

16.2.2.1 U.S. federal and applicable state laws, statutes and regulations concerning the custody, care and integrity of data and information. In particular and without limitation, Implementer shall ensure that its SIRP and its business practices in performing work on behalf of SCE comply with California's Information Practices Act of 1977, California Civil Code §§ 1798.80 *et seq.*, which addresses among other things the provision of notice to SCE or its affiliates, as the case may be, of any breach of the security of SCE Personal Information if it is reasonably believed to have been acquired by an unauthorized person.

16.2.2.2 SCE information management and information security policies and procedures as made available to Implementer from time to time ("SCE Policies and Procedures"), including without limitation ITS-445 "Standards for Information Security Response – Third Parties."

16.2.3 Implementer Response to Security Incident. The following will apply in the event of a Security Incident:

16.2.3.1 Implementer will submit a Security Incident Report (SIR) to SCE's or its affiliates', as the case may be, IT Help Desk or IT Operations Center ("ITOC") in accordance with

SCE Policies and Procedures including ITS-445, and applicable law. The SIR shall be given promptly upon discovery of an SI and in any event not more than four (4) hours after discovery of a suspected SI, or sooner if required by law, statute or regulation. If additional time is required under the circumstances of the SI to ascertain the nature or extent of the SI, to stabilize the Computing System or to ensure the integrity of SCE's or its affiliates', as the case may be, data and information, then Implementer shall promptly notify SCE or its affiliates, as the case may be, in writing of the existence of an SI initially, and keep SCE or its affiliates, as the case may be, informed of developments and new information.

16.2.3.2 At SCE's or its affiliates', as the case may be, request, Implementer will meet with SCE or its affiliates, as the case may be, to discuss the cause of the Security Incident, Implementer's response, lessons learned and potential improvements to Implementer's system security processes and procedures.

16.2.4 Compromise of SCE Personal Information.

16.2.4.1 Additional SIRP Requirements for Personal Information. With respect to any SCE Personal Information in the possession or under the control of Implementer, to protect SCE Personal Information from unauthorized access, destruction, use, modification or disclosure, Implementer shall:

(a) Develop, implement and maintain reasonable security procedures and practices appropriate to the nature of the information to protect SCE Personal Information from unauthorized access, destruction, use, modification, or disclosure.

(b) Develop, implement and maintain data privacy and security programs with administrative, technical, and physical safeguards appropriate to the size and complexity of the Implementer's business and the nature and scope of Implementer's activities to protect SCE Personal Information from unauthorized access, destruction, use, modification, or disclosure.

16.2.4.2 Notice Requirements for Personal Information. In the event of a Security Incident where SCE Personal Information was, or is reasonably believed to have been, acquired by an unauthorized person, Implementer shall immediately provide the SIR required by Section 16.2.3. Such SIR shall state that SCE Personal Information

may be involved, and shall describe the suspected nature of such SCE Personal Information.

16.2.5 SIRP Review. At SCE's or its affiliates', as the case may be, request, Implementer shall review the SIRP at least annually with SCE's or its affiliates', as the case may be, designated representatives to identify updates, changes or potential improvements; and a process to document these changes within ninety (90) days of any such changes.

16.2.6 Document Retention. Implementer shall maintain all documentation relating to Security Incidents, whether in written or electronic form, including without limitation, their identification, processing and resolution, for two (2) years after final resolution of the Security Incident, including the final resolution of all claims arising out of the Security Incident.

16.2.7 Indemnification for Security Incidents. Implementer shall, at its own cost, defend, indemnify and hold harmless SCE, its affiliates, officers, agents, employees, assigns and successors in interest, from and against any and all liability, damages, losses, claims, demands, actions, causes of action, costs, including attorney's fees and expense, fines or penalties, or any of them, resulting from any Security Incident. Any limitation of liability that may be in the Contract or Contract shall not apply to this Section 16.2.7.

- 16.3 Implementer shall ensure that its employees, agents and contractors that perform services for Provider in connection with the Contract are informed of and comply with these Security Incident provisions.

## 17. CONFLICT OF INTEREST

Implementer affirms that, to the best of its knowledge, there is no actual or potential conflict of interest between Implementer, its employees or their families, Subcontractors, or business interests, and SCE. Implementer shall not hire any SCE employee or employee's spouse to perform any part of the Work. Implementer further affirms that it has set forth in its proposal for the Work: (i) all situations in which Implementer or an affiliated entity of Implementer has been or currently is an SCE Implementer, contractor, or employee; (ii) all situations in which Implementer or an affiliated entity of Implementer has been or currently is in a joint venture arrangement or licensing relationship with SCE (other than an Energy Leader Partnership); and (iii) any affiliated entity to which Implementer intends to subcontract any part of the Work. Implementer shall update such affirmations to SCE during performance of the Work within thirty (30) days following any change thereto.

## 18. TIME IS OF THE ESSENCE

Implementer hereby acknowledges that time is of the essence in performing their obligations under this Contract. Failure to comply with milestones and goals stated in this Contract, including but not limited to those set forth in Exhibit A of this Contract, may constitute a material breach of this Contract, resulting in its termination, payments being

withheld, Implementer Budgets being reduced or adjusted, funding redirected by SCE to other programs or partners, or other Program modifications as determined by SCE or as directed by the Commission. All Work must be performed and completed by October 15, 2014.

#### 19. IMPLEMENTER DISPUTES

Any unresolved disputes between Implementer and SCE shall be referred to an SCE management representative and an officer of Implementer for resolution. Pending resolution, Implementer shall continue to perform the Work as directed by the SCE Representative, and SCE shall continue to make payments for the undisputed items.

#### 20. RIGHT TO AUDIT

SCE and the Commission shall have the right to audit Implementer at any time during the term of this Contract and for five (5) years thereafter. An audit may include, but is not limited to, a review of Implementer's financial records relating to the Work, program implementation procedures, program marketing material, program implementation documents, field audits of Implementer employees or Subcontractors, energy efficiency savings provided by the program, funds spent to date, information relating to the substantiation of program expenditures, incentives paid to date, customers given incentives to date, lists of employees and respective duties, lists of Subcontractors and their respective responsibilities or service provided.

SCE may, in its sole discretion and at anytime, request information or data relating to the program, Work or this Contract, and Implementer shall provide such information in the format and within the time requested by SCE. Nothing in this provision shall limit the type, format or frequency of such requests by SCE.

#### 21. MODIFICATIONS

Except as otherwise provided in this Contract, changes to this Contract shall be only be valid through a written amendment/Change Order to this Contract signed by both Parties.

#### 22. TERM

This Contract shall be effective as of the Effective Date. Unless otherwise terminated in accordance with the provisions of Section 23 below, this Contract shall terminate at midnight November 31, 2014; provided however, that all Work and services shall be completed by the dates specified in the Statement of Work.

## 23. TERMINATION OR CANCELLATION

23.1. CPUC Authority To Modify: The Work and program under which the Work is authorized herein shall at all times be subject to the discretion of the California Public Utilities Commission (CPUC), including, but not limited to, review and modifications, excusing performance hereunder, or termination as the CPUC may direct from time to time in the reasonable exercise of its jurisdiction.

23.2. Termination for Convenience: Notwithstanding any other provisions of the Contract, SCE shall have the unilateral right to terminate the Work, or any portion thereof, or the Contract by the issuance of a Change Order, which shall not require Implementer's acceptance.

Subject to the provisions of Section 23.3 and 23.4 hereof, SCE shall pay Implementer the termination charges set forth in the Contract pro-rated to the effective date of termination. If termination charges are not set forth in the Contract, SCE shall complete the payments for all Work accepted by SCE. SCE, at its option, may take possession of any Material paid for by SCE. The provisions of this Section 23.2 shall be Implementer's sole remedy resulting from such termination.

23.3. Cancellation for Default. In the event of: (i) the breach of or failure of Implementer to perform any of its material obligations under the Contract including, but not limited to, failure to complete the Work on time or failure to make satisfactory progress or persistent failure to pay labor and material claims; (ii) the failure of Implementer to give SCE adequate assurance of performance within ten working days after written demand by SCE therefore when reasonable grounds for insecurity arise; or (iii) the insolvency, bankruptcy or receivership of Implementer, then SCE may (a) withhold payment of any further monies which may be due Implementer until such condition is cured, and/or (b) declare Implementer to be in default of the Contract and notify Implementer in writing of such declaration and shall be entitled to cancel the Contract in whole or in part effective immediately upon written notice thereof. Any cancellation pursuant to this Section 23.3 shall not be deemed a "termination" for the purposes of Section 23.2 hereof.

In the event of such cancellation, Implementer shall immediately stop Work and surrender to SCE's possession, complete and incomplete Documentation and other Information, Material, control and use of the Jobsite and all Implementer and SCE-owned equipment, facilities, and all other items which SCE may deem necessary or appropriate until the Work is completed. Implementer shall assign to SCE the outstanding subcontracts and Contracts as requested by the SCE Representative for such completion. SCE shall have the right to provide, or contract for, all additional labor, Material, and any other items which it may deem necessary to complete the Work.

If the total of all expenses incurred by SCE to complete the Work is greater than the sum which would have been payable under the Contract if Implementer had completed the Work, the difference shall constitute a claim against Implementer. Such claim shall be due and payable within ten working days after presentation of

the claim. Additionally, SCE shall have the right to pursue other remedies afforded by law.

23.4 Delivery of Materials: Without limiting the effect of the provisions of Sections 15 and 23.3 hereof, upon receipt of notice of termination or cancellation under this Section 23, Implementer shall immediately deliver to SCE all complete and incomplete Documentation, and all Material. If, at the time of termination or cancellation further sums are due Implementer, Implementer shall not be entitled to the sums until all Documentation and all Material required to be delivered to SCE are delivered.

23.5 Cessation of Work: Upon receipt of notice of termination or cancellation for any reason, Implementer shall promptly cease all Work except for additional Work that SCE may, in its discretion, request Implementer to perform. Additional Work shall be performed in compliance with the terms of the Contract.

#### 24. WRITTEN NOTICES

Any written notice, demand or request required or authorized in connection with this Contract, shall be deemed properly given if delivered in person or sent by facsimile, nationally recognized overnight courier, or first class mail, postage prepaid, to the address specified below, or to another address specified in writing by a Party as follows:

Implementer:  
City of Moreno Valley  
Chris Ormsby  
14177 Frederick Street  
Moreno Valley, CA 92553

SCE:  
Southern California Edison  
Scot Mann  
6042A N. Irwindale Ave,  
Irwindale, CA 91702

Notices shall be deemed received (a) if personally or hand-delivered, upon the date of delivery to the address of the person to receive such notice if delivered before 5:00 p.m., or otherwise on the Business Day following personal delivery; (b) if mailed, three (3) Business Days after the date the notice is postmarked; (c) if by facsimile, upon electronic confirmation of transmission, followed by telephone notification of transmission by the noticing Party; or (d) if by overnight courier, on the Business Day following delivery to the overnight courier within the time limits set by that courier for next-day delivery.

## 25. INDEPENDENT CONTRACTOR

Implementer is and will perform the work as an independent contractor for SCE. Nothing in this Contract shall be construed so as to render Implementer an employee, agent, representative, joint venturer or partner of SCE for purposes of carrying out this Contract. Implementer shall not enter into any contracts, agreements or other obligations with any other parties which bind, or are intended to bind, SCE without first receiving express written authorization from SCE. SCE and Implementer shall each maintain sole and exclusive control over its respective personnel and operations.

## 26. BENEFIT TO SCE CUSTOMERS

Ratepayer funded programs must directly benefit customers in the service territory from which the funds are collected. The energy efficiency program implemented pursuant to this Purchase Order is funded in whole or in part by funds collected from SCE's customers for public purpose programs, and therefore must directly benefit SCE's customers. Procurement Energy Efficiency Funds are defined as those certain funds collected from electric utility ratepayers pursuant to Section 381 of the California Public Utilities Code for public purpose programs, including energy efficiency programs approved by the CPUC.

## 27. ENVIRONMENTAL, HEALTH & SAFETY REQUIREMENTS

The "Southern California Edison ENVIRONMENTAL, HEALTH & SAFETY HANDBOOK FOR CONTRACTORS", dated January 10, 2010, is hereby incorporated by reference into this Contract. Implementer shall immediately notify the SCE Representative if Implementer is unable to meet ANY of the requirements set forth therein. SCE may cancel this Contract if Implementer fails to meet the requirements set forth in this Handbook. Such cancellation shall not be deemed a termination under the termination provisions of this Contract.

## 28. NON-DISCRIMINATION CLAUSE

No Party shall unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, and denial of family care leave. Each Party shall ensure that the evaluation and treatment of its employees and applicants for employment are free from such discrimination and harassment, and shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12990 (a)-(f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a)-(f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Contract by reference and made a part hereof as if set forth in full.

Each Party represents and warrants that it shall include the substance of the nondiscrimination and compliance provisions of this clause in all subcontracts for its Work obligations.

### 29. NON-DISCRIMINATION CLAUSE

None of the provisions of this Contract shall be considered waived by either Party unless such waiver is specifically stated in writing.

### 30. ASSIGNMENT

No Party shall assign this Contract or any part or interest thereof, without the prior written consent of the other Party, and any assignment without such consent shall be void and of no effect. Notwithstanding the foregoing, if SCE is requested or required by the Commission to assign its rights and/or delegate its duties hereunder, in whole or in part, such assignment or delegation shall not require Implementer's consent and SCE shall be released from all obligations hereunder arising after the effective date of such assignment, both as principal and as surety.

### 31. SEVERABILITY

In the event that any of the terms, covenants or conditions of this Contract, or the application of any such term, covenant or condition, shall be held invalid as to any person or circumstance by any court, regulatory agency, or other regulatory body having jurisdiction, all other terms, covenants, or conditions of this Contract and their application shall not be affected thereby, but shall remain in full force and effect, unless a court, regulatory agency, or other regulatory body holds that the provisions are not separable from all other provisions of this Contract.

### 32. GOVERNING LAW; VENUE

This Contract shall be interpreted, governed, and construed under the laws of the State of California as if executed and to be performed wholly within the State of California.

### 33. SECTION HEADINGS

Section headings appearing in this Contract are for convenience only and shall not be construed as interpretations of text.

### 34. SURVIVAL

Notwithstanding completion or termination of this Contract, the Parties shall continue to be bound by the provisions of this Contract which by their nature survive such completion or termination.

### 35. ATTORNEYS' FEES

Except as otherwise provided herein, in the event of any legal action or other proceeding between the Parties arising out of this Contract or the transactions contemplated herein, each Party in such legal action or proceeding shall bear its own costs and expenses incurred therein, including reasonable attorneys' fees.

36. PRIOR WORK.

In the event that Implementer performs any Work authorized by SCE but prior to the execution of this Contract, then such prior Work shall be considered performed subject to the provisions of this Contract.

37. ENTIRE AGREEMENT

This Contract (including all of the Exhibits and attachments hereto which are incorporated into this Contract by reference) contains the entire agreement and understanding between the Parties with respect to the Program and merges and supersedes all prior agreements, representations and discussions pertaining to the subject matter of this Contract.

38. COUNTERPARTS.

This Contract may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall be deemed to be one and the same instrument.

## ATTACHMENT 2– STATEMENT OF WORK

**Program Name:** City of Moreno Valley Strategic Plan Strategies Phase 3

**Implementer:** City of Moreno Valley (“City”)

**Program Budget:** \$100,920.00

### SECTION 1 – DESCRIPTION

Pursuant to Decision (D).09-09-047, the California Public Utilities Commission (CPUC or Commission) authorized Southern California Edison Company (SCE) to conduct strategic plan activities (the Strategic Plan Program) centered on Energy Efficiency (sometimes referred to as EE) and addressing the "Big, Bold" strategies and related local government goals found in the CPUC's California's Long-Term Energy Efficiency Strategic Plan (CEESP).<sup>1</sup> Based on this authorization, SCE conducted a solicitation seeking activities to fund that would lead to long-term, sustainable changes as opposed to supporting staffing resources or short-term initiatives that would cease to exist once the funding had ended.

#### A. Defined Terms

Capitalized terms not otherwise defined in the text of this Statement of Work (SOW) are defined in Appendix B, “Defined Terms,” attached hereto and incorporated by reference. Capitalized terms not otherwise defined in the text of this SOW or in Appendix B hereto shall have the meaning ascribed to them in SCE’s General Terms and Conditions (Ts&Cs) for both EE and Demand Response (DR), attached to the Contract and incorporated herein by reference.

#### B. Background

SCE initiated both Phases 1 and 2 of the local government EE strategic plan support solicitation during 2010, and these two phases are currently being implemented. Funding for Phase 3 solicitation for 2013-2014 was approved in CPUC D.12-11-015, issued on November 15, 2012.

The ultimate goal for each participating city or county government, or a regional government, representing one or more local jurisdictions that are currently participating in SCE’s Local Government or Institutional Partnerships (Implementer) in relationship to

---

<sup>1</sup> Visit [www.californiaenergyefficiency.com](http://www.californiaenergyefficiency.com) for a copy of the CEESP.

CEESP support, is to embed and institutionalize EE in its policies, programs, and processes and to establish a culture of EE within the Implementer's jurisdiction.

### **C. Objective**

Through the Program, the Implementer will deliver items listed in Table 6 of Appendix C (Strategic Plan "Support Menu") of this SOW, to develop and implement local government strategic plan support strategies during the years 2013-2014 timeframe.

## **SECTION 2 – GENERAL REQUIREMENTS**

### **A. Notice to Proceed (NTP)**

Implementer may start Work only upon the occurrence of each of the following:

1. Implementer receives a Contract, including "this SOW" from Contract Program Manager (CPM);
2. Implementer provides to the CPM a signed Contract; and
3. CPM provides to Implementer written notice to proceed with the Work (NTP).

### **B. License**

Within 10 Business Days of the CPM issuing the NTP, the Implementer and each of its sub-contractors will submit copies of any and all licenses and/or registrations required for the performance of the proposed Work to the CPM.

### **C. Goals**

Implementer must achieve delivery of project milestones and dates as outlined and agreed to by the CPM. The CPM will review the number of projects, tasks, and deliverables completed to assess Work progress.

### **D. Coordination with the CPM**

Implementer must achieve delivery of Work milestones and dates. The CPM will review the SOW requirements, including tasks and deliverables completed, to assess Work progress.

## **SECTION 3 – SCOPE OF WORK**

The Work will consist of the following tasks supporting the CEESP goals specifically set forth by SCE and accepted by Implementer:

## Task 1: Program Ramp-Up

### A. Attend Program Kick-off Meeting

Implementer's representative(s) will attend a Program kick-off meeting with the CPM to discuss Program logistics, evaluation, monitoring and verification coordination, invoicing requirements, SOW, and any remaining Contract issues at a time and location designated by SCE.

To avoid duplication and unnecessary expenditures, the CPM will provide information and guidance regarding currently available resources (e.g., available training programs, templates, etc.) that will be used by the Implementer in assessing pre-existing resources. This will enable the Implementer to focus efforts on the areas in each task where gaps exist.

### B. Program Data, Invoicing, and Reporting Tool Training

The Implementer will attend the kick-off meeting to be trained on the use of SCE's invoicing and reporting tool (IR Tool). Thereafter, the Implementer will use the IR Tool to provide the CPM invoices and Monthly Reports each Month.

#### Deliverables:

Task 1 – Deliverable(s)	Due Date(s)
1. Attend a Program Kick-off meeting that includes IR Tool training.	Determined by SCE after the issuance of the NTP.
2. Delivery of updated IR Tool to CPM for review and approval.	IR Tool training plus five (5) Business Days.

## Task 2: Redesign Forms: Enforcement Compliance, Plan Review Processes (SP Task 2.1.2)

The Implementer will redesign forms and hand-outs, and create hand-out(s) pertaining to CalGreen and the incorporation of EE into construction projects within the City. These forms will help developers and homeowners by providing information early in the process, and will reflect the updated changes to Title 24 and CalGreen through the end of 2013.

Through this task the City will evaluate the processes of other cities, including information, forms, and processes on processing permits and plans for CalGreen compliance. Forms and handouts will be developed based on this evaluation.

### A. Task Goals and Objectives

The Implementer will fulfill the following goals and objectives:

- Increase code compliance; and
- Encourage “reach” projects through the cross-marketing of energy efficient measures that are eligible for utility incentives.

Implementer will provide all materials developed under this task to CPM for review and comment:

**1. Report on Status of Implementer or Subcontractor to Support the Task:**

Implementer will submit monthly reports on the status of hiring expertise to integrate energy efficiency opportunities into the existing permitting processes, and development of materials.

**2. Assessment and Planning Report Form Redesign (Draft and Final):** In preparation for the form and hand-out redesign, Implementer will research and examine the forms used by other cities, including information, forms and processes on processing permits and plans for CalGreen compliance of other local governments to gain insight from their experiences. From this review the Implementer will determine its strategy for re-designing its forms, etc., including:

- Forms Retained Without Modification
- Forms Revised
- Forms Eliminated
- Forms Added
- Fact or Information Sheets Added

**3. Development of Forms and Hand-outs (Draft and Final):** The Implementer will redesign designated forms and hand-outs, and create hand-out(s) pertaining to CalGreen and the incorporation of EE into construction projects. These forms will help developers and homeowners by providing information early in the process. These forms will reflect all changes to Title 24 and CalGreen through the end of 2013. Final forms will be made available at the counter and on the City’s website.

**4. Best Practices and Lessons Learned Report:** Implementer will prepare a draft report describing lessons learned and its understanding of best practices experienced during the development and implementation of the compliance policies. Implementer will also submit a draft Plan for sharing this report with other local governments.

Based on feedback received during the draft review, Implementer will take steps to assure that the final version of the Plan will meet the needs of the City and local governments.

5. **Monthly Status Report:** Implementer will provide a Monthly Report of all on-going activities including a list of Monthly achievements and outstanding issues.

## B. Task Performance Indicators

The Implementer shall report on the following in Monthly Status Reports:

1. Number of forms that have been completed in the following categories:
  - a. Forms Retained Without Modification
  - b. Forms Revised
  - c. Forms Eliminated
  - d. Forms Added
  - e. Fact or Information Sheets Added

### Deliverables:

Task 3 Deliverable(s)	Due Date(s)
1. Report on Status of Implementer or Subcontractor to Support the Task	NTP plus 1 Month.
2. Draft Assessment and Planning Report Form Redesign	NTP plus 5 Months.
3. Final Assessment and Planning Report Form Redesign	NTP plus 6 Months.
4. Draft Forms and Handouts	NTP plus 9 Months.
5. Final Forms and Handouts	NTP plus 11 Months.
6. Best Practices and Lessons Learned Report	NTP plus 13 Months.
7. Monthly Status Report	Monthly with Invoicing Requirements

## Task 3: LEED Standards for New Municipal Facilities (SP Task 3.2.2)

The City will prepare and adopt a policy requiring new city buildings to be designed consistent with more efficient standards than currently required. As part of the task, the City will:

- Implement a measure that is included in the City's Energy Action Plan and Climate Action Strategy.
- Develop a standard that requires new City buildings to meet LEED standards without actually being LEED-certified. Since LEED-certification is costly, this standard would result in buildings that are more energy efficient than simply meeting code while avoiding the cost of LEED-certification.
- Review similar standards established by other local governments to leverage their efforts.

#### A. Task Goals and Objectives

Implementer will provide all materials developed under this task to CPM for review and comment:

1. **Report on Status of Consultant or Subcontractor to Support the Task:**  
Implementer will submit a report on the status of hiring the necessary expertise to develop and adopt a policy to require LEED Standards for municipal facilities.
2. **Assessment and Planning Report To Develop LEED Standards for New Municipal Facilities (Draft and Final):** To facilitate development of a policy to require LEED Standards for municipal facilities, Implementer will assess existing Program standards for municipal facilities. Based on this assessment, Implementer will prepare a plan for developing a policy that requires municipal facilities to meet LEED Standards. Through this task the Implementer will establish a specific policy addressing energy efficiency in municipal buildings. The plan will describe the process the Implementer will use to develop this standard.
3. **Draft LEED Standards for New Municipal Buildings:** Implementer will prepare a draft policy requiring municipal facilities to meet LEED Standards.

The policy will include description of building characteristics that would be covered by the policy (for example: minimum building size, building age and maximum number of occupants). The policy will also outline the financial impact to implement the LEED policy, and describe how the LEED policy will be implemented.

Implementer will submit the draft policy to the CPM and relevant stakeholders for review and comment.

4. **Final LEED Standards for New Municipal Buildings:** Based on feedback received from the CPM and stakeholders, Implementer will prepare a final policy requiring municipal facilities to meet LEED Standards for presentation to the City Council for review and approval.

5. **Submit LEED Standards for New Municipal Buildings to City Council for adoption:** Implementer will submit the final policy to City Council for review and adoption. If adopted, Implementer will provide documentation to the CPM that the standard was adopted, as well as the date the policy will be effective. If the policy is not adopted, Implementer will report the reasons for the rejection and alternative plans to be considered to accomplish adoption of the policy.
6. **Monthly Status Report:** Implementer will provide a monthly report of all on-going activities including a list of monthly achievements and outstanding issues.

#### B. Task Performance Indicators

The Implementer will, at a minimum, track the following through the IR Tool:

1. Baseline energy production/consumption for projects with LEED standards and for the same project without the adopted LEED standards.

The rationale and benefits of the proposed scope of work include the following:

1. Consensus-based solutions to minimize activities contributing to energy use and related emissions, and promote energy efficiency throughout the County.
2. Detailed programs, policies, and implementation measures to achieve the solutions identified.

#### Deliverables:

Task 4 Deliverable(s)	Due Date(s)
1. Report on Status of hiring Consultant or Subcontractor to Support the Task	NTP plus 1 Month.
2. Assessment and Planning Report for the Development of LEED Standards for New Municipal Facilities	NTP plus 5 Months.
3. Draft LEED Standards for New Municipal Facilities	NTP plus 8 Months.
4. Final LEED Standards for New Municipal Facilities	NTP plus 11 Months.
5. Policy submitted to City Council for adoption; if adopted, provide written policy and evidence the policy was adopted by the local government; effective date of plan; if rejected, reasons for rejection and alternative plans.	NTP plus 12 Months.

6. Monthly Status Reports	Monthly with Invoicing Requirements
---------------------------	-------------------------------------

#### **Task 4: Update the Implementer's General Plan With a Discussion of Energy Efficiency (SP Task 4.1.3)**

The Implementer will update the conservation element of its General Plan to include a detailed discussion of energy efficiency. The updated General Plan will provide an overview of the larger context of energy efficiency policy, and the City's recently approved Climate Action Strategy and Greenhouse Gas Analysis. The final General Plan document will provide useful information that can be integrated into the planning efforts for use by the general public, private developers, and city staff or other governmental entities.

This task will involve research and analysis to develop appropriate General Plan text, input from stakeholders, and public hearings on the General Plan Amendment. The Implementer will:

- Research and examine how other cities have integrated energy policy into their General Plans.
- Evaluate the City's current General Plan-Conservation Element to identify the most effective means of integrating the modified text which will focus on energy efficiency policy.
- Conduct public outreach, including at least one public meeting.
- Prepare draft text for the General Plan update.
- Prepare staff reports for Planning Commission and City Council.
- Provide information to decision-makers as needed.
- Upon approval by the City Council, coordinate with Media Services to update the General Plan on the City's website, and coordinate web links between the City's General Plan document, and the City's other energy policy documents (e.g., Climate Action Strategy), and/or the City's green webpage ("G.R.E.E.N. MoVal").

#### **A. Task Goals and Objectives**

Implementer will provide all materials developed under this task to CPM for review and comment:

1. **Report on Status of Consultant or Subcontractor to Support the Task:**  
Implementer will submit a monthly report on the status of hiring expertise to accomplish the Task.
  
2. **Assessment and Planning Report for Updating the General Plan With a Discussion of Energy Efficiency (Draft and Final):** In preparation for an appropriate update to the General Plan, Implementer will research and examine how other local governments integrated energy efficiency policy in their General Plans to gain insight from their experiences. Thereafter, the implementer will review and assess its current General Plan-Conservation Element to identify the most effective means of integrating the modified text which will focus on energy efficiency policy. The Implementer will provide a Report detailing the findings.  
  
Based on feedback received during the draft review, the Implementer will submit a final draft of the Assessment and Planning Report.
  
3. **Conduct and Report on Public Review:** Implementer shall conduct as least one public meeting. Implementer shall include list of meeting(s)/workshop(s) conducted, list of issues discussed, resolutions and accords reached, and list(s) of attendees.
  
4. **Updated General Plan with a Discussion of Energy Efficiency (Draft and Final):** Implementer will update the Conservation Element of its General Plan for the purpose of including an updated and detailed discussion of energy efficiency in the General Plan. The updated General Plan will provide an overview of the larger context of energy efficiency policy, and the Implementer's recently approved Climate Action Strategy and Greenhouse Gas Analysis. The final General Plan document will provide useful information that can be integrated into the planning efforts for use by the general public, private developers, and City staff or other governmental entities.
  
5. **Submit Updated General Plan Language to City Council for Adoption:** If the updated language is adopted, Implementer shall submit documentation of the adoption, including the date the policy becomes effective, to the CPM. If policy is rejected, Implementer shall submit memo report on reasons for rejection and its consideration of alternate plans for achieving amendment of the General Plan language consistent with the intent of this task.
  
6. **Report on Dissemination of Lessons Learned/Best Practices to Other Municipalities:** Upon approval by the City Council, Implementer will coordinate with Media Services to update the General Plan on the City's website, and coordinate web links between the City's General Plan document, and the City's other energy policy documents (eg. Climate Action Strategy), and/or the City's green webpage ("G.R.E.E.N. MoVal")..

7. **Monthly Status Reports:** Implementer will provide a monthly report of all on-going activities including list of monthly achievements and outstanding issues;

## B. Task Performance Indicators

The Implementer will, at a minimum, track the following through the IR Tool:

1. Number and type of public workshops conducted; and
2. Number of participants at each public workshop conducted.

### Deliverables:

<b>Task 5 - Deliverable(s)</b>	<b>Due Date(s)</b>
1. Report on Status of Consultant or Subcontractor to Support the Task	NTP plus 1 Month.
2. Draft Assessment and Planning Report for Updating the General Plan With a Discussion of Energy Efficiency	NTP plus 5 Months.
3. Final Assessment and Planning Report for Updating the General Plan With a Discussion of Energy Efficiency	NTP plus 6 Months.
4. Draft General Plan Update with EE Discussion	NTP plus 7 Months.
5. Conduct and Report on Public Review	NTP plus 8 Months.
6. Final General Plan Update with EE Discussion	NTP plus 8 Months.
7. 7.8. Submit Updated General Plan to Planning Commission for Adoption	NTP plus 9 Months.
8. Submit Updated General Plan to City Council for Adoption	NTP plus 11 Months.
9. Report on Dissemination of Lessons Learned/Best Practices to Other Municipalities	NTP plus 13 Months.
10. Monthly Status Reports	Monthly with Invoicing Requirements

## **Task 5: Municipal Code Amendment to Provide Residential Density Bonuses for Energy Efficient Projects (SP Task 1.1.5)**

### A. Task Goals and Objectives

Through this task the City will develop a municipal code amendment to establish “density bonuses” for new residential developments that exceed Title 24 building code criteria, and to allow and encourage integration of Energy Efficiency (EE) into building design. The Implementer will develop a draft ordinance that would provide density bonuses for projects that incorporate specific criteria into their building design that result in achieving a quantifiable percentage reduction in energy usage beyond the Title 24 building code requirement. Energy producing measures (e.g., solar photovoltaic) would be excluded. New residential developments would meet these criteria by incorporating EE measures into the building design. The Implementer will conduct research and analysis to assess the parameters used for establishing density bonuses for all new residential developments within the City. Staff will obtain input from internal stakeholders and the development community concerning density bonuses for residential projects based on EE, which will also include determining the percentage to be achieved beyond the minimum Title 24 building code.

Implementer will provide all materials developed under this task to CPM for review and comment:

- 1. Report on Status of Implementer or Subcontractor to Support the Task:**  
Implementer will submit monthly reports on the status of hiring subcontractor or consultant with expertise necessary to complete the activities in this task.
- 2. Assessment and Planning Report for Municipal Code Amendment to Provide Residential Density Bonuses for Energy Efficient Projects (Draft and Final):** In preparation for the development of municipal code amendments that will provide residential density bonuses for energy efficient projects, Implementer will review available information on the manner in which energy efficiency and density bonuses can be developed. This Assessment and Planning Report will present the plan for developing the performance criteria that a project must achieve to qualify for the density bonus. These criteria can be met by incorporating energy efficiency measures into the building design. The plan will discuss the analytic methodology required to conduct the research needed to for these tasks.
- 3. Draft Municipal Code Amendment:** The Implementer will evaluate alternative scenarios for density bonuses and the energy efficiency criteria to qualify for a density bonus. Based on this analysis, a draft municipal code amendment will be developed. Implementer will obtain input from the public and prepare a draft for review by internal stakeholders, including the Planning Commission and City Council.
- 4. Report on Stakeholder Input:** Implementer will report activities conducted with public and City officials. The report will include: list of stakeholder meetings,

workshops, and other processes used to elicit public input; list of all attendees and contact information by workshop; and discussion on how input was used in refining the proposed code amendment.

5. **Final Municipal Code Amendment:** Based on feedback received during the draft review and stakeholder input, Implementer will prepare a final Municipal Code Amendment for final review by the Planning Commission and review and approval by the City Council.
6. **Submit Municipal Code Amendment to Planning Commission and City Council for Review and Adoption:** Implementer Staff will submit the Municipal Code Amendments to the Planning Commission for review and the City Council for review and approval. If the amendments are adopted, Implementer will submit documentation of the approval, as well as the date the amendments become effective. If the amendment is not adopted, Implementer will submit documentation to SCE that details the reasons for rejection, and alternate plans to be considered to increase the likelihood of adoption at a later date.
7. **Monthly Status Reports:** Implementer will provide a Monthly Report of all on-going activities including a list of Monthly achievements and outstanding issues.

## B. Task Performance Indicators

The Implementer will, at a minimum, track the following information through the IR Tool:

- Status of the completion of the Municipal Code Amendment
- Stakeholder input
- Adoption by City Council
- If the Municipal Code Amendment is not adopted, Implementer will provide reasons why they were not adopted and provide alternative steps to be considered.

## Deliverables:

Task 5 - Deliverable(s)	Due Date(s)
1. Report on Status of Implementer or Subcontractor to Support the Task	NTP plus 1 Month.
2. Draft Assessment and Planning Report for Municipal Code Amendments to Allow & Encourage Integration of EE, Distributed	NTP plus 2 Months.

Generation, and Density Bonuses	
3. Final Assessment and Planning Report for Municipal Code Amendment to Allow & Encourage Integration of EE, Distributed Generation, and Density Bonuses	NTP plus 2.5 Months.
4. Draft Municipal Code Amendments	NTP plus 8 Months.
5. Report on Stakeholder Input	NTP plus 10 Months.
6. Final Municipal Code Amendments	NTP plus 11 Months.
7. Submit Municipal Code Amendments to Planning Commission for Review	NTP plus 11 Months.
8. Submit Municipal Code Amendments to City Council for Adoption; provide effective date of code, or reasons for rejection and alternate plans considered	NTP plus 12 Months.
9. Monthly Status Reports	Monthly with Invoicing Requirements

## Task 6: Invoicing and Reporting

### A. Invoicing

The Implementer will submit to the CPM an Invoice which includes supporting documentation in accordance with the requirements delineated Appendix A, “Invoicing Requirements” and the Contract (Section 10).

SCE may amend the invoicing requirements from time to time, at which time SCE will notify Implementer of the changes and issue a Change Order. Implementer will implement these modifications in a timely manner and reflect any changes in future invoice documentation.

### B. Reporting

The Implementer will submit to the CPM all required reports initially as a draft for review and approval by the CPM. Implementer will be responsible for implementing, adhering to, and the submission of, the items as described in Appendix D, “Regulatory Reporting Requirements” and the Contract (Section 9).

SCE may amend the reporting requirements from time to time, at which time SCE will notify Implementer of the changes and issue a Change Order. Implementer will implement these modifications in a timely manner and reflected in future invoice documentation.

**Deliverables:**

<b>Task 6 Deliverable(s)</b>	<b>Due Date(s)</b>
1. Prepare and submit invoices and supporting documentation to SCE	15th Calendar Day of the Month per Appendix A, "Invoicing Requirements"
2. Submit final invoice to SCE	April 15, 2015
3. Prepare and submit Monthly Report to SCE	15th Calendar Day of the Month per Appendix D, "Regulatory Reporting Requirements"
4. Submit Commission reports	Semi-annually and annually

**Task 7: Ramp-Down and Shut-Down Program****A. Program Shut-Down**

All Program operations will be completely shut down after the last day of the effective period of the Contract, and no later than December 31, 2014, with the exception of preparation and submittal of the Final Report, as defined in Task 8.

**Deliverables:**

<b>Task 7 Deliverable(s)</b>	<b>Due Date(s)</b>
1. Complete all services	No later than December 31, 2014.

**Task 8: Submit Final Program Report**

After Program completion, the Implementer will submit a final report that reviews the Program's progress and accomplishment (the "Final Report"). The Final Report will include the information referenced in Appendix E, "Final Program Report Template".

**Deliverables:**

<b>Task 8 Deliverable(s)</b>	<b>Due Date(s)</b>
1. Submit draft Final Report for SCE review and approval	No later than February 15, 2015
2. Submit revised Final Report for SCE review and approval	The earlier of March 31, 2015 or within 2 weeks of receipt of SCE comments

## SECTION 4 – PAYMENT

### A. Payment Terms

The Program will utilize a 100% time and material based payment (T&M Payment) structure based on the fully burdened billing rates contained in Section 4, Table 1. All payments will be subject to Appendix A, “Invoicing Requirements” and the Contract (Section 10).

**Table 1: Fully Burdened Hourly Rates by Title<sup>2</sup>**

Staffing Direct Labor	Responsibility	Hourly Rate (U.S. Dollars)	Estimated % of Time
Planning Official	Supervision of ordinance & policy preparation, review ordinances, review options for proposed workshop(s), & input on final workshop approach(es)	\$175.00	5%
Building Official	Participation in training, and review and approval of proposed training(s)	\$175.00	2%
Associate/Senior Planner	Project manage, complete required research, identify best policy approach(es), prepare rough drafts, & coordinate ordinance preparation & proposed workshop(s)	\$150.00	80%
Building Staff	Assistance/input on redesigning forms.	\$100.00	2%
Planning Technician	Coordinate accounting and invoicing	\$100.00	6%
<b>Total</b>			<b>100%</b>

### B. Implementer's Budget Breakdown

The Work budget is divided into three cost categories described as:

- **Administrative Costs:** Typically, program overhead costs, such as staff labor/benefits, employee expenses, and miscellaneous general expenses that are not marketing and outreach (Marketing and Outreach), direct implementation, or incentive/rebate costs. These costs will usually be for labor incurred in preparing invoices and reporting (monthly, semi-annual and ad hoc).

<sup>2</sup> Fully burdened rates are defined as “Labor Related Cost Under Time and Materials Basis” in Section 10 of the Contract.

- **Marketing and Outreach Costs:** Typically, marketing costs such as collateral material, outreach costs such as promotional events, and staff labor associated with incurring marketing costs and activities.
- **Direct Implementation Costs:** Costs related to activities directly tied to, and associated with, the development and the implementation of the proposed Work, including subcontractor costs.
- **Total Two-Year Budget:** Sum of the components listed above.

The Implementer's Budgets by cost category are shown for each task in Table 2 through Table 5.

**Table 2: Implementer's Budget (Task 2)**

<b>Task 2 Budget Breakdown</b>		
<b>Allowable Cost</b>	<b>%</b>	<b>\$</b>
(1) Administration	10%	\$1,682
(2) Marketing and Outreach	5%	\$841
(3) Direct Program Implementation	85%	\$14,297
<b>Total Implementer Budget: (1)+(2)+(3)</b>	<b>100%</b>	<b>\$16,820</b>

**Table 3: Implementer's Budget (Task 3)**

<b>Task 3 Budget Breakdown</b>		
<b>Allowable Cost</b>	<b>%</b>	<b>\$</b>
(1) Administration	10%	\$1,682
(2) Marketing and Outreach	5%	\$841
(3) Direct Program Implementation	85%	\$14,297
<b>Total Implementer Budget: (1)+(2)+(3)</b>	<b>100%</b>	<b>\$16,820</b>

**Table 4: Implementer's Budget (Task 4)**

<b>Task 4 Budget Breakdown</b>		
<b>Allowable Cost</b>	<b>%</b>	<b>\$</b>
(1) Administration	10%	\$4,205
(2) Marketing and Outreach	2%	\$841

(3) Direct Program Implementation	88%	\$37,004
<b>Total Implementer Budget: (1)+(2)+(3)</b>	<b>100%</b>	<b>\$42,050</b>

**Table 5: Implementer's Budget (Task 5)**

<b>Task 5 Budget Breakdown</b>		
<b>Allowable Cost</b>	<b>%</b>	<b>\$</b>
(1) Administration	10%	\$2,523
(2) Marketing and Outreach	3%	\$631
(3) Direct Program Implementation	87%	\$22,076
<b>Total Implementer Budget: (1)+(2)+(3)</b>	<b>100%</b>	<b>\$25,230</b>

### C. Program Budget Limit

In no event will the Implementer exceed the total amount budgeted by SCE for the Contract related to this SOW of \$100,920.00.

### D. Performance Indicators

SCE will, at a minimum, monitor the Work based on the following Program Performance Indicators:

- Progress made against the goals, deliverables, and due dates above; and
- Actual performance versus predicted performance as outlined herein.

## APPENDIX A: INVOICING REQUIREMENTS

### A. Invoicing Instructions

#### 1. Advance Copy to CPM

An advance electronic copy of Implementer's invoice (Advance Copy) must be submitted to the CPM by the 15<sup>th</sup> Calendar Day of each month, and include the following attachments:

- Invoice Summary Page section of this Appendix A (see Item B.1 below); and
- All information outlined in the Time and Materials Invoicing Requirement section of this Appendix A (see Item B.2 below).

#### 2. Final Invoice to Accounts Payable

Upon CPM approval of the Advance Copy, the Implementer will submit a hard copy invoice (Final Invoice) to Accounts Payable within two (2) Business Days thereafter. The hard copy invoice must include the following attachments:

- Invoice Summary Page (see Item B.1 below);
- All information outlined in the Time and Materials Invoice Requirement section of this Appendix A (see Item B.2 below); and
- Any additional substantiating documentation, as requested at the sole discretion of the CPM or procurement agent.

**Mail an original and one copy of the Final Invoice to the following address:**

Southern California Edison Company  
Accounts Payable Division  
P.O. Box 700  
Rosemead, CA 91770

**Send an electronic copy of the Final Invoice to the CPM.**

If rates, rate format or rate components are different from that stated in the Contract, payment may be delayed due to necessary validation of the invoice.

Failure to comply with invoice instructions or any other terms and conditions of the Contract may result in adjustment or rejection of the invoice.

### B. Invoicing Requirements

**1. Invoice Summary Page:** All invoices must contain an invoice summary page with, at a minimum, the following information:

- SCE's Contract number;
- Task description;
- Total amount authorized;
- Current monthly amount invoiced (including the task(s));
- Cumulative amount invoiced to date (including the task(s)); and
- Statement of deliverables for the period.

**2. Time and Materials Invoicing Requirements**

In addition to the invoice instructions contained herein, the Implementer will also refer to Section 10 of the Contract for additional invoicing instructions.

Each invoice will provide sufficient detail to identify the following elements:

- Personnel work dates;
- Personnel work hours by name and classification;
- Personnel work rates: fixed hourly billing rates;
- Description of work performed - by person, by day, broken down no less than by the hour by task in sufficient detail to identify work performed;
- Itemized receipts for material and subcontract costs;
- Itemized receipts for "Out-of-Pocket" expenses authorized by the Contract;  
and
- Itemized receipts for authorized travel costs or detail of trips for which authorized mileage is charged.

## APPENDIX B: DEFINED TERMS

1. **Baseline Data:** The initial base metric for comparing the net result of programmatic changes versus what would have happened in the absence of the Program or activity.
2. **Business Day:** The period from one midnight to the following midnight, excluding Saturdays, Sundays, and holidays.
3. **Calendar Day:** The period from one midnight to the following midnight, including Saturdays, Sundays, and holidays.
4. **California Public Utilities Commission (“CPUC” or “Commission”):** Public agency that regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.
5. **Contract(s):** Agreement entered into between SCE and the Implementer which authorizes the Work, states the commercial terms, incorporates by reference SCE’s Ts&Cs (or a different set of terms and conditions mutually agreed upon between SCE and the Implementer), a Statement of Work, and other referenced documents, all of which form the contract between SCE and the Implementer to perform the Work described herein. The term “Contract(s)” will have the same definition and meaning ascribed to as the term “Agreement(s)” under SCE’s Ts&Cs.
6. **Contract Program Manager (CPM):** The SCE Representative who will manage the Program.
7. **Customer:** For purposes of this SOW, Customer shall mean any customer of SCE that is within the Implementer’s jurisdiction.
8. **Demand Response or DR:** Sometimes referred to as load curtailment or reduction. Mechanisms (such as interruptible rates, bill credits) are used to encourage consumers to use energy at different (lower cost) times of day or to interrupt energy use for certain equipment temporarily, usually in direct response to an event or price signal.
9. **Energy Efficiency or EE:** An action, appliance or device that reduces the total electric consumption of a Customer, while maintaining a level of service that is the same or better than before.
10. **Local Government or Institutional Partnership Programs:** A program that coordinates efforts of a utility and a local government or other entity to use the strengths of both parties to achieve energy savings goals.
11. **Marketing and Outreach:** Communications activities designed to identify, reach, and

motivate potential Customers to take actions to either learn more about or invest in EE opportunities.

## 12. Measures

- Specific Customer actions which reduce or otherwise modify energy end-use patterns.
- A service or a product whose installation and operation at a Customer's premises results in a reduction in the Customer's on-site energy use, compared to what would have happened without the service or product installation.

13. **Month or Monthly:** A term ending on the last Calendar Day of each month.

14. **Performance Indicators:** Specific, measureable, actionable, realistic and time-specific requirements that will directly and measurably contribute to SCE's business

15. **SCE Invoice and Reporting Tool (IR Tool):** SCE's invoicing and reporting tool that uses either a Web-based interface or a database format as determined by the CPM to collect program information. See Appendix A, "Invoicing Requirements," and Appendix D, "Regulatory Reporting Requirements" for more information.

16. **Title 24:** California Code of Regulations (CCR), Title 24, also known as the California Building Standards Code (composed of 12 parts). Title 24, Part 6 sets forth California's energy efficiency standards for residential and nonresidential buildings and was established in 1978 in response to a legislative mandate to reduce California's energy consumption. The standards are updated periodically to allow consideration and possible incorporation of new energy efficiency technologies and methods. Title 24, Part 6 is the focus of the Work under this Contract.

17. **Work:** Any and all obligations of Implementer to be performed for SCE and Customers pursuant to and during the term of the Contract resulting from this SOW, any revision to such Contract, or a subsequent amendment or Change Order. The Work will include, without limitation the Work described in Section 3 of this SOW.

## APPENDIX C: STRATEGIC PLAN SUPPORT MENU

**Table 6. Strategic Plan Support Menu**

Strategic Plan Goal 1: Local governments lead adoption and implementation of “reach” codes stronger than Title 24 on both mandatory and voluntary bases.		
<b>STRATEGY</b>	<b>1.1</b>	Adopt codes, ordinances, standards, guidelines or programs that encourage or require building performance exceeding state requirements. The focus should be on using existing models, or if there is something new and unique, that it be replicable.
<b>TASKS</b>	1.1.1	Adopt building energy codes more stringent than Title 24’s requirements, using cost-effectiveness studies by Climate Zone done by the utilities; adopt one or two additional tiers of increasing stringency.
	1.1.2	Adopt a Green Building policy for municipal development, commercial development and/or residential development.
	1.1.3	Develop/adopt point of sale programs such as a Residential or Commercial Energy Conservation Ordinance. Focus on whole building performance.
	1.1.4	Change local codes to allow and encourage integration of EE, demand response, and on-site generation.
	1.1.5	Develop and adopt programs to encourage energy efficiency such as one-stop permitting, on-line permitting, separate Zero Net Energy (ZNE) permit processes, density bonuses, or a recognition program.
	1.1.6	Develop educational programs for local elected officials, building officials, commissioners, and stakeholders to improve adoption of EE codes, ordinances, standards, guidelines and programs.
<b>STRATEGY</b>	<b>1.2</b>	Implement codes, ordinances, standards, guidelines or programs that encourage building performance exceeding state standards.
<b>TASKS</b>	1.2.1	Implement any of the Tasks under Strategy 1.1 above, through a process involving internal and external stakeholders, etc.
Strategic Plan Goal 2: Strong support from local governments for energy code compliance enforcement.		
<b>STRATEGY</b>	<b>2.1</b>	Improve processes resulting in increased code compliance through education, training, and enforcement practices.
<b>TASKS</b>	2.1.1	Local government staff and contract staff attend code compliance workshops offered by the California Energy Commission (“CEC”), utility codes & standards staff, or other local governments with strong compliance records.
	2.1.2	Redesign enforcement, compliance, plan review processes; introduce new forms and templates.
Strategic Plan Goal 3:		

<b>Local governments lead by example with their own facilities and energy usage practices.</b>		
<b>STRATEGY</b>	<b>3.1</b>	Develop a program to track municipal energy usage, such as through energy management software and benchmarking of municipal facilities.
<b>TASKS</b>	3.1.1	Develop energy benchmarking policies and procedures to enable ongoing benchmarking of all local government facilities.
	3.1.2	Set up a 'utility manager' computer program to track municipal usage. Identify need for sub-metering to plan, budget and manage bills.
<b>STRATEGY</b>		
<b>STRATEGY</b>	<b>3.2</b>	Adopt a Climate Action Plan (CAP), Energy Action Plan (EAP) for municipal operations. The plan could include setting energy efficiency standards for new and existing facilities, developing a revolving loan fund for EE projects, and so on.
<b>TASKS</b>	3.2.1	Develop/adopt an energy chapter for City/County climate or energy action plan.
	3.2.2	Adopt a policy to require Leadership in Energy and Environmental Design (LEED), Energy Star Ratings, or other program standard for municipal facilities.
	3.2.3	Develop policy for a revolving EE fund for City/County facilities.
	3.2.4	Develop commissioning/retro-commissioning policies for municipal facilities.
<b>Strategic Plan Goal 4: Local governments lead their communities with innovative programs for EE, sustainability and climate change.</b>		
<b>STRATEGY</b>	<b>4.1</b>	Adopt a CAP, EAP, or adopt EE language into another policy document, such as a General Plan, to reduce community greenhouse gas emissions with a focus on EE.
<b>TASKS</b>	4.1.1	Develop a regional template for CAP or EAP.
	4.1.2	Customize CAP with EE language and data.
	4.1.3	Update General Plan/Conservation Element with Climate policies. Provide EE framework and data for other people doing planning.
	4.1.4	Conduct the EE savings analysis for an annual Greenhouse Gas inventory for the City/ County.
<b>Strategic Plan Goal 5: Local government EE expertise becomes widespread and typical.</b>		
Local governments participating in activities under Goals 1 – 4 will be increasing their expertise.		
The activities under Goal 5 are more directly related to the programs operated by the statewide local government associations (ICLEI, ILG and LGC), by regional local government agencies such as the Association of Bay Area Governments and Great Valley Center, and by the Statewide Local Government EE Best Practices Coordinator.		

## APPENDIX D: REGULATORY REPORTING REQUIREMENTS

In addition to any reporting requirements outlined in the Ts&Cs and Attachment No.1 of the Contract, the Implementer will follow the following reporting requirements when submitting documents to SCE:

- A. **Monthly Report:** The Monthly Report due on the 15<sup>th</sup> Calendar Day of each Month for work completed the preceding Month using the IR Tool. The Monthly Report will include a discussion on the following Program activities occurring during that Month:
1. Administrative activities;
  2. Marketing activities;
  3. Direct Implementation activities;
  4. Implementer's assessment of Program performance and Program status. For example, is the Program on target, exceeding expectations, or falling short of expectations, etc.;
  5. Discussion of changes in Program emphasis. For example, new Program elements, less or more emphasis on a particular delivery strategy, Program elements discontinued, Measure discontinued, etc.;
  6. Discussion of near term plans for Program over the coming months (e.g., marketing and outreach efforts that are expected to significantly increase Program participation);
  7. Changes to staffing and staff responsibilities, if any;
  8. Changes to contacts, if any;
  9. Changes to Subcontractor and Subcontractor responsibilities, if any;
  10. Number of Customer complaints received; and
  11. Program Theory and Logic Model, if not already provided in the PIP, or if Implementer makes any revisions.
- B. **Commission Reporting Requirements:** The Implementer will provide SCE with the requisite information on the prior Month's activities, accomplishments, and expenditures related to its respective Work obligations, for purposes of preparing any reports required of SCE by the Commission including Quarterly, Semi-annual and Annual Reports.

The Commission may amend reporting requirements from time to time. SCE will notify Implementer of any reporting changes and issue a Change Order. Implementer will implement these modifications in a timely manner and reflected in future invoice documentation.

Requirements for these reports may change per the direction of the Commission or the Commission's Energy Division. The current reporting requirements are as follows:

1. **Semi-annual Report:** Implementer will provide SCE with the requisite

information to be compiled for the portfolio reporting in Program Semi-annual Reports using the Semi-annual Report template set forth in Section 1.a herein. Semi-annual reports are due March 1<sup>st</sup> and September 1<sup>st</sup> of each year.

- a. Semi-annual Report Template
  - i. A template will be provided by CPM prior to the reporting period.
- 2. Implementer will provide additional data or information as required by the Commission.

**C. Allowable Costs**

<b>Allowable Costs Table</b>	
The cost items listed on the Allowable Costs sheet are the only costs that can be claimed for ratepayer-funded energy efficiency work. The costs reported should be only for costs actually expended. Any financial commitments are to be categorized as commitments. If the reporting entity (i.e., SCE, in this case) does not have a cost listed on the cost reporting sheet, then no cost may be reported for that item. These Allowable Cost elements are to be used whenever costs are invoiced or reported to the CPM. If there is a desire to include additional Allowable Cost elements, the CPM should be contacted in order to seek approval from the Commission.

ORDINANCE NO. 897

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, ADDING CHAPTER 5.26 TO TITLE 5 OF THE CITY OF MORENO VALLEY MUNICIPAL CODE ESTABLISHING A LOBBYIST REGISTRATION PROGRAM.

The City Council of the City of Moreno Valley does ordain as follows:

**SECTION 1.**

A new Chapter 5.26 is hereby added to Title 5 of the Moreno Valley Municipal Code to read as follows:

**5.26.010 Definitions.**

“Lobbyist” -- Any person, business entity or organization that is employed, contracts, or otherwise receives compensation in any form whatsoever to communicate with any employee, agent, elected or appointed official of the City of Moreno Valley for the purpose of influencing any City legislative or administrative action on behalf of any other person, business entity, or organization.

**5.26.020 Exemptions.**

The following are exempt from the requirements of this ordinance:

- A. Any public official or employee of a public entity acting in his or her official capacity and within the scope of his or her employment by the public entity.
- B. Any person who is engaging in lobbying activities without compensation.
- C. An attorney providing legal representation to a person, business entity or other organization which is a party to an administrative proceeding with the City.
- D. An employee who has been employed on a full-time basis, forty (40) hours per week or more ("full time employee"), at the time the employee attempts to influence a City legislative or administrative action on behalf of his/her employer with respect to a proposed City legislative or administrative action.

**5.26.030 Registration.**

Prior to communicating with any Moreno Valley officials for the purpose of influencing any action by the City, all lobbyists as defined above shall register the following information with the City Clerk:

- A. Lobbyist’s full name, business and home addresses and telephone numbers;
- B. The names, addresses and telephone numbers of all individuals or entities by whom the lobbyist is employed or with whom the lobbyist contracts to perform services in the City; and

Attachment: Ordinance 897 - Lobbyist Registration [Revision 3] (1417 : LOBBYIST REGISTRATION ORDINANCE)

C. A description of the subject matter that the lobbyist is attempting to influence.

**5.26.040 Registration Fee.**

The City Clerk shall charge a fee for the filing, amendment and/or renewal of a registration, the amount of which shall be determined by resolution of the City Council.

**5.26.050 Registration – Time.**

Every lobbyist required to register under this chapter shall register with the City Clerk no later than ten days after being engaged as a lobbyist and shall renew the registration annually.

**5.26.060 Registration – Duration.**

Registration shall be renewed with the City Clerk on an annual basis between July 1<sup>st</sup> and July 31<sup>st</sup> of each year. Registration shall be valid for one year.

**5.26.070 Amendment of Registration Information.**

If any change occurs concerning any of the required information the lobbyist shall file an amended registration form reflecting the change within ten days of the change.

**5.26.080 Violations – Penalties.**

Any violation of this chapter shall be a misdemeanor and punishable as provided in Title I of the Moreno Valley Municipal Code. Violations of the program requirements may be enforced by administrative citation, misdemeanor criminal prosecution or by civil injunction to compel compliance with the registration requirements. Administrative Citations carry graduated fine amounts between \$100 and \$500 a day and criminal prosecution, if warranted, carries a maximum punishment of \$1000 and up to 6 months in jail.

**SECTION 2. EFFECT OF ENACTMENT:**

Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

**SECTION 3. NOTICE OF ADOPTION:**

Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be posted in three public places within the city.

**SECTION 4. EFFECTIVE DATE:**

This ordinance shall take effect thirty days after the date of its adoption.

APPROVED AND ADOPTED this \_\_\_\_\_ day of \_\_\_\_\_, 2015.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Ahmad R. Ansari, P.E., Public Works Director/City Engineer

**AGENDA DATE:** June 23, 2015

**TITLE:** APPROVE AGREEMENT BETWEEN IIT INLAND EMPIRE LOGISTICS CENTER LP AND THE CITY OF MORENO VALLEY FOR TRAFFIC SIGNAL MAINTENANCE COSTS AT CACTUS AVENUE AND VACATED JOY STREET

---

### **RECOMMENDED ACTION**

#### **Recommendations:**

1. Approve agreement between IIT Inland Empire Logistics Center LP and the City of Moreno Valley for traffic signal maintenance costs at Cactus Avenue and vacated Joy Street.
2. Authorize the City Manager to execute the agreement between IIT Inland Empire Logistics Center LP and the City of Moreno Valley and any subsequent amendments, subject to approval by the City Attorney.

### **SUMMARY**

This report recommends approval of an agreement between IIT Inland Empire Logistics Center LP (property owner) and the City of Moreno Valley for traffic signal maintenance costs at Cactus Avenue and vacated Joy Street.

### **DISCUSSION**

Joy Street was vacated with the expansion of the Harbor Freight warehouse that was approved by City Council as project PA12-0019/0020 on December 11, 2012. The vacation of the right of way for Joy Street took place to allow the warehouse to be expanded per the approved Plot Plans. Parcel Map 36463 was recorded with the

County on December 19, 2014. The traffic signal equipment remains within City right of way and dedicated easements.

The existing traffic signal located at Cactus Avenue and Joy Street was left in place to provide access to the warehouse. Since the traffic signal would only provide access to the Harbor Freight warehouse, staff determined that it would be appropriate for the property owner to pay a portion (33 percent) of the annual maintenance and electrical costs of the traffic signal. The property owner, IIT Inland Empire Logistics Center LP, has agreed to provide funds for City staff to continue to maintain the traffic signal. The Agreement would go into effect immediately upon being signed by both parties.

### **ALTERNATIVES**

1. Approve and authorize the recommended actions as presented in this staff report. *This alternative will allow the City to receive reimbursement for a portion of the maintenance costs for the traffic signal located at Cactus Avenue and vacated Joy Street.*
2. Do not approve and authorize the recommended actions as presented in this staff report. *This alternative will result in the City completely funding the ongoing maintenance costs of the traffic signal located at Cactus Avenue and vacated Joy Street.*

### **FISCAL IMPACT**

Traffic signal maintenance for this location currently is funded by the General Fund and Special District Zone C. Through this Agreement, the City will realize a savings in traffic signal maintenance costs of \$1,200.00 the first year. This amount will increase by two percent annually thereafter.

### **NOTIFICATION**

### **PREPARATION OF STAFF REPORT**

Prepared By:  
Michael Lloyd  
Senior Engineer, P.E.

Department Head Approval:  
Ahmad R. Ansari, P.E.  
Public Works Director/City Engineer

Concurred By:  
Eric Lewis, P.E., T.E.  
City Traffic Engineer

### **CITY COUNCIL GOALS**

**Revenue Diversification and Preservation.** Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

**Public Safety.** Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

**Public Facilities and Capital Projects.** Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

**ATTACHMENTS**

- 1. Traffic Signal Agreement

**APPROVALS**

Budget Officer Approval	<u>✓ Approved</u>	6/02/15 12:15 PM
City Attorney Approval	<u>✓ Approved</u>	6/03/15 10:08 AM
City Manager Approval	<u>✓ Approved</u>	6/03/15 10:45 AM

1 AGREEMENT FOR  
2 MAINTENANCE OF THE CACTUS AVENUE/VACATED JOY STREET TRAFFIC SIGNAL  
3 AND SAFETY LIGHTING

4 This AGREEMENT is entered into between IIT Inland Empire Logistics Center LP (hereinafter referred  
5 to as DEVELOPER) and the City of Moreno Valley (hereinafter referred to as CITY) for maintenance by  
6 the CITY for the traffic signal and highway safety lighting installation located at the intersection of  
7 Cactus Avenue and vacated Joy Street (approximately half way between Frederick Street and Graham  
8 Street) within the CITY public right of way and easements:

9  
10 IT IS HEREBY AGREED AS FOLLOWS:

11 1. CITY, through its Transportation Engineering Division, shall provide routine monthly maintenance  
12 work and emergency call-out service on traffic signal, highway safety lighting, and other electrically  
13 operated traffic control or warning devices at the location of Cactus Avenue and vacated Joy Street  
14 (collectively, "Signal"). In providing said maintenance, CITY shall perform the following: Inspect the  
15 signal system and clean the control cabinet and electrical service cabinet monthly; clean signal heads, as  
16 needed; clean internally illuminated street name signs, as needed; check operation of control equipment,  
17 battery systems, pedestrian push button operation, street light and street name sign operation, and loop  
18 detector operation.

19 2. CITY will provide emergency call-out service on traffic signal, highway safety lighting, and all other  
20 electrically operated traffic control or warning devices as needed.

21 3. DEVELOPER shall pay CITY 33 percent of the total cost of this routine maintenance and emergency  
22 service, in an amount of \$1,200.00 initially for the first year of the AGREEMENT (unless otherwise  
23 approved by Developer) with subsequent costs adjusted annually two percent to account for cost  
24 escalations, including all CITY costs for wages, benefits, transportation, materials and administrative  
25 accounting for the location serviced by CITY. The DEVELOPER shall initially deposit with City  
\$1,200.00 to cover 33 percent of the annual costs for routine maintenance, emergency service, and  
electricity (TC1 and LS3). When the deposit funds reach \$200.00, the DEVELOPER shall deposit  
additional funds to restore the annually adjusted deposit account amount at the request of the CITY.

Attachment: Traffic Signal Agreement (1297 : APPROVE AGREEMENT BETWEEN IIT INLAND EMPIRE LOGISTICS CENTER LP AND THE CITY

1 DEVELOPER shall not be responsible for any costs associated with the traffic signal and highway safety  
2 lighting modifications at the intersection of Cactus Avenue and Joy Street due to the planned widening  
3 of the south side of Cactus Avenue between Veterans Way and Heacock Street (City Project Number 801  
4 0031 70 77).

5 4. Records for the work provided under this Agreement shall be kept by CITY and shall include the cost  
6 of services performed. The CITY shall provide the DEVELOPER quarterly billing statements  
7 summarizing all services performed.

8 5. DEVELOPER shall submit in writing any dispute with regard to CITY billing within ninety (90)  
9 working days after the receipt of such billing. Otherwise, DEVELOPER accepts the billing by the CITY.

10 6. This Agreement shall become effective immediately from the date this Agreement is signed by both  
11 parties. This Agreement shall remain in force until terminated by both parties, except in the case of a  
12 material breach by either party, in which case the defaulting party shall be afforded thirty (30) days to  
13 cure any alleged breach. If the material breach cannot be cured, then non-defaulting party may terminate  
14 upon thirty (30) days' notice to the defaulting party.

15 7. If the CITY is of the opinion that any work CITY has performed is beyond the scope of this  
16 Agreement and constitutes Extra Work (i.e. LED replacement in signal heads and IISNS, street light lamp  
17 replacement, pedestrian push button replacement, pull box lid replacement, etc.), CITY shall promptly  
18 notify the DEVELOPER of that opinion and perform the Extra Work. CITY shall be the sole judge as to  
19 whether or not such work is in fact beyond the scope of this Agreement and constitutes Extra Work.

20 However, for the purposes of CITY proceeding to perform the same, this is not intended to deny  
21 DEVELOPER its civil legal remedies in the event of a dispute. In the event that DEVELOPER agrees that  
22 such work does indeed constitute Extra Work and authorizes CITY to perform the Extra Work, it shall  
23 provide extra compensation to CITY upon fair and equitable basis on a time and material basis.

24 8. DEVELOPER shall promptly and fully indemnify, protect, hold harmless and defend (even if the  
25 allegations are false, fraudulent, or groundless), the City of Moreno Valley, its City Council, the Moreno  
Valley Housing Authority (MVHA), and the Moreno Valley Community Services District (CSD), and all  
of their respective officials, officers, directors, employees, commission members, representatives and  
agents (collectively, "Indemnified Parties"), from and against any and all claims, allegations, actions,

1 suits, arbitrations, administrative proceedings, regulatory proceedings, or other legal proceeds, causes of  
 2 action, demands, costs, judgments, liens, penalties, liabilities, damages, losses, anticipated losses of  
 3 revenues, and expenses (including, but not limited to, any fees of accountants, attorneys, experts or other  
 4 professionals, or investigation expenses), or losses of any kind or nature whatsoever, whether actual,  
 5 threatened or alleged, arising out of, resulting from, or in any way (either directly or indirectly)  
 6 (collectively, "Claims"), related to any breach of the Agreement by DEVELOPER or any of its officers,  
 7 agents, employees.

8 9. The City agrees to indemnify, save, defend and hold harmless the DEVELOPER and its officers, agents  
 9 and employees from any and all liability, claims, damages or injuries to any person, including injury to  
 10 the City's employees and all claims which arise from or are connected with the negligent performance or  
 11 failure to perform the services or other obligations of the City under this Agreement, or are caused or  
 12 claim to be caused by the negligent acts of the City, its officers, agents or employees, or its  
 13 subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that  
 14 this indemnification and hold harmless shall not include any Claims arising from the negligence or willful  
 15 misconduct of the DEVELOPER, its officers, agents or employees.

16 10. SUCCESSORS AND ASSIGNS. The Parties bind themselves, their heirs, executors, administrators,  
 17 successors and assigns the covenants, agreements and obligations contained in the Agreement. Except  
 18 upon the sale of the property owned by Developer, in which case Developer may assign this Agreement to  
 19 the purchaser, the DEVELOPER shall not, either voluntarily or by action of law, assign any right or  
 20 obligation of the DEVELOPER under the Agreement without prior written consent of the CITY.

21 11. This Agreement contains the entire agreement of the parties with respect to the subject matter hereof,  
 22 and supersedes all prior negotiations, understandings or agreements. This Agreement may only be  
 23 modified in writing, signed by each party. If any provision of this Contract is held unenforceable, then  
 24 such provision will be modified to reflect the parties' intention. All remaining provisions of this Contract  
 25 shall remain in full force and effect. / / / /

---

**TO:** Mayor and City Council Acting in its Capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District (CSD)

**FROM:** Betsy Adams, Parks & Community Services Director

**AGENDA DATE:** June 23, 2015

**TITLE:** AUTHORIZE VOTING YES ON OFFICIAL ASSESSMENT BALLOT FOR THE MOSQUITO, VECTOR AND DISEASE CONTROL ASSESSMENT BY THE RIVERSIDE COUNTY DEPARTMENT OF ENVIRONMENTAL HEALTH FOR TWO PARCELS AT MARCH FIELD PARK

---

### **RECOMMENDED ACTION**

#### **Recommendation:**

1. Authorize voting yes on the Mosquito, Vector and Disease Control Assessment by the Riverside County Department of Environmental Health and authorize the Executive Director to execute the mail ballot.

### **SUMMARY**

This report recommends authorizing voting yes on the Official Assessment Ballot for the Mosquito, Vector and Disease Control Assessment by the Riverside County Department of Environmental Health. This assessment would only apply to March Field Park, which is located in the former active duty portion of March Air Force Base, not within the incorporated City of Moreno Valley.

### **DISCUSSION**

On May 22, 2015, ballots were mailed to all property owners in unincorporated areas of Riverside County to decide if continued, comprehensive, year-round mosquito control and disease prevention services should be provided in the program service area. For the Community Services District (CSD), the program service area includes the two parcels which comprise March Field Park (Parcel Numbers 294080003 and

294090003). If this ballot measure is approved by a majority of the voters, the CSD would receive the following services at March Field Park:

- Year-round mosquito control.
- Surveillance and testing for vector borne diseases (e.g. West Nile virus, Lyme disease).
- Response for service requests.

The other large property owner in the former active duty portion of March Air Force Base is the March Joint Powers Authority. The March Joint Powers Commission will consider an agenda item in June recommending authorizing voting yes on the Mosquito, Vector and Disease Control Assessment.

### **ALTERNATIVES**

1. Authorize voting yes on the Official Assessment Ballot for the Mosquito, Vector and Disease Control Assessment by the Riverside County Department of Environmental Health and authorize the Executive Director to execute the mail ballot. *Staff recommends this alternative.*
2. Do not approve Alternative No. 1 and provide further direction to staff. In order for the CSD to cast its ballot it must be received before the end of the public input portion of the public hearing scheduled for Tuesday, July 7, 2015 at 9:30 am at the County of Riverside, Board of Supervisors' Chambers, located at 4080 Lemon St., Riverside, CA, 92501.

### **FISCAL IMPACT**

If approved by a majority of the voters, the annual cost to the CSD for the Mosquito, Vector and Disease Control Assessment would be \$1.12 (\$0.76 for Parcel Number 29408003 and \$0.36 for Parcel Number 29409003) and would be a Zone A expense. Due to the nominal amount for the assessment, a budget appropriation will not be requested; rather the expense would be absorbed by the Parks Maintenance budget.

### **NOTIFICATION**

Posting in the agenda.

### **PREPARATION OF STAFF REPORT**

# Mosquito, Vector & Disease Control

by the County of Riverside Vector Control Program

On May 22, 2015, ballots will be mailed to all property owners in unincorporated areas of Riverside county. These ballots will allow property owners to decide if continued, comprehensive, year-round mosquito control and disease prevention services should be provided within the Program service area. Below are some of the services that can continue to be provided or enhanced if this measure is approved:

## Reduced Mosquito Populations Using Environmentally-Sound Methods

Mosquito control using environmentally sound methods that focus on locating the sources of mosquito breeding (usually stagnant, standing water), and controlling immature mosquitoes (larvae) before they emerge as adults and begin biting people and animals, transmitting pathogens (e.g. West Nile virus), and causing disease, injury, and discomfort.

## Surveillance and Prevention of Disease Outbreaks

Continued testing for diseases transmitted by mosquitoes, ticks, and other insects such as West Nile virus, Lyme disease, hantavirus, and plague. Appropriate disease prevention services can be provided in locations in which increased risk of a disease outbreak is discovered.

## Rapid Identification and Control of Emerging Threats

Changing climates combined with global travel have increased the threat of new species of mosquitoes finding their way to Southern California, bringing the potential for new diseases such as Dengue fever and Chikungunya. The Program maintains surveillance for new species of mosquitoes with a rapid response plan in place to reduce any emerging threats.

## Free Mosquito-eating Fish and Response to Service Requests

Mosquitofish are available to the public throughout the Program service area. Property owners and residents could call the Program for a service request and a service technician would respond promptly and without extra cost.

## Fiscal Accountability

Several layers of accountability ensure that all funds are expended properly. Funds can only be spent on mosquito, vector and disease control services within the the service area. The budget for the services proposed for each year will be presented to the public annually, including a professional audit.

## Additional Information

For additional information on the Mosquito, Vector and Disease Control Measure, please contact the County of Riverside Vector Control Program at (951) 766-9454.

## Watch for your Mail Ballot after May 22, 2015

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Thomas M. DeSantis, Assistant City Manager

**AGENDA DATE:** June 23, 2015

**TITLE:** PUBLIC HEARING FOR DELINQUENT RESIDENTIAL  
SOLID WASTE ACCOUNTS

---

### **RECOMMENDED ACTION**

#### **Recommendations: That the City Council:**

1. Approve placing the submitted list of the 2014 delinquent solid waste accounts on the Fiscal Year (FY) 2015/2016 Riverside County property tax roll for collection.
2. Direct the City Clerk to file with the Riverside County Auditor a certified copy of Resolution No. 2012-55 and the list of 2014 delinquent solid waste accounts as required by Section 5473.4 of the California Health and Safety Code and Section 6.02.030 of the City of Moreno Valley Municipal Code.

### **SUMMARY**

This report recommends approval to place the submitted list of the 2014 delinquent solid waste accounts on the FY 2015/2016 Riverside County property tax roll for collection.

Waste Management bills residential customers quarterly for solid waste services; payments are remitted directly to Waste Management. When a customer fails to make payment, the collection of the account is placed on the Riverside County property tax roll for delinquent balances not paid at the end of each calendar year. Customers continue to receive weekly solid waste and recycling services whether or not payment is remitted to the franchise hauler. This procedure was authorized by prior enactments of the City Council as reflected in Section 6.02.030 of the Moreno Valley Municipal Code. The option to collect delinquent payments was negotiated as part of the franchise agreement.

## **DISCUSSION**

Waste Management has submitted a preliminary list of approximately 7,563 delinquent accounts for the 2014 calendar year. This delinquent list is to be placed on the FY 2015/2016 tax roll if approved by Council. An official copy of the list is available in the City Clerk's office for public viewing. The maximum charge to be placed on the tax roll is \$2,821,270.80. Although Waste Management accepted payment on delinquent accounts until June 19, 2015, there may be some additional deletions to the list or minor adjustments to the amounts prior to final submittal to the Riverside County Auditor.

As part of the notification process, Waste Management has mailed a "Notice of Delinquent Account" to the affected property owners and account holders, informing them of the intent to place all delinquent charges on the tax roll. These notifications are mailed on a quarterly basis which is over and above the minimum notification requirements as per Section 5470 of the California Health and Safety Code and the Moreno Valley Municipal Code Section 6.02.030. A public posting of the Council's action, in accordance with Section 6066 of the Government Code, is all that is required by law.

Procedurally, in order to collect these delinquent charges on the County tax roll, the City must file with the County Auditor a certified copy of the proposed resolution along with the report as specified in California Health and Safety Code Section 5473.4 and Section 6.02.030 of the Moreno Valley Municipal Code.

## **ALTERNATIVES**

1. Approve placing the submitted list of the 2014 delinquent solid waste accounts on the Fiscal Year (FY) 2015/2016 Riverside County property tax roll for collection and direct the City Clerk to file with the Riverside County Auditor a certified copy of the proposed resolution and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code. *Staff recommends this alternative. This will ensure compliance with the franchise agreement and preserve the ability to avoid a net loss of revenue to the City of approximately \$339,398 in franchise fees.*
2. Do not approve placing the submitted list of delinquent solid waste accounts on the Fiscal Year (FY) 2015/2016 Riverside County property tax roll for collection and do not direct the City Clerk to file with the Riverside County Auditor a certified copy of the proposed resolution and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code. *Staff does not recommend this alternative as it will place the City in non-compliance of the franchise agreement, and could result in a net loss of revenue to the City of approximately \$339,398 in franchise fees.*

## **FISCAL IMPACT**

The City receives a 12.13% franchise fee for revenue generated from the collection of delinquent accounts. Placement of these delinquent charges on the County property tax roll will ensure the City receives the revenues due from this source which would be approximately \$339,398. This amount is deposited into the general fund.

Solid waste services are exempt from Proposition 218, as stated in Section 6(c) Property Related Fees and Charges. This is because the obligation to pay does not arise due to the customer owning the property, it arises because the property is used in a way which generates trash, and the customer did not choose to legally self-haul. Furthermore, the fee is not an encumbrance on the property, although delinquent fees can become the subject of a judgment lien.

## **NOTIFICATION**

A “Notice of Public Hearing” was published on June 9, 2016 and June 16, 2015, in The Press Enterprise in accordance with Section 6066 of the Government Code. A public posting of Council’s action will also be done in accordance with Section 6066 of the Government Code. In addition, Waste Management mailed payment requests to the attached accounts through a separate notice sent to property owners where the property could be identified as non-owner occupied. An official list of the submitted 2014 delinquent accounts is available in the City Clerk’s office. This list represents the maximum charges which can be placed on the property tax roll for FY 2015/2016.

## **PREPARATION OF STAFF REPORT**

Prepared By:  
Aminah Mears  
Recycling Specialist

Department Head Approval:  
Thomas M. DeSantis  
Assistant City Manager

## **CITY COUNCIL GOALS**

**Revenue Diversification and Preservation.** Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

**Community Image, Neighborhood Pride and Cleanliness.** Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

## RESOLUTION NO. 2012-55

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, REPEALING, REVISING AND REENACTING THE PROVISIONS OF RESOLUTION 2007-72, AND AUTHORIZING THE COLLECTION OF DELINQUENT AND UNPAID TAXES AND CHARGES FOR SOLID WASTE COLLECTION ON THE TAX ROLL.

WHEREAS, the City Council has heretofore adopted Chapter 6.02 of Title 6 of the City of Moreno Valley Municipal Code relating to refuse collection, transfer and disposal services; and

WHEREAS, Section 6.02.030 of Chapter 6.02 provides for the collection of delinquent and unpaid fees and charges on the tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Section 5473 of the California Health and Safety Code; and

WHEREAS, said delinquent and unpaid fees and charges are those fees and charges for which services have been rendered but which have not been paid for more than sixty (60) days after the billing date; and

WHEREAS, Section 5473.10 of the Health and Safety Code provides that in addition to delinquent fees and charges, the amount collected on the tax roll may also include a 10% basic penalty for nonpayment of those fees and charges and, in addition, a penalty of 1 ½ % per month for nonpayment of those fees, charges and the basic penalty; and

WHEREAS, it is in the best interests of the City that delinquent and unpaid fees and charges for refuse collection be collected on the tax roll; and

WHEREAS, the City Council has heretofore caused a report to be prepared, a copy of which is on file in the office of the City Clerk, which identifies each parcel of real property (without consideration of the value of said property) receiving such refuse collection services and facilities and the amount of the delinquent fees and charges for each parcel for the year which remain outstanding, computed in conformity with the charges prescribed by Chapter 6.02, and has caused notice of said report and of a public hearing thereon to be duly given; and

WHEREAS, the City Council has held said hearing, at which all persons wishing to be heard were heard, and at which hearing the City Council heard and considered all objections and protests, if any;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. Resolution No. 2007-72 as adopted by the City Council on June 26, 2007, is hereby repealed, the repeal to be effective only upon the date of adoption of this resolution. No action commenced pursuant to the authority granted by Resolution No. 2007-72 shall be invalidated or otherwise affected by the repeal thereof.

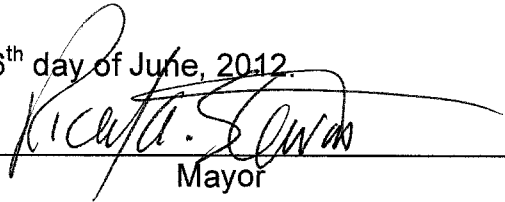

2. Delinquent and unpaid fees and charges for solid waste collection as set forth in said report, and herein confirmed, shall be collected on the tax roll in the same manner, by the same persons as, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Chapter 6.02 of the City of Moreno Valley Municipal Code and Section 5473 of the California Health and Safety Code.

3. On or before August 10<sup>th</sup> of each year following the final determination of the delinquent charges, the City Clerk shall file with the auditor of the County of Riverside a certified copy of this resolution together with a certified copy of said report endorsed with a statement over her signature that the report has been finally adopted by the City Council.

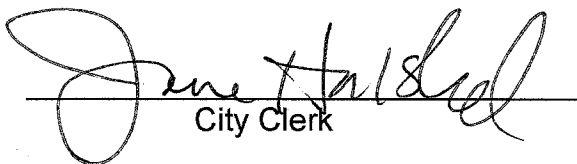

4. The auditor shall enter the amounts of the charges against the respective lots of parcels of land as they appear on the current assessment roll.

5. Said election to collect delinquent and unpaid fees and charges shall remain in effect until December 31, 2017, unless otherwise repealed or amended by the City Council.

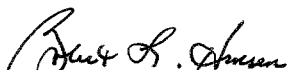

APPROVED AND ADOPTED this 26<sup>th</sup> day of June, 2012.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Michelle Dawson, City Manager

**AGENDA DATE:** June 23, 2015

**TITLE:** REQUEST FOR CITY SPONSORSHIP OF SOUTHWEST VETERAN'S BUSINESS RESOURCE CENTER EVENT (CONTINUED FROM JUNE 9, 2015)

---

### **RECOMMENDED ACTION**

#### **Recommendations: That the City Council:**

1. Evaluate a request for sponsorship funds by the Southwest Veterans Business Resource Center based on criteria prescribed in the City's Sponsorship Policy.
2. Direct staff to actively promote the SVBRC's upcoming event in Moreno Valley Offer assistance through the City's communication programs.

### **SUMMARY**

This report recommends that the Council evaluate a request by the Southwest Veterans' Business Resource Center (SVBRC) for sponsorship of the Veterans' Expo event.

### **DISCUSSION**

During the Public Comments portion of the Regular Meeting of the City Council on May 12, 2015, SVBRC representative Albert Guzman requested that the City host its annual Small Business Summit. The request was to provide use of the Conference and Recreation Center at no charge. The estimated cost to use the Conference and Recreation Center for this event is \$1,913 which represents the reduced rental rate provided to non-profit organizations.

The administrative policy guiding sponsorship approvals are provided in General Management Policy 2.36 (Attachment 1). The proposed event would offer economic benefits to local services and potential benefits to Moreno Valley veteran and citizen

owned businesses and unemployed veterans.

Because the City Sponsorship fund was defunded several years ago, support for events must be provided by department budgets.

Policy 2.36 requires that all criteria be satisfied for consideration. After reviewing the request, staff provides the following information for the Council's consideration:

- Location- The criteria specified in Section II of General Management Policy 2.36 states that eligible 501(c) (3) or (4) organizations must be located within the City of Moreno Valley.

The SVBRC has operated at 227 North D Street in office space provided by the City of Perris (<http://www.wheremunitiesserveveterans.org/Perris>). Immediately prior to publication of this City Council meeting agenda, SVBRC advised that it now operates from the following address: 12125 Day Street, Suite V212 Moreno Valley, CA 92557.

- Purpose- The criteria specified in Section III of General Management Policy 2.36 specify that sponsorships under this program are strictly limited to supporting cultural or recreational events only. The cover letter submitted by the Small Business Summit asserts that this event is a cultural event.

While SVBRC has provided information to indicate that the request would comply with requirements specified in General Management Policy 2.36 the City Attorney finds that the request is not consistent with Policy 2.36 as the event is neither recreational nor cultural in nature.

Recognizing that support for Veterans and job creation are City Council priorities, staff recommends that the City actively promote the event using all existing communication methods including:

- Promotions on MVTV-3 and in CityLink
- Listing on the Website and Community Calendar
- Posts on Facebook and Nextdoor.com

## **ALTERNATIVES**

1. Evaluate the request for sponsorship funds by the Southwest Veterans Business Resource Center based on criteria prescribed in the City's Sponsorship Policy. Direct staff to actively promote the SVBRC's upcoming event in Moreno Valley Offer assistance through the City's communication programs.
2. In light of the City Attorney's findings, respectfully decline SVBRC's request to provide free use of the Conference and Recreational Center but direct staff to actively promote the event using the City's communication programs.

**FISCAL IMPACT**

There is currently no budget allocated specifically for City Sponsorships. The City Sponsorship program was defunded several years ago. Should the Council approve funding, direction would be required as to the source of funds to be allocated.

**NOTIFICATION**

A copy of City Sponsorship Policy 2.36 was sent to the applicant.

## CITY SPONSORSHIP

---

**PURPOSE:** City sponsorship is provided for the purpose of aiding eligible organizations in providing worthwhile community events by paying a portion of the costs and receiving positive publicity for the City. The purpose of this policy is to set forth criteria to be met by the applicant prior to consideration of the request for sponsorship, as well as policies and procedures to be followed by the City in acting on the request for sponsorship.

**POLICY:**

**I. Sponsorship**

The City of Moreno Valley receives numerous requests to sponsor or co-sponsor events, activities, individuals or groups. The City has limited resources available for these sponsorship opportunities. For that reason, it is the City's policy to only sponsor or co-sponsor cultural or recreational events provided to the community by non-profit organizations existing pursuant to Internal Revenue Code Section 501(c)(3) or (4) that are located within the City. Sponsorship is a discretionary act of the City that confers no legal rights in the sponsorship proceeds or assistance prior to actual delivery by the City. No organization shall receive any City sponsorship proceeds or assistance unless and until it meets all of the criteria and satisfies all of the conditions contained within this policy and said sponsorship requester has submitted a completed application packet to the satisfaction of the City Manager. Upon approval of the Sponsorship Application packet, the sponsorship request will be forwarded to the City Council for review and consideration.

**II. Organization Eligibility**

Criteria for organization eligibility for City sponsorship is as follows:

- A. Applicant must be organized and existing pursuant to Internal Revenue Code Section 501(c)(3) or (4).
- B. Applicant must have as its primary purpose charity, youth development, cultural enrichment, or civic improvement.
- C. Applicant must be located within the City and providing services or benefits to the community.
- D. Applicant must complete and comply with the application process.
- E. Applicant must demonstrate a need for City sponsorship.
- F. Past events by the applicant must have complied with City requirements and have been free of significant problems.
- G. Applicant must have a valid City Business License.

**III. Event Eligibility**

Criteria for event eligibility are as follows:

- A. Fundraising shall not be the primary purpose of the event.
- B. Cultural or recreational events only.
- C. Past similar events by the applicant must have complied with City requirements and have been free of

---

Approved by: City Council

9/24/02

Revised: 11/25/08

## CITY SPONSORSHIP

---

significant problems.

- D. Open to the general public without qualification and must be widely publicized.
- E. Located within the City including the City sphere of influence March Air Reserve Base, March Joint Powers Authority property, and Box Springs Park.

### IV. Sponsorship Limitations

Sponsorship proceeds or assistance shall not result in any money being actually given to or paid in behalf of the event organizer. Sponsored events will only receive a “line of credit” with the City that will allow the group to receive credits of City costs up to the designated amount of the sponsorship for the event. Eligible City costs that can be offset by the sponsorship proceeds or assistance up to the maximum amount of the sponsorship are limited to the following:

- A. Mobile stage rental. (A monetary deposit by the applicant will be required.)
- B. Facility rental. (A monetary deposit by the applicant will be required.)
- C. Light or electric pole use in City parks.
- D. City Permits.
- E. Public Safety Services.
- F. City Staff.

### V. Sponsorship Amounts

The amount of sponsorship proceeds or assistance shall be determined as follows:

- A. Depending on availability of resources, the City will budget \$5,000 per fiscal year to be used for sponsorship opportunities.
- B. The maximum sponsorship for any qualified organization and event shall not exceed \$2,500 per fiscal year.
- C. The maximum amount of sponsorship shall be directly proportional to the total attendance of the public at the sponsored event as follows:
  - 1. 250 - 500 in attendance = \$500 per event.
  - 2. 501 - 750 in attendance = \$750 per event.
  - 3. 751 - 1,000 in attendance = \$1,000 per event.
  - 4. Over 1,001 in attendance = \$2,500 per event.

In no case shall the sponsorship amount exceed fifty percent (50%) of the funds raised for the event.

---

Approved by: City Council

9/24/02

Revised: 11/25/08

## CITY SPONSORSHIP

---

- D. Sponsorship amounts or assistance shall not be utilized to cover the cost of insurance.

### VI. Application Process

- A. Submit a completed City application (Attachment A) for sponsorship at least 90 calendar days prior to the event date. Failure to comply with this requirement shall be automatic grounds for denying sponsorship. The application shall include a detailed description or listing of the estimated funds, in-kind donations and/or other assistance the organization will receive to support the organization and/or event.
- B. A completed application means completion of the City application for sponsorship, attachment of all required additional documentation, payment of all fees, if applicable, and submission of whatever other information and/or documentation that may be requested by the City to make an informed decision.
- C. Incomplete applications shall not be eligible for City sponsorship.
- D. Applicants shall receive a copy of this policy at the time an application is made to the City.

### VII. Approval

- A. A determination shall be made by the City Manager or his/her designee, within 30 calendar days after submission of an application for sponsorship as to its completeness.
- B. The City Manager shall refer the request for sponsorship to the City Council for determination. Determinations on requests for sponsorship shall be made within 30 calendar days after submission of a completed application.
- C. All decisions of the City Council regarding sponsorship shall be final.

### VIII. Other Requirements

- A. Applicant must agree in writing to defend and indemnify the City, the Moreno Valley Community Services District, the Community Redevelopment Agency of the City of Moreno Valley and their officers, employees and agents from and against any and all liability and claims of liability arising out of or otherwise arising from the event.
- B. Applicant shall submit to the City at least 10 calendar days prior to the event an event implementation plan, if requested by the City. The event implementation plan shall address in detail all issues requested by the City.
- C. Applicant shall agree to list the City of Moreno Valley as an official sponsor of the event in all promotion of the event. Failure to do so shall result in termination of the sponsorship and repayment to the City the monetary value of all sponsorship proceeds or assistance delivered to the applicant or for the event.
- D. Applicant shall coordinate and work directly with the City Manager or his/her designee for use of the City name and City logo.

---

Approved by: City Council

9/24/02

Revised: 11/25/08

### CITY SPONSORSHIP

---

- E. Applicant must have adequate public liability and other necessary insurance for the event as required by and in accordance with City insurance requirements or as otherwise determined necessary by the City Risk Manager.
- F. All insurance must be issued by a company authorized and licensed to do business within the State of California and has a Best's Insurance Rating of A-, VII, or better to be acceptable to the City.
- G. City, the Moreno Valley Community Services District, the Moreno Valley Community Redevelopment Agency, and their officers, employees, and agents must be named as additional insured on all policies of insurance.
- H. Applicant must provide City with insurance certificates and valid additional insured endorsements or other appropriate insurance binder 15 calendar days prior to the date of the sponsored event.
- I. Applicant shall provide the City with a detailed accounting of all expenses and funds, in-kind donations, and/or other assistance collected for the organization and/or event within 90 days following the event. Failure to provide the required information would deem the organization and/or event ineligible for City sponsorship in the future.

#### IX. Sponsorship Not Subject To This Policy

This policy shall not apply to events or organizations that are specifically budgeted for in the City's Annual Budget.

Moreno Valley, CA 92553

Re: Sponsorship Application Request  
5th Annual Veteran and Small Business Summit

Dear Shanna,

On behalf of the Board of Directors of the Southwest Veterans' Business Resource Center, we respectfully seek the sponsorship of the City of Moreno Valley, California for the 5<sup>th</sup> Annual Veteran and Small Business Summit.

We have received and reviewed the City's Policy on Event Sponsorships, and we are prepared to comply in every way. Included herewith is our Application, a current budget, and a list of the 2015 Board Members. The City's policy also requires that prior to receipt of any sponsorship funds that we secure a valid City Business License and a location within the boundaries of the Moreno Valley city limits. As soon as we have an approval to move forward, and long before sponsorship funds will be needed, we will obtain the necessary licensing and establish a Moreno Valley location. We will submit proof of meeting both of these requirements to the City Manager's Office for review and acceptance.

In regards to Organization Eligibility and Event Eligibility, the Southwest Veterans' Business Resource Center is indeed a 501(c)3 nonprofit organization. Our goal is to eradicate the notion of homeless Veterans by 2035. The means to achieve our goal is to support, facilitate, and encourage the growth and establishment of as many viable Veteran-owned and civilian-owned small businesses as we can. It's about creating a vibrant economy fueled by communities who understand how important it is to connect Veterans rightly. The Summit itself is a cultural event that is designed to yield civic improvement. Veteran and small businesses are connected to buyers, trainers, and one another for the purposes of networking and pursuing business opportunities. Attendees are sure to connect to someone that will impact their business plan.

Advance Ruling Ending Date:  
December 31, 2012

Addendum Applies:  
No

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Letter 1045 (DO/CG)

Part X Public Charity Status (Continued)

- e 509(a)(4)—an organization organized and operated exclusively for testing for public safety.
- f 509(a)(1) and 170(b)(1)(A)(iv)—an organization operated for the benefit of a college or university that is owned or operated by a governmental unit.
- g 509(a)(1) and 170(b)(1)(A)(vi)—an organization that receives a substantial part of its financial support in the form of contributions from publicly supported organizations, from a governmental unit, or from the general public.
- h 509(a)(2)—an organization that normally receives not more than one-third of its financial support from gross investment income and receives more than one-third of its financial support from contributions, membership fees, and gross receipts from activities related to its exempt functions (subject to certain exceptions).
- i A publicly supported organization, but unsure if it is described in 5g or 5h. The organization would like the IRS to decide the correct status.

6 If you checked box g, h, or i in question 5 above, you must request either an advance or a definitive ruling by selecting one of the boxes below. Refer to the instructions to determine which type of ruling you are eligible to receive.

- a **Request for Advance Ruling:** By checking this box and signing the consent, pursuant to section 6501(c)(4) of the Code you request an advance ruling and agree to extend the statute of limitations on the assessment of excise tax under section 4940 of the Code. The tax will apply only if you do not establish public support status at the end of the 5-year advance ruling period. The assessment period will be extended for the 5 advance ruling years to 8 years, 4 months, and 15 days beyond the end of the first year. You have the right to refuse or limit the extension to a mutually agreed-upon period of time or issue(s). Publication 1035, *Extending the Tax Assessment Period*, provides a more detailed explanation of your rights and the consequences of the choices you make. You may obtain Publication 1035 free of charge from the IRS web site at [www.irs.gov](http://www.irs.gov) or by calling toll-free 1-800-829-3676. Signing this consent will not deprive you of any appeal rights to which you would otherwise be entitled. If you decide not to extend the statute of limitations, you are not eligible for an advance ruling.

Consent Fixing Period of Limitations Upon Assessment of Tax Under Section 4940 of the Internal Revenue Code

b **Request for Definitive Ruling:** Check this box if you have completed one tax year of at least 8 full months and you are requesting a definitive ruling. To confirm your public support status, answer line 6b(i) if you checked box g in line 5 above. Answer line 6b(ii) if you checked box h in line 5 above. If you checked box i in line 5 above, answer both lines 6b(i) and (ii).

- (i) (a) Enter 2% of line 8, column (e) on Part IX-A. Statement of Revenues and Expenses. \_\_\_\_\_
- (b) Attach a list showing the name and amount contributed by each person, company, or organization whose gifts totaled more than the 2% amount. If the answer is "None," check this box.
- (ii) (a) For each year amounts are included on lines 1, 2, and 9 of Part IX-A. Statement of Revenues and Expenses, attach a list showing the name of and amount received from each disqualified person. If the answer is "None," check this box.
- (b) For each year amounts are included on line 9 of Part IX-A. Statement of Revenues and Expenses, attach a list showing the name of and amount received from each payer, other than a disqualified person, whose payments were more than the larger of (1) 1% of line 10, Part IX-A. Statement of Revenues and Expenses, or (2) \$5,000. If the answer is "None," check this box.

7 Did you receive any unusual grants during any of the years shown on Part IX-A. Statement of Revenues and Expenses? If "Yes," attach a list including the name of the contributor, the date and amount of the grant, a brief description of the grant, and explain why it is unusual.  Yes  No

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Chris Paxton, Administrative Services Director

**AGENDA DATE:** June 23, 2015

**TITLE:** ADOPTION OF A RESOLUTION OF INTENT TO APPROVE AN AMENDMENT TO THE CONTRACT BETWEEN THE BOARD OF ADMINISTRATION OF THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM AND THE CITY COUNCIL OF THE CITY OF MORENO VALLEY (CONTINUED FROM JUNE 9, 2015)

---

### **RECOMMENDED ACTION**

#### **Recommendations: That the City Council:**

1. Approve Resolution No. 2015-51. A Resolution of Intent to amend the City's contract with CalPERS to provide Section 21548 (Pre-Retirement Option 2W Death Benefit) for service credit accumulated on and after the effective date of the amendment.
2. Introduce the required Ordinance No. 898. An Ordinance of the of the City Council of the City of Moreno Valley, California, Authorizing an Amendment to the Contract Between the City Council of the City of Moreno Valley and the Board of Administration of the California Public Employee's Retirement System.
3. Instruct the City Clerk to provide CalPERS with the required certifications of legislative body actions.
4. Set the required ordinance for final adoption at the regular City Council meeting scheduled for July 14, 2015

### **SUMMARY**

This report recommends the approval of a resolution of intent to approve an amendment to the City's retirement benefit contract with the California Public Employees Retirement System (CalPERS) to provide Section 21548 (Pre-Retirement Option 2W Death Benefit)

for service credit accumulated on and after the effective date of the amendment. It further recommends the introduction of the corresponding ordinance.

## **DISCUSSION**

During the course of negotiations for the recently approved successor memoranda of understanding (MOUs) with the City's employee bargaining groups, one of the items negotiated was the addition of the so called "Pre Retirement Option 2W Death Benefit" to the City's retirement contract with CalPERS.

Under the City's current CalPERS contract, if a retirement eligible employee dies while still actively employed with the City, then the survivors are eligible to receive only a reduced monthly retirement benefit equal to half of the amount the employee would have been eligible for if they had retired. Upon adoption of this amendment to the CalPERS contract, if the retirement eligible employee dies prior to retirement, the survivors will be eligible to receive a benefit equal to the same amount they would have been entitled to had the employee retired on the date of his/her death.

In order to be eligible for this benefit, the employee must meet the CalPERS definition of retirement eligible, that is at least age 50 and have at least 5 years of CalPERS service credit.

Although these situations don't arise very often they are very difficult when they do occur. Employees and their families make plans for their retirement years based on an anticipated benefit calculated by CalPERS. When the employee's life is unexpectedly cut short, not only is the family forced to deal with the physical loss of their loved one but they must also manage with only half of the income they had planned for. In some cases those survivors may not be able to make ends meet. These are retirement funds already paid to and invested by CalPERS and thus the family should be entitled to the full benefit.

There are two steps in the contract amendment process. CalPERS requires the adoption of the resolution of intent to amend the contract first, followed by the adoption of a final ordinance. By adopting the resolution of intent and introducing the corresponding ordinance, the City Council will complete the first step. There must be a period of at least twenty days between the adoption of this resolution of intent and the adoption of the final ordinance, which will be scheduled for July 14, 2015.

## **ALTERNATIVES**

1. Approve the staff recommendation to adopt the resolution of intent to amend the City's contract with CalPERS adding Section 21548 (Pre-Retirement Option 2W Death Benefit) for service credit accumulated on and after the effective date of the amendment and introduce the corresponding ordinance. **Staff recommends**

***this alternative.***

- 2. Do not approve the recommendation above and leave the City’s contract with CalPERS as it stands. ***Staff does not recommend this alternative.***

**FISCAL IMPACT**

The future annual cost of this proposed contract amendment is an increase of .128% to the City’s total employer rate. Based on the City’s current CalPERS rate, this amounts to an annual increase of approximately \$25,000 city-wide.

**NOTIFICATION**

The employee bargaining groups participated in the negotiations for this amendment and are aware of its provisions.

## RESOLUTION NO. 2015-51

RESOLUTION OF INTENTION TO APPROVE AN  
 AMENDMENT TO CONTRACT BETWEEN THE BOARD OF  
 ADMINISTRATION, CALIFORNIA PUBLIC EMPLOYEES'  
 RETIREMENT SYSTEM AND THE CITY COUNCIL OF THE  
 CITY OF MORENO VALLEY, CALIFORNIA

WHEREAS, the Public Employees' Retirement Law permits the participation of public agencies and their employees in the Public Employees' Retirement System by the execution of a contract, and sets forth the procedure by which said public agencies may elect to subject themselves and their employees to amendments to said Law; and

WHEREAS, one of the steps in the procedures to amend this contract is the adoption by the governing body of the public agency of a resolution giving notice of its intention to approve an amendment to said contract, which resolution shall contain a summary of the change proposed in said contract; and

WHEREAS, the following is a statement of the proposed change:

To provide Section 21548 (Pre-Retirement Option 2W Death Benefit) for service credit accumulated on and after the effective date of this amendment to contract for local miscellaneous members.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS: that the governing body of the City of Moreno Valley does hereby give notice of intention to approve an amendment to the contract between said public agency and the Board of Administration of the Public Employees' Retirement System, a copy of said amendment being attached hereto, as an "Exhibit" and by this reference made a part hereof.

## ORDINANCE NO. 898

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AUTHORIZING AN AMENDMENT TO THE CONTRACT BETWEEN THE CITY COUNCIL OF THE CITY OF MORENO VALLEY AND THE BOARD OF ADMINISTRATION OF THE CALIFORNIA PUBLIC EMPLOYEE'S RETIREMENT SYSTEM

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1.

That an amendment to the contract between the City Council of the City of Moreno Valley and the Board of Administration, California Public Employee's Retirement System is hereby authorized, a copy of said amendment being attached hereto, marked Exhibit, and by such reference made a part hereof as though herein set out in full.

SECTION 2.

The Mayor of the City Council of the City of Moreno Valley is hereby authorized, empowered and directed to execute said amendment for and on behalf of said Agency.

SECTION 3. EFFECT OF ENACTMENT:

Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

SECTION 4. NOTICE OF ADOPTION:

Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be posted in three public places within the city.

SECTION 5. EFFECTIVE DATE:

This ordinance shall take effect thirty days after the date of its adoption.

APPROVED AND ADOPTED this 23<sup>rd</sup> day of June, 2015.

# AMENDMENT TO CONTRACT

Between the  
Board of Administration  
California Public Employees' Retirement System  
and the  
City Council  
City of Moreno Valley

---

The Board of Administration, California Public Employees' Retirement System, hereinafter referred to as Board, and the governing body of the above public agency, hereinafter referred to as Public Agency, having entered into a contract effective October 16, 1985, and witnessed October 15, 1985, and as amended effective February 14, 1992, July 5, 1995, July 15, 1997, January 6, 1999, July 18, 2003, January 13, 2007, March 27, 2009, December 24, 2011 and July 13, 2012 which provides for participation of Public Agency in said System, Board and Public Agency hereby agree as follows:

- A. Paragraphs 1 through 14 are hereby stricken from said contract as executed effective July 13, 2012, and hereby replaced by the following paragraphs numbered 1 through 14 inclusive:
1. All words and terms used herein which are defined in the Public Employees' Retirement Law shall have the meaning as defined therein unless otherwise specifically provided. "Normal retirement age" shall mean age 55 for local miscellaneous members.

PLEASE DO NOT SIGN "EXHIBIT ONLY"

2. Public Agency shall participate in the Public Employees' Retirement System from and after October 16, 1985 making its employees as hereinafter provided, members of said System subject to all provisions of the Public Employees' Retirement Law except such as apply only on election of a contracting agency and are not provided for herein and to all amendments to said Law hereafter enacted except those, which by express provisions thereof, apply only on the election of a contracting agency.
3. Public Agency agrees to indemnify, defend and hold harmless the California Public Employees' Retirement System (CalPERS) and its trustees, agents and employees, the CalPERS Board of Administration, and the California Public Employees' Retirement Fund from any claims, demands, actions, losses, liabilities, damages, judgments, expenses and costs, including but not limited to interest, penalties and attorneys fees that may arise as a result of any of the following:
  - (a) Public Agency's election to provide retirement benefits, provisions or formulas under this Contract that are different than the retirement benefits, provisions or formulas provided under the Public Agency's prior non-CalPERS retirement program.
  - (b) Any dispute, disagreement, claim, or proceeding (including without limitation arbitration, administrative hearing, or litigation) between Public Agency and its employees (or their representatives) which relates to Public Agency's election to amend this Contract to provide retirement benefits, provisions or formulas that are different than such employees' existing retirement benefits, provisions or formulas
  - (c) Public Agency's agreement with a third party other than CalPERS to provide retirement benefits, provisions, or formulas that are different than the retirement benefits, provisions or formulas provided under this Contract and provided for under the California Public Employees' Retirement Law.
4. Employees of Public Agency in the following classes shall become members of said Retirement System except such in each such class as are excluded by law or this agreement:
  - a. Employees other than local safety members (herein referred to as local miscellaneous members).

Attachment: Exhibit (1486 : ADOPTION OF A RESOLUTION OF INTENT TO APPROVE AN AMENDMENT TO THE CONTRACT BETWEEN THE

PLEASE DO NOT SIGN "EXHIBIT ONLY"

5. In addition to the classes of employees excluded from membership by said Retirement Law, the following classes of employees shall not become members of said Retirement System:
  - a. **SAFETY EMPLOYEES, AND**
  - b. **CROSSING GUARD AND RECREATION AIDE HIRED ON OR AFTER JULY 13, 2012.**
6. The percentage of final compensation to be provided for each year of credited prior and current service as a local miscellaneous member in employment before and not on or after January 13, 2007 shall be determined in accordance with Section 21354 of said Retirement Law (2% at age 55 Full).
7. The percentage of final compensation to be provided for each year of credited prior and current service as a local miscellaneous member in employment on or after January 13, 2007 and not entering membership for the first time in the miscellaneous classification after December 24, 2011 shall be determined in accordance with Section 21354.5 of said Retirement Law (2.7% at age 55 Full).
8. The percentage of final compensation to be provided for each year of credited current service as a local miscellaneous member entering membership for the first time in the miscellaneous classification after December 24, 2011 shall be determined in accordance with Section 21354 of said Retirement Law (2% at age 55 Full).
9. Public Agency elected and elects to be subject to the following optional provisions:
  - a. Section 20042 (One-Year Final Compensation) for those local miscellaneous members entering membership on or prior to December 24, 2011.
  - b. Section 20938 (Limit Prior Service to Members Employed on Contract Date).
  - c. Section 21574 (Fourth Level of 1959 Survivor Benefits).
  - d. Section 21024 (Military Service Credit as Public Service).
  - e. Section 20965 (Credit for Unused Sick Leave).
  - f. Section 20903 (Two Years Additional Service Credit).

PLEASE DO NOT SIGN "EXHIBIT ONLY"

- g. **Section 20475 (Different Level of Benefits). Section 21354 (2% @ 55 Full formula) and Section 20037 (Three-Year Final Compensation) are applicable to local miscellaneous members entering membership for the first time in the miscellaneous classification after December 24, 2011.**
  - h. **Section 21548 (Pre-Retirement Option 2W Death Benefit) for service credit accumulated on and after the effective date of this amendment to contract.**
10. **Public Agency, in accordance with Government Code Section 20834, shall not be considered an "employer" for purposes of the Public Employees' Retirement Law. Contributions of the Public Agency shall be fixed and determined as provided in Government Code Section 20834, and such contributions hereafter made shall be held by the Board as provided in Government Code Section 20834.**
  11. **Public Agency shall contribute to said Retirement System the contributions determined by actuarial valuations of prior and future service liability with respect to local miscellaneous members of said Retirement System.**
  12. **Public Agency shall also contribute to said Retirement System as follows:**
    - a. **Contributions required per covered member on account of the 1959 Survivor Benefits provided under Section 21574 of said Retirement Law. (Subject to annual change.) In addition, all assets and liabilities of Public Agency and its employees shall be pooled in a single account, based on term insurance rates, for survivors of all local miscellaneous members.**
    - b. **A reasonable amount, as fixed by the Board, payable in one installment within 60 days of date of contract to cover the costs of administering said System as it affects the employees of Public Agency, not including the costs of special valuations or of the periodic investigation and valuations required by law.**
    - c. **A reasonable amount, as fixed by the Board, payable in one installment as the occasions arise, to cover the costs of special valuations on account of employees of Public Agency, and costs of the periodic investigation and valuations required by law.**
  13. **Contributions required of Public Agency and its employees shall be subject to adjustment by Board on account of amendments to the Public Employees' Retirement Law, and on account of the experience under the Retirement System as determined by the periodic investigation and valuation required by said Retirement Law.**

14. Contributions required of Public Agency and its employees shall be paid by Public Agency to the Retirement System within fifteen days after the end of the period to which said contributions refer or as may be prescribed by Board regulation. If more or less than the correct amount of contributions is paid for any period, proper adjustment shall be made in connection with subsequent remittances. Adjustments on account of errors in contributions required of any employee may be made by direct payments between the employee and the Board.

B. This amendment shall be effective on the \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Allen Brock, Community Development Director

**AGENDA DATE:** June 23, 2015

**TITLE:** REFUND OF APPEAL FEES - COTTONWOOD RESIDENTIAL PROJECT (PA14-0032 & PA14-0033)

---

### **RECOMMENDED ACTION**

#### **Recommendation: That the City Council:**

1. Deny the request for the additional refund of fees paid by appellants on an appeal filed on January 20, 2015 of prior January 8, 2015 City Planning Commission decisions on PA14-0032 and PA14-0033.

### **SUMMARY**

The appellants of a previous Planning Commission approved residential project have requested a full refund of their \$750 Appeal Fee paid to the City. The process for Refund of Fees is expressly set forth in Section 9.01.150 of the City Municipal Code. On April 7, 2015, City staff authorized and processed a refund of seventy-five dollars (\$75) based on the Municipal Code provisions. The appellants have requested City Council consideration of this matter and issue a full refund of the fee. *City staff does not recommend approval of this refund as it would be inconsistent with the City's Municipal Code.*

### **DISCUSSION**

On January 8, 2015, the Planning Commission approved a tentative tract map (PA14-0032) and a conditional use permit (PA14-0033) for a new Planned Unit Development for a 76-unit residential project proposed on Cottonwood Avenue approximately ¼ mile east of Perris Boulevard. On January 20, 2015, concerned residents residing near and adjacent to the approved residential project filed an Appeal on the project. The Appeal was filed in accordance with the provisions outlined in Section 9.02.240 of the City Municipal Code, and an application fee of \$750 as required in Section 9.02.190 of the City Municipal Code and as set forth in the current Schedule of Fees approved under

City Council Resolution 2013-25 was collected.

After two months of discussions between the appellants, the residential developer, and City staff, on March 24, 2015, prior to the City Council meeting on that same date, the residential developer elected to submit a letter withdrawing their project from any further consideration by the City.

On April 7, 2015, staff received a letter from Juan Villa requesting a refund of the \$750 filing fee paid for the Appeal. Upon consideration of provisions set forth for Refund of Fees in Section 9.01.150 of the City Municipal Code, a response letter was sent to Mr. Villa approving a ten-percent refund of the fees, which is consistent with the Municipal Code. The response letter dated April 16, 2015 is included as Attachment 1 of this staff report.

The appellants are unsatisfied with the partial refund and have requested City Council consideration to determine if a full refund can be authorized.

As noted on page 65 of 70 of the Schedule of Fees (Attachment 3) adopted by the City Council on July 9, 2013, by Resolution No. 2013-25, "The City Council may waive processing or appeal fees for any private or public agency on a case-by-case basis."

In reviewing this matter, the City Attorney's Office indicates that:

- Municipal Code provisions expressly contemplate how refunds are to be contemplated where an appeal is withdrawn and that the maximum refund amount that can be provided in this instance is \$75.
- The City Council's discretion is limited to waiving fees and does not allow the Council to issue refunds, as requested in this situation. Waivers, by definition, are considered at the outset of a process and based upon a specific cause and recognition of the public benefit(s) associated with waiving from Council-approved fees.
- The refund chart included in Section 9.01.150 of the City Municipal Code (shown below) specifically controls the schedule of refunds associated with land use reviews.

<b>Stage in Processing</b>	<b>Refund Percentage</b>
1. Application accepted by the department but no project review begun	100
2. Project review begun, but project not reviewed by the project review staff committee or other city committee	80
3. Application reviewed by the project review staff committee or other city committee	40
4. Hearing advertised or public notices sent	30
5. Planning commission staff report or conditions of approval prepared	10
6. Public hearing held or decision rendered	0

- Without specific adopted standards to guide the Council with regard to refund requests from residents, a decision to issue a refund in this matter would be considered arbitrary. Such a decision would also open the City to all such requests, leaving the Council without an objective standard upon which to base its consideration.

In light of the City Attorney's findings, staff cannot recommend approval of this request.

### **ALTERNATIVES**

1. Deny the request for the additional refund of fees paid by appellants on an appeal filed on January 20, 2015 of prior January 8, 2015 City Planning Commission decisions on PA14-0032 and PA14-0033. *Staff recommends this alternative.*
2. Authorize a refund, which would result in a balance of \$675 being returned to the appellants. *Staff does not recommend this alternative in light of the City Attorney's findings.*

### **FISCAL IMPACT**

Any additional refund authorized would result in a reduction in the specified amount

from available development processing fees fund balance. The highest possible fiscal impact would be \$675.

RE: Request for Refund of Appeal Fee for PA14-0032/0033

Dear Mr. Villa:

City staff has received your letter dated April 7, 2015 requesting a refund of a \$750.00 filing fee for an Appeal you filed on January 20, 2015, in response to the January 8, 2015, City of Moreno Valley Planning Commission's decisions on Tentative Tract Map application PA14-0032 and Conditional Use Permit application PA14-0033. Both applications were submitted for a new residential development along Cottonwood Avenue approximately ¼ mile east of Perris Boulevard.

Development processing fees collected by the City are established and intended to assure appropriate cost recovery by the City of city services expended to process requests. Upon an evaluation of the city efforts expended, and other city expenses incurred, in the processing of your Appeal, with careful consideration of regulations set forth in the City's adopted Municipal Code, a refund of 10 percent of the filing fee will be prepared. A check in the amount of seventy-five dollars and no cents (\$75.00) will be mailed to you by our Finance Department on April 28, 2015.

A detailed explanation follows:

In accordance with Section 9.02.190(E) of the City's Municipal Code, by Resolution 2013-25 the City Council established the current schedule of fees for permits, appeals, amendments and approvals related to development projects. The fee for an Appeal is \$750.00. The purpose for development fees, including a fee for an Appeal, is intended to reimburse the city for costs incurred as the result of its administration of the provisions of the Municipal Code.

As the applicant for the Appeal ("project"), in your Appeal letter dated January 20, 2015, you requested City consideration of a number of specific items and issues. The principal

Letter to John Villa  
April 16, 2015  
Page 2

objective stated in the Appeal was that the decisions of the Planning Commission be overturned. As stated on page 2 of your January 20, 2015 letter you made it very clear that "the appellants are aware Mayor Molina has exercised the authority...to assume jurisdiction of this project... This appeal is being filed to ensure the residents a substantial voice as the applicant for the appeal." In light of this filing, the assumption of jurisdiction by the Mayor was terminated, to allow the appellants to proceed as desired.

The objectives noted above, as well as the full list of issues and items included in your January 20<sup>th</sup> letter and subsequent verbal and written communications between you, your representatives, and City staff, were vetted during the city "project review" phase. Consideration was conducted through direct one-on-one staff communications and during several organized city meetings with appellants, the developer, and staff from various city departments.

In accordance with Section 9.02.240 of the City's Municipal Code your Appeal was promptly scheduled for a City Council public hearing. Public noticing for the hearing was performed in accordance with established city regulations and included publishing in a newspaper of general circulation, posting at established city locations and the project site, and direct mailings to property owners within three-hundred feet of the development site.

In preparation for each public hearing before the City Council, a comprehensive staff report was prepared, including revisions to conditions of approval. The staff report included a point by point response to each of the issues raised in your January 20, 2015 Appeal letter and other submitted materials. At your request(s), the City Council was asked to push the hearing date out to allow appellants to work through interests with the developer. In light of those requests, the City Council made decisions to continue the hearing date on multiple occasions.

With interests of the appellants' still unresolved, and in consideration of potential legal action against the project noted by you and other appellant representatives, the developer elected to submit a letter withdrawing their project from further consideration by the City. The letter of withdrawal was submitted on March 24, 2015 prior to the City Council meeting. In light of this action by the developer further consideration by the City Council became moot. As requested by you and your representative Ms. Kathleen Dale at the March 24, 2015 City Council meeting, the opportunity for appellants to speak on this matter before the City Council was explained as an available option under the general public comments portion of the agenda. While we understand some speaker cards were submitted, none of the speakers were present for public comments when the public comments agenda item was resumed at 9:00 pm.

Letter to John Villa  
April 16, 2015  
Page 3

Your Appeal was effectively terminated on March 24, 2015 as a result of the developer's withdrawal of the project (i.e. applications PA14-0032 and PA14-0033). The termination of your Appeal is the prerequisite under Section 9.01.150(B) of the City Municipal Code, and is the point at which the City may initiate consideration of a refund of development fees paid. Your Appeal had already advanced to "Stage 6" of the processing by February 10, 2015 (the first noticed City Council hearing date). The Stage of processing is the criteria shown in the refund Table in Section 9.01.150(B) of the City Municipal Code (Attached). Stage 6 of the processing is where either a public hearing is held or a decision rendered. At Stage 6 the refund percentage authorized is "0" percent. As no public hearing, with public testimony, was held on the Appeal and no City Council decision was made on the Appeal, the refund percentage available at Stage 5 has been considered. At Stage 5 of the proceedings a refund of 10 percent (10%) may be made. Ten percent of your filing fee is seventy-five dollars and no cents (\$75.00).

City expenses incurred as a result of multiple public noticing, multiple staff reports, multiple "project reviews" and multiple meetings conducted to respond to the appellants' interests have more than fully exhausted the \$750.00 filing fee. Absent the filing of an Appeal, no further effort or expenses by the City related to your Appeal would have been necessary. It is noted that as a direct result of your Appeal, your intended purpose for the Planning Commission's decisions to be overturned was effectively achieved.

As explained above, in accordance with Section 9.01.150 of the City's Municipal Code, the proceedings on your Appeal were deemed to have terminated at Stage 5 of the proceedings. A check in the amount of seventy-five dollars and no cents (\$75.00) will be mailed out to you by our Finance Department on April 28, 2015.

Sincerely,

Richard J. Sandzimir  
Planning Official

**9.01.150 Refund of fees.**

A. Purpose and Intent. The purpose and intent of this section is to establish a uniform schedule by which to refund application fees.

B. Projects that Require a Hearing or Public Notice. Whenever an application that requires a public hearing or public notice is terminated for any reason, upon request of the applicant, a refund of fees paid may be made by the community development department in accordance with the following schedule; if any portion of the application fee has been paid out by the community development department to another jurisdiction or agency for services to be rendered in connection with the application, no refund of that portion of the fee shall be made by the community development department to the applicant:

Stage in Processing	Refund Percentage
1. Application accepted by the department but no project review begun	100
2. Project review begun, but project not reviewed by the project review staff committee or other city committee	80
3. Application reviewed by the project review staff committee or other city committee	40
4. Hearing advertised or public notices sent	30
5. Planning commission staff report or conditions of approval prepared	10
6. Public hearing held or decision rendered	0

C. Projects that Do Not Require Public Notice. A refund of one hundred (100) percent will be made if no project review has begun. A refund of fifty (50) percent of the fee paid will be made in association with an application that is withdrawn prior to approval or denial of such application. (Ord. 694 § 1.1, 2005; Ord. 528 § 1.8, 1997; Ord. 475 § 1.2, 1995; Ord. 398 § 1.11, 1993; Ord. 359, 1992)

**9.01.150 Refund of fees.**

A. Purpose and Intent. The purpose and intent of this section is to establish a uniform schedule by which to refund application fees.

B. Projects that Require a Hearing or Public Notice. Whenever an application that requires a public hearing or public notice is terminated for any reason, upon request of the applicant, a refund of fees paid may be made by the community development department in accordance with the following schedule; if any portion of the application fee has been paid out by the community development department to another jurisdiction or agency for services to be rendered in connection with the application, no refund of that portion of the fee shall be made by the community development department to the applicant:

Stage in Processing	Refund Percentage
1. Application accepted by the department but no project review begun	100
2. Project review begun, but project not reviewed by the project review staff committee or other city committee	80
3. Application reviewed by the project review staff committee or other city committee	40
4. Hearing advertised or public notices sent	30
5. Planning commission staff report or conditions of approval prepared	10
6. Public hearing held or decision rendered	0

C. Projects that Do Not Require Public Notice. A refund of one hundred (100) percent will be made if no project review has begun. A refund of fifty (50) percent of the fee paid will be made in association with an application that is withdrawn prior to approval or denial of such application. (Ord. 694 § 1.1, 2005; Ord. 528 § 1.8, 1997; Ord. 475 § 1.2, 1995; Ord. 398 § 1.11, 1993; Ord. 359, 1992)

## Section 10 - Miscellaneous Fees and Charges

	<u>Unit</u>	<u>Current Fee</u>
Council Chamber Room Rental	per Day	\$ 132.00
Neighborhood Preservation Revitalization Program Housing Inspection Minimum Permit Fees (all types of permits)	Each	\$1,557.00
Housing Assistance Financial Analysis Charge		City Cost
Mileage for City employee appearances	per Mile	IRS allowable rate
Motion Picture Permit	Each	\$ 393.00
<u>Copies</u> *		
Black & White	per Page	\$ 0.20
Color	per Page	\$ 0.75

\* All government agencies and their official representatives shall be exempt from paying these charges for single copies for official use.

Copies and Research in response to subpoena City cost as provided for in California Evidence Code Section 1563

Copies of maps, documents, graphs or special work may be furnished upon the payment of the cost of printing and preparation. For such items for which a regular established price is unavailable, the Department Head, in collaboration with the Financial & Administrative Services Director, may establish a price consistent with the cost of printing and preparation thereof. The Financial & Administrative Services Director shall report such exceptions to the City Manager. It shall be the responsibility of the City Manager to review such costs annually and make such recommendations to the City Council as required to keep charges consistent with actual costs.

The City Council may waive processing or appeal fees for any private or public agency on a case-by-case basis. In the case of an appeal by a public agency or school district, no fee shall be charged until the City Council considers the appeal matter itself and renders a decision on the waiver of the fee after the entire appeal matter has been heard.

**Note: Projects equal to or in excess of \$50,000,000 in total value will qualify to be considered for inclusion in the City's pilot program utilizing Time-and-Material charging/billing methodology for Development Services activities; this program encompasses all Departments and all fees for projects in the program. For more information on this pilot program please contact the City Manager's Office.**

Land Development Division Deposits will be valued at one-quarter of the fee that would typically be charged for plan check or inspection services.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Jane Halstead, City Clerk

**AGENDA DATE:** June 23, 2015

**TITLE:** TRAVEL AND RELATED BUSINESS EXPENSES  
(ELECTED OFFICIALS) POLICY 3.20 REVISION  
(CONTINUED FROM APRIL 28, 2015)

---

### **RECOMMENDED ACTION**

#### **Recommendation: That the City Council:**

1. Provide staff direction on revisions to the policy.

### **SUMMARY**

This item was continued from the April 28, 2015 for further review and discussion. One suggested change would obligate a City Council Member to reimburse the City from his/her personal funds for any cost associated with an absence from an event where the City incurred the cost associated with the Council Member's scheduled attendance.

### **DISCUSSION**

Government Code Section 53232.2 effective January 1, 2006, AB 1234 addressed three areas of compensation for elected officials: a) salaries/stipends/per diem, b) reimbursement for expenses, and c) ethics training. AB 1234 requires all local agencies which provide reimbursements to members of its legislative body, to adopt a written policy identifying what expenses qualify for reimbursement and requiring the filing of expense reports. The City has adhered to this requirement by the adoption of Policy 3.20. Policy 3.20 Travel and Related Business Expenses (elected officials) was adopted on July 11, 2006.

The City Clerk's Office conducted research through the City Clerk's League of California cities' listserv. Travel policies of cities that responded were reviewed and the majority were found being comparable to the City's policy in regard to compliance of the law and violation of the policy.

While conducting research through the City Clerk's League of California cities' listserv, the majority of cities that have adopted policies were reviewed and are comparable to the City's policy, in regard to compliance of the law and violation of the policy.

As discussed during the April 28, 2015 Regular City Council Meeting, the City's current practice on reservations is to notify the agency holding the event when an absence is occurring. However, in most cases the City is still obligated to pay for the Council Member. Staff does not track Council Member's attendance to events and the agency holding the event does not report back to City staff.

Additional discussion during the City Council Meeting was held regarding Council paying fees associated with an event and then the official being reimbursed for the cost by the City. There was not a consensus on the discussion.

The language proposed for addition to Policy 3.20 is outlined in the attached document is shown below:

"In the event that a City Council Member fails without good cause to attend an event for which the City has incurred an unrecoverable cost, the Council Member shall reimburse the City the full amount of the advanced cost from his or her personal funds. For purposes of this section, "good cause" shall be limited to a documented illness, family emergency or transportation delay outside the control of the Council Member."

## **ALTERNATIVES**

Approve the proposed update to Policy 3.20, as outlined in Attachment 1.

Do not update the policy, which will result in no change to the current policy.

## **FISCAL IMPACT**

None

## **NOTIFICATION**

Publication of the agenda.

 Next: 06/23/15

## TRAVEL AND RELATED BUSINESS EXPENSES (ELECTED OFFICIALS)

---

**PURPOSE:** AB 1234 requires the adoption of reimbursement policies that specify necessary and reasonable expenses that demonstrate a substantial benefit to the City. Some of these necessary and reasonable expenses that would be beneficial to the City include:

1. Discussing community concerns with regional, state and national government representatives;
2. Participating in regional, state and national organizations whose activities affect the City;
3. Attending educational seminars designed to improve the skills and information levels of officials; and
4. Promoting public service and morale by recognizing such service.

This policy establishes business expense guidelines for members of the City Council subject to the Ralph M. Brown Act and California Constitution provisions governing open meetings, including the City Council, pursuant to the requirements of AB 1234. It specifies the kinds of activities that will be reimbursable for expenses incurred in the performance of their official duties. The rates of reimbursement are specified for travel, meals, lodging and other related expenses. This policy also applies to any charges made to a City credit card (Cal-Card), cash advances or other line of credit. If an official wishes to seek reimbursement for something that has not been adopted by this policy, then the official has the option of seeking prior approval for such reimbursement by action of the City Council. If officials choose to upgrade a related travel/business service or accommodation, they may do so at their own expense.

### POLICY:

#### I. General Standards

##### A. Authorized Expenses

1. City funds, equipment, supplies (including letterhead), and staff time must only be used for authorized City business. Expenses incurred in connection with the following types of activities generally constitute authorized expenses, as long as the other requirements of this policy are met:
  - a. Communicating with representatives of regional, state and national government on City adopted policy positions;
  - b. Attending educational seminars designed to improve the skill and information levels of officials;
  - c. Participating in regional, state and national organizations whose activities affect the City's interests;
  - d. Recognizing service to the City (for example, thanking a longtime employee with a retirement gift or celebration of nominal value and cost);
  - e. Attending City and community events as a representative of the City;

---

Approved by: City Council  
July 11, 2006

Revised \_\_\_\_\_

### TRAVEL AND RELATED BUSINESS EXPENSES (ELECTED OFFICIALS)

---

- f. Implementing a City-approved strategy for attracting or retaining businesses to the City, which will typically involve at least one staff member; and
  - g. Attending meetings such as those listed above for which a meeting stipend is expressly authorized under this policy.
2. All other expenditures require prior approval by the City Council. The following expenses also require prior City Council approval:
- a. International and out-of-state travel;
  - b. Expenses which exceed the annual limits established for each office holder; and
  - c. Expenses exceeding \$3,000 per trip.

#### B. Unauthorized Expenses

1. Examples of personal expenses that the City will not reimburse include, but are not limited to:
- a. The personal portion of any trip;
  - b. Political or charitable contributions or events;
  - c. Family expenses, including partners' expenses when accompanying official on agency-related business, as well as children or pet-related expenses;
  - d. Entertainment expenses, including theater, movies (either in-room or at the theater), sporting events (including gym, massage and/or golf related expenses), or other cultural events;
  - e. Non-mileage personal automobile expenses, including repairs, traffic citations, insurance or gasoline; and
  - f. Personal losses incurred while on City business.

Any questions regarding the propriety of a particular type of expense should be resolved by the City Council before the expense is incurred.

#### C. Cash Advance Policy

On occasion, it may be necessary for an official to request a cash advance to cover anticipated expenses while traveling or doing business on the City's behalf. Such request for an advance should be submitted to the Finance Department no later than 7 working days prior to the need for the advance with the following information:

- 1. The purpose of the expenditure(s);
- 2. The benefits of such expenditure to the residents of the City;
- 3. The anticipated amount of the expenditure(s) (for example: hotel rates, meal costs and transportation expenses); and

---

Approved by: City Council  
July 11, 2006

Revised \_\_\_\_\_

## TRAVEL AND RELATED BUSINESS EXPENSES (ELECTED OFFICIALS)

---

### 4. The dates of the expenditure(s).

Any unused advance must be returned to the City treasury within two business days of the official's return, along with an expense report and receipts documenting how the advance was used in compliance with this expense policy.

In the event the Finance Department is uncertain as to whether a request complies with this policy, such individual must seek resolution from the City Council.

### D. Credit Card Use Policy

The City does not issue credit cards to individual office holders but does have an agency credit card for selected City expenses. City office holders may use the City credit card for such purposes as airline tickets and hotel reservations by following the same procedures as for cash advances. Receipts documenting expenses incurred on the City credit card and compliance with this policy must be submitted within five business days ~~of use~~ from the end of the trip.

City credit cards may not be used for personal or other non-City expenses, even if the official subsequently reimburses the City.

## II. Travel

### A. Transportation

The most economical mode and class of transportation reasonably consistent with scheduling needs and cargo space requirements must be used, using the most direct and time-efficient route. Government and group rates must be used when available.

1. Airfare – Airfares that are equal to or less than those available through the California Statewide Travel Program – Preferred Airlines and Discounts ~~Enhanced Local Government Airfare Program offered through the League of California Cities (www.cacities.org/travel), California State Association of Counties and State of California (http://www.esac.counties.org/default.asp?id=635)~~ which are presumed to be the most economical and reasonable for purposes of reimbursement under this policy http://www.dgs.ca.gov/travel/Programs/Airfare.aspx.
2. Automobile – Automobile mileage is reimbursed at Internal Revenue Service rates presently in effect (*see* www.irs.gov). ~~For 2006, the rate is 44.5 cents per mile. Beginning January 1, 2015, the standard mileage rates for the use of a car, van, pickup or panel truck is 57.5 cents per mile.~~ These rates are designed to compensate the driver for gasoline, insurance, maintenance, and other expenses associated with operating the vehicle.<sup>1</sup> This amount does not include bridge and road tolls, which are also reimbursable. The Internal Revenue Service rates will not be paid for rental vehicles; only receipted fuel expenses will be reimbursed.
3. Car Rental – Rental rates that are equal or less than those available through the State of California's website (http://www.catravelsmart.com/default.htm) and the CA State Employee Rental Rates for vehicles, which shall be considered the most economical and reasonable for purposes of reimbursement under this policy (http://www.documents.dgs.ca.gov/ofa/Travel/CarRental/CarRentalRates1.1.2015-12.31.2015.pdf).

Approved by: City Council  
July 11, 2006

Revised \_\_\_\_\_

### TRAVEL AND RELATED BUSINESS EXPENSES (ELECTED OFFICIALS)

---

4. Taxis/Shuttles – Taxis or shuttles fares may be reimbursed, including a 15 percent gratuity per fare, when the cost of such fares is equal or less than the cost of car rentals, gasoline and parking combined, or when such transportation is necessary for time-efficiency.
5. Reasonable incidental travel costs such as parking, tips, gratuities, etc. shall be reimbursed.
6. Expenses for which City officials receive reimbursement from another agency are neither reimbursable nor reportable through the City.

#### B. Lodging

Lodging expenses will be reimbursed or paid for when travel on official City business reasonably requires an overnight stay.

1. Conferences/Meetings – If such lodging is in connection with a conference, lodging expenses shall not exceed the group rate published by the conference sponsor for the meeting in question if such rates are available at the time of booking. If the group rate is not available, see next section.
2. Other Lodging – Travelers must request government rates, when available. A listing of hotels offering government rates in different areas is available at <http://www.catravelsmart.com/lodguideframes.htm>. Lodging rates that are equal or less to government rates are presumed to be reasonable and hence reimbursable for purposes of this policy.
  - a. In the event that government rates are not available at a given time or in a given area, lodging rates that do not exceed the IRS per diem rates for a given area are presumed reasonable and hence reimbursable, when available.

#### C. Meals

This policy recognizes that legislative and other regional, state and federal agency business is frequently conducted over meals; sharing a meal with regional, state and federal officials is frequently the best opportunity for a more extensive, focused and uninterrupted communication about the City's policy concerns. Each meal expenditure must comply with the limits and reporting requirements of local, state and federal law.

1. Reimbursable meal expenses and associated gratuities will not exceed the following rates:
  - a. Breakfast: \$12
  - b. Lunch: \$18
  - e- Dinner: ~~\$34~~ \$36.00
2. Such amounts will be annually adjusted to reflect changes in the cost of living in accordance with statistics published by the United States Department of Labor, Bureau of Labor Statistics Consumer Price Index, all urban consumers for the Southern California area. (The annual adjustment will be based on this area whether travel is within the area or not.)

---

Approved by: City Council  
July 11, 2006

Revised \_\_\_\_\_

---

**TRAVEL AND RELATED BUSINESS EXPENSES (ELECTED OFFICIALS)**

---

3. The City will not pay for alcohol/personal bar expenses.

**III. Communications****A. Telephone/Fax/Cellular**

Officials will be reimbursed for actual telephone and fax expenses incurred on City business. Telephone bills should identify which calls were made on City business. For cellular calls when the official has a particular number of minutes included in the official's plan, the official can identify the percentage of calls made on public business.

**B. Internet**

Officials will be reimbursed for reasonable Internet access connection and/or usage fees away from home, if Internet access is necessary for City-related business.

**IV. Expense Reporting Requirements****A. Form Content and Submission Deadline**

1. All cash advance expenditures, credit card expenses and expense reimbursement requests must be submitted on an expense report form provided by the City. This form shall contain the following advisory:

*All expenses reported on this form must comply with the City's policies relating to expenses and use of public resources. The information submitted on this form is a public record. Penalties for misusing public resources and violating the City's policies may include loss of reimbursement privileges, restitution, civil and criminal penalties and/or state and federal income tax liability.*

2. Expense reports must document that the expense in question met the requirements of this policy. For example, if the meeting is with a legislator, the local agency official should explain whose meals were purchased, what issues were discussed and how those relate to the City's adopted legislative positions and priorities.
3. Officials must submit their expense reports within 30 days of an expense being incurred, accompanied by receipts documenting each expense. Restaurant receipts, in addition to any credit card receipts, are also part of the necessary documentation. Inability to provide such documentation in a timely fashion may result in the expense being borne by the official.
4. All expenses are subject to verification that they comply with this policy.

**B. Reports to Legislative Bodies**

At the following meeting of the City Council, each official shall briefly report on meetings attended at City expense. The report may be either a written or oral report. The report should be designed to comply with Brown Act requirements. The report need not disclose details of confidential conversations, but shall disclose the date and place of the meeting and its general subject matter. If multiple officials attended the same event, a joint report may be made.

**C. Compliance With Laws**

---

Approved by: City Council  
July 11, 2006

Revised \_\_\_\_\_

---

**TRAVEL AND RELATED BUSINESS EXPENSES (ELECTED OFFICIALS)**

---

City officials should keep in mind that some expenditures may be subject to reporting under the Political Reform Act and other laws. For example, meals are considered “gifts” to legislators that must be reported by them if the total value of gifts given from the City exceeds \$50 in a year; there also is an annual gift limit. All agency expenditures are public records subject to disclosure under the Public Records Act.

D. Violation of this Policy

Use of public resources or falsifying expense reports in violation of this policy may result in any or all of the following:

1. Loss of reimbursement privileges;
2. A demand for restitution to the City;
3. The City reporting expenses as income to the elected official to state and federal tax authorities;
4. Civil penalties of up to \$1,000 per day and three times the value of the resources used pursuant to state law; and
5. Prosecution for misuse of public resources.

E. Personal Reimbursement

In the event that a City Council Member fails without good cause to attend an event for which the City has incurred an unrecoverable cost, the Council Member shall reimburse the City the full amount of the advanced cost from his or her personal funds. For purposes of this section, “good cause” shall be limited to a documented illness, family emergency or transportation delay outside the control of the Council Member.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Jane Halstead, City Clerk

**AGENDA DATE:** June 23, 2015

**TITLE:** APPOINTMENTS TO THE CITY COUNCIL ADVISORY  
BOARDS AND COMMISSIONS

---

### **RECOMMENDED ACTION**

#### **Recommendations: That the City Council:**

1. Appoint those applicants who received majority vote by the City Council.
2. If vacancies are not filled by a majority vote of the City Council, authorize the City Clerk to re-advertise the positions as vacant and carry over the current applications for reconsideration of appointment at a future date.

### **SUMMARY**

Applications were accepted by the City Clerk's Office to fill vacancies for the various City Council Boards and Commissions, with certain terms expiring June 30, 2015.

Members with expiring terms were notified and advised of the need to submit a new application to be considered for reappointment. Appropriate time frames with respect to posting notices of vacancies were followed.

As provided in the City's Municipal Code, the appointees will serve without compensation for designated terms.

### **DISCUSSION**

Pursuant to Municipal Code Subsection 2.06.010(e), "Unless otherwise specifically provided by the action establishing the body or appointing its initial members, no person shall be at the same time a member of more than one citizens' advisory body created by ordinance or resolution of the City Council." This section of the code is waived for members of the Accessibility Appeals Board. Edgar Garcia applied for Environmental

and Historical Preservation Board and Recreational Trails Board. Nanci Gomez applied for the Environmental and Historical Preservation Board and the Library Commission. Ocea Victory applied for the Parks and Recreation Commission and the Traffic Safety Commission. Carla Thornton applied to the Traffic Safety Commission and the Utilities Commission.

Per the Council-adopted policy, prospective applicants are required to attend at least one meeting of their desired board or commission prior to appointment. Edgar Garcia, an applicant to the Recreational Trails Board, Nanci Gomez, an applicant to the Environmental and Historical Preservation Board and the Library Commission, and Carla Thornton, an applicant to the Traffic Safety Commission were not able to attend any of the meetings.

The commissions, boards, applicants, and vacancies to be filled are as follows:

### **ACCESSIBILITY APPEALS BOARD**

One (1) term expiring June 30, 2018  
Public Representative

Arlen Henry Gaynor

### **ARTS COMMISSION**

\*Incumbent

\*\* Applied for more than one board/commission

\*\*\* Was not able to attend any of the board/commission meetings

The Accessibility Appeals Board conducts hearings on written appeals regarding Title 24 accessibility issues brought by any person aggrieved by enforcement action taken by

the Building Division of the Community Development Department of the City of Moreno Valley, and render decisions regarding accessibility “hardship” cases as prescribed by the State’s Title 24 Accessibility Regulations.

The Arts Commission considers matters pertaining, but not limited, to the planning for the arts in the City; facilitating interaction among artists; promoting arts activities and education; and researching possible sources of funding, in addition to public funds for potential City public art projects.

The Environmental and Historical Preservation Board considers matters pertaining to the preservation of the City's heritage and cultures, including the designation of landmarks and review of all restoration, rehabilitation, alteration and demolition projects in preservation areas; and matters of environmental concern, including matters pertaining to hazardous materials and waste within or affecting the City.

The Library Commission considers matters pertaining to the administration, operation, development, improvement and maintenance of library services within the City.

The Parks and Recreation Commission considers matters pertaining to the administration, operation, development, improvement and maintenance of parks, recreation facilities, and parks and recreation programs within the City.

The Recreational Trails Board considers matters pertaining to single-use and multi-use recreational trails, including bicycle, jogging and equestrian trails within or affecting the City.

The Senior Citizens’ Board considers matters pertaining to senior citizens, senior citizens programs, including policies for the Moreno Valley Senior Community Center.

The Traffic Safety Commission considers matters pertaining to traffic safety within the City; evaluates proposals for traffic control devices; and evaluates the need for striping, signing or other measures not of a regulatory nature. The Commission educates the public on traffic issues and responds to public concerns regarding traffic and pedestrian safety.

The Utilities Commission has the general power and duty to act in an advisory capacity to the city council and staff in all matters pertaining to Moreno Valley Utility (MVU), pertaining to other utility services such as water, sewer, gas, and the investor-owned electric utility serving parts of the city, and in addition, particular powers and duties including reviewing the budget for the Moreno Valley Utility, making recommendations with respect thereto to the City Council, reviewing and making recommendations on all Moreno MVU capital improvements and rates, and responding to requests and concerns of the public relating to utility issues.

## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Richard Teichert, Chief Financial Officer

**AGENDA DATE:** June 23, 2015

**TITLE:** ADOPTION OF THE FISCAL YEAR 2015/16 – 2016/17 BUDGET (CONTINUED FROM JUNE 9, 2015)

---

### **RECOMMENDED ACTION**

#### **Recommendations: That the City Council:**

1. Adopt Resolution No. 2015-49. A Resolution of the City Council of the City of Moreno Valley, California, Adopting the Budget for Fiscal Years 2015/16 – 2016/17.
2. Approve the Business License Liaison, Fleet Maintenance Supervisor and Building Safety Supervisor job classifications.
3. Approve the position control as detailed in the Proposed Budget presented as Exhibit A.

#### **Recommendations: That the Housing Authority:**

1. Adopt Resolution No. HA 2015-03. A Resolution of the Moreno Valley Housing Authority of the City of Moreno Valley, California, Adopting the Budget for Fiscal Years 2015/16 – 2016/17.

#### **Recommendations: That the CSD:**

1. Adopt Resolution No. CSD 2015-26. A Resolution of the Moreno Valley Community Services District of the City of Moreno Valley, California, Adopting the Budget for Fiscal Years 2015/16 – 2016/17.

## **BACKGROUND**

The City of Moreno Valley adopts a two-year operating budget to plan the use of resources available to provide services for residents and businesses. The next two-year cycle begins July 1, 2015.

The Proposed Budget presents projected operating revenues and expenditures for the two fiscal years: Fiscal Years (FY) 2015/16 – 2016/17. The budget includes all component units of the City, including the General Fund, Community Services District and Housing Authority. The Budget includes both Operating Budgets and Capital Improvement Project budget requests for projects provided in the separate Capital Improvement Plan (CIP) as adopted by the City Council on May 26, 2015.

## **DISCUSSION**

Per the City Council's direction, the adopted General Fund budgets for FY 2013/14 and 2014/15 were fully balanced. This action closed a \$7 million structural deficit that had persisted since the national economic recession. For the first time since 2008, the City's Budget was balanced without the use of General Fund reserves.

The FY 2014/15 amended General Fund budget is projected to finish the year in balance. Through the balanced budget at the direction of the Council, the City has been able to begin to slowly replenish reserve funds, maintain a balanced budget, and increase some services to the public.

As proposed, the FY 2015/16 – 2016/17 budget continues to maintain a balanced General Fund, implements new efficiencies in City operations, and creates a strong foundation for the ongoing and future success of the City.

In addition to the General Fund, the City budget also presents proposed revenues and expenditures for Capital Projects, Special Revenues, Community Services District (CSD), Successor Agency, Housing Authority, Electric Utility (MVU), Debt Service and Internal Service Funds.

### **Capital Improvement Plan**

The Capital Improvement Plan (CIP) financial activity is included throughout the budget and specific project details are compiled in a separate document. The proposed CIP projects were adopted by City Council on May 26, 2015.

### **Special Revenue Funds**

Special Revenue Funds account for the activity associated with revenues that are restricted to particular uses. They include Gas Taxes, Measure A, grants, and Development Impact Fees (DIF).

Gas Tax and Measure A funding is restricted to street-related operating and capital spending. As the General Fund was experiencing large deficits during the recession, a

strategy to preserve service levels was implemented which moved eligible operating costs to these special funds. Examples of functions which were moved from the General Fund into these special revenue funds include street sweeping, street maintenance and operations, street signing and striping, traffic signal maintenance, graffiti removal and crossing guard services. While this allowed important services to continue, it has resulted in a reduced ability to provide funding for street overlay/reconstruction and other capital projects. The rapid decline of gasoline prices is also having a significant impact on Gas Tax revenues, which have been reduced by an estimated \$1.5 million in FY 2015/16 (a 25% reduction from the previous fiscal year). The budget proposes significant changes to address this dramatic decline in revenue.

Grant funds are created to account for local, State and Federal grant awards. They are typically created when the grant is approved and final award is confirmed. These vary from year to year.

Development Impact Fees (DIF) are imposed on new development to account for increased impacts on public infrastructure caused by the development. There are several categories of DIF created to accumulate project monies for various public buildings, traffic improvements, and equipment needs. California State law (Assembly Bill 1600) controls the use and maintenance of the DIF accounts. The most significant DIF issue is the police facility DIF fund, which has a negative fund balance of approximately \$3.5 million. This is the result of debt service payments on bonds issued to modify the police facility. Ultimately, this negative balance and ongoing debt payments will be the responsibility of the General Fund if DIF payments are not sufficient to meet the obligation. A new study has been undertaken to analyze the current DIF fees and the projected needs of the City. This study will be brought back to Council at a later date.

### **Community Services District (CSD)**

There are nine funds within the CSD that provide specific services to areas of the City. Services include library, parks and recreation, street lighting and landscaping. Funding for the CSD comes from a combination of parcel fees, property taxes and fees for service. The revenue model for the CSD is being restructured to keep pace with changes in State law. Currently, the ability to secure sufficient revenues to maintain service levels is hampered by reduced parcel fee growth and voter resistance to approving revenue increases to pay for increased costs of existing or new service. This has been demonstrated by prior failed attempts to increase funding for street lighting and landscaping costs.

The largest component of the CSD is Zone A. This Zone provides parks and community services for the City. While a General Fund transfer of \$521,021 is proposed to balance this fund over the next two fiscal years, revenue growth is limited and ongoing costs will continue to outpace ongoing revenues. Staff will be analyzing this zone and recommending adjustments during the coming year.

### **Successor Agency**

The Successor Agency was created when the State eliminated all Redevelopment Agencies throughout California. The process of redefining how funds can be used has been a complicated one. The number of issues has narrowed as City staff and the State Department of Finance have defined expenditure eligibility. The special funds created for the Successor Agency serve as the accounting structure to ensure proper segregation of the remaining amounts available to the City. The tax increment received will fund the enforceable obligations. Excess tax increment over these obligations of approx. \$6 million is now returned to the original taxing agencies, primarily schools. Only \$250,000 is available for administration with the General Fund providing support for any additional costs.

### **Electric Utility**

The Moreno Valley Utility (MVU) is an enterprise created by the City to provide the operation, maintenance and business planning for the City's electric utility. The utility currently serves over 5,900 customers. The primary source of revenues is charges for service. The utility is now in a position that revenues are exceeding the costs of operation and debt service. This provides the opportunity to build critically needed reserves for working capital, equipment replacement and rate stabilization. The ability to build these reserves will increase as the number of customers grows.

### **Debt Service**

Debt service funds are created to account for the payment of principal, interest and administration costs associated with various debt instruments issued for general-purpose projects. In some cases, there are multiple sources of funding for the required payments.

### **Internal Service Funds**

Internal service funds are used to allocate shared costs to various operating funds. These include General Liability, Workers' Compensation, Facilities Maintenance, Equipment Maintenance and Equipment Replacement Reserves. Costs paid in each fund are spread to operating funds based on different methods of determining usage.

### **Transparency and Public Outreach**

This review of the proposed budget provides a public process to discuss the City's proposed budget with the City Council and public to make the process as transparent as possible. The review of the budget as part of this initial adoption, subsequent amendments, and periodic reviews provides an ongoing public process to monitor expenditures and revenues throughout the fiscal years.

As part of the budget adoption process, the City Council has requested a series of discussions related to the proposed budget long-term financial issues impacting the City. These discussions occurred through various City Council meetings and study sessions, with the intent to review and discuss details and related impacts. Information presented on these topics was posted on the City's web site as part of the posted

Agenda Packages. The budget process is an ongoing process throughout each fiscal year with all items continuing to be monitored and reviewed following the initial adoption. The following provides a summary of some of the budget activities which have occurred to date and some tentative future planned events:

### **Historical Events**

February:	Study Session – Long Range Business Projections reviewed
April:	Proposed Budget available to public
April:	Council Member 1:1 meetings to review budget
May 5:	Study Session – Budget review
May 12:	Council Meeting – Budget review
May:	Proposed budget reviewed by public and City Council
May:	Council Member 1:1 meetings to review budget
May 26:	Council Meeting – Employee Memorandum of Understanding and Capital Improvement Plan
June 9:	Council Meeting – Budget review
June 18	Town Hall Meeting – Budget review
June 23	Council Meeting – Budget review and adoption
July 1	Budget effective

### **Future Events/Study Sessions**

- Quarterly budget reviews
- User Fees study
- Development Impact Fees/Quimby study
- Transient Occupancy Tax (TOT) rate review
- Gas Tax and Measure A fund review
- Utility User Tax (UUT) analysis
- Library facilities funding analysis
- Street Light funding analysis
- Examine parks Zone A and CFD revenues

### **Budget Adjustments**

Since the initial Proposed Budget was presented to the City Council on May 5, based on Council direction, the Proposed Budget Book as presented this evening includes some changes to the revenue and expense appropriations. Some of these items approved by Council include the adoption of the Capital Improvement Plan, the approval of the employee Memorandum of Understanding, the appointment of the Community Development Director, amendments to Landscape Maintenance District 2014-02 and the increase to vehicle replacement funds for the purchase of the Urban Search and Rescue vehicle and equipment. Additionally, the City Manager reduced the proposed budget to exclude the creation of and funding for the Parks and Community Services Division Manager. Through budget meetings with the City Council, staff has also received direction on some additional changes to occur within this updated draft, including a reduction to the City Manager's discretionary funds from \$125,000 down to \$50,000.

The following table provides a summary of the General Fund budget adjustments.

**Proposed Operating Budget – General Fund**

	FY 2015/16	FY 2016/17
<hr/>		
City Manager Proposed Budget 5/5/15		
Revenues	\$91,885,401	\$95,429,178
Expenditures	91,734,635	95,252,854
<hr/>		
Total	\$150,766	\$176,324
Proposed Budget Adjustments		
Revenues	\$0	\$0
Expenditures	(99,439)	(98,694)
<hr/>		
Total	\$(99,439)	\$(98,694)
City Manager Proposed Budget 6/9/15		
Revenues	\$91,885,401	\$95,429,178
Expenditures	91,635,196	95,154,160
<hr/>		
<b>Total</b>	<b>\$250,205</b>	<b>\$275,018</b>

**ALTERNATIVES**

1. Adopt proposed resolution approving the Budget for the City of Moreno Valley for FY 2015/16 – 2016/17.
2. Adopt proposed resolution approving the Budget for the Moreno Valley Housing Authority for FY 2015/16 – 2016/17.
3. Adopt proposed resolution approving the Budget for the Moreno Valley Community Services District for FY 2015/16 – 2016/17.
4. Approve the Business License Liaison, Fleet Maintenance Supervisor and Building Safety Supervisor job classifications.
5. Approve the position control as detailed in the Proposed Budget presented as Exhibit A and the attached job classifications.
6. Provide staff with further direction.

Staff recommends Alternatives 1-5.

**FISCAL IMPACT**

The FY 2015/16 – 2016/17 Budget provides the funding and expenditure plan for all operating funds. As such, it serves as the City's financial plan for the upcoming two fiscal years. The City Council will be kept apprised of the City's financial condition

through Quarterly Budget Reviews. This practice has been utilized in the past and will be continued during FY 2015/16 to ensure that the City Council is apprised of the revenue and expense progress compared to the budget. Any unexpected changes in revenues or expenditures will be analyzed and addressed quickly to maintain the integrity of the budget.

## **CITY COUNCIL GOALS**

**Revenue Diversification and Preservation.** Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

**Public Safety.** Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

**Public Facilities and Capital Projects.** Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

**Positive Environment.** Create a positive environment for the development of Moreno Valley's future.

**Community Image, Neighborhood Pride and Cleanliness.** Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

## RESOLUTION NO. 2015-49

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
 MORENO VALLEY, CALIFORNIA, ADOPTING THE  
 BUDGET FOR FISCAL YEARS 2015/16 – 2016/17

WHEREAS, the City Manager has heretofore submitted to the City Council a Proposed Budget for the City for Fiscal Years 2015/16 – 2016/17, a copy of which, as may have been amended by the City Council, is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said Proposed Budget contains estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the City; and

WHEREAS, the said Proposed Budget contains the estimates of uses of fund balance as required to stabilize the delivery of City services during periods of operational deficits; and

WHEREAS, the City Council has made such revisions to the Proposed Budget as so desired; and

WHEREAS, the Proposed Budget, as herein approved, will enable the City Council to make adequate financial plans and will ensure that City officers can administer their respective functions in accordance with such plans.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. The Proposed Budget, as Exhibit A to this Resolution and as on file in the Office of the City Clerk is hereby approved and adopted as the Budget of the City of Moreno Valley for the Fiscal Years 2015/16 – 2016/17.
2. The amounts of proposed expenditures, which include the uses of fund balance specified in the approved budget, are hereby appropriated for the various budget programs and units for said fiscal years.
3. Pursuant to Section 53901 of the California Government Code, by not later than August 30, 2015, the City Clerk shall file a copy of this Resolution with the Auditor/Controller of the County of Riverside.
4. Within fifteen (15) days after the adoption of this Resolution, the City Clerk shall certify to the adoption hereof and, as so certified, cause a copy to be posted in at least three (3) public places within the City.

APPROVED AND ADOPTED this 23rd day of June, 2015.

## User's Guide to the Budget

A local government budget is a plan to match existing resources with the needs of the community. The functions of local government stem from three levels of policy direction: federal, state and local. Within this intergovernmental system, local government is the workhorse of domestic policy. Local government has the responsibility to provide basic public services such as maintaining streets and roadways, providing traffic management systems, maintaining parks, providing community services, and providing public safety. Local government must also fulfill certain state and national policy objectives such as transportation and environmental protection while implementing the expectations and values of its citizens. For local governments, the primary tool used to coordinate these requirements is the budget. The City of Moreno Valley's Budget provides the residents with a plan for matching available resources to the services, goals and objectives of the City.

The below guide is designed to assist readers in understanding the information provided in the FYs 2015/16-2016/17 Budget, as well as how the document is organized. The budget document includes 12 chapters and a glossary. The explanations below provide additional details for each of the sections.

### 1. Introduction

Provides a description of the City's budget development process, citywide organization chart, key contacts throughout the City, and budget award (California Society of Municipal Finance Officers Meritorious Budgeting Award).

### 2. City Manager's Budget Message

Overview of the budget including a summary of critical issues, City Council directed core services, and basic operations and strategic goals for the FYs 2015/16-2016/17 budget.

### 3. Resource Estimates

General Fund revenue overview, description of revenue assumptions and methodology used to develop revenue estimates, revenue summary by category, and historical trends.

### 4. Personnel and Staffing

Overview of City's vision, mission, customer care standards and summary of funded personnel and staffing changes, as well as a list of full-time personnel by classification.

## 5. Budget Summary

Overview of Department operations, including citywide revenues and expenditures for all funds, as well as fund balance projections.

## 6. Departmental Chapters

Presents summary information on the City's operating departments:

- City Council
- City Clerk
- City Manager
- City Attorney
- Community Development
- Economic Development
- Financial and Management Services
- Fire
- Administrative Services
- Parks and Community Services
- Police
- Public Works
- Non-Departmental

Department-wide summary information includes organizational charts, as well as a summary of staffing, revenues and expenditures.

## 7. General Fund

Overview of the City's General Fund, including fund description, revenues and expenditures.

## 8. Special Funds

Overview of each of the City's Special Funds, including fund descriptions, revenues and expenditures.

Special Funds are classified into one of eight categories:

- Community Services District
- Successor Agency
- Housing Authority
- Special Revenue Funds
- Capital Projects Funds
- Enterprise Fund
- Internal Service Funds
- Debt Service Funds

## 9. Capital Improvement Program

Overview of the City's Capital Improvement Program (CIP), including FY 2015-16 revenues and expenditures.

## 10. Long Range Business Projections

Provides General Fund projections beyond the budget year's proposed revenues and expenditures.

## 11. Budget and Financial Policies

Describes the City's financial objectives and outlines the City's financial management policies that guide the development and administration of the annual operating and capital budgets.

## 12. Community Profile

Provides historical, demographic and statistical information on the City of Moreno Valley, including information on the City's population, educational facilities, and listing of the top property taxpayers, sales tax producers and employers in the City.

## 13. Glossary

Listing of acronyms and terms used throughout the budget document.

## Budget Process Summary

The City of Moreno Valley operates on a fiscal year basis, starting July 1 and ending June 30. The budget is prepared by the Financial and Management Services Department under the supervision of the City Manager. The proposed budget is transmitted to the City Council in May for review, public input, deliberation and adoption prior to the beginning of each new fiscal year (July 1).

The budget process for the City of Moreno Valley generally begins in December each year with a kick-off meeting. The City Manager outlines the goals and directives for the development of the upcoming budget. Budget parameters are provided to the departments based on a preliminary revenue forecast and current economic conditions. The Financial & Management Services Department distributes the budget calendar, instructions, forms, and budget worksheets to the departments. The Financial & Management Services Department, along with the Public Works Department, coordinates the equipment and vehicle replacement requests. Public Works coordinates the capital improvement project requests.

After the departments have input their budget requests, the Financial & Management Services Department reviews, analyzes, compiles the data, and calculates the total expense budget requested, as well as refining revenue estimates for the upcoming fiscal year. The Budget Review Committee then holds budget meetings to review departmental submittals. Subsequently, the City Manager provides direction to finalize the proposed budget and the Financial & Management Services Department prepares the proposed budget document reflecting the City Manager's direction. The City Manager submits the proposed budget to City Council and a public hearing is held. The Council conducts budget study sessions and/or budget deliberations. City Council then adopts the budget prior to the beginning of the fiscal year.

After the budget is adopted, the Financial & Management Services Department integrates the budgetary data into the City's financial system at the beginning of the fiscal year. Financial reports are available on-line to the departments to monitor budget performance throughout the year. Monthly and Quarterly financial reports are also prepared by the Financial & Management Services Department, analyzing budget-to-actual results. These reports are reviewed with the City Manager and executive staff; then distributed to departmental management.

Quarterly Budget Reviews are presented to the City Council to review budget-to-actual results for both revenues and expenditures. Appropriation adjustments requested by departments are also considered during the Mid-Year Budget Review.

**Budget Amendments:** Supplemental appropriations requested during the fiscal year, when necessitating the use of reserves/fund balance, require approval by the City Council. Supplemental appropriations requested during the fiscal year with offsetting revenues and budget adjustments between funds and departments are approved by the City Manager throughout the fiscal year.

**Basis of Accounting and Budget:** Basis of accounting refers to the timing of revenue and expenditure recognition for budgeting and financial reporting. The City's financial statements and accounting records are maintained in accordance with the recommendations of the Governmental Accounting Standards Board (GASB). Government-wide financial statements are reported using the economic resources measurement focus and accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the providers have been met. Budget development and budget adjustments utilize these same revenue and expenditure recognition timing policies and practices. As a general rule, the effect of inter-fund activity has been eliminated from the government-wide financial statements.

A carefully designed system of internal accounting controls is in operation at all times. These controls are designed to provide reasonable, but not absolute, assurances that safeguard assets against loss from unauthorized use or disposition and to ensure the

reliability of financial records used in the preparation of financial statements. The concept of reasonable assurance recognizes the cost of a control should not exceed the benefit. The evaluation of costs and benefits likely to be derived require estimates and judgments by management. An independent, certified public accounting firm reviews the City's financial accounting processes, practices and records annually.

**Budgetary Data:** Annual budgets are legally adopted for all funds on a basis consistent with generally accepted accounting principles.

**Operations Budget:** The operations budget, or General Fund budget, is the City's annual fiscal blueprint. The operations budget is a guide for the receipt and disbursement of funds used to provide daily, routine public services to the community. The operations budget outlines the many municipal services, programs and projects provided by the City during the fiscal year. It also identifies specific General Fund revenue estimates and expenditures necessary to implement services to the community.

**Special Funds Budget:** Special Funds are used to account for revenues and expenditures that are restricted by law or set aside for a special purpose. Each fund can be classified into one of eight categories: Community Services District, Successor Agency, Housing Authority, Special Revenue Funds, Capital Projects Funds, Enterprise Fund, Internal Service Funds, and Debt Service Funds

**Capital Improvement Program Budget:** The CIP budget details the acquisition, construction or rehabilitation of major capital facilities and infrastructure. The CIP budget is used to account for the receipt and disbursement of funds for specific CIP projects. For many projects, revenue resources and expenditures may extend over several years.

The following Flow chart depicts the City's annual budget process.

## Financial Structure

The following provides the City of Moreno Valley Financial Structure.

\*Council adopts the Citywide Budget at the FUND Level.

The City of Moreno Valley’s financial system is organized around a structure that is commonly found in most public agencies, as described below.

**FUND:** Each Fund represents a self-balancing group of accounts and a balance sheet that allows for the proper segregation of the City’s financial resources.

For example, the General Fund accounting structure accumulates and tracks funds collected for the purpose of providing services that fulfill the general government role of the City. These services include essential public safety functions of Police, Fire and Animal Control, as well as the central administration functions of the City Council, City

Manager’s office, City Attorney’s office, City Clerk’s office, Administrative Services Department, and portions of the Financial & Management Services Department.

**DEPARTMENT:** The functions carried out by the City are organized by Department. The leadership and staff assigned to each department are charged with carrying out these assigned functions.

The City’s Departments/Offices are listed below:

- City Council’s Office
- City Clerk’s Office
- City Manager’s Office
- City Attorney’s Office
- Community Development Department
- Economic Development Department
- Financial & Management Services Department
- Fire Department
- Administrative Services Department
- Parks & Community Services Department
- Police Department
- Public Works Department

**DIVISION:** In certain instances, functions carried out by a particular department are numerous and diverse. In these instances, leadership within a department is further organized by divisions as reflected in the City’s organization chart.

**SECTION:** The Section is used within the City’s financial system to identify a division or program area within a department. A department can have one or more cost centers assigned to it in order to capture costs for each separate function.

**ACCOUNT CODE:** The basic unit of the City’s financial system is the account code. Its purpose is to provide a means of separating each type of cost from another.

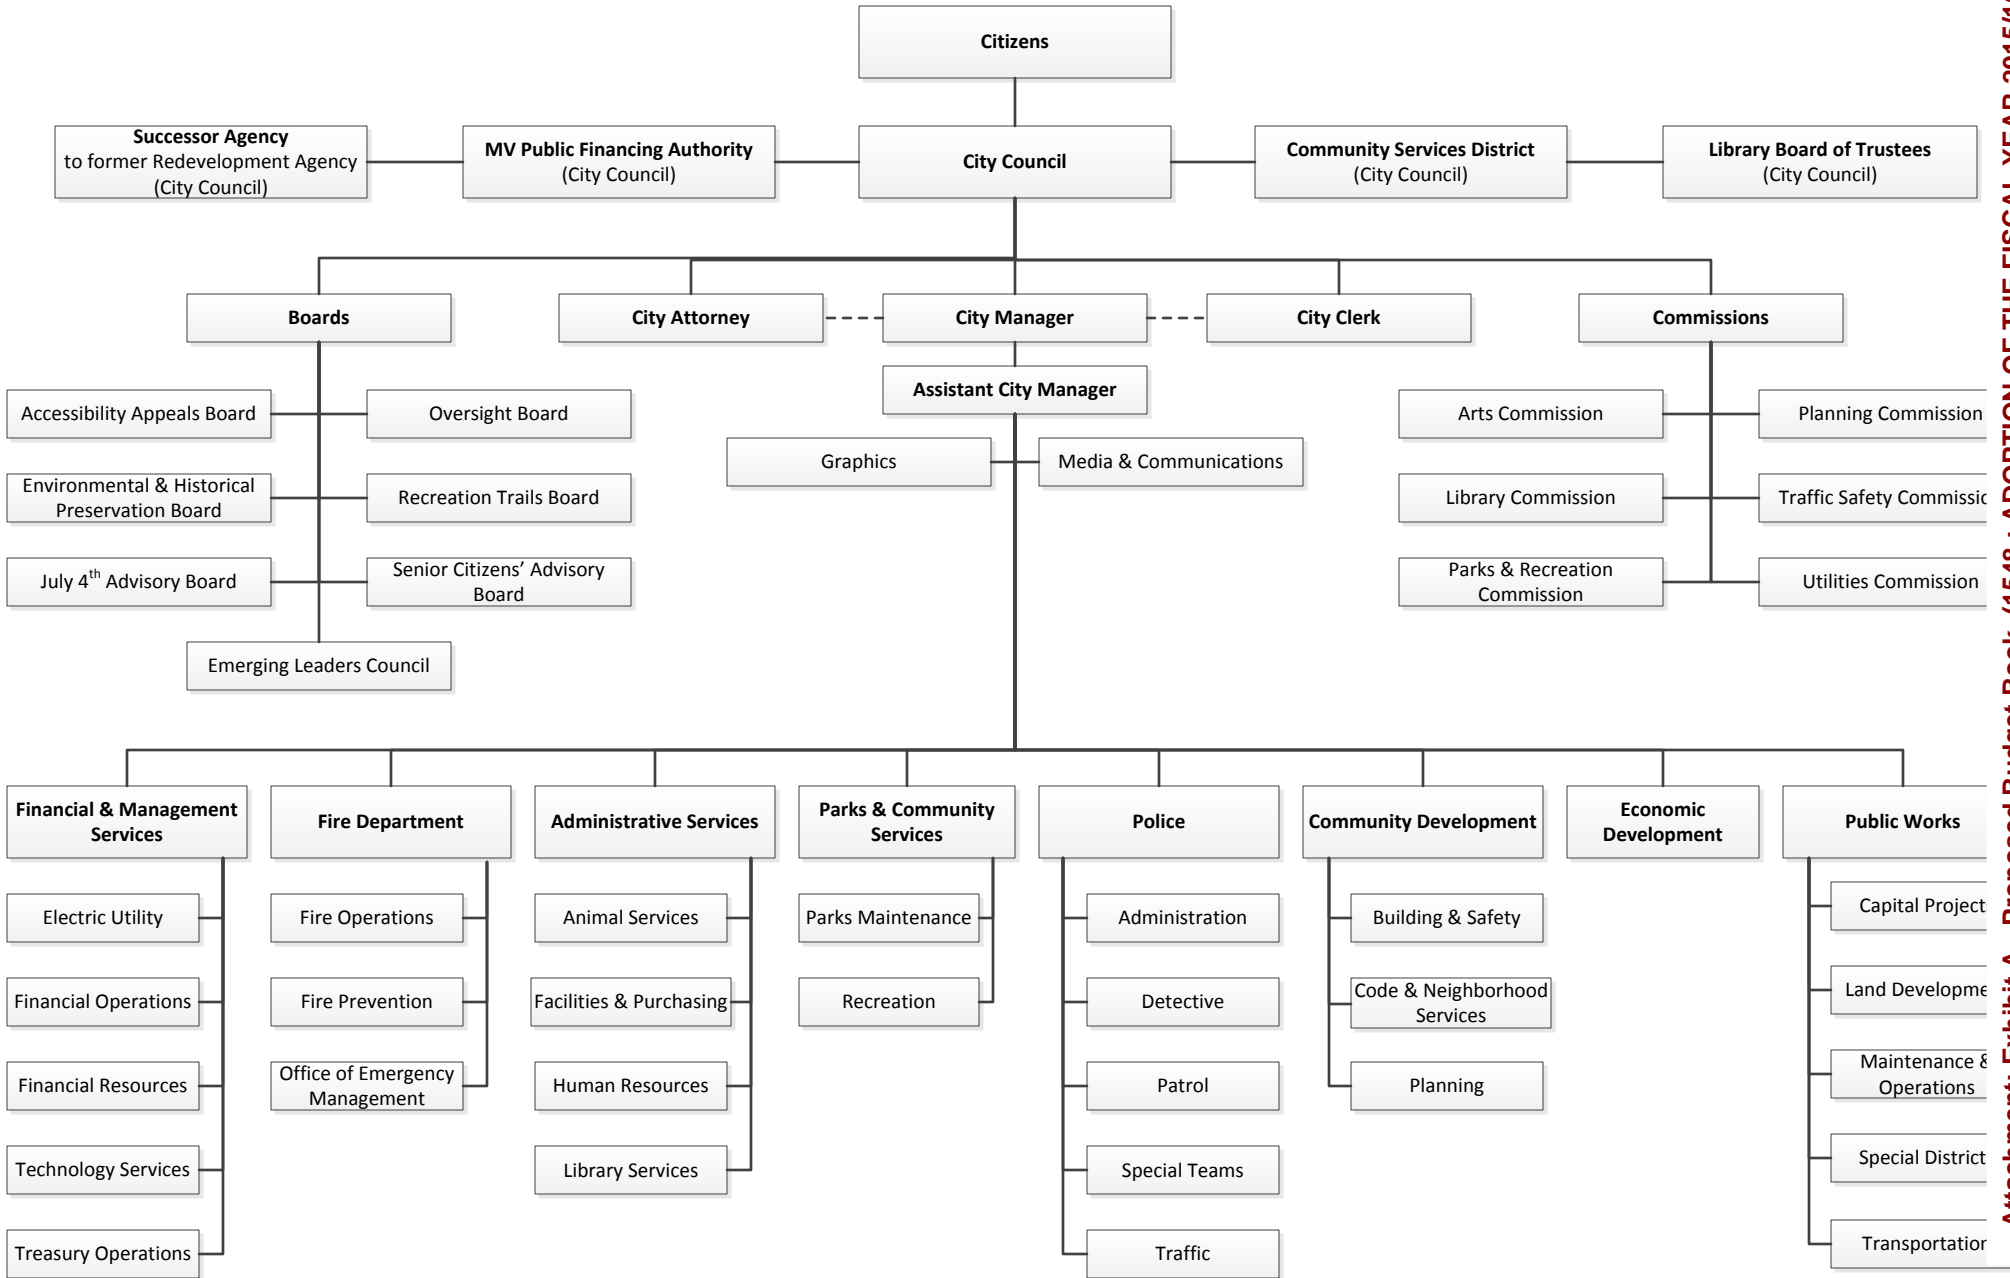

The City of Moreno Valley maintains this type of formal structure to maintain accountability over the assets and other financial resources for which it has control.

## Budget Development Guidelines

The following guidelines have been approved by the City Council and should be utilized for development of the FYs 2015/16 - FY 2016/17 budget:

- Departments will submit budgets that reflect existing service levels with minimal changes in staffing or service levels from FY 2014/15.
- Personnel budgets will be based on compensation levels, as negotiated with the employee organizations.
- Where possible, a general inflation factor will not be applied to contractual services or maintenance/operations line items; if multi-year contracts are in place that provide for inflationary adjustments, departments will make every effort to renegotiate these contracts to maintain expenditures at their current levels.
- Following review by the Budget Review Committee, the City Manager will submit a Proposed Budget reflecting the above guidelines. Based on the current budget analysis, it is anticipated that the General Fund Budget will be balanced for FYs 2015/16-2016/17.

The California Society of Municipal Finance Officers (CSMFO) presented a Meritorious Operating Budget Award to the City of Moreno Valley, California for its budget prepared for fiscal years 2013/14-2014/15 beginning July 1, 2013. In order to receive this award, a governmental unit must publish a budget document that meets the criteria as established by CSMFO. We believe our current budget continues to conform to program requirements, and we will submit it to CSMFO for review and evaluation.

## To: Honorable Mayor, Mayor Pro Tem, Members of the City Council and Residents of Moreno Valley

### INTRODUCTION

I am pleased to present a Two-Year Operating Budget that continues to remain *balanced without the use of General Fund reserves*, which furthers the City's ongoing commitment to fiscal responsibility and effective management. Over the past five years, Moreno Valley has successfully navigated complex fiscal challenges resulting from a deep national recession. The City has managed this through the strategic allocation of limited resources. With diligence, teamwork and resourcefulness, the City has emerged from these challenges in a stable financial position. This spending plan, and subsequent actions by the City Council, also:

- Establishes the foundation for the future growth of the City through essential investments in operations;
- Remains focused on providing critical community services such as Fire and Police;
- Continues our focused effort on customer service; and
- Projects revenues and expenditures and identifies ongoing challenges in a realistic and forthright manner

The budget presents projected operating revenues and expenditures for the next two Fiscal Years (FYs): 2015/16 and 2016/17. The budget includes all component units of the City, including the General Fund, Community Services District and Successor Agency. To balance the budget required each department's careful evaluation and discipline. Revenues are based on the most current economic indicators available while expenditures reflect our constant efforts to achieve efficiencies. Contingencies traditionally built into budgets as a means of accounting for unexpected needs have been reduced to the most basic level or eliminated entirely. As a result, the City's proposed operating budget is extremely lean. At the end of FY 2015/16, the City expects to have a balance in excess of \$28 million in General Fund Reserves. This reserve equates to 30% of the City's proposed budget. The City's Chief Financial Officer and I expect the City to finish the current fiscal year with a surplus that can be used by the City Council to make progress toward its goals of increasing the City's Reserve Fund balance. The General Fund is of primary significance due to the prior structural deficits which had existed for more than five years. The effects of the extended economic recession, coupled with rising costs of providing services, have required the City to make significant expenditure reductions. The City Council's

direction to fully close the gap between ongoing revenues and ongoing expenditures addressed a fiscal crisis that had plagued our City for far too long.

The budget includes capital improvement project expenditures; the details of these projects are compiled and fully described in a separately issued Capital Improvement Plan (CIP). The CIP is a multi-year plan that identifies and prioritizes funding for future capital improvements such as land acquisitions, buildings and infrastructure. In most cases capital projects are funded by sources other than the General Fund and restricted revenues or grants must be spent on the specific purpose for which they are collected. They have no immediate impact on the General Fund. However, future operating costs will occur for maintenance and future replacement needs for any completed improvements.

The foundation of the two-year budget for FYs 2013/14 and 2014/15 was based on 1) completing the final implementation of a previously approved three-year Deficit Elimination Plan (DEP) and 2) achieving a stabilized budget by FY 2013/14. In charting a new fiscal course for the City, the City Council directed that the budget be fully balanced in FY 2013/14, which was accomplished in June 2013. Significant reductions in departments, including public safety, were implemented to achieve this. The budget continues to maintain these prior accomplishments and focuses toward the future financial success of the City with an eye on maintaining a structurally balanced General Fund. No significant cost increases are included in the budget.

During the two-year budget period the City Council will be apprised of the City's financial condition through the process of Quarterly and Mid-Year Budget Reviews. This ongoing process ensures a forum to review expenditure and revenue deviations from the estimates made in the budget document. Additionally, any significant variances in projected revenue or unanticipated expenditures will be shared with the City Council should they occur.

#### **FYs 2015/16 and 2016/17 BUDGET EXPENDITURE SUMMARY**

The following table contains a summary of the expenditures as proposed in the two-year budget. The totals represent each major fund type and component unit of the City.

**Table 1  
Budget Expenditure Summary**

Fund/Component Unit	FY 2015/16 Proposed	FY 2016/17 Proposed
General Fund	\$ 91,635,196	\$ 95,154,160
Community Services District (CSD)	19,313,385	19,851,779
Successor Agency	5,394,517	5,395,517
Housing Fund	72,000	72,000
Special Revenue Funds	27,817,559	27,513,046
Capital Projects Funds	2,391,884	2,410,500
Enterprise Funds	23,688,897	23,549,201
Internal Service Funds	20,106,545	11,915,579
Debt Service Funds	6,237,300	6,670,800
<b>Total Budget</b>	<b>\$ 196,657,283</b>	<b>\$ 192,532,582</b>

The majority of the budget message will focus on the General Fund, as it supports all basic services provided to City residents. Highlights for other key component funds will be discussed at a summary level as well.

**GENERAL FUND**

***General Fund Revenue Projections for FY 2015/16 and FY 2016/17***

The General Fund is comprised of several revenue types. However, the five main sources account for over 87% of the total. These include property tax, sales tax, utility users tax, charges for services and franchise fees. Each of these is impacted by different economic activity cycles and pressures.

**Table 2  
General Fund Revenue Projections**

Fund/Component Unit	FY 2015/16 Proposed	FY 2016/17 Proposed
Taxes:		
Property Tax	\$ 12,072,224	\$ 12,736,197
Property Tax in-lieu	15,732,303	16,597,580

Use of Money & Property	3,846,898	4,004,480	1,071,403	2,836,585	3,516,825	3,469,962	3,469,962
Business Gross Receipts	1,053,145	1,175,104	1,305,924	1,581,918	1,331,100	1,710,000	1,778,000
Other Taxes	424,931	434,554	350,413	447,103	500,000	500,000	500,000

The impacts that occurred during the extended recession affected all of the City's major revenue sources. Total General Fund revenues declined from approximately \$98 million in FY 2007/08 to a low of less than \$68 million in FY 2010/11. Revenues of \$91.9 million are projected for FY 2015/16, which is still a 6% decrease in funding available for critical services compared to prior to the recession. Significant measures have been undertaken to reduce the use of reserves needed to close the funding gap each year. These steps included a focus on attempting to generate new development and related increase in revenue, as well as significant expenditure reductions.

Although impossible to predict with precision, it is reasonable to anticipate that full recovery of these revenue sources will not be as rapid as their decline. Indications are that revenues will increase at only 2.5% to 3.5% per year. As indicated in the Long Range Business Projections presented to the City Council and included in this document, our estimations at this time project a General Fund deficit in FY 2017/18 of over \$2 million. Because our annual service costs are likely to increase more rapidly, there may be a need to discuss a new revenue source such as a ballot measure to preserve already reduced service levels or specifically targeted measures to fund services and relieve some of the fiscal pressure from the General Fund. My recommendation is that such options be continually reviewed and considered in light of the continued expenditure and service level reductions that are necessary on a go forward basis to maintain both our balanced budget and reserve levels.

### ***General Fund Expenditure Proposals for FYs 2015/16 and 2016/17***

As recently as FY 2008/09, the City's General Fund had an annual structural deficit in excess of \$14 million. The City Council directed staff to balance the budget in FY 2013/14 without the use of reserves. **This goal has been achieved but with significant consequences.** With cuts in personnel and operations that already occurred with the prior DEP implementation, there were no options to attain the amount of reductions required without making cuts to police and fire spending (which represented more than 70% of the General Fund budget). The impacts of these prior cuts remain significant and remain a focus as revenues begin to grow for the City.

## CONTINUED CHALLENGES AND ITEMS OF NOTE

Preserving a balanced City budget over the next several years will require the same level of vigilance and strategic planning which produced this spending plan. While focusing significant energy to attract and retain local businesses, the City will also contend with fiscal pressures associated with:

- A General Fund subsidy for street lights;
- Continued cost increases levied by the County for contract law enforcement services;
- Projected cost increases for contract Fire protection;
- Anticipated pension cost increases, exacerbated by revisions to CalPERS rate methodology which had previously smoothed rate increases over longer periods;
- The General Fund's obligation to guarantee debt service payments on the police facility and other obligations of the current Development Impact Fee accounts;
- The restoration of funding for infrastructure maintenance deferred during the fiscal downturn.

The City Council's resolve, as demonstrated during prior budget cycles, along with engaged managers throughout the City organization and a collaborative relationship with our employees, will continue to serve us well to successfully address these challenges ahead.

## OTHER KEY FUNDS

The following summaries describe other major funds in the City.

### Moreno Valley Community Services District

The Moreno Valley Community Services District (CSD) was formed by the voters in 1984 to collect fees and certain taxes to provide an array of services including parks, recreation and community services, streetlights, landscaping and ongoing maintenance. The CSD provides these services through separate "zones" that define the services that are provided.

For certain zones, the primary revenue source used to provide services to properties is parcel fees or taxes levied on properties via their annual tax bill. However, due to cost increases that exceed any offsetting increases in the revenues over the past years, and the recent economic downturn slowing new parcel growth, property owners have been resistant to efforts to fully fund service levels. An example of this point was the failed ballot process to increase the Residential Streetlight Parcel Fee in order to maintain

streetlights. The result was a situation where the City Council had to consider shutting off a significant number of lights or subsidize costs annually from the General Fund.

	<b>FY 2015/16 Proposed</b>	<b>FY 2016/17 Proposed</b>

**Community Services District Zone A – Parks & Community Services**

The largest Zone within the CSD is Zone A. It accounts for the administration and maintenance of the Parks & Community Services facilities and programs. Funding sources for these services come from a combination of property taxes, fees for service and smaller amounts from other City funds. The summary of all CSD zones shows a deficit in both FY 2015/16 and FY 2016/17 (Table 4). The planned deficit is a result of reinvestment of existing fund balances back into the infrastructure and landscaping maintained within the zones.

<b>Total Expenditures</b>	<b>\$ 9,118,263</b>	<b>\$ 9,250,791</b>
Net Change/Proposed Use of Fund Balance	\$ 220,002	\$ 253,817

Although two thirds of the Zone A Parks & Community Services programs are fee supported, property tax revenues have suffered the same fate as discussed earlier in relation to the recession. The General Fund provides \$521,021 annually to support Zone A and to maintain parks and community services within the City. Ultimately, if sufficient revenue is not available to pay for service levels, steps must be considered to reduce services, increase fees or provide additional General Fund support.

**Successor Agency**

The Governor and State Legislature approved the elimination of all Redevelopment Agencies (RDA) statewide in June 2011. After a review and decision by the State Supreme Court in December 2011, the City’s RDA was eliminated as of January 31, 2012. The Successor Agency was created effective February 1, 2012 to assume the remnants of the RDA.

The initial State law (ABX1 26) has proven difficult to implement across the State. Staff has spent an inordinate amount of time attempting to navigate the law’s complexities and the subsequent actions by the State Department of Finance. In June 2012 “clean-up” legislation (AB1484) was enacted by the Legislature. This created additional complexities and timeframes to navigate. Although work continues to sort out the final items of expenditure eligibility, the process is becoming more stabilized. As a result of

the dissolution of the RDA, remaining revenues are allocated to pay down prior obligations as approved by the State of California.

**Electric Utility**

The Moreno Valley Utility (MVU) manages the operation, maintenance and business planning of the City’s electric utility. MVU’s basic purpose is to purchase and distribute electricity to customers in newly developed areas of the City. The City began serving new customers in February 2004, and now serves more than 5,900 customers. As it reaches fiscal and operational maturity, MVU will continue to be a key component of the City’s economic development strategy. The City Council has established special tiered rates for electric utility customers based upon factors such as the number of jobs created.

The main revenue source for this fund is derived from charges for services. The customer base includes residential, commercial and industrial customers. Staff continues to monitor the growth of the utility operations. Revenues are now sufficient to cover operating costs and debt service. The growth in customer base will continue to provide for the ability to create rate stabilization and replacement reserve funding.

**SUMMARY**

The City of Moreno Valley's fiscal health has stabilized after the recession and has maintained a fully balanced General Fund budget for the past two fiscal years. The adoption of the FY 2015/16-2016/17 budget will continue the plan to maintain a balanced operating budget.

In prior years, significant cuts have been made across all City departments. The majority of the downsizing was focused in non-public safety departments through FY 2012/13, with cuts to public safety in FY 2013/14. Despite these prior cuts, the City has maintained high service levels and the Police and Fire Departments' have maintained their dedication to a high level of safety for our residents in all areas of the City. In fact, staff in all departments are working hard to keep service to the citizens and businesses in Moreno Valley at the high levels that they deserve. I thank each and every one of the City's employees and contract partners for their hard work and continued dedication.

I express my sincere appreciation to all City departments for their work in preparation of this plan. On a daily basis, I see the City staff applying innovation and creativity as they provide quality service to our residents. The City Council's unwavering commitment to sustaining the City's fiscal wellbeing has positioned us well to successfully meet the challenges ahead. I look forward to working with the City Council and our talented workforce in achieving our community's collective vision for Moreno Valley's bright future.

Respectfully submitted,

Michelle Dawson  
City Manager

## Introduction

The City utilizes many techniques to forecast recurring revenues. These tools allow for multiple variables to be considered in the development of the forecasts, including institutional forecasts; the expert opinion of the City's sales and property tax consultant; various national, state and local economic indicators; and established formulas that measure relationships between revenue categories and growth within the City.

Revenue estimates are developed using a variety of techniques, including trend analysis, judgmental forecasting, and expert opinion. Trend data includes historical fiscal performance and historical and projected data modified for known past, current and anticipated anomalies. Expert opinion includes the University of California, Los Angeles (UCLA) Anderson Forecast; Beacon Economics; the City's sales tax and property tax consultant (HdL Coren & Cone); and reports from various state and federal agencies. In the end, forecasts are based on judgment that incorporates information provided by various analytical methods; known and potential legislative and political impacts; and national, state and local conditions expected to affect local revenue sources.

Staff has considered factors affecting the overall economy when preparing the Long Range Business Projections (LRBP). Economic research experts Beacon Economics remains relatively bullish on the national economy and believes it could grow modestly in 2015. The US economy expanded at 2.6% in the fourth quarter of 2014, compared with 5% in the third quarter of 2014. While this variable rate of growth may result in a slightly less than 3% GDP growth rate for 2014, it reflects continued expansion in the US as consumption and investment continue to build from their recessionary low. Although the U.S. economy is showing signs of steady improvement from housing to jobs to credit, the economy is still seeking to find stability. Ultimately the United States is going to continue to have to go through an adjustment period, using higher taxes and less spending to close the Federal deficit. This makes the outlook for 2015 and beyond slightly less rosy than it might otherwise have been.

## Key Indicators

### Consumer Price Index

The Consumer Price Index (CPI) is a measure that examines the weighted average of prices of a basket of consumer goods and services, such as transportation, food and medical care. The CPI is calculated by taking price changes for each item in the predetermined basket of goods and averaging them; the goods are weighted according to their importance. Changes in CPI are used to assess price changes associated with the cost of living. The CPI is a key for the City as certain revenues and contract rates are adjusted annually by this index.

The Consumer Price Index for All Urban Consumers, as reported by the U.S. Bureau of Labor Statistics, declined in 2014. Over the last 12 months, the all items index remains at 0.76% before seasonal adjustment.

### Home Values

As reported by Zillow.com, the median home value in Moreno Valley is \$251,800 as of February 2015. Moreno Valley home values have gone up 14% over the past year and Zillow predicts they will rise 8% within the next year. The median rent price in Moreno Valley is \$1,524 as of February 2015, which reflects a 4% increase over the past year.

During the last few years the City was significantly impacted by the decline in home value as a result of foreclosures and the overall economics of the U.S. The following chart reflects the stabilization of the housing market and the initial recovery, which will impact the financial position of the City's General Fund revenues.

The total property values within the City are determined by a combination of the existing residential and non-residential properties along with the valuation for any new developments. The values as reported by the Riverside County Assessor tax rolls are shown below.

Jobs and Employment

In December 2014, the unemployment rate in Moreno Valley decreased slightly for the fifth consecutive month to 8.8% and is 3.1% lower than the December 2013 rate of 11.9%. The unemployment rate supports the overall projection of growth both locally

and regionally. Non-seasonally adjusted rates for Riverside County are 7.5% and 7.1% for the State, respectively. This supports continued steady economic recovery.

The pace at which unemployment has been falling has slowed in recent months. The Moreno Valley unemployment rate of 17.5% at the height of the Great Recession in July 2010, compared to the December rate of 8.8%, is an indicator of restoring economic balance and improving the stability of household incomes. The overall trend remains positive as business activity increases across the nation and in the City.

In summary, assumptions guiding economic growth over the next ten-year period will follow current trends of slow steady economic growth and expansion, with a gradually improving job picture. This appears to be a conservative, responsible approach to estimate future revenues driven by economic activity within the City. The dynamic approach to the City’s long range planning and multi-year budgeting will allow the Council and staff to quickly allocate faster revenue growth toward priority expenditure needs. Additionally, if the economy falters, the City will be positioned to respond quickly to adjust expenditures to achieve and maintain a balanced General Fund budget.

## Summary of General Fund Resources

The following table summarizes and compares actual General Fund resources realized, an estimate of FY 2014/15, and projected FYs 2015/16-2016/17.

General Fund	FY 2011/12	FY 2012/13	FY 2013/14	FY 2014/15 Amended Budget	FY 2015/16 Proposed	FY 2016/17 Proposed
<b>Revenues:</b>						
Taxes:						
Property Tax	\$ 9,397,373	\$ 9,765,007	\$10,668,782	\$11,083,551	\$12,072,224	\$12,736,197
Property Tax in-lieu	13,170,964	13,414,446	13,871,754	14,912,136	15,732,303	16,597,580
Utility Users Tax	15,591,386	15,683,931	15,595,141	15,912,000	15,912,000	16,092,542
Sales Tax	14,003,992	14,043,560	15,887,130	17,638,770	19,269,321	20,486,866
Other Taxes	7,533,532	7,825,137	8,576,927	8,266,100	9,155,250	9,452,668
Licenses & Permits	1,523,801	1,585,311	2,164,752	1,519,200	2,090,930	2,126,877
Intergovernmental	398,193	260,691	311,510	260,000	230,000	215,000
Charges for Services	8,574,257	8,258,751	9,896,025	9,285,333	10,733,409	10,971,363
Use of Money & Property	4,004,480	1,071,403	2,836,585	3,516,825	3,469,962	3,469,962
Fines & Forfeitures	603,065	610,172	577,961	606,500	623,760	629,073
Miscellaneous	138,224	485,140	492,820	281,400	103,400	103,400
Transfers In	539,656	588,370	1,163,421	1,863,482	2,492,842	2,547,650
<b>Total Revenues</b>	<b>\$75,478,924</b>	<b>\$73,591,918</b>	<b>\$82,042,808</b>	<b>\$85,145,297</b>	<b>\$91,885,401</b>	<b>\$95,429,178</b>

In FY 2015/16, it is anticipated that General Fund operating revenues, including transfer-in, will increase 8% compared to FY 2014/15 amended budget. The increase is due primarily to growth in sales tax and property taxes as a result of continued economic recovery. The transfers-in also include approx. \$2.5 million of vehicles reserves for the previously deferred replacement of vehicles.

The following chart illustrates the composition of the City's General Fund resources projected for FY 2015/16.

Attachment: Exhibit A - Proposed Budget Book (1548 : ADOPTION OF THE FISCAL YEAR 2015/16 ? 2016/17 BUDGET)

**Revenue Profiles**

The following section provides a profile of the City’s major General Fund revenue categories.

The revenue profiles provide background information on each revenue category. Trend information is also provided, as well as a discussion of the future outlook for each category.

Attachment: Exhibit A - Proposed Budget Book (1548 : ADOPTION OF THE FISCAL YEAR 2015/16 ? 2016/17 BUDGET)

# Property Tax

## Description

Property tax is a value-based tax imposed on real property, such as land, buildings and tangible personal property. Property tax revenue is collected by the county and allocated according to state law among cities, counties, school districts and special districts. Moreno Valley property owners pay a basic tax equal to 1% of the assessed value on real property. Based on the Tax Rate Area a property may be located in, the City's General Fund receives approximately 11% of these 1% tax payments, with larger shares going to local schools, community colleges and Riverside County.

## Trend

Throughout the City's history, property tax revenue has grown moderately, reflecting both new development and increasing property values in Moreno Valley. During the recession property tax revenues dipped, but resumed growth again in the recent fiscal years. Some additional residual revenue is being realized since FY 2012-13 from redevelopment agency dissolution.

## Outlook

The City works with its property tax consultant in projecting property tax revenue, an estimate made with four factors in mind: property turnover rate, pricing and appeals exposure, new construction activity, and Proposition 13's annual inflation adjustment. After considering these factors, the City has projected that assessed value will increase 7.0% in FY 2015/16 and 5.5% in FY 2016/17.

# Sales Tax

## Description

California sales tax is imposed on the total retail price of tangible personal property (excluding a variety of state mandated exemptions), while use tax is imposed on the purchaser for eligible transactions when sales tax has not been collected. The sales and use tax rate in Riverside County is currently 8.0%, of which Moreno Valley receives 1% from the California Board of Equalization (BOE) for transactions occurring within the City.

## Trend

Sales tax revenues continued to grow in the last year with consumers and businesses beginning to recover from the recession. Gross taxable sales in the City of Moreno Valley were budgeted to be up nearly 11% in 2014/15 compared to 2013/14. Revenue is close to this year's budget projections on a year-to-date basis, and has exhibited growth particularly in the categories of autos and transportation and restaurants and hotels and food and drug, through the fourth quarter.

## Outlook

The City works closely with its sales tax consultant, HdL Coren & Cone, in projecting sales tax revenue. Based on HdL's analysis of the trend in year-to-date tax receipts, macroeconomic conditions and an examination of local business data, the City anticipates to receive sales tax revenue of \$17.6 million this year. FY 2015/16 revenues are anticipated to increase by an additional \$1.6 million and FY 2016/17 by \$1.2 million. In forecasting these revenues, the consultant assumed average economic growth in point-of-sale revenue of 5.2% and then made additions and adjustments to account for fund transfer corrections expected from the BOE, business closeouts and new business openings.

# Utility Users Tax

## Description

Utility users tax (UUT) is a 5.75% charge on all utility activity in Moreno Valley. The tax is assessed on electricity, energy, water, cable, wireless and telephone charges.

## Trend

In 2008, the UUT, by direction of City Council and by action of the City's voters, was reduced from 6% to 5.75% and also modernized the definitions of taxable services. Since that time, UUT revenues have been relatively consistent.

## Outlook

The City's UUT is the third largest revenue source. Currently, annual UUT is projected to be \$15.9 million based on utility usage of existing residents and businesses in the City. Staff projects this will remain relatively flat annually through FY 2024/25, although actual UUT may be increased based on the development of new businesses.

# Franchise Fees

## Description

Franchise fee revenue consists of a tax on four franchise operations in Moreno Valley: electric, natural gas, cable television and refuse. The state sets electric and gas tax rates that equal 1% of gross annual revenues and 5% of gross cable television revenues from within the City of Moreno Valley. Refuse revenue is based on a rate of 12%.

## Trend

Franchise tax revenue growth slowed during the recession, but otherwise has been stable and consistent. Over the long-term, revenues have increased with growth in the City’s residential population and business activity. Revenues are also impacted by changes in natural gas and electric pricing.

## Outlook

For FY 2015/16, franchise fee revenue is estimated at \$5.9 million, an increase of \$335,000, or 6%, from FY 2013/14. Refuse related revenue is the largest component of the City’s Franchise Tax revenue, followed by cable and electric. The price of electricity is expected to increase next year and result in additional revenues. Electrical rates are evaluated every three years by the Public Utilities Commission (PUC) and are currently being reviewed for 2015 by the California Public Utilities Commission (PUC). The forecast assumes additional development within the City.

Attachment: Exhibit A - Proposed Budget Book (1548 : ADOPTION OF THE FISCAL YEAR 2015/16 ? 2016/17 BUDGET)

# Transient Occupancy Tax

## Description

Hotel tax (also known as transient occupancy tax or TOT) is an 8% tax applied to the cost of hotel or other lodging stays of less than 30 days. Factors influencing hotel tax revenues include business and leisure travel, new hotels, hotel expansion, and room rate increases. Hotel taxes account for slightly more than 1% of all projected General Fund resources next year.

## Trend

Moreno Valley hotel revenue has rebounded strongly from the recessionary bottom as a result of higher room rates, increased occupancy, and the development of new hotels.

## Outlook

The FY 2015/16 Budget projects continued growth in Moreno Valley hotel tax revenue consistent with increases in local business activity, reflected in recent improvement in Riverside County jobs. The City is projecting 6% growth in hotel tax revenue from FY 2013/14.

The TOT rate is relatively low for the region with most rates at approx. 10-12%. As the City seeks new revenue sources, the existing TOT rate should continue to be reviewed.

# Miscellaneous Revenues

## Description

The miscellaneous revenue category is made up of a variety of relatively small revenue categories including fees for services, licenses and permits, fines and forfeitures and revenue from other agencies. These revenues include animal adoption and license fees, false alarms, and business permit fee revenue.

## Trend

Revenues in the miscellaneous category were impacted significantly from the recent recession and impacts on new developments. Additionally, the City suffered the loss of most motor vehicle license fee (VLF) revenue, which used to represent a portion of the City's overall revenues, but which have since been replaced with increased allocations of property tax (property tax in-lieu of VLF) revenue. Revenues from other sources, including animal licenses, traffic fines, and business permit fee revenue, have increased over time as the City has grown.

## Outlook

Miscellaneous revenues for FY 2015/16 are estimated at \$17 million, reflecting a 6% growth rate from FY 2013/14. Miscellaneous revenues are budgeted cautiously compared to current year estimates do the volatility of these charges.

Attachment: Exhibit A - Proposed Budget Book (1548 : ADOPTION OF THE FISCAL YEAR 2015/16 ? 2016/17 BUDGET)

## Personnel

The City’s staff members are the key piece of the operations of the City and they are the key representatives of the City to the public. With this in mind, the City has created the following Vision, Mission, and Customer Care Standards to guide staff in meeting high levels of customer service within the City. Staff activities are also guided by the City’s existing ethic policies.

### Vision Statement:

“To transform our young city into a mature community that offers its residents and businesses an unsurpassed quality of life featuring abundant recreation, desirable private and public services, varied residential living choices, and well-paying employment opportunities”

### Mission Statement:

- Maintain** a safe and secure environment for the people who live, work, and play in the city.
- Promote** democracy, inviting citizen involvement while encouraging community self-determination and local control.
- Enhance** and sustain the economic prosperity of the community and the financial well-being of the city government.
- Bring** together our community and its resources to address local needs and issues and enhance the quality of life.
- Build** quality public and private facilities, emphasizing recreational and cultural activities for all ages and interests.
- Foster** harmony among diverse community groups by providing opportunities for improvement, respecting cultural differences, and treating people equally and fairly.
- Respect** and conserve our environmental resources for the health and enjoyment of our citizens and future generations.
- Advocate** for and effectively represent the city’s interests with other governmental and private institutions, and establish cooperative partnerships to improve the quality of life in the region.
- Exemplify** good government by operating a city business that is open and ethical, customer friendly, cost-conscious, innovative, technologically advanced, and forward-thinking.

**Cultivate** a challenging and rewarding work environment— as a “model employer”—that supports our employees and their families, develops people, promotes teamwork, and celebrates humanity.

## Customer Care Standards

One of the key items that helps guide our services is the City’s Customer Care Standards. These written standards, as set forth on the following page, have been developed to outline how we can provide “Service that Soars”.

# MORENO VALLEY

## SERVICE THAT SOARS

### *Customer Care Standards*

***In Moreno Valley, we provide exceptional customer care by...***

***Providing same day response*** Resolving an issue or completing a request is seldom accomplished in just a day but striving to acknowledge the request the day it is received provides “same day response” and exemplary service.

***Knowing first impressions matter*** Our professionalism is judged based on appearance, attitude, manners knowledge, and abilities. It is a package; we risk making a bad impression if we fail on even one count.

***Ensuring a positive experience*** A negative attitude affects service quality and morale. We resolve to stay positive because we know our approach dramatically affects our customers’ and coworkers’ experience.

***Asking and listening*** We never assume to know what our customers need. Good questions evoke good answers but only if we listen. Resolving to not interrupt, we exercise patience and we pay attention.

***Connecting*** We make eye contact, smile, and acknowledge every customer. When speaking to a customer, we address them by name using formal address (e.g. Mr. or Ms.), and let them decide if we’re on a first name basis.

***Respecting our customers’ concerns*** To some, government can seem like a complex bureaucracy. We put a human face on the customer’s dealings with our City. We work to put our customers at ease and to earn their trust.

***Treating customers like they have a choice*** Customers of government agencies often do not choose to do business with us, they have to. We meet this challenge by providing exceptional service.

***Remembering who we work for*** It may not always be possible to say “yes” but our customers and co-workers must know that we have done our best to help them accomplish their goal.

***Knowing our business*** To provide accurate information, we must know our jobs and have a thorough understanding of agency processes. Providing accurate information is critical; to do so, we work with staff, consultants, supervisors, conduct research, and keep up-to-date with industry best practices.

***Understanding the difference between fast and efficient service*** We use knowledge, skills, and resources to respect our customers’ time, but we never rush – it is impolite and it dramatically impacts the relationship and the outcome.

***Questioning the status quo*** We do not do things the same old way just because that is “how we’ve always done it.” We were hired to use our experience and skills to improve public service – and we take the process improvement challenge to heart.

***Keeping our word*** We manage expectations by setting reasonable goals. Giving careful thought to timelines, we always remember that our word is our bond as we promote honesty, responsibility, and accountability.

***Treating customers like people, not footballs*** Customers notice how many interactions are required to get the answers they need. If we need to hand off a customer, it should be to the right person, and that person should be provided with the pertinent facts to ensure a seamless transition.

***Seeing the big picture*** Identifying improvement opportunities throughout the organization requires a field of vision that expands beyond one’s workstation. “That’s not my job” is not part of our vocabulary. We engage, participate, and contribute.

***Encouraging feedback*** Comments, suggestions, and criticism help us measure our success and promote improvement. We demonstrate commitment to our customers by asking how we can do better.

***Saying “Thank you”*** Technical knowledge simply isn’t enough; our careers and livelihood depend on our success in providing exceptional customer care. At every opportunity, we show sincere care, compassion, gratitude and appreciation. We go above and beyond to provide “service that soars.”

## Personnel and Staffing

\*Note - does not include elected officials  
 - staffing of career positions is supplemented through the use of temporary positions and contract services

## Budget at a Glance

The City's Budget consists of three major components: its General Fund Budget (general operations), Capital Improvement Program (CIP) Budget, and Special Funds Budget.

The General Fund Budget is the City's fiscal operating blueprint. The FYs 2015/16-2016/17 General Fund operating budget is based on resource projections (including transfers-in) of \$91.9 million and \$95.4 million, respectively. Departmental operating expenditures and transfers-out are budgeted at \$91.6 million and \$95.2 million, respectively.

The 2015/16-2016/17 operating budget furthers the City's ongoing commitment to fiscal responsibility and effective management. The budget is balanced without the use of contingency reserve funding and it concentrates resources on maintaining the existing levels of services and public safety.

Revenue projections are based on the most current economic data available and budgeted appropriations reflect ongoing efforts to achieve efficiencies. Each City department has carefully evaluated its expenditures, seeking to maintain services while reducing costs wherever feasible. Contingencies traditionally built into the operating budget as a means of accounting for unexpected needs has been reduced to the most basic level or eliminated entirely. The assumed vacancy rate in budgeting salary and benefit costs for all personnel was increased from 1% to 2% next year, more closely matching the City's historical experience. Next year's operating budget is very lean. At the end of the year, however, the City expects to maintain existing fund balance of approximately \$27.5 million of Unrestricted General Fund balance as necessary to fund operational cash flow needs and as a reserve for unexpected events and future economic uncertainty. This reserve equates to 30% of the City's proposed budget. The City expects to finish the current fiscal year with a surplus that can be used by the City Council at the end of the year to make progress towards funding currently unfunded liabilities of the City.

The CIP Budget details the acquisition or construction of major capital facilities, infrastructure or equipment. The CIP Budget is used to account for the receipt and disbursement of funds for specific project related purposes that often span more than one year. Special Funds budgets are used to account for the receipt and disbursement of funds restricted by law or administered for specific purposes. The CIP and Special Funds budgets are detailed in later sections of this document.

A financial summary of the of the City's General Fund is provided on the following pages.

## Departmental Summaries

### City Manager's Office

The City Manager serves as the chief executive officer of the City. Under City Council direction, the City Manager is responsible for the efficient management of all City business. Professional leadership is provided from this Office to the Executive Management Team to enable them to serve the community in a responsive and resourceful manner. Functions of the City Manager's Office include coordination of the implementation of City Council policies and programs; providing overall direction to the departments that administer City programs and services; coordinating intergovernmental relations and legislative advocacy; and administration of the City's communications, media relations, and public information programs.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$1.6 million.

### City Attorney

The Office of the City Attorney consists of two attorneys, an Executive Assistant I, and a Legal Secretary. This office provides a wide range of legal services to the City organization. It provides legal advice to the City Council, City Manager, City staff and City Boards, Committees and Commissions. It conducts or oversees all litigation involving the City. The office prepares or reviews ordinances, resolutions, contracts, and other legal documents relating to the City's business.

The City Attorney's Office represents the City government rather than individuals and has an attorney-client relationship with the City Council (as an entity) as its primary client, and secondarily with other city boards, commissions, officers and employees within the scope of their duties for the City.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of approximately \$725,000.

### City Clerk

The City Clerk appointed by the City Council serves as the Secretary to the City Council, is legally responsible for the preparation of agendas, the recording and maintenance of all Council actions, filing of public notices, coordination and administration of all City records, documents and public files. The City Clerk receives bids, conducts all bid openings, maintains the City's municipal code, receives all claims filed against the City, serves as the official custodian of the City seal, conducts all elections, receives nomination papers and is the filing officer for all requirements of the California Fair Political Practices Commission.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$1.1 million.

### **Administrative Services**

This Department is responsible for centralized Administrative Service functions within the City including talent management, labor relations, personnel rules application and policy setting, training, benefits, workers' compensation, Equal Employment Opportunity (EEO), purchasing and central stores; and related support. The library provides a full range of information services via traditional delivery methods and through various electronic venues. Additionally, the department provides oversight for the public safety function of animal control services.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$3.9 million.

### **Community Development**

The Community Development Department provides a variety of development and business services related to enhancing the quality of life in the community.

The Community Development function provides planning, building and code compliance services. The Building & Safety Division provides building plans examination services and conducts field inspections of buildings under construction to ensure that City's building environment adheres to established construction codes. The Code & Neighborhood Services Division is responsible for the enforcement of codes relating to neighborhood nuisances, health & safety, substandard housing, vehicle abatement, illegal dumping, improper signage, parking control, and weed abatement. Code staff also manages the City's Rotational Tow Service, Graffiti Restitution and Shopping Cart Retrieval programs. The Planning Division processes land use applications in accordance with the provisions of the City's Development Code, General Plan, Landscape Guidelines, applicable Specific plan requirements, CEQA, and other State and Federal requirements.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$5.6 million.

### **Economic Development**

The Economic Development function facilitates new investment and development in the community. Economic Development Administration promotes the City as a quality place to do business and seeks to attract new development and encourages expansion of existing businesses through an array of strategies including marketing, site selection assistance, ombudsman service and much more.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$1.1 million.

## Financial and Management Services

The Financial & Management Services (FMS) Department provides a wide range of support services to other City departments. These services include budget coordination; financial reporting; payroll; billing and accounts receivable; accounts payable; cash management and investing; business licensing and cashiering; providing electric service to new development in residential, commercial and industrial areas; and technology services including network administration and security, enterprise systems and database administration, geographic information systems, backbone infrastructure and telecommunications.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$7.5 million.

## Fire

The City of Moreno Valley Fire Department operates seven fire stations and a Fire Prevention Bureau that provides fire suppression, emergency medical, rescue, and hazardous materials response as well as fire prevention services to the citizens of Moreno Valley. The equipment utilized by the department has the versatility to respond to both urban and rural emergency conditions. Through a Cooperative Fire Services Agreement with CAL FIRE/Riverside County Fire, the City has access to additional emergency equipment such as brush engines, firefighting aircraft, hazardous materials unit, fire crews, and breathing support units. The Office of Emergency Management and Volunteer Services program provides a wide variety of training to both employees and the community. Additionally, this program is tasked with preparing the City for any emergency situation through mitigation, preparedness, response, and recovery for a variety of natural or man-made disasters that may occur in the community.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$18 million.

## Parks and Community Services

The Parks and Community Service Department plan, design, and oversee development of new park sites and facilities, maintain parks and facilities in a safe and aesthetically pleasing manner, maintain and oversee development of the multi-use trail system, provide a wide range of programs for the community including athletic leagues, classes, field trips, child care, teen and senior activities, schedule use of facilities, plan, organize and promote special events, and enforce the park rules and regulations and promotion of safe use of park facilities.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services. The Parks and Community Service Department is overseen by the Community Services District and includes a Zone A Fund expenditures of \$9.3 million and revenues of \$9.6 million.

## Police

The Moreno Valley Police Department is a full-service law enforcement agency. The Department is comprised of divisions that manage city resources and work together to deliver the Department Mission. The Administration Division includes the Office of the Chief of Police, the Accounting Unit, Facilities/Maintenance, the Training Unit, the Business Office and the Community Services Unit. In addition to managing day to day department operations, this Division provides oversight for all the other divisions. The Detective Division consists of the Investigations Unit, the Forensics Unit, the Crime Analysis Unit, the Criminal Registrants Unit, the School Resource Unit and the Riverside County Regional Medical Center Unit. The Patrol Division consists of four patrol shifts, the Mall Team, the K-9 Program, the Property/Evidence Unit, the Telephone Reporting Unit, the Logistics/Property/Evidence Unit, and the Field Training Program. The Special Enforcement Teams Division consists of the Gang Unit, the Narcotics Unit, the Career Criminal Apprehension Team, the Traffic Team, the Burglary Suppression Team, the Robbery Suppression Team, and the Problem Oriented Policing Team.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$39.5 million.

## Public Works

The Public Works Department is the largest "non-public safety" full-service department in the City of Moreno Valley. The Public Works department is responsible for public works administration, city engineering, maintenance of public facilities located within the street right-of-way, special landscape and lighting districts, solid waste collection and disposal, design and construction of City-built capital improvements, and administration of traffic facilities and related activities. The Land Development Division is responsible for the review, approval and inspection of private development projects related to tentative and final parcel maps, lot line adjustments, monument inspection and soil & hydrology reports, along with plans for grading, street improvements and storm water management.

The department's budget is based on the continuation of essential, mandated, and City Council-directed services and includes General Fund expenditures of \$7.9 million.

## Non-Departmental

The Non-Departmental operating budget encompasses citywide taxes and assessments, sales tax and property tax audits and payments for recovered revenues, and also special situations not related to a specific department. The department's General Fund expenditures are \$4.5 million.

## General Fund Resources and Expenditures

The General Fund was balanced for the first time since the recession in FY 2013/14. For FY 2015/16 the General Fund continues to remain balanced with revenues of \$91.9 million and expenditures of \$91.6 million.

## CITY COUNCIL

### Description

The City Council is comprised of five members elected by the district to serve staggered four-year terms. It is the policy-making body of the community, serving nearly 200,000 residents. Council appoints the City Manager, City Attorney, City Clerk and City Treasurer, as well as various members of the City's advisory boards and commissions. Resources have been allocated to provide City membership in such intergovernmental associations as the League of California Cities, Western Riverside Council of Governments (WRCOG), and Southern California Association of Governments (SCAG) in order to develop networking relationships with policy makers and administrators whose actions affect the City of Moreno Valley.

### City Council Goals

#### **Promote Diversity and Preserve the City's Revenue Base**

Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

#### **Improve Governmental Relationships**

Develop cooperative intergovernmental relationships and be a forceful advocate of City policies, objectives and goals to appropriate external governments, agencies and corporations.

#### **Enhance Community Safety**

Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

#### **Improve the Community's Image**

Promote a sense of community pride and foster an excellent image about our City by developing and executing programs, which will result in quality development and enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

#### **Improve Public Infrastructure**

Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

#### **Create a Positive Environment**

Create a positive environment for the development of Moreno Valley's future.

## CITY CLERK

### Description

The City Clerk serves as the Secretary to the City Council, is responsible for the preparation of agendas, the recording and maintenance of all Council actions, filing of public notices, coordination and administration of all City records, documents and public files. The City Clerk advertises and receives bids, conducts all bid openings, maintains the City's municipal code, receives all claims filed against the City, serves as the official custodian of the City seal, conducts all elections, receives nomination papers and is the filing officer for all requirements of the California Fair Political Practices Commission.

### Mission Statement

The mission of the City Clerk's office is to provide courteous and expeditious dissemination of material and information to City departments, the general public, media and other agencies; produce and maintain agendas, minutes, recordings, and indexing of all City Council actions, filing of public notices, coordination and administration of City records; conduct elections of the highest quality by ensuring all legal requirements, local and state, are met by all candidates and committees, and assuring the registered voters in the City the opportunity to express their freedom of choice by voting.

### Goals

- Ensure that the election processes are conducted in a professional, neutral and transparent manner
- Automate public record requests giving customers the ability to fill out a request on-line; expedite the process by giving the public access to the requested documents; post most frequently requested records on the City's website
- Continue collaborating with Technology Services Division to implement a paperless product for the City Council agenda and minutes which will replace the current system, thus providing customers with access to the City Council agendas and minutes
- Continue to scan documents including resolutions, ordinances, contracts, minutes and Fair Political Practices Commission forms allowing easy access and retrieval for internal and external customers
- Provide the highest quality of customer service as outlined in Customer Care Guidelines

### 14/15 Accomplishments

- Coordinated elections with the County of Riverside Registrar of Voters Office for Districts 2 and 4, and Special Recall Elections for Districts 3 and 5, ensuring compliance with all legal local and state laws and requirements:
  - Issued nomination papers, oriented candidates to the election process
  - Administered, tracked and reviewed Candidate's Fair Political Practices Commission (FPPC) campaign forms to ensure they are complete and in

- compliance with FPPC regulations; scanned forms and posted on the Web site
  - Processed and proofread nomination paperwork, Candidate Statements, Official Candidate's list
  - Prepared and published Notices of Election
  - Processed paperwork related to Ballot Measures I, R, S, and T; ensured adherence to deadlines, proofread documents
  - Fielded numerous calls regarding Election
- Administered, monitored and reviewed the annual filings of Statements of Economic Interest and Semi-annual Campaign Financing Statements and reporting; Monitored and processed Fair Political Practice Commission filings for public officials, employees designated in the City's Conflict of Interest Code, consultants, and City campaign committees
- Processed Public Records Requests electronically and manually
- Continued expanding the Customer Relationship Management System
- Processed legal documents; claims and subpoenas
- Conducted the biennial review and updated the Moreno Valley Conflict of Interest Code
- Facilitated appointments to various Council Advisory Boards and Commissions and processed related paperwork
- Collaborated with Technology Services Division to implement Legislative Management agenda automation
- Continue to provide Legislative Management training city-wide
- Continue to import, scan and index resolutions, ordinances, contracts and minutes
- Processed proclamations and certificates
- Participated in the redistricting process which included coordinating community involvement; provided information to the public and ensured proper legal noticing
- Coordinated City Council Events:
  - Mayor's Swearing-in Ceremony (January & June)
  - Sigma Beta Xi Mentoring Workshop (held before 2/27/14)
  - Financial Literacy Workshop – District 1
  - Financial Literacy Workshop – District 5
  - Victory Outreach – Take Your City
  - Non-Profit Roundtable
  - Memorial Day Ceremony
  - Mayor's Swearing-In Ceremony
  - 4th of July Parade and Family FunFest
  - Nason St. Bridge Dedication
  - State of the City

## CITY MANAGER'S OFFICE

### Description

The City Manager serves as the chief executive officer of the City. Under City Council direction, the City Manager is responsible for the efficient management of all City business. Professional leadership is provided from this Office to the Executive Management Team to enable them to serve the community in an energetic and resourceful manner. Functions of the City Manager's Office include leading the implementation of City Council policies and programs; providing overall direction to the departments that administer City programs and services; coordinating intergovernmental relations and legislative advocacy; and administration of the City's multiple communications, media relations, and public information programs.

### Mission Statement

The City Manager's Office is committed to providing and coordinating excellent staff support and sound policy recommendations to the City Council, leading the organization in an effective, efficient, and principled manner, and providing organizational support and direction to City departments.

### Goals

- Support the Council in adopting Strategic Goals and Objectives and lead City departments in achieving the Council's vision.
- Adopt a 2-Year Operating Budget.
- Promote aggressive Economic Development efforts, to include adopting an updated Economic Development Action Plan.
- Lead a multi-departmental effort to explore options to upgrade water service in the Edgemont Area.
- Provide data to the Council regarding options to increase revenues to achieve a balanced budget while continuing to provide quality services to our residents.
- Secure federal funding for City projects and advocate City positions on various issues by working with the City's lobbyists, legislative offices, and appropriate federal/state agencies.

### 14/15 Accomplishments

#### Administration

- Participated and provided oversight in the development and subsequent adoption of the Mid- Year budget adjustments. Provided leadership in the development and approval of a Two-Year Operating Budget for the City, which is balanced without the use of General Fund reserves. The spending plan:
  - Restores Friday service hours for all City departments and
  - Enhances critical community services such as Fire Prevention, the Library and the Animal Shelter.

- Negotiated updated Memoranda of Understanding with the City's 3 employee groups.
- Coordinated the Council Candidates Workshop, including presentations about the Council / City Manager form of government, summaries of department missions and accomplishments, information on the City budget and capital improvement program, and ongoing public service initiatives.
- The City Manager held numerous All-Employee meetings to ensure consistent focus on key initiatives maintain open communication at all levels in the City organization and celebrate significant achievements by employees in all Departments/Divisions.
- Coordinated continuing efforts to address water service issues in the Edgemont area, including research, strategic planning and follow up with the input of the City Attorney's Office and Public Works, Fire, Financial & Administrative Services, and Community & Economic Development Departments.
- Represented the City at League of California Cities Regional meetings for the Riverside County Division and hosted the League of California Cities Riverside County Division Meeting.
- Represented the City at several agencies, including Western Riverside Council of Governments (WRCOG), March Technical Advisory Committee and Eastern Municipal Water District's Manager's Network.
- Continued participation on the Board of Directors for the Moreno Valley Chamber of Commerce and Moreno Valley Hispanic Chamber of Commerce, including provision of staff support for:
  - Monthly City Updates
  - The Business Expo
  - Legislative Action Committee
  - Leadership Moreno Valley Program
  - Military Affairs Committee
  - Cinco de Mayo Community Event
  - The annual Mayor's State of the City luncheon (including development of the Mayor's address and corresponding presentation and video).
- Drafted Opinion Editorial pieces published in local media.
- Coordinated placement of ads featuring Moreno Valley's economic development successes in local and regional media.
- Attended several legislative workshops and worked closely with legislative advocacy firms to represent the City's interests at the state and federal levels.
- Coordinated the following Groundbreaking / Ribbon-cutting / Milestone / Open House ceremonies and other special events:
  - Nason Street Bridge Ribbon Cutting
  - Veterans Day
  - City's 30th Anniversary Celebration
  - Transportation Management Center Ribbon Cutting
  - Memorial Day
  - Public Safety Expo/ Citywide Camera System Open House

- Continued working with the Riverside County Sheriff's Department and City Managers in other contract cities to explore options to develop enhanced collaboration regarding police service costs and associated impacts.
- Staffed the Public Safety Subcommittee. Coordinated agenda topics, prepared agenda packets, performed follow-up as needed.
- Provided staff liaison / Council member support for the Box Springs Mutual Water Company. Supported Council member outreach to local residents to ensure compliance with federal environmental justice requirements.
- Coordinated of a Study Session on preventing human trafficking / implementing AVID at the Elementary School level within Moreno Valley Unified School District.
- Brought Nextdoor.com to Moreno Valley neighborhoods based on elementary school boundaries.
- Provided staff support for City Council members who serve as Commissioners for the March Joint Powers Authority.
- Hosted several community events to promote the City's sustainability efforts to Keep Moreno Valley Beautiful:
  - Citywide Bulky Item Clean Up Events
  - Earth Day Mulch Giveaway
  - Household Hazardous Waste Events
  - Used Oil Filter Exchange Event
  - Community Paper Shred Event

## Media & Communications

- In 2014 and 2015 MVTV-3 was recognized for excellence by the California and Arizona chapter of The National Association of Telecommunications Officers and Advisors (SCAN NATOA).
  - Social Media - "City of Moreno Valley YouTube Channel" (Second Place)
  - Public Service Announcement - "Shop MoVal This Holiday" (Second Place)
  - Special Audience - "Pets of the Week" (Second Place)
  - Public Safety – Moreno Valley Citywide Camera System (Third Place)
  - Public/Community Meetings – "Moreno Valley City Council Meetings" (Third Place)
  - Promo – "News Center: M Renovation" (Third Place)
- Media & Communications filmed, and edited MVTV-3 & YouTube Programming for the new series "Technology in Focus" – featuring GIS software operational instructions for Moreno Valley residents and businesses
- Produced live broadcasts of the City Council meetings, Planning Commission meetings, Fourth of July Parade, and "Santa Live"
- Maintained and updated the City's external and internal web sites to keep information relevant and user-friendly. Media & Communications processed over 2,900 website updates
- Scripted, recorded, and edited the "Spotlight on Moreno Valley Business" videos for broadcast and publication on the City's MVTV-3 cable channel and YouTube site

- MVTV-3 launched an updated MoVal Election App to track Moreno Valley's election results in real-time
- Partnered with the Moreno Valley Animal Shelter to create the Elsworth and Alessandro campaign to increase pet adoptions
- Administered the City's Facebook, Twitter, Nextdoor, and YouTube websites to ensure modern access to City information
- Implemented the City's Nixle.com, and Mind Mixer (Let's Talk MoVal) accounts
- Expanded the City's e-mail distribution list to over 20,000 and continued to produce the CityLink monthly e-newsletter. Supported development of the quarterly On The Move economic development e-newsletter, monthly development of MVTV-3 Video content emails, weekly Pets of the Week emails
- Coordinated the City's 2014 Veterans Day events and the 2015 Memorial Day ceremony
- Provide audio, video, photographic, and logistical support for over twenty-one prominent City events
- Created and produced ten News Center Episodes
- Created and produced sixteen public service announcements
- Created and produced thirty-eight episodes of "Pets of the Week"
- Wrote and distributed 382 press releases
- Provided in-house graphics support to produce more than 538 projects and publications, including original designs for ads, event invitations and programs, banners, signs, bookmarks, flyers, brochures, newsletters, etc.:
  - Animal Services: Rachel Ray \$100K Challenge.
  - Parks & Community Services: Moreno Valley Soaring, Recreation Guide, advertisements, and event programming, including:
    - July 4<sup>th</sup>
    - Artoberfest
    - YouthFest
    - Concerts in the Park
    - Movies in the Park
    - Holiday programming
    - Banquet facility rentals: Conference & Recreation Center, TownGate Community Center, and Senior Center
    - State of the City
- Police Department: Designed and organized award-winning Law Enforcement Challenge booklet
- Public Works: Signs, recycling programs, and events

## CITY ATTORNEY

### Description

The Office of the City Attorney consists of attorneys, an Executive Assistant I, and a Legal Secretary. This office provides a wide range of legal services to the City organization. It provides legal advice to the City Council, City Manager, City staff and City Boards, Committees and Commissions. It conducts or oversees all litigation involving the City. The office prepares or reviews ordinances, resolutions, contracts, and other legal documents relating to the City's business.

The City Attorney's Office represents the City government rather than individuals and has an attorney-client relationship with the City Council (as an entity) as its primary client, and secondarily with other city boards, commissions, officers and employees within the scope of their duties for the City. The role of the City Attorney is sometimes confused by the public with either the District Attorney, who prosecutes criminal actions under State law, or Legal Aid Services, which provides low or no-cost legal services to the general public who cannot afford private legal representation. Consequently, the office receives frequent requests from members of the public for legal advice or information. These requests are handled as courteously as possible providing information without giving legal advice, which could create an attorney-client relationship in conflict with the City Attorney's official duties.

### Mission Statement

The mission of the City Attorney's Office is to provide professional, cost effective, ethical, and high quality legal advice and services to the City Council and City staff in all matters of law; to effectively represent the City in legal proceedings; and to prepare or review all ordinances, resolutions, contracts, and other legal documents necessary or desirable to conduct the business of the City.

### Goals

- Continue to provide professional, cost effective, ethical legal advice and services to the City
- Continue to implement a Request for Legal Services submittal and tracking system
- Continue municipal code review recommending revisions and updates as appropriate

### 14/15 Accomplishments

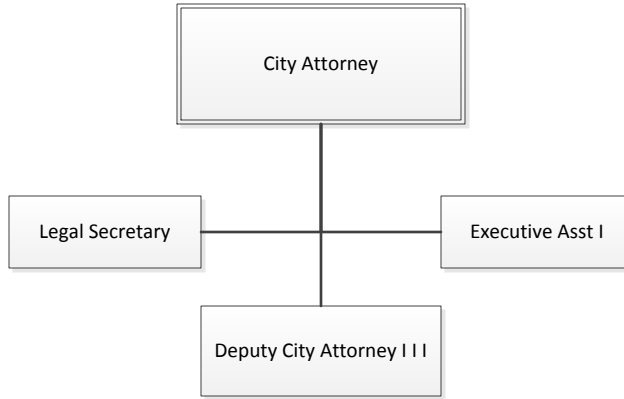

- Responded to over 1550 Requests for Legal Services (RLS), consisting of but not limited to, contract review, legal advice, review of records, etc.
- Provided legal support for all City Council items and meetings, Planning Commission meetings and other board and commission meetings throughout the year.
- Handled and monitored all civil litigation matters involving the City including claims.

- Handled and worked and monitored 68 open and active subrogation claims.
- Handled 475 open and active code compliance cases.
- Collected \$120,634.74 in fines, fees, costs, and attorney time.
- Worked with Moreno Valley Police and Public Works to collect restitution on 40 active Graffiti claims.

## COMMUNITY DEVELOPMENT DEPARTMENT

### Description

The Community Development Department (CDD) provides a variety of development, business and property owner services. CDD administers development review and project entitlement activities, performs long range planning, and maintains the City's General Plan. The department also manages a comprehensive code compliance program. CDD performs building plan review, inspections and issues building permits for new and altered projects.

### Mission Statement

The mission of the Community Development Department is to facilitate development with the implementation of planning, land use, building safety, beautification, and code compliance policies within the City of Moreno Valley in order to provide a quality, well-planned, safe, and desirable living and working environment for its citizens, now and in the future.

### Goals

#### Administration

- Facilitate development, new tenancies, and business expansions at the Moreno Valley Mall and major shopping areas.
- Work with commercial property owners and the brokerage community to increase occupancy.
- Support further expansion of the Moreno Valley Auto Mall, including the attraction of new vehicle lines.
- Facilitate office and industrial development projects aimed at producing new business facilities and creating new employment opportunities.
- Explore creative avenues to increase the City's tax base.
- Create and implement an Economic Development Action Plan that outlines the near-term strategy for business development.
- Incentivize and support job creation through the City's business attraction and expansion efforts (including Moreno Valley Utility's competitive electrical rates, the Time & Materials fee program, etc.) as well as demonstrating support for business incentive applications to the federal foreign trade zone and statewide incentive programs.
- Host Business Roundtable luncheons with Moreno Valley's existing businesses to share accomplishments and seek guidance for process improvement.
- Continue to support and attend events hosted by Moreno Valley's Chamber(s) of Commerce.
- Collaborate with the City's Media & Communications staff on scripting and recording the "Spotlight on Moreno Valley Business" videos for broadcast at City Council meetings and publication on the City's MVTV-3 cable television channel and YouTube site.
- Continue marketing efforts with the following areas of focus:

- Enhance the City Image.
- Attend, participate, and promote the City at retail, office, and industrial tradeshows.
- Expand the Shop MoVal program.
- Advocate City positions on job creation and business expansion issues by working with the City Manager's Office.
- Explore opportunities to revive the Jobs / Education Initiative to create training linkages that facilitate employment of Moreno Valley's residents at new / local logistics facilities.
- Staff the Economic Development Subcommittee. Coordinate agenda topics, prepare agenda packets, and perform follow-up as needed.
- Provide staff support for City Council members who serve as Commissioners for the March Joint Powers Authority.
- Update and maintain the Department's external and internal web sites to keep information relevant and user-friendly.
- Draft and distribute business / development announcement press releases.
- Draft and distribute a business / development e-newsletter.

### **Building & Safety**

- Begin implementation of Accela Automation permit tracking software system to expand services offered, integrate department processes and improve applicant access.
- Support Public Work's Capital Projects Division and Parks & Community Services Department by providing inspection services and building code expertise for construction projects and existing facilities.
- Create additional informative handouts and update the Division's policies and procedures to reflect current requirements of the California Building Code.
- Implement State-mandated residential solar permit processing ordinance.
- Complete cost recovery fee study project and implement results.
- Develop streamlined process for change of business owner Certificate of Occupancy projects.
- Create Unreasonable Hardship Exception process for accessibility code requirements.

### **Code & Neighborhood Services**

- Begin implementation of Accela Automation permit tracking software system to expand services offered, integrate department processes and improve applicant access.
- Explore a code compliance volunteer program to support current staffing and enhance existing service levels.
- Revise grant funded work sections to involve a rental property inspection program and expand weekend code enforcement activities.
- Review and update the code compliance policy and procedures manual.
- Conduct RFP process for the Division's citation collection, rotational tow and shopping cart retrieval programs.
- Implement Residential Foreclosure Registration program.

- Develop information material for State mandated landscape water use reductions for residential and commercial customers.

## Planning

- Support Technology Services program to implement Accela Automation permit tracking software system to expand services offered through improved public access and interface with current and historical land based entitlement, permitting, and geographical information.
- Support Technology Services and City Clerk's Office transition from SIRE System to Accela Legislative Management platform for improved and consistent interface and efficiencies with meeting agendas, staff reports, and presentation materials for Planning Commission business.
- Complete the Nason Street Corridor Study to establish a vision platform and strategies for future land use development, mobility enhancements, and economic development goals for this arterial between State Route 60 on the north and Iris on the south.
- Initiate and complete updates to signage regulations set forth in the City's Development Code to ensure the policies and regulations are appropriately articulated and enforceable to allow businesses to achieve their interests, while enabling the City to manage and reduce code compliance violations and complaints, and to foster economic development interests.
- Support the completion and implementation of updates of the City's development review and processing fees, and Development Impact Fees (DIF) that ensure the fees are aligned to the greatest extent possible for full cost recovery, while remaining competitive to ensure progress towards development and economic development goals and objectives.
- Seek and secure outside grants available through regional, state, federal and private establishments that can foster preparation of Planning frameworks and implementation plans that move the city forward in alignment with General Plan policies and City Council goals, with prudent leveraging of, and/or less reliance on, City financial resources and budget.
- Initiate and complete a comprehensive update of the City's adopted California Environmental Quality Act (CEQA) Procedures Manual to ensure it is maintained consistent with applicable legislative mandates, case law, and other environmental regulations to ensure the potential for legal challenges to development projects, which can significantly stifle economic development and job creation interests, is minimized to the greatest extent possible.
- Complete the processing of the World Logistics Center entitlements through final City Council actions.
- Provide professional and timely Customer Care to the over 3,000 average annual Planning Services points of contact through the Development Services Center. As a goal, ensure that 95% of the time or better, public inquiry (e.g. public counter, telephone messages and emails), Public Records Requests, committed plan checks, intra-agency support, and external agency coordination are delivered within established timelines.
- Ensure the professional Planning staff has a solid and current knowledge base and command of the local, regional, state, and federal regulations that govern work products. Encourage and facilitate professional training opportunities (at

least 1 per year) for each staff through professional association and industry workshops, seminars, and/or other live or web-based courses.

## 14/15 Accomplishments

### Building & Safety

- Obtained an outstanding Insurance Services Organization (ISO) rating of 2 for both residential and commercial code effectiveness
- Completed major projects to Certificate of Occupancy for 2 Amazon's, Harbor Freight, Minka Lighting, Procter and Gamble and Deckers Outdoor
- Created and implemented a Residential Electric Vehicle Charging handout to expedite permit process
- Directed all Solar Plan Reviews to be performed in-house to improve permitting time-frames and increase revenue
- Provided technical and inspection services to Public Work's Capital Projects Division and Parks & Community Services Department projects for Fire Station remodels and La Salle Sports Park
- Instituted a uniform policy and outfitted field staff to project a positive professional appearance
- Participated in the creation and launch of an employee career development program
- Eliminated outdated printer equipment and replaced with centralized copier saving money
- Assisted 6,531 public counter customers
- Processed 8 multi-family permits/units (4 rehabilitation and 4 fire damage repair)
- Issued 1,946 permits
- Completed 11,272 field inspections
- Permit revenue totaled \$1,446,882
- Building construction valuation totaled \$106,772,932

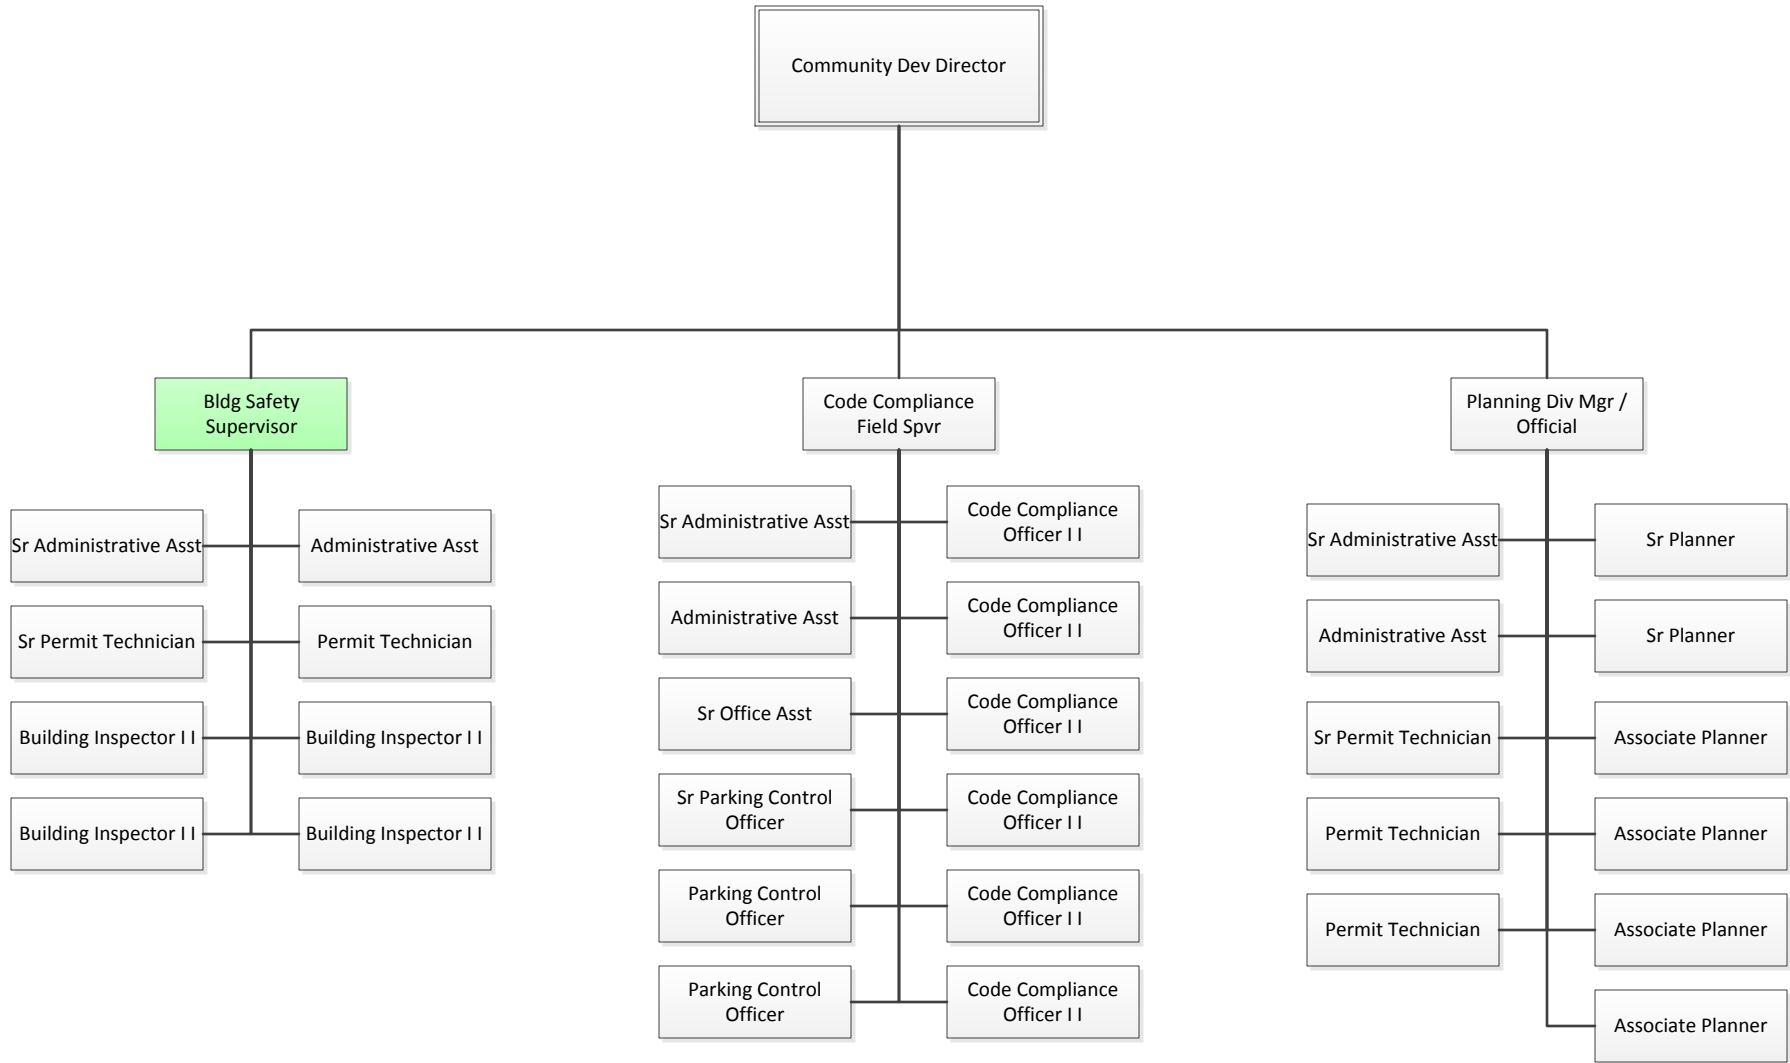

### Code & Neighborhood Services

- Established the citywide Residential Foreclosure Registration Program
- Assisted with the implementation of the Prohibiting Parking of Vehicles for Sale on Public Streets Ordinance
- Introduced a Smart Car vehicle to Parking Control to save both use and purchase costs
- Hosted Rotational Tow Program annual meeting
- Assisted 2,590 counter customers
- 7 cases were initiated in an effort to address bank-owned property maintenance violations.
- RFP successfully completed for nuisance abatement contractors
- Issued 794 Administrative Citations with total fines of \$223,000 including penalties and interest
- Issued 20,098 parking citations totaling approximately \$1,270,217 in fees owed to the City
- Addressed 3,418 new code cases

- Resolved 86 Code cases through the CRM system
- Continued to work closely with the Problem-Oriented Policing Team (POP) on numerous projects to improve problem neighborhoods and conduct specialized enforcement activities
- Initiated 21 Code cases for illegal/roadside vendors
- 1,252 code web reports received through the City's on-line compliant system
- 45 mobile code reports were processed through the City's new mobile app
- Charged non-compliant financial institutions inspection fees resulting in the collection of \$83,463 in revenue and Real Estate Demand processing fees resulting in the collection of \$15,583 in revenue
- Awarded the 2014 Edward Byrne Memorial Justice Assistance Grant for \$59,072, and utilized funding to deploy three part-time officers
- Implemented a third party collection program for previously uncollected parking and administrative citation revenue which resulted in the collection of \$19,478 in delinquent fees
- Executed new agreements with Riverside County Environmental Health to continue vector control services and California Shopping Cart Retrieval Services for the collection of abandoned shopping carts Citywide
- Secured approval for reimbursement of the cost to purchase a new vehicle to be utilized in the Abandoned Vehicle Abatement (AVA) program administered by the County of Riverside
- AVA Audit conducted March 10, 2015 with no issues found

## ECONOMIC DEVELOPMENT DEPARTMENT

### Description

The Economic Development Department (EDD) provides a variety of development and business services related to enhancing the quality of life in the community. EDD facilitates new investment and development, implements the City's business attraction / retention efforts and offers ombudsman support to help businesses navigate the development process.

Economic Development (ED) promotes the City as a quality place to do business. ED seeks to attract new development and encourages expansion of existing businesses through an array of strategies including marketing, site selection assistance, ombudsman service and much more.

### Mission Statement

The mission of the Economic Development Department is to facilitate new investment and development opportunities in the community.

### Goals

- Facilitate development, new tenancies, and business expansions at the Moreno Valley Mall and major shopping areas.
- Work with commercial property owners and the brokerage community to increase occupancy.
- Support further expansion of the Moreno Valley Auto Mall, including the attraction of new vehicle lines.
- Facilitate office and industrial development projects aimed at producing new business facilities and creating new employment opportunities.
- Explore creative avenues to increase the City's tax base.
- Create and implement an Economic Development Action Plan that outlines the near-term strategy for business development.
- Incentivize and support job creation through the City's business attraction and expansion efforts (including Moreno Valley Utility's competitive electrical rates, the Time & Materials fee program, etc.) as well as demonstrating support for business incentive applications to the federal foreign trade zone and statewide incentive programs.
- Host Business Roundtable luncheons with Moreno Valley's existing businesses to share accomplishments and seek guidance for process improvement.
- Continue to support and attend events hosted by Moreno Valley's Chamber(s) of Commerce.
- Collaborate with the City's Media & Communications staff on scripting and recording the "Spotlight on Moreno Valley Business" videos for broadcast at City Council meetings and publication on the City's MVTV-3 cable television channel and YouTube site.
- Continue marketing efforts with the following areas of focus:
  - Enhance the City Image.

- Attend, participate, and promote the City at retail, office, and industrial tradeshows.
- Expand the Shop MoVal program.
- Advocate City positions on job creation and business expansion issues by working with the City Manager's Office.
- Explore opportunities to revive the Jobs / Education Initiative to create training linkages that facilitate employment of Moreno Valley's residents at new / local logistics facilities.
- Staff the Economic Development Subcommittee. Coordinate agenda topics, prepare agenda packets, and perform follow-up as needed.
- Provide staff support for City Council members who serve as Commissioners for the March Joint Powers Authority.
- Update and maintain the Department's external and internal web sites to keep information relevant and user-friendly.
- Draft and distribute business / development announcement press releases.
- Draft and distribute a business / development e-newsletter.

## FINANCIAL & MANAGEMENT SERVICES DEPARTMENT

### Description

The Financial & Management Services (FMS) Department provides a wide range of support services to other City departments. These services include budget coordination; financial reporting; payroll; billing and accounts receivable; accounts payable; cash management and investing; business licensing and cashiering; technology services including network administration and security, enterprise systems and database administration, geographic information systems, backbone infrastructure and telecommunications; as well as providing electric service to new development in residential, commercial and industrial areas. In addition, the Department also provides the administration of neighborhood preservation services to the public through the administration of various federal grant programs. Following is a description of the major functions that comprise the department.

### Mission Statement

The mission of the Financial & Management Services Department is to effectively manage the City's finances and safeguard its assets through adherence to the highest ethical standards, sound internal controls, and meaningful financial reporting; effectively and efficiently administer the existing and future special districts and grant programs while maintaining a high standard of quality; and provide a high level of staff support and automation through the internal service functions of Technology Services.

### Goals

#### Administration

- Update the Long Range Business Plan (LRBP) to keep the model current during FY 2014-15.
- Lead the feasibility review for a potential revenue ballot measure for the City, considering a ballot date in June or November 2015.
- Support and participate on the team developing an action plan to resolve the limitations presented by the substandard condition of Box Springs Mutual Water Company water system.
- Participate in the development of Quality of Life Programs for the citizens of the City to be implemented as revenues become available.
- Plan and prepare to conduct a debt issuance for the Moreno Valley Utility operation in 2015 to fund capital expansion projects.
- Lead the preparation and decision-making of the Two-Year FY 2015-16 and 2016-17 balanced budgets.
- Promote the development and implementation of transparent and timely financial information and reporting on the website.
- Lead the Customer Care Unit Steering Committee and activities as the Executive Liaison.

## Financial Operations

- Complete the City's annual CAFR (Comprehensive Annual Financial Report) timely (by December 2015) and achieve no negative comments in the City's Management Letter, while achieving the GFOA's Certificate of Achievement of Excellence in Financial Reporting Award.
- Achieve a clean audit for the FY 2014/15 Financial Statements for the City, Community Services District and Successor Agency as of June 30, 2015.
- Successfully implement improvements to the electronic payroll processes to achieve efficiencies for the City and for each employee.
- Increase the use of financial tools such as project accounting and business analytics by other departments to improve the accuracy and timeliness of financial data being available to departments.
- Continue to meet biweekly payroll deadlines and “net 30” vendor payment terms throughout the fiscal year.
- Continue to publish the monthly payment register directly to our website within 30 days of the end of the month.
- To obtain an actuarial valuation report for Other Post-Employment Benefits (OPEB) liabilities in compliance with GASB standards.

## Financial Resources

- Lead the development and approval of a Two-Year Citywide Budget for FY 2015-16 through FY 2016-17.
- Manage activities under the NSP1 and NSP3 programs including the acquisition, rehabilitation and resale of both single family and multifamily units.
- Manage and coordinate the various CBDG, HOME, and ESG grant activities.
- Implement the new Time and Material tracking program within Logos and oversee the ongoing administration of the program.
- Continue to work on the dissolution matters related to the former Redevelopment Agency.

## Electric Utility/Moreno Valley Utility (“MVU”)

- Continue to develop and expand the Moreno Valley Electric Utility to ensure economic viability by performing the following:
  - Begin building reserves as recommended in the Cost-of-Service Study.
  - Pay outstanding debt to Special Districts.
  - Work with Finance Operations Division to audit fixed asset listing and establish procedures for capturing assets.
  - Maintain and update 10 year financial/energy forecast.
  - Ensure that purchases of energy-related products are at the lowest possible cost while striving to comply with state mandates for renewable energy and capacity.
  - Manage capital projects designed to expand the electric system to accommodate customer demand; in particular, Kitching Substation.

- Develop and implement a Financial Reserve Policy for MVU to provide guidance on recommended reserve levels.
- Develop and implement a disaster preparedness procedure for MVU.
- Expand existing public purpose programs to include demand response programs for both commercial and residential customers.
- Expand the use of electric facility maps through mobile GIS.
- Continue to identify and improve internal processes that will enhance service to MVU customers, both internal and external.

## Technology Services

- Begin the planning and implementation phases of a multi-year project to replace the Development Services software. Incorporate as many divisions as possible into the new software, include citizen and developer access features, and investigate including online plan submittals.
- Expand the Citywide Fiber System to include the utility substation on Moreno Beach.
- Complete building the Box Springs Communications site and transfer microwave equipment from the rented tower to the new, owned tower.
- Adapt the Financials, Human Resources, and Payroll ERP system to give the City's financial staff a state-of-the-art platform on which to operate.
- Maintain and enhance the citywide camera system that contributes to more effective policing, more effective management of traffic and parks, and is able to accommodate additional cameras from other Departments.
- Continue connecting traffic signals to City Hall with Fiber Channel lines instead of copper in order to facilitate traffic signal replacements, the Traffic Management Center, and the addition of traffic cameras.
- Complete the City's Excellence in Information Technology Practices application and achieve the statewide, peer-reviewed award from MISAC.

## Treasury Operations

- Issue 2015 Lease Revenue Bonds (\$25 million)
- Implement Logos Revenue Collections module
- Develop and formulate structure for new Miscellaneous Billing (Accounts Receivable) process. Update the Treasury Operations website
- Increase utilization of the on-line Business License Renewal Program by promoting the program through channels such as the Chamber of Commerce, MVTV-3, direct mail and other cost effective means.
- Monitor and update the Investment Policy as necessary to reflect current issues and best practices in the fixed income/securities industry.
- Complete and implement the results of the comprehensive city-wide fee revision study.
- Complete implementation of EMV ready credit card processes in City Hall, Parks and Community Services and the Senior Center.
- Train all city staff on new processing rules related to the new EMV (Eurocard, Mastercard, Visa) credit card readers

## 14/15 Accomplishments

### Financial Operations

- Achieved a clean audit (an unqualified audit opinion) for the FY 2013/14 Annual Financial Statements for the 31st consecutive year.
- Produced the Comprehensive Annual Financial Report (CAFR) for the FY 2013/14 by December 31st and received the Government Finance Officers Association's (GFOA) Certificate of Achievement for Excellence in Financial Reporting award.
- Consistently met biweekly payroll deadlines and "net 30" vendor payment terms throughout the fiscal year.
- Managed an electronic timesheet system to improve the accuracy of reported time and to provide detailed support of hours charged to projects.
- Increased the volume of vendor payments transmitted electronically, improving the process efficiencies in accounts payable by reducing the number of checks staff disburses.
- Provided financial and time entry software training to all employees in a platform that enabled knowledge sharing, guidance, and recommended best practices.
- Transitioned the publication of our monthly payment register from a council consent item to a direct website publication that enabled the report to be available to the public in a more efficient manner.

### Financial Resources

- Produced the Adopted Operating Budget Book for the FY 2013/14 – 2014/15 and received the California Society of Municipal Finance Officers (CSMFO) Meritorious Achievement Award. Completed quarterly budget reviews and updates.
- Updated Cost Allocation Plan, developed application model across City organization, implemented Cost Allocation in 15/16 Budget
- Developed and Implemented a Centralized Time & Materials Program for multi-million dollar commercial projects providing centralized deposits, time tracking, and accounting; consolidated rates with overhead; monthly reporting to developers, and timely refund procedures.
- Reconciled and cleared over \$300,000 of miscellaneous funds on deposit with the City
- Managed and reconciled the allocation of CDBG, HOME, ESG, and NSP grant programs.

### Electric Utility/Moreno Valley Utility ("MVU")

- Developed and implemented an Energy Risk Management Policy to manage and minimize risks associated with power purchases
- Completed construction of Moreno Valley South 33 kV substation, designed to improve reliability and operational flexibility for customers in the South Industrial area
- Developed and implemented a Financial Reserve Policy to provide guidelines for recommended reserve levels and hierarchy of funding those reserves

- Updated the 10-year energy forecast
- Updated the Cost-of-Service and Rate Design Study to ensure that MVU's rates are adequately recovering the electric system's cost of service
- Partnered with Facilities Division for the installation of four Ice Bear units and replacement of the existing air conditioning units at the Animal Shelter
- Provided over \$1 million in rebates to 154 residential customers who installed solar systems on their homes
- Expanded energy efficiency programs to include residential customers and all commercial customers
- Provided economic development rate incentive to Decker's Outdoor Corporation
- Implemented a payment plan for the outstanding debt to Special Districts
- Executed a power purchase agreement with Whitney Point Solar, LLC for the purchase of solar energy to meet state mandated renewable energy requirements
- Created a quarterly newsletter for commercial customers to promote MVU's programs and services

## Technology Services

- Received 13th consecutive award from the Municipal Information Systems Association of California (MISAC) for outstanding practices in the Information Technology field; this is the highest award possible from the statewide technology association.
- Maintained 99.99% uptime for citywide systems during working hours.
- Upgraded or replaced approximately 73 staff computers due to the age of the computer.
- Continued to expand Voice Over Internet Protocol (VOIP) phone installations; City Hall, the Annex, and CRC have all been upgraded to VOIP systems. VOIP phones reduce management, cabling, and maintenance costs.
- The City e-mail system received approximately 844,101 e-mails since December 2014. 568,000 e-mails were marked as SPAM and 1,884 e-mails were viruses. 64% of all e-mails received by the server were SPAM.
- Automated the deployment of 12 applications. Deploying applications using Microsoft automation tools reduces staff time by not having to physically visit each computer to install software.
- Network Operations closed a total of 534 helpdesk tickets.
- Completed annual physical computer inventory in February 2015.
- Completed City Hall 1st floor reconfiguration. Replaced old voice and data cabling in all reconfigured furniture and added additional data locations throughout the first floor.
- Completed 800 Mhz radio frequency reconfiguration as mandated by the FCC.
- Installed new and enhanced e-mail SPAM filter.
- Setup reverse proxy server for online applications requiring it.
- Connected Cottonwood Golf Center to the network.
- Upgraded ERC (Employment Resource Center) DSL Internet connection to a commercial grade T1 connection.
- Installed and configured enhanced Internet filter.
- Transitioned Library technical services to LSSI.

- Aided Transportation Engineering by setting up network switches to expand our network to 10 more intersections.
- Reconfigured e-mail retention policies citywide when released from most Federal and County subpoenas.
- Setup 6 new servers for new applications.
- Completed PCI (Payment Card Industry) patch installation to retain compliance certification.
- Enterprise Systems and GIS closed a total of 557 helpdesk tickets during the period July 1, 2014 to February 27, 2015.
- Replaced orthophotography wall maps in offices, conference rooms, and public areas.
- Redesigned Financial & Management Services' Bottom-Line newsletter.
- Coordinated and hosted the first "virtual" Logos Users Group of Southern California (LUGS) meeting for 57 attendees from agencies located throughout the western United States.
- Completed software and hardware modifications to automate the Retiree Medical Reimbursement Program.
- Redesigned the Payment Register Report to enable staff to execute it themselves.
- Implemented Logos Position Budgeting for Financial Resources.
- Completed Logos and Permits Plus enhancements to support Financial Resources' Miscellaneous Billing program for Time & Materials projects.
- Worked with HR to provide 2015 online processing of the annual Open Enrollment of health, dental, and vision insurance in addition to flexible spending accounts for health and child care expenses.
- Implemented Logos Dynamic Reporting and Dashboards.
- Identified, reviewed, negotiated, and completed agreement to implement Accela Legislative Management
- Managed the development and roll out of the City's first smartphone application.
- Developed and produced State of the City exhibits.
- Produced and provided FEMA Flood Study Exhibits and Annual Reports, updates to the Group Home GIS layer, World Logistic General Plan exhibits, Specific Plan/LandUse/Zonning layer updates and exhibits, urbanization analysis, and zone changes in the GIS system.
- Completed major updates to Special District's Zone D data, periodic updates to the streetlight inventory and atlas, the annual Fixed Charges export, zone renaming, and exhibits.
- Mapped Bike Routes, updated bridge, road, sign and sidewalk inventories and exhibits, and performed analysis and upgrades for the Transportation Engineering and Maintenance & Operations Divisions.
- Supported ADA Inventory Program with GIS data, maps, and analysis.
- Coordinated interviews and business process reviews of all Development Services related divisions.
- Managed the selection process for a new enterprise Community Development solution.
- Provided Emergency Operations with new maps, updates to all GIS data on stationary and mobile devices, software upgrades, and assisted with the review and reconfiguration of the WebEOC application.

- Produced exhibits for Economic Development's ICSC Conference booth.
- Provided analysis of response times for the Fire Department.
- Updated Strong Motion Impact Fee calculation for Building & Safety.
- Completed CRM 2011 code review and upgrade, setup new CRM 2013 system and database servers, and setup online portal for Public Records Requests.
- Implemented Chameleon Post Master for Animal Services to electronically notify animal rescue groups of at-risk pets, developed and produced new GIS wall maps and atlases, and set new service area boundaries for Animal Services Dispatch.
- Provided custom data for the Franchise Tax Board through the SWIFT system.
- Continued development and support of custom Logos export processes for CalGoVEBA, TAG, and CalPERS reporting.
- Upgraded SimpleSigns and SimpleSync for Transportation Engineering, AutoCAD for Capital Projects, Time Matters for the City Attorney, Logos.NET for the Financial & Management Services, AutoCAD for Capital Projects, Commercial & Residential Combination Permits for Building & Safety, ArcGIS and ArcServer for the citywide GIS system.
- Completed annual MSHCP, FEMA, Housing Element, and NPDES mandatory reporting.
- Updated the GIS Hazard Reduction mobile applications and files used by Fire Prevention to begin the 2015 inspection and abatement program.
- Provided updates to the SDRS (Scanned Documents Retrieval System) GIS website for Land Development and Capital Projects.
- Updated the GIS Hazard Reduction mobile applications and files used by Fire Prevention to complete the 2015 inspection and abatement program. The mobile application provides accurate locational features, inspection result entry, and it is integrated with Permits Plus for notices, invoicing, and reporting.
- Provided all Moreno Valley Utility maps and reports and completed required updates to its Intranet webpages. The Electrical Utility Projection Load Mappings repository includes all conditioned projects, reimbursement lines, reimbursement agreements, and MOUs. It is used to plan future electrical needs and provides an inventory of all current and completed projects.
- Completed updates to the MVU GIS database that included over 250 as-built sheets which now appear on the Intranet site and in the GIS atlas.
- Identified new streetlights as they were activated, and completed updates to the GIS data layer and database to keep the streetlight inventory current on both the intranet and Internet sites.
- Completed initializing 2015/16 Capital Improvement Projects application; developed and produced annual maps; provided analysis, project exhibits, and informational displays.

## Treasury Operations

- Staff increased efforts to educate the public by trying additional steps besides notices in the business license renewal packets. These additional steps included notification through the Chamber of Commerce, notices shown on MVTV-3 and a direct mail campaign to businesses. Due to this effort we continue so see improvement in the utilization of the on-line service. The

utilization trend data is as follows: CY 2011 – 861 on-line renewals totaling \$131,000

- CY 2012 – 916 on-line renewals totaling \$144,000
- CY 2013 – 1,199 on-line renewals totaling \$190,000
- Signed contract for comprehensive city-wide user fee analysis.
- Updated Investment Policy for City Council review and approval
- Prepared Annual Development Impact Fee Report (AB1600) for City Council review and approval
- Prepared the annual Gann calculation which establishes appropriation limits as directed by Proposition 13.
- Processed approximately 7,000 business licenses
- Issued RFP and signed contracts related to Bond Financing Team services
- Issued RFP and signed contracts related to Investment Advisory services
- Issued RFP for financial audit services
- Monitored the investment program, both the portfolios managed in-house and managed by contracted fund managers to ensure the funds are being managed in a manner consistent with the City's Investment Policy.
- Issued 2013 Total Road Improvement Bonds totaling \$20 million to fund street and road projects.
- Issued 2013 and 2014 Refunding Lease Revenue Bonds totaling \$11.6 million and \$25.3 million respectively to completely refund the 2005 Lease Revenue Bonds
- Developed Continuing Disclosure/Annual Report surveillance program with assistance from Willdan.
- Developed Investor Relations web-page for communicating the City's debt management program to the public and the investment community.
- Processed more than 30,000 cash receipt transactions at front counter
- Identified potential solutions to replace expired contract related to UUT Audit services
- Installed new EMV ready credit card readers in preparation of new credit card regulations that take effect Oct 2015.

## FIRE DEPARTMENT

### Description

The Fire Department operates seven fire stations and a Fire Prevention Bureau that provides fire suppression, emergency medical, rescue, and hazardous materials response as well as fire prevention services to the citizens of Moreno Valley. The equipment utilized by the department has the versatility to respond to both urban and rural emergency conditions. Through a Cooperative Fire Services Agreement with CAL FIRE/Riverside County Fire, the City has access to additional emergency equipment such as brush engines, firefighting aircraft, hazardous materials unit, fire crews and breathing support units. The Office of Emergency Management and Volunteer Services program provides a wide variety of training to both employees and the community. Additionally, this program is tasked with preparing the City for any emergency situation through mitigation, preparedness, response, and recovery for a variety of natural or man-made disasters that may occur in the community.

### Mission Statement

The Fire Department serves the community with pride, integrity, and professionalism while providing quality emergency services to protect and preserve life and property of its citizens when exposed to fires, medical emergencies, natural or man-made disasters, hazardous materials incidents, and rescue emergencies in a safe, efficient and cost effective manner as a result of a cooperative, regionalized fire and rescue delivery system with the Riverside County Fire Department. To minimize the impact of natural or man-made disasters by identifying and mitigating known hazards and to enhance our response to these disasters by providing quality training to the community on disaster preparedness, response, and recovery.

~Core Values~

*Safety – Leadership – Integrity – Competence – Customer Service*

### Goals

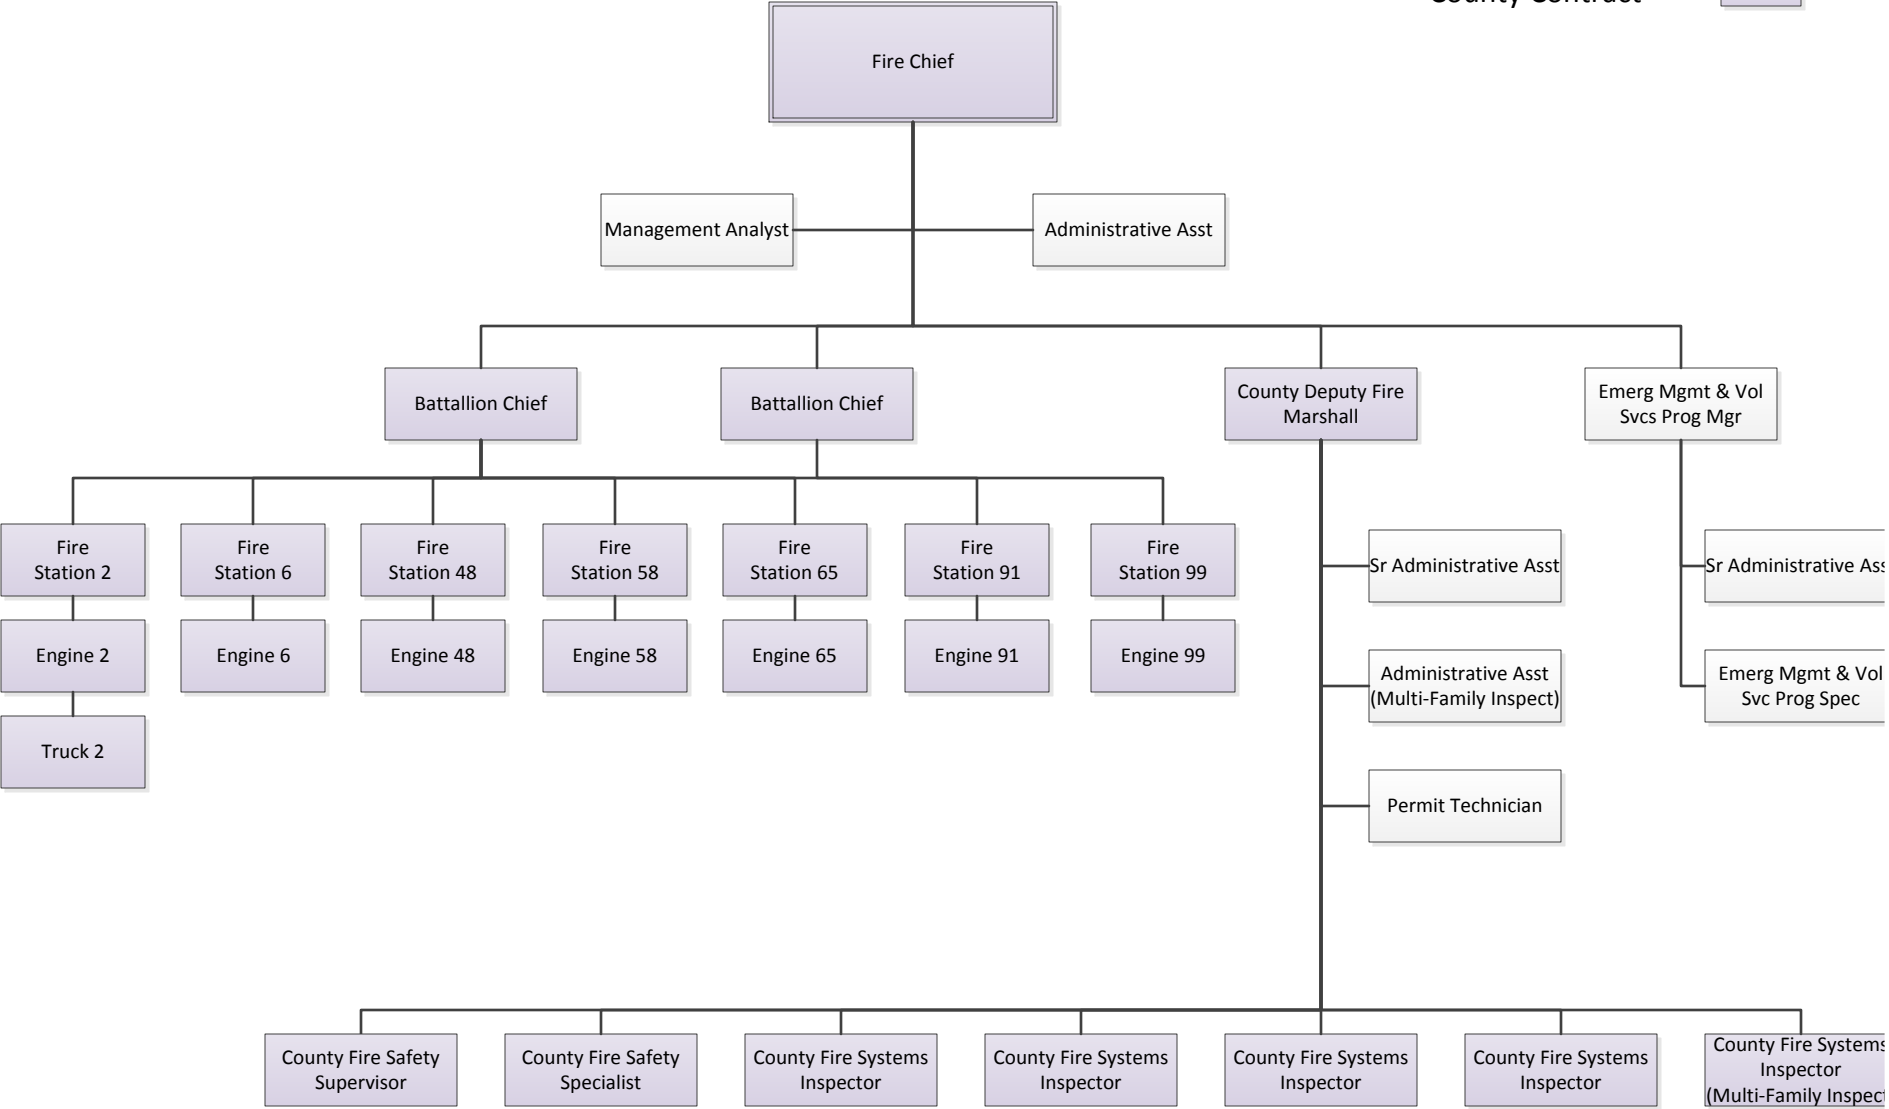

- The goal of Fire Operations is to respond to emergency calls for service from the community within 5 minutes of dispatch 90% of the time and to provide quality emergency services while protecting the life and property of the citizens of Moreno Valley.
- The goals of the Fire Prevention Division are:
  - Perform plan reviews within 10 working days 90% of the time or greater.
  - Perform all new construction inspections within 48 hours of request unless otherwise requested by the customer.
  - Conduct fire & life safety inspections annually in all businesses and state regulated occupancies.
  - Respond to citizen concerns within 48 hours of contact.
  - Through efficiency and expediency, our goal is to ensure a reasonable degree of community safety exists for all stakeholders at all times.

- The goal of Office of Emergency Management is to ensure that all City staff have met the minimum Standardized Emergency Management System (SEMS) training standards and to provide training to 100% of Emergency Operations Center staff members in preparation for an Emergency Operations Center activation or exercise.

## **ADMINISTRATIVE SERVICES DEPARTMENT**

### **Description**

This Department is responsible for centralized Administrative Service functions within the City including talent management, labor relations, personnel rules application and policy setting, training, benefits, workers' compensation, Equal Employment Opportunity (EEO), purchasing and central stores; and related support. The library provides a full range of information services via traditional delivery methods and through various electronic venues. Additionally, the department provides oversight for the public safety function of animal control services.

### **Mission Statement**

The Administrative Services Department proudly serves Moreno Valley residents, as well as those who provide these services.

As a strategic partner with City leadership, we develop and deliver innovative human resource programs and services tailored to help fulfill the City's public service vision. Our core competencies include recruitment and staffing, classification & compensation, employee relations, training, benefits, workers' compensation and regulatory compliance; public safety and promoting the positive outcomes of homeless pets through the Animal Services function; and provide a high level of staff support and automation through the internal service functions of Purchasing and Facilities Maintenance. We provide comprehensive library programs, facilities, and services which constantly respond to changing community needs. The library offers access to a broad range of resources, through programs with informational, educational, recreational, and cultural enrichment opportunities for all patrons.

We serve all employees and Departments with respect and enthusiasm, applying creativity to meet our customers' needs and seeking constructive feedback to assist us in further refining our service delivery processes.

### **Goals**

#### **Human Resources**

- Implement provisions of the Affordable Care Act (ACA)
- Implement provisions of the California Healthy Workplaces/Healthy Families Act of 2014 (Paid Sick Leave)
- Expand a dynamic Wellness Program to provide new offerings which address employees' needs in a holistic manner
- Conduct robust, timely recruitments which target Departments' specific needs, providing our customers with highly qualified candidates from which to select the newest members of their respective teams
- Tailor training programs to equip Supervisors for success when addressing personnel situations, while providing ongoing real-time support as needed
- Implement provisions of minimum wage increase January 1, 2016

- Evaluate service providers in the areas of occupational health and claims administration

## Facilities

- Replace leaking skylights over Conference & Recreation Center gymnasium
- Repair roofs at two facilities (Public Safety Building and Conference & Recreation Center)
- Replace HVAC system at the Senior Center with assistance from Partner Energy
- Redesign and replace Library HVAC systems with assistance from Partner Energy
- Upgrade lighting inside Conference & Recreation Center gymnasium to LED fixtures in partnership with MVU and Energy Partner
- Replace parking lot lighting at Senior Center, City Yard, Cottonwood Golf Center, and Library with energy efficient devices and install occupancy sensors in key locations inside these sites with assistance from Partner Energy
- Replace all flooring at Fire Station 6
- Replace hallway flooring at the Conference & Recreation Center
- Replace air conditioning units in City Hall's computer server room with assistance from Partner Energy
- Paint exterior of Fire Station 6
- Work with Capital Projects on the design and installation of security systems (cameras, card access, fire, burglar, wireless gate entry) for the new office at the Corporate Yard
- Convert various remotely controlled software programs for HVAC systems to a single software program (BacNet Open Source)
- In conjunction with EMWD's "50/50 program", upgrade drinking fountain at Library to include a water bottle fill station
- Replace HVAC systems at Cottonwood Golf Center
- With assistance from Energy Partner, install interior occupancy sensors and upgrade exterior lighting with LED fixtures at City Hall, Conference & Recreation Center, Public Safety Building, and Animal Shelter
- Organize furniture surplus and consolidate storage locations
- Put routine maintenance contracts out to bid:
  - Emergency generators
  - Ice machines

## Purchasing

- Implement and utilize the New World LOGOS system to improve the City's procurement process
- Train staff city-wide to fully utilize the requisition and purchase order system in the LOGOS system
- Research, purchase and implement an on-line bidding system to efficiently match vendor interests with City products and service needs

## Animal Services

- Promote positive outcomes for all homeless animals

- Reduce euthanasia of homeless animals through a number of programs including pet adoption promotions, working cooperatively while increasing partnerships with animal rescue organizations, and reuniting lost pets with their owners
- Preserve the public's health and safety by responding timely and effectively to abate animals posing an immediate threat to residents and citizens
- Research grant opportunities to supplement Animal Services Division's programs aimed to increase positive outcomes, reduce euthanasia, and reduce the annual intake of homeless animals

## Library

- Continue to increase collection based on patron surveys
- Conduct customer service training in line with City "Customer Care" initiative
- Provide library staff with technology training to assure best use of technology resources
- Pursue additional grant opportunities
- Participate in local internship programs to introduce local youth to library careers
- Attend at least four community events annually
- Continue outreach to local community groups
- Seek out local organizations with whom to partner with host educational library programs
- Conduct at least on adult program monthly
- At least twice monthly conduct the following:
  - Family Night Programs
  - Preschool Story Time Programs
  - Teen Night Programs

## 14/15 Accomplishments

### Human Resources

- Successfully implemented provisions of the California Public Employees' Pension Reform Act of 2013 (PEPRA).
- Implemented provisions of the Affordable Care Act.
- Expanded the Wellness Program to provide offerings addressing employees' needs in a holistic manner.
- Reached contract agreements with MVCEA, MVMA and MVCME for a two-year Memoranda of Understanding (July 1, 2015 – June 30, 2017).
- Updated the Personnel Rules and Regulations.
- Successfully conducted 52 recruitments for full-time, part-time, promotional and temporary employees, screening in over 4,500 employment applications
- Successfully transitioned the Retiree Medical Reimbursement Program from HR to a third party vendor, servicing approximately 100 retirees per month
- Conducted Mandatory AB1825 Harassment Prevention Training for 75 supervisors and managers.
- Completed 225 Ergonomic Evaluations and equipment upgrades.

- Processed 34 Workers Comp claims

## Facilities

- Reconfigured first floor cubicles and construction of new office at City Hall.
- Assisted Technology Services in pulling new data lines in the ceiling for the first floor of City Hall.
- Retrofitted/redesigned Public Safety Building reception counter and hallway door with ballistic glass material to provide safety upgrades.
- Replaced Public Safety Building's rear parking lot entrance door with bi-folding automatic door.
- Completed approximately 2,000 Facilities Maintenance Work Orders.
- Processed approximately 100 security requests (alarm codes, access cards & access hours).
- Investigated approximately 20 security breaches and 20 fire alarm issues.
- Performed approximately 250 event set-ups at City Hall.
- Worked closely with the State's Energy Coalition, SC Edison, and the Gas Company to obtain information on energy reduction programs, rebates, and incentives.
- Participating in SC Edison's HVAC Optimization program that provides for a contractor to perform routine maintenance on air conditioning units at a greatly reduced rate.
- Replaced sewer service line underneath Senior Center's foundation.
- Replaced approximately 180 broken roof tiles at the Senior Center.
- Replaced all flooring (carpet & linoleum) at Fire Station 2.
- Replaced carpeting at Fire Station 65.
- Replaced section of fire sprinkler system pipe at the Public Safety Building due to microbial induced corrosion issue.
- Relocated all of Media staff within City Hall.
- Investigated and instituted new hot beverage service for all City sites/staff.
- Installed solar film on windows in Fire Administration at the Public Safety Building.
- Termite inspections performed at all sites.
- Replaced all HVAC units and installed four new Ice Bear technology units at the Animal Shelter.
- Converted former ERF room into new conference room.
- New card access technology (Salto system) installed at City Hall for the following locations:
  - Courtyard gate
  - Traffic Management Center
  - Media Group
- Energy audits performed at the following sites at no cost to the City:
  - Public Safety Building
  - Conference & Recreation Center
  - City Hall
  - Animal Shelter
- Put the following routine maintenance service agreements out to bid:
  - Janitorial

- Security Guard
- Pest Control
- Roll-up Door Maintenance

## Purchasing

- Successfully utilized Logos for daily processing of purchase requisition, purchase orders and change orders. Provided additional training on the requisition copy process which saves time and effort for new FY POs
- Worked closely with City Attorney to ensure that proper City agreements and insurance were in place for annual and one-time purchase needs
- Processed 14 Large RFP/RFQ/Bids
- Processed 678 Annual Purchase Orders
- Processed 1108 One-Time Purchase Orders
- Reviewed 8,865 CAL-Card transactions with an annual spend of \$2,468,766

## Animal Services

- Selected by the ASPCA to be a second year participant in the 2014 ASPCA Rachael Ray \$100K Challenge to compete with 49 other Animal Shelters nationwide for grant awards
- 2014 ASPCA Grant Winner – “Breaking 300” \$5,000 grant awarded by the ASPCA for saving over 300 homeless animals during the 2014 ASPCA Rachael Ray \$100K Challenge. Grant funding is used to promote pet adoption.
- Developed partnerships with three pet adoption centers in Southern California (Mary S. Roberts Pet Adoption Center in Riverside, Rancho Cucamonga Pet Adoption Center & Helen Woodward Pet Adoption Center in Rancho Santa Fe) and one pet adoption center in Oregon (Safe Haven Humane Society in Tangent, OR) to facilitate transfers of homeless animals for adoption.
- Awarded a \$20,000 grant from the ASPCA to assist in the construction costs for a “Healthy Dog Intake Area” allowing the Animal Shelter’s ongoing efforts to maintain the health of stray dogs.
- Continued valuable community outreach and community partnerships by conducting on and offsite pet adoption events during each month, partnering with 16 local businesses supporting the Animal Shelter and promoting pet adoptions; providing tours to community groups including the Boys Scouts and Girls Scouts, students from elementary and middle school, along with participating in presentations including career days, job fairs and the City’s Public Safety Expo. Continued partnerships with the Moreno Valley Unified School District and Val Verde Unified School District’s WorkAbility Program allowing students to work as interns at the Moreno Valley Animal Shelter to gain valuable work experience; Platt College School of Veterinary Technology allowing Veterinary Technician students to work as interns at the Moreno Valley Animal Shelter & Veterinary Clinic; supported fundraising efforts of the Chamber of Commerce and Boy Scouts of America by donating adoptable pets that found their forever homes where the adoption proceeds help benefit many worthwhile programs provided by these community organizations.
- Awarded “Most Humorous” entry participating in the 2014 4th of July Parade “Saluting Our Patriots of Liberty”

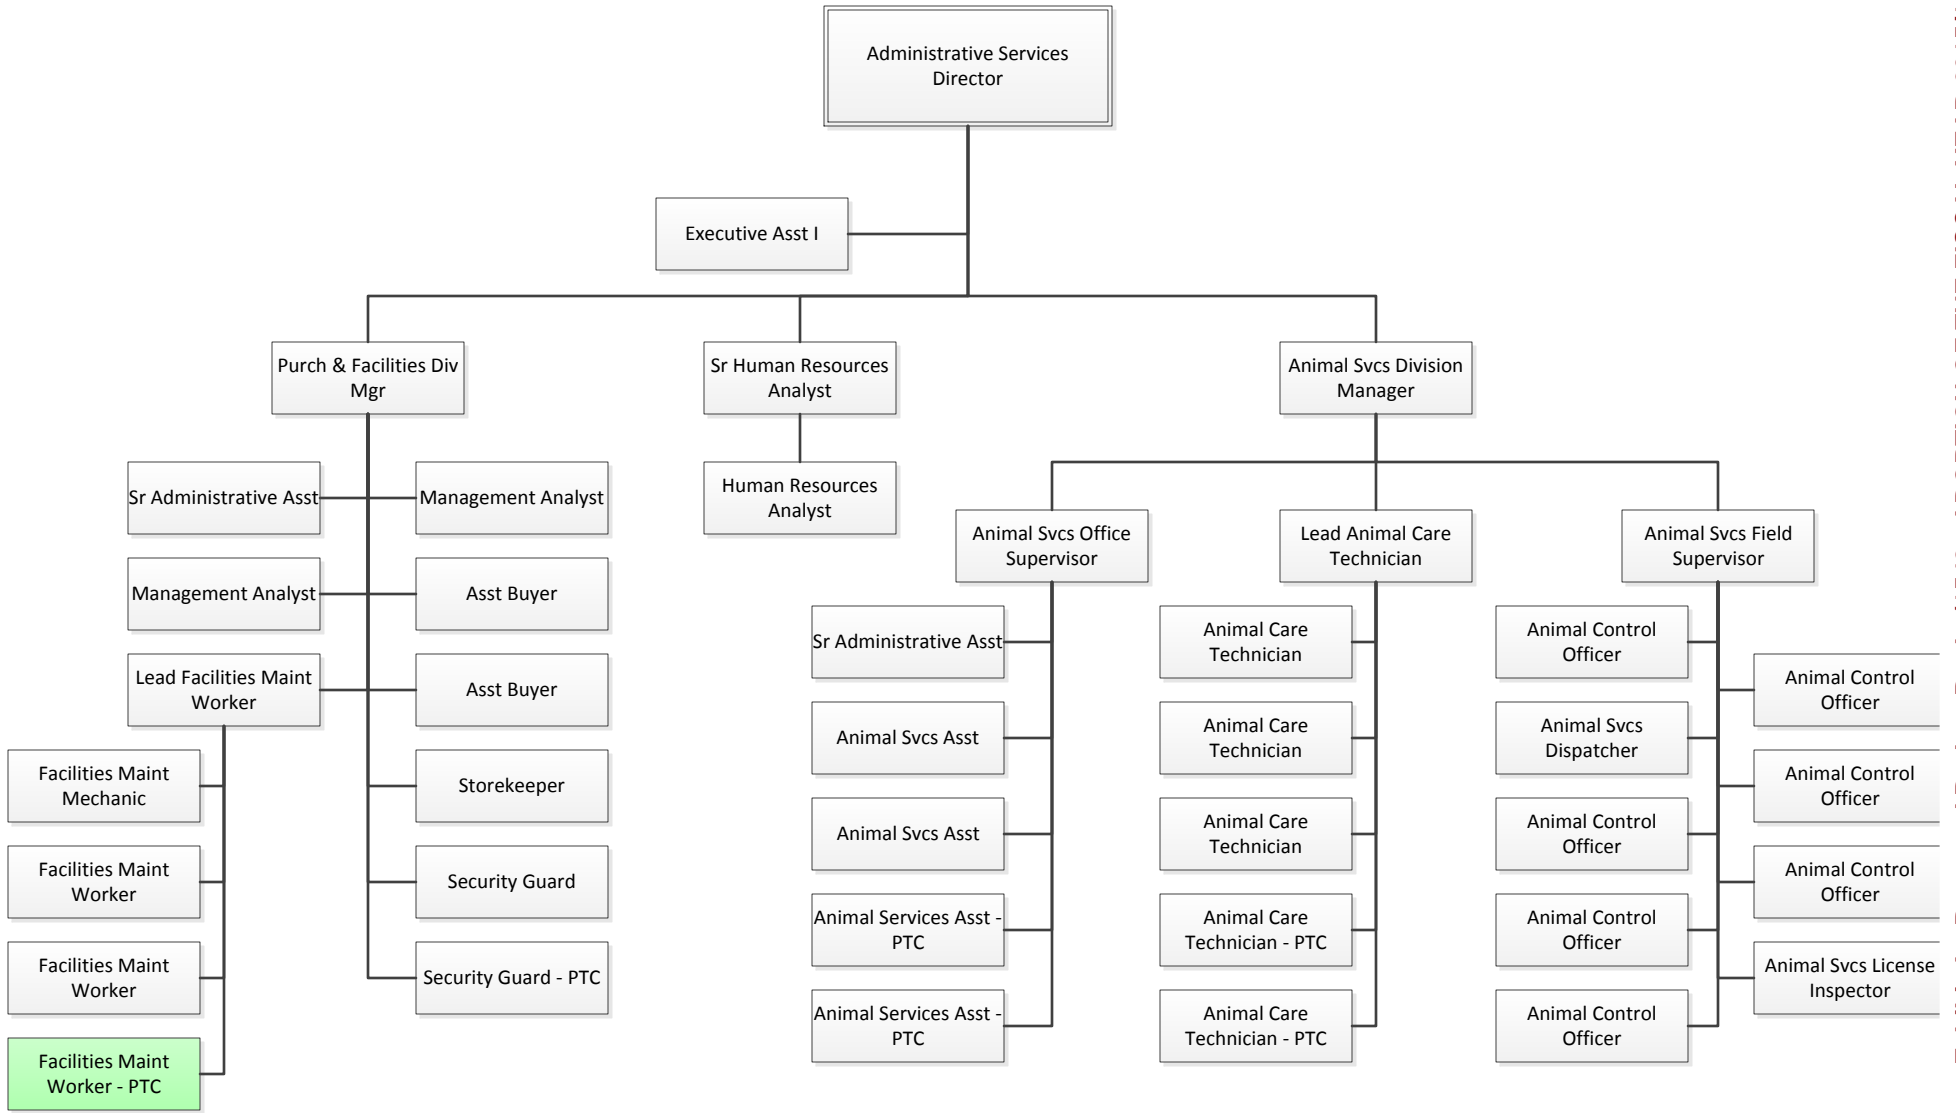

- Processed over 3,800 pet adoptions
- Returned over 1,200 pets to their owners
- Responded to over 14,800 calls for service with response provided by Animal Control Officers citywide
- Sheltered and cared for over 9,000 stray and owned animals at the Moreno Valley Animal Shelter
- Continue to provide e-service features on the city's web page allowing citizens to purchase a new dog license or renew their current dog license on-line at their convenience as well as request the services of an animal control officer for non-emergency calls
- Conducted 4 low cost rabies vaccination clinics during FY 2014-15 resulting in the vaccination of over 250 dogs

## Library

- Successfully transitioned IT Services from City to LSSI
- Installed all new computers, printers and other peripherals in the computer lab.
- Provided over 53,000 computer sessions
- Added 6,000 new materials to the library collection
- Conducted over 270 public programs attended by over 6,300 patrons
- Made outreach presentations to 91 community groups and organizations
- Circulated over 225,000 items
- Served over 250,000 visitors
- Trained over 330 volunteers who provided over 4,200 volunteer hours

## PARKS AND COMMUNITY SERVICES DEPARTMENT

### Description

Plan, design, and oversee development of new park sites and facilities; maintain parks, trails and facilities in a safe and aesthetically pleasing manner; maintain and oversee development of the multi-use trail system; provide a wide range of programs for the community including athletic leagues, classes, field trips, child care, teen and senior activities; schedule use of facilities; plan, organize and promote special events; and enforce park rules and regulations and promote safe use of park facilities.

### Mission Statement

The mission of the Parks and Community Services Department is to enhance the quality of life in Moreno Valley by providing safe and welcoming parks, trails and open spaces, and by offering enriching recreational opportunities through quality facilities, programs, services and activities for our residents.

### Goals

#### Administration and Projects

- Complete construction of Lasselle Sports Park.
- Research developing a policy for field advertising to increase revenue.
- Install an automated lighting system on March Field Softball field.
- Complete ADA improvements at Gateway Park restroom and March Annex.
- Seek funding opportunities for additional funding to increase the number of students served by the ASES grant.
- Install new roof on the west side of Cottonwood Golf Center.
- Make ADA improvements to ramp at the back of Shadow Mountain Park.
- Install phase II improvements at Cottonwood Recreation Center. These improvements will modify existing space into revenue producing area.
- Install new play apparatus at Shadow Mountain Park and Hidden Springs Park.
- Install new netting at March Field Park Soccer Arena.
- Replace flooring at TownGate Community Center banquet room.
- Replace Conference and Recreation Center gym lighting with a longer lasting and energy efficient product.
- Provide additional parking lot lighting at the Cottonwood Golf Center.
- In conjunction with Facilities Division, upgrade the HVAC unit at the Cottonwood Golf Center.
- Install ADA compliant drinking fountains at various parks.

#### Recreation (recreational classes, sports, Senior Community Center, after school programs, community events, golf course)

- Solicit sponsorships for the various programs and special events. Staff will be reassigned to enable more time dedicated specifically to soliciting sponsors.

- Research the possibility of opening a licensed preschool at the former ASES headquarters at March Field Park.
- Implement arena league soccer program and adult kickball league.
- Increase visibility of Cottonwood Golf Center's newest sport FootGolf to increase golf center revenue.
- Plan and implement a Summer Day Camp for teens ages 12-14 including age relevant activities and events.
- Design a new facility reservation form to better accommodate staff needs for special events, banquet rentals, and athletic field rentals.
- Redesign the outlook and content of senior monthly newsletter.
- Research painting murals at the Senior Community Center.
- Market and promote the banquet facilities.
- Create stronger relationships with senior-related businesses to help provide more opportunities and information for seniors.

### **Parks Maintenance (parks, trails)**

- Outsource shrub bed maintenance and mowing of Lasselle Sports Park after being constructed.
- Maintain the current standard of park and trail maintenance while providing higher efficiency at the 39 current sites (531.66 acres) and 10 miles of multi-use trails by reorganizing work zones to specific districts within the city, thus allowing more work efficiency due to less drive time between park sites.
- Utilizing local organizations, churches, and volunteers for painting projects at MVCP and weed abatement and clean-up of Equestrian Center and March Field Park.
- Continue labor force on Friday through Sunday night's for restroom clean-up and park lock down, thus allowing more patrols and enforcement of park facilities by Park Rangers.
- Expand contract with Workability Program for special needs by increasing work in additional areas of the Aqueduct Bikeways and City trails.
- Install new roof on restroom at Fairway Park.
- Install soccer goals at East El Potrero Park.
- Resurface John F. Kennedy Park and Woodland Park tennis courts.
- Repair fencing at Woodland and John F. Kennedy Parks tennis courts.
- Repair and install wind screens at John F. Kennedy and Woodland Parks tennis courts.
- Repair ball field fencing at John F. Kennedy Park and install windscreen over dugouts.
- Repair ball field fencing and shade structures at Woodland Park.
- Provide maintenance of water features at Celebration Park and Bethune Park for use by residents.
- Install Rhino Grip on the splash pad at Celebration Park.
- Plant shrubs at various parks.
- Aerify, top-dress and overseed the greens, and overseed the tee boxes and fairways at Cottonwood Golf Center.
- Repair south trails as needed.

## 14/15 Accomplishments

- Provided support and service to more than 25,000 youth sports participants from 15 different organizations, using more than 50 different school and park facilities. The youth in these organizations participated in more than 16,000 scheduled days of athletic activities, including practices, games, tournaments, and open play events.
- Provided City sports which include: Pee Wee T-ball, Soccer, flag football, basketball and basketball clinics, adult softball and adult soccer serving approximately 4,000 participants.
- Provided a wide range of recreational services to residents of all ages. This included more than 185 recreational program opportunities serving 25,000 participants. The recreational services varied from “Time for Tots”, to special contract classes, Senior Community Center activities, and more. Significant programs and events include the Fourth of July Celebration, Summer Concerts and Movies in the Park, YouthFest, Class Recitals, Ride MoVal, Artober Fest, Breakfast with Santa, Recreation Expo, Bunny Brunch, Writer’s Launch Pad, Easter Egg Hunt, Valley Kids Camp, Snow Day, and Time for Tots Graduation.
- Adjusted the Conference and Recreation Grand Valley Ballroom fee schedule to encourage increased rentals, thereby increasing annual revenue.
- Provided no and low cost extended learning after school programs at 43 school sites for over 5,000 students with ASES and Community Development grant funds.
- Increased the current maintenance contract (aqueduct bikeways) with the Workability Program.
- Facilitated the use of the Conference and Recreation Center (603 rentals), the Senior Community Center (245 rentals), the TownGate Community Center (217 rentals), and Cottonwood Golf Center (116 rentals) to residents and non-residents through our rental program.
- Maintained 555.46 acres of parkland and 10 miles of trails.
- Installed automated lighting system to TownGate Park II and Community Center to increase efficiency and lower utility costs.
- Provided nutritional programs to approximately 13,500 seniors that utilize the Senior Community Center.
- Promoted the Adopt-a-Trail, Adopt-a-Park, and Park Ranger Reserve Programs through the SOARING Recreation Guide, city website and flyers.
- Added the ability to issue administrative citations to the Park Ranger Program.
- Replaced restroom exterior doors at Parks as needed.
- Replaced non-compliant apparatus a Sunnymead, Ridgecrest, Gateway and Woodland Parks.
- Completed the construction of the 13-acre Lasselle Sports Park with three lighted football fields, concession area, two tot lots, picnic shelters, and parking.
- Installed new monument signs at the Hound Town Dog Park and Cottonwood Golf Center.
- Installed ADA compliant hand railing at Shadow Mountain Park.
- Installed security fencing around Celebration Park splash pad and play apparatus.

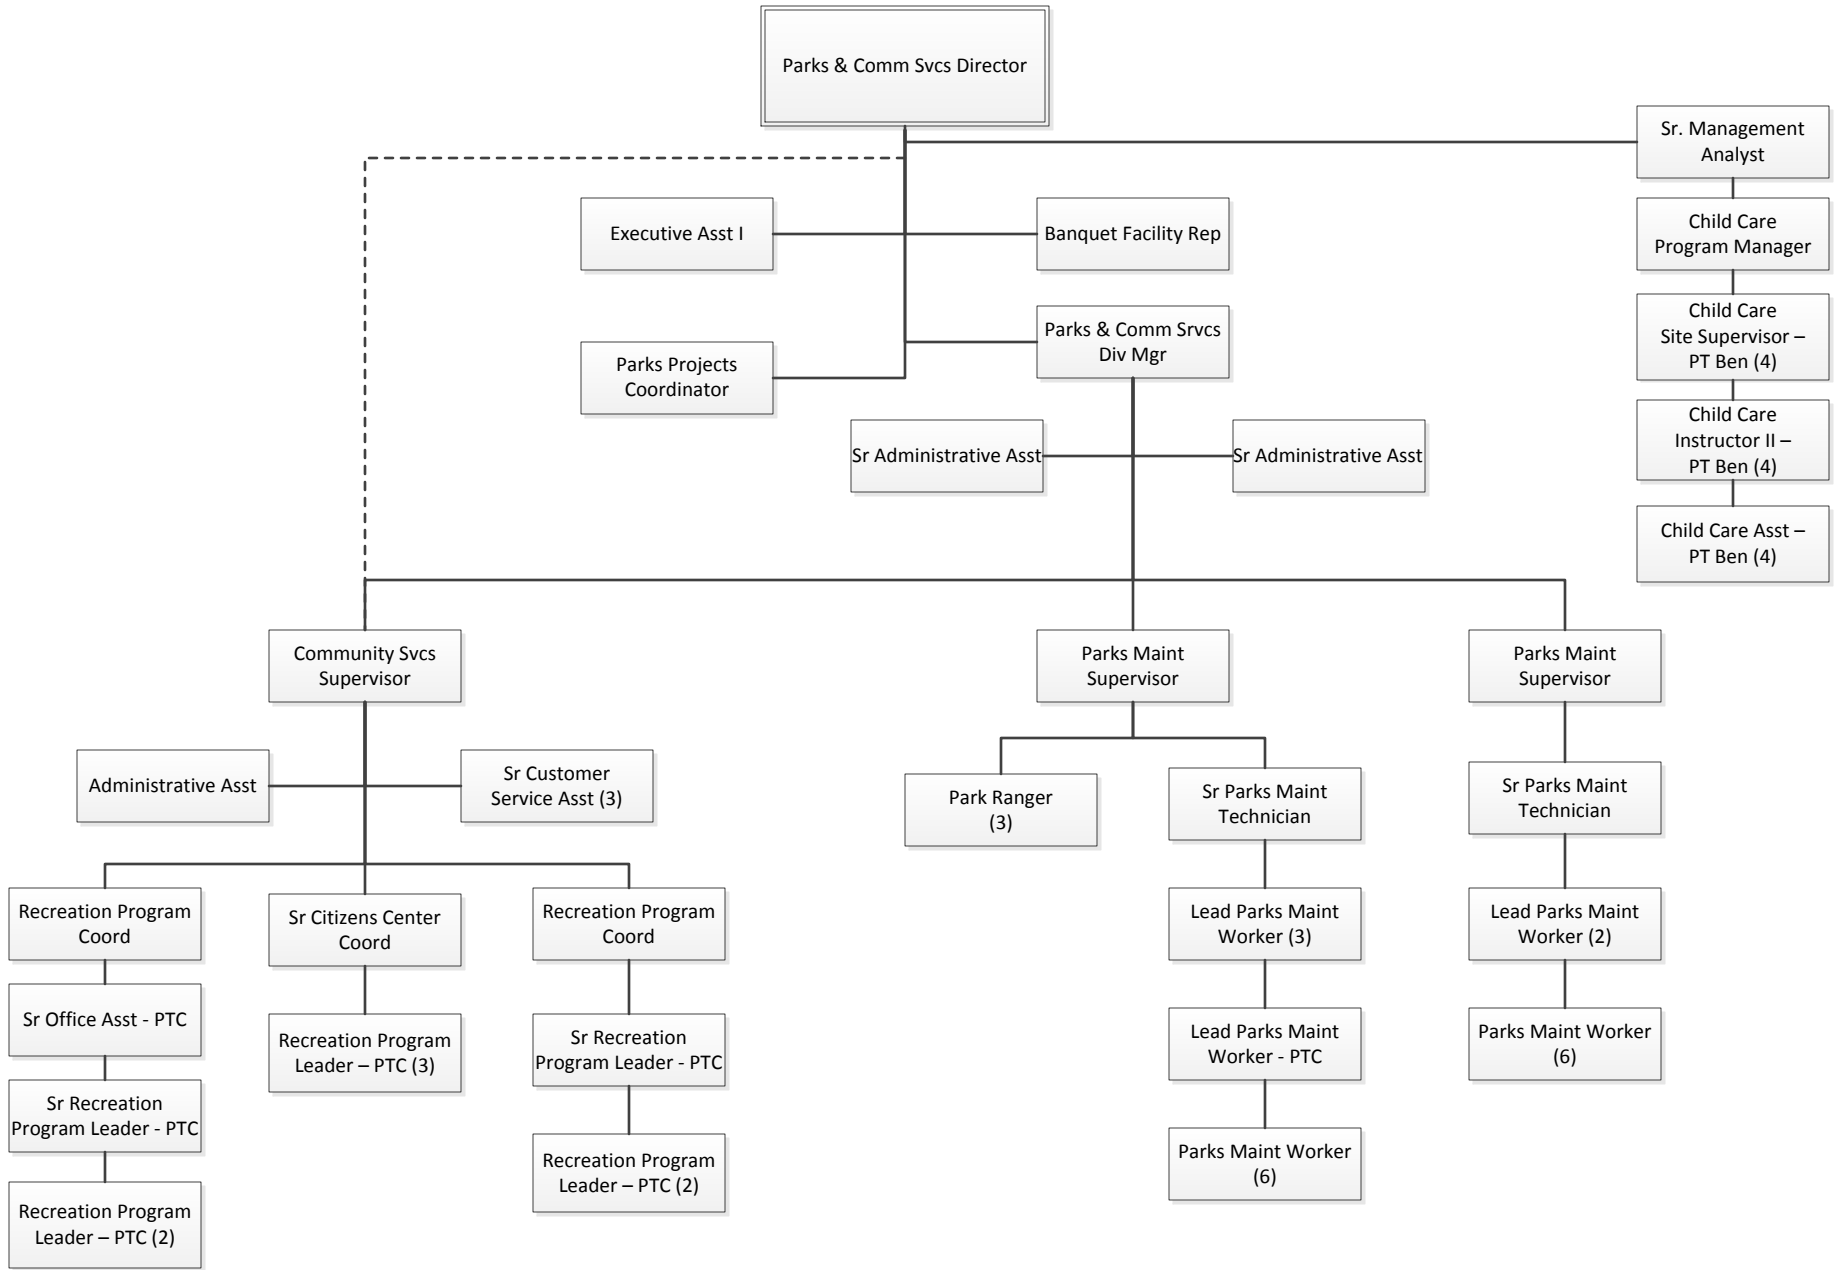

- Completed first phase of improvements to Cottonwood Golf Center banquet room.
- Installed new roof at west side of Cottonwood Golf Center.
- Installed new netting at March Field Park Soccer Arena and Lasselle Sports Park.
- Installed ADA compliant concrete at Cottonwood Golf Center, Woodland Park, and El Potrero Park.
- Added automated lighting controls to March Field Park ball field #1
- Installed shade structures at Hound Town Dog Park.
- Installed artificial turf at Vista Lomas Park and Celebration Park playgrounds.
- Installed nine holes for FootGolf at the Cottonwood Golf Center and cut in the greens.
- Installed new fencing to secure the Cottonwood Golf Center.
- Installed new barbecues in various parks.
- Installed new entry gate at Celebration Park.
- Held grand opening of Lasselle Sports Park and the first kick of FootGolf at the Cottonwood Golf Center.
- Installed 255 recycle trash containers at various parks.
- Planted new trees and shrubs at various park sites.
- Painted fire land curbs in parking lots of parks.
- Installed new waste containers in restroom stalls at Community Park, Morrison Park, and Sunnymead Park.
- Installed new shade covers over dugouts at Bethune, Sunnymead, and TownGate Parks.
- Installed new trees and plants at Cottonwood Staging area, Sunnymead Park, and TownGate Park.
- Installed new ADA compliant drinking fountains at Sunnymead Park.
- Removed and installed new barbecues at Adrienne Mitchell and TownGate Parks.
- Repaired and added DG to multi-use trails.
- Repaired, slurry sealed, and restriped parking lots at Bethune, El Potrero, Gateway, John F. Kennedy, Morrison, Pedrorena, and Ridgecrest Parks.
- Trimmed trees at Zone A park sites and contract areas.
- Removed old and installed new hand dryers at various park sites.
- Designed a new handicapped accessible Haunted House containing 6 rooms, hallways, emergency exits and lighting, and sound system for over 1,000 visitors.
- Provided free lunch and snacks through state funding for all Valley Kids Camp Participants.
- Hosted the grand opening of Lasselle Sports Park with over 2,500 in attendance.
- Hosted the FootGolf Opening Day to introduce residents to the newest sport the City has to offer with 400 in attendance.
- Processed 10 Special Event Permits.
- Drafted and finalized a new policy allowing regulated vending in City parks.
- Added a Junior Plus league (7-9 year olds) to the Flag Football Program with more than 40 participants.
- Recruited nine new contracted class instructors and 20 recreation classes.

- Redesigned the tri-annual Soaring Activity Guide categorizing classes by type and age.
- Planned and Implemented weekly program (Sunshine Social Club) for developmentally challenged adults including games, crafts, themed events and excursions for 30 participants per week.
- Recruited soccer players and handled the planning for the creation of Team MoVal for the Mayor's Cup Soccer Challenge.
- Received the California Park and Recreation Society Excellence in Facility Design Award for Lasselle Sports Park.
- Attended two Bridal Expos to market the City's four banquet facilities.
- Redesigned the Senior Community Center monthly newsletter.

## POLICE DEPARTMENT

### Description

The Moreno Valley Police Department (MVPD) is a full-service law enforcement agency serving the citizens of Moreno Valley. The MVPD is comprised of four operating divisions responsible for managing city resources and accomplishing the mission of the MVPD.

The MVPD is comprised of the Administration division, responsible for daily operations and oversight; Patrol division, Detective division and the Special Enforcement Teams division.

### Mission Statement

The Moreno Valley Police Department (MVPD) mission is to meet the mandates prescribed by law, and provide progressive, innovative and efficient public safety, while working in partnership with the community and allied agencies.

### Goals

#### Administration

- Continue to upgrade the MVPD information management systems
- Complete the ballistic glass project to include all lobby access doors
- Replace our Automated License Plate Reader Equipment
- Continue to expand and upgrade our citywide camera system
- Train all supervisory staff in the Incident Command System (ICS) and purchase any necessary equipment to support the ICS model
- Provide additional customer service and Public Records Act Training for clerical staff
- Ensure all personnel are meeting mandatory training guidelines

#### Community Services Team

- Increase the number of volunteers by 20%
- Improve vehicle for providing information to management
- Increase the number of volunteer hours in the camera room by 33%
- Perform “Coffee with a Cop” meeting once per quarter in each zone
- Perform Quarterly Community Zone Meetings once per quarter, in zone
- Continue working with “Cops and Clergy” to help in their fundraising
- Reinstate the Old Mobile Command Post (Trailer) as a back-up to MCP (Motorhome)
- Increase the number of Neighborhood Watch Programs by 20%
- Increase awareness of current programs

## Patrol

- Continue quarterly Zone meetings for input from community members
- Create and implement quality of life programs including retail business, foot patrols and community relations programs
- Reduce violent crime by 4%
- Continue to reduce response time by additional 3% or greater

## Investigation

### Detective Unit

- Conduct monthly briefings for all Patrol Division staff on topics including fraud, internet crimes, child abuse, gang crimes and crime prevention.
- Field Training Officers and trainees will receive one-on-one training with experienced investigators to learn the proper investigative techniques, as an ongoing mentoring program with the Field Training Officers.
- Field Training Officers and trainees will receive group training with station evidence technicians to learn proper evidence packaging and storage techniques.

### School Resource Unit

- Increase the number of presentations given throughout the school year
- Participate in the “Meet an Officer” program at the elementary levels
- Participate in the “Safe Routes to School” program.
- Implement a mentoring program for high school students
- Continue the “Every 15 Minutes” program at one high school each year.

### Youth Accountability Team

- Increase the number of juveniles in the mentoring program by 10%.
- Continue to implement the YAT mock trail training.
- Continue with the weekly educational programs.
- Increase the number of school visits by 20%.

## Special Enforcement Teams

### Burglary/Robbery Suppression

- Conduct a Christmas holiday program to educate business owners on tactics to deter thefts and assist in property recovery and prosecution.
- Continue to work with POP and Community Services to develop communication with apartment managers, foster exchange of information, uncover crime patterns, and educate managers.
- Conduct 8 operations to target theft in areas of increasing crime levels
- Work with pawn shop owners to identify subjects selling stolen items.
- Conduct 10 training presentations to patrol deputies and the public on burglary and robbery prevention/investigations.

## Housing Fraud

- Work closely with the Riverside County Housing Authority and the District Attorney's Office to successfully investigate and prosecute the offenders.
- Work with law enforcement personnel, HUD Investigators and the public to identify 75 residences where criminals and/or nuisance subjects reside.
- Report to HUD Investigators 25 residences that are violating the terms of their housing assistance and committing housing fraud

## Narcotics

- Conduct 2 quarterly sweeps on subjects who are on narcotics-related probation or parole.
- Author and serve 24 narcotics-related search warrants on residences where illegal drugs are being manufactured and/or sold.
- Conduct quarterly presentations on identifying narcotics to law enforcement personnel and the public.
- Provide assistance to other station teams and outside agencies on narcotic investigations.
- Investigate or assist, as needed, on all narcotic-related complaints reported to the city.

## Gang/CCAT

- Conduct 8 sweeps on gang members who are on probation or parole.
- Conduct 10 high impact patrol operations in areas of the city where gang members are congregating.
- Coordinate gang investigations with other station teams and outside agencies.
- Conduct 8 gang education presentations to law enforcement personnel and the public. Coordinate with Community Services to provide a public information presentation for "Coffee with a Cop" and zone meetings.
- Investigate or assist in all gang-related violent crime that occurs in the city.
- Assist the Central Homicide Unit on all homicides in the city as requested. Provide information on active gang members and active gang rivalries.

## Regional Gang Task Force (MVRGTF)

- Conduct 5 probation sweeps on gang members within the City
- Participate in 4 high visibility/enforcement patrol operations using resources from outlying GTF regions and the MVPD SET teams.
- Conduct 75 juvenile gang interventions of at-risk youth within the City
- Actively investigate or assist in gang-related crimes occurring in the City
- Conduct 6 community gang presentations to further educate the community on gang related problems within the City of Moreno Valley.

## Problem Oriented Policing Team

- Work with city officials to fully implement all aspects of the Crime Free Multi Housing ordinances.

- Conduct 2 quarterly ABC Shoulder Tap operations throughout the city to help prevent underage consumption of alcoholic beverages.
- Conduct 2 quarterly bicycle patrol operations throughout the city business corridors (Sunnymead Blvd. and Alessandro Blvd.) and parks to target graffiti, drugs and gang activity.
- Conduct 12 prostitution operations and combat prostitution by monitoring social media websites to identify prostitutes operating in the city.
- Conduct 12 off-road vehicle enforcement (ORV) operations in the city.
- Conduct 6 massage parlor operations to deter illegal activities occurring in licensed businesses within the City.
- Work with city officials and non-profit organizations to provide food and shelter for the city's homeless population.

### **Traffic**

- Conduct 20 DUI/Driver's License Checkpoints.
- Conduct 30 DUI Saturation Patrols.
- Conduct 4 DUI Warrant Service Operations.
- Conduct 50 Distracted Driver Operations.
- Conduct 50 Primary Collision Factor Operations.
- Conduct 12 Motorcycle Safety Operations.
- Conduct 4 Stakeout Operations for habitual DUI drivers.
- Conduct 2 Child Safety Seat Awareness Programs.
- Conduct 15 Pedestrian Safety Enforcement Programs.
- Conduct 4 Click-It or Ticket Operations.

## **14/15 Accomplishments**

### **Administration**

- The citywide camera system was fully implemented in September of 2013. Since the citywide camera system's inception, Moreno Valley Police Department personnel have invested over 4600 hours working the monitor room, which has resulted in over 850 in-depth investigations. The citywide camera system saved a countless number of man-hours investigating incidents. By utilizing the citywide camera system, Moreno Valley Police Department Personnel have solved incidents that would have otherwise have led to unsolved investigations. The use of the citywide camera system has aided in efficiently solving crimes such as murders, assaults with a deadly weapon, armed robbery, to crimes such as petty theft and minor traffic collisions. Due to the immense success of the Citywide Camera System program, the Moreno Valley Police Department, in cooperation with the City of Moreno Valley, has been assessing the benefit of expanding the system to additional city parks & intersections.

## Business Office

- The Business Office processed and entered into the Records Management System approximately 33,628 reports and met all deadlines for the State Uniform Crime report.
- E-Crash online retrieval of collision reports implemented
- Supervising Office Assistant I attended the Post Records Supervisor training course
- The Business Office also:
  - Entered 9,643 citations into the Crossroads system
  - Processed 1,999 vehicle releases
  - Processed 3,484 arrest reports for filing with the District Attorney
  - Assisted approximately 28,429 customers at the front counter of the Moreno Valley Police Department

## Community Services Team

- The Community Services unit coordinated and maintained 100 active Neighborhood Watch programs.
- The Community Services unit coordinated and Maintained Volunteer Programs such as:
  - Citizens Patrol Program
  - Anti-Graffiti Program
  - Explorer Program
  - Station Volunteer Program
  - Mounted Posse Team
  - Riverside County Regional Medical Center (RCRNC) Health and Safety Fairs
  - March Air Reserve Base
  - 4th of July Parade/Festival
  - Martin Luther King High School Veterans Celebration
  - Friday Night Lights
  - Operation Safe Parks
  - Holiday Patrol
  - National Night Out
  - Riverside Sheriff's Annual Picnic
  - Riverside Sheriff's Awards Dinner
  - Law Enforcement Appreciation Ceremony
  - Blue Light Ceremony
  - DUI/Safety Checkpoints
  - Parking Citation Program
  - Critical Incident Call-Outs
  - Stranger Danger
  - DEA National Take Back/Drug Turn-in Program
  - The volunteer forces responded to 43 call-outs
- The Community Service unit volunteers logged 17,080 Volunteer hours during service in multiple programs including the following:
  - 164 AGP (Anti-Graffiti) Programs
  - 250 CP (Citizens Patrol) Programs

- 30 Station Volunteers contributed 8,679 hours
- 9 Reserve Volunteer Deputies contributed 1,986 hours
- 28 Explorer Volunteers contributed 2,400 hours
- 11 Mounted Posse Volunteers contributed 3,445 hours
- The Volunteer forces programs total estimated savings to the City of Moreno Valley was approximately \$2,306,572.00.
- The above information was provided from data used in a calendar year.
- The Community Services unit maintained the Mobile Command Center (MCC), and updated the MCC computer systems to ensure it was fully capable of supporting critical incidents and special events.
- The Community Services unit worked with the Riverside Transit Agency (RTA) in the “Stuff the Bus” program and raised \$7,000.00 for Riverside County Safe House.
- This year the City of Moreno Valley sent 7 of our police Explorers from Post #882 to the 16th Annual Explorer Academy.
- The Community Services Unit conducted its 2nd Annual Moreno Valley Public Safety Fair. The program was a huge success. Several city Public Safety Units were in attendance. The unit is anxiously planning next year’s event.
- The inception of “Coffee with a Cop” where community members have the opportunity to meet their officers in an informal setting.
- As a result of our expanded Community Oriented Policing program, the Chief of Police scheduled zone meetings throughout the year to allow residents to opportunity to address concerns related to public safety.
- Worked cooperatively with “Cops and Clergy” to help assist community members with hardships

## Patrol

- Conducted Zone Meetings for all four city zones in 2014
- Conducted numerous “Coffee with a Cop” promotions at various city eateries to promote community interaction between the police department and Moreno Valley citizens
- Filled all vacant patrol officer positions for Patrol Division, increasing officer presence in the City
- Residential Burglaries fell 10.4% during 2014
- Response times to emergency calls for service reduced 3%

## Investigation

### Detective Unit

- During the last fiscal year, our detectives were assigned over 1800 cases that required follow-up investigation. On average, 150 new cases are assigned to the detective bureau each month and were split between twelve detectives.
- The detective bureau provided training in briefings for a variety of investigations and prepared materials for patrol officers that have every day investigations. This led more thorough initial investigations on the part of our patrol officers.

- The Detective division was responsible for registering over 436 sex registrants (290 P.C.) and 19 arson registrants. In the last year, our detectives processed over 1030 registrations and conducted over 730 compliance checks.
- The following is a sampling of notable Criminal Investigations by the Detective Division:
  - The Detective Bureau was called to assist with an ongoing sexual abuse of a minor by the biological father. Through various investigative techniques, a recording of the suspect was obtained admitting to the victim that what he did was wrong. The suspect was detained and the skilled investigators were able to get the suspect to confess to all of the charges. In the face of all the evidence against him, the suspect chose to plead guilty and received a fifty year prison sentence.
  - The Detective Bureau responded to an in-progress shooting that resulted in the death of three family members and an officer involved shooting. The detectives maintained three crime scenes over a thirteen hour period and worked in sync with the Sheriff Department's Central Homicide Unit. The investigation lasted for three days and culminated in a successful conclusion.
  - The Detective Bureau was summoned to assist with an embezzlement of funds by an employee at the Riverside County Regional Medical Center. The embezzlement was for over \$45,000.00 through the use of gift cards that were purchased from a doctor's fund. Several search warrants were served for records at the gift card companies and locations where the gift cards were used. The suspect currently has an outstanding felony warrant.
  - The Detective Bureau was asked to assist with a parental abduction where the parents took a child from Moreno Valley and drove to Las Vegas, Nevada. Through the use of social media, the primary detective was able to locate and identify parties that were involved with assisting in the abduction. After several days of coordinating with authorities in Las Vegas, the child was located safely and was taken into protective custody. Both parents were arrested and are currently awaiting extradition to face charges.

### **School Resource Unit**

- The School Resource unit provided police service to 14 High School/Middle Schools in the city and responded to 5,509 calls for service.
- They conducted six daytime curfew sweeps and issued 160 citations for curfew violations.
- The unit provided police service during school events including football games, basketball games, school dances and graduations.
- The SRO unit worked cooperatively with the Gang Intervention For Teens (GIFT) program, and initiated 85 juvenile gang interventions and visited 80 residences.

## Youth Accountability Team (YAT)

- YAT received over 170 referrals from the Probation Department, school districts, school resource officers and parents. 147 of the 170 juveniles referred to YAT successfully completed the YAT program.
- YAT formed partnerships with the City of Moreno Valley, Adopt a Trail, Moreno Valley Unified School District, Family Services Association, Riverside County District Attorney's Office and the Moreno Valley Youth Opportunity Center to involve participants in community service projects and provide them alternative education options.
- YAT conducted a one week Student Success Academy (SSA) which taught students life skills including leadership, teamwork and conflict resolution.
- YAT conducted a weekly educational program, covering topics such as domestic violence awareness, anger management and substance abuse.
- YAT participants attended tours of California State University San Bernardino, Job Corp, Riverside Community College, Mount San Jacinto College, Twin Pines Detention Center, Riverside Juvenile Hall, and the Southwest Detention Center.

## Special Enforcement Teams

### Burglary/Robbery Suppression

- From January 1, 2014 through December 31, 2014, the BST/RST units made 319 felony arrests and 49 misdemeanor arrests. The teams served 74 search warrants, closed 327 cases, and recovered about \$517,741 worth of stolen property.
- The following is a sampling of BST/RST notable criminal investigations:
  - In August 2014, BST/RST conducted an investigation into a retail store robbery with a gun. Several search warrants were written and the suspect was linked to three additional retail store robberies in the City of Riverside.
  - In October 2014, BST/RST conducted an investigation into a home invasion robbery where the victim was held at gunpoint in her bedroom during the crime. The investigation involved two search warrants, a GPS phone locator court order, a probation sweep, and the use of the citywide camera system to identify the suspect. The suspect was identified as a violent gang member and arrested. Several stolen items were returned to the victims.
  - In October 2014, a suspect using a handgun robbed a restaurant of a large amount of U.S. currency. The suspect drove away in a white Ford Crown Victoria. The citywide cameras were utilized to track the vehicle toward the City of Riverside. The suspect matched the description of a suspect who robbed two businesses in the City of Riverside. A joint investigation was conducted which cumulated in the arrest of the suspect and the service of a search warrant at the suspect's home. Numerous items of evidence were located linking the suspect to the robberies.
  - On November 20, 2014, the team conducted an undercover operation in a parking lot of a retail business regarding robberies of cell phones. The suspect met the victims in a public place and the suspect displayed a

firearm demanding the phone. BST/RST observed the suspect enter the parking lot and arrested him. A firearm was recovered and the suspect was linked to eleven cell phone robberies occurring in the Cities of Moreno Valley and Riverside.

- In January 2015, RST conducted an investigation into a bomb threat at the Amazon Distribution Center. The disruption from the bomb threat cost Amazon approximately one million dollars in lost revenue. RST/BST wrote a search warrant for the phone used in the threat and was able to identify the suspect as an employee who had been previously terminated. The suspect was identified and arrested.

## Housing Fraud

- From January 1, 2014 through December 31, 2014, the Housing Fraud Team made 38 felony arrests and rescued 9 children who were turned over to Child Protective Services. The team served 25 search warrants and ceased the fraudulent theft of over \$344,963 worth of taxpayers' money.
- The following is a sampling of the Housing Fraud Team's notable criminal investigations:
  - In July 2014, there was a drive by shooting involving gang members. The suspect was identified fraudulently living at a house receiving housing aid. A search warrant was served at the residence, which led to the discovery of twenty three large marijuana plants, a loaded firearm, and other evidence from the shooting. The suspects were arrested and Riverside County discontinued housing aid to the suspects.
  - In August 2014, the Housing Fraud Team conducted an investigation into a sex registrant selling marijuana, and living as an unauthorized tenant in a home receiving housing aid. A search warrant was served at the location and evidence of marijuana was located. The suspect had previously failed to disclose his location to law enforcement as dictated by law. The suspect was arrested and charged with several crimes. A second suspect was arrested for defrauding the government. Riverside County discontinued housing aid to the suspects.
  - In October 2014, the Housing Fraud Team conducted an investigation into a career criminal selling marijuana from a residence receiving housing aid from Riverside County. A search warrant was served at the residence, and a large amount of marijuana and a loaded firearm was located. Two suspects were arrested and charged with several crimes including defrauding the government. In addition to the criminal charges, Riverside County discontinued housing aid to the suspects.

## Narcotics

- Arrests in 2014:
  - 176 Felony arrests
  - 32 misdemeanor arrests
- Narcotic Seizures:
  - 81 pounds of methamphetamine. Estimated street value per pound \$324,000.

- 11 kilograms of cocaine. Estimated street value \$297,000.
- 3.7 kilograms of Heroin. Estimated street value \$37,000.
- 59 pounds of processed marijuana. Estimated street value \$141,600.
- 2700 marijuana plants.
- Miscellaneous
  - 26 search Warrants authored and served
  - 14 public presentations
  - 10 children taken into protective custody
  - 50 firearms seized
  - 21 stolen vehicles recovered
- Narcotics team significant cases for 2014:
  - In January, 2014, MVPD SET narcotics developed information regarding a mid-level narcotics dealer operating in the City of Moreno Valley. Officers conducted an undercover buy with the primary suspect and identified a load vehicle bringing narcotics into the U.S. from Mexico. Officers stopped the load vehicle in Moreno Valley seizing six pounds of methamphetamine, seven pounds of cocaine, and three pounds of heroin.
  - In 2014, MVPD SET officers handled three honey oil lab investigations. Two of the investigations stemmed from explosions occurring at residences. SET officers authored several search warrants and seized seventy-five pounds of marijuana, five marijuana plants, sixty-four grams of honey oil, nine grams of hashish, two shotguns, two handguns, and manufacturing glassware. Four suspects were charged with manufacturing concentrated cannabis.
  - In 2014, SET Narcotics officers conducted an undercover weapons operation resulting in a seizure of 10 weapons during a vehicle stop.

### **Gang/CCAT**

- The SET Gang/CCAT unit made 618 felony and 69 misdemeanor arrests in 2014. The unit officers wrote and served 64 search warrants primarily related to crimes committed by active local gang members. During the investigation the unit seized:
  - 2224 grams of methamphetamine
  - 13.4 grams of cocaine
  - 1821 grams of marijuana
  - 81 ecstasy pills
  - 689 grams of heroin
  - 49 firearms
  - 14 children rescued
- The SET Gang unit conducted 118 parole/probation compliance checks and served 148 felony arrest warrants.
- The SET Gang unit provided gang training for the Patrol division, the Crime Free Multi Housing Program, the Youths at Risk program, our local schools and at community meetings.
- The SET Gang unit completed 242 Gang Field Interviews

- The SET Gang unit documented investigations in support of 28 criminal street gang enhancements and gave expert testimony in the subsequent court proceedings.
- The following is a sampling of notable Gang/CCAT unit criminal investigations:
  - On December 10, 2014, Officers responded to a report of shots fired on Eucalyptus and Sunnymeadow in Moreno Valley. They immediately took control of the scene and shut down the area. The location was at the corner of an elementary school and gang officers had patrol personnel contact the school to insure there were no injuries. During this time, gang officers canvassed the area and obtained a description of a vehicle seen leaving the area. There were no other suspect or victim descriptions. Gang officers directed forensics in processing the scene and cleared the area. In the following weeks, gang officers made several arrests of gang members. Through interviews officers were able to obtain information on the shooting and determined it was a gang shooting between local rival gangs. Gang officers were able to identify, locate, and arrest the involved gang members.
  - On October 12, 2014, SET gang officers investigated an attempted murder in the area of Adrienne and Frederick, in the City of Moreno Valley. During the investigation officers were able to determine the victim was robbed along with his girlfriend as they sat in a parked vehicle. Officers determined three suspects robbed both victims at gunpoint and assaulted the victims during the commission of the crime. As the male victim attempted to fight the suspects, one of the suspects fired numerous shots toward the victim as the suspects fled the scene. Gang officers conducted numerous interviews and were able to identify a local gang member as the suspect who orchestrated the robbery, and was the suspect who shot at the victim during the incident. Officers authored two search warrants pertaining to this case. The suspect was arrested for attempted murder.
  - On June 18, 2014, patrol officers responded to a report of shots fired between vehicles in the area of John F. Kennedy and Perris Boulevard, in the City of Moreno Valley. Gang officers immediately responded and assumed control of the investigation. Officers discovered the incident involved a gun battle and there were multiple crime scenes. Gang officers responded to each scene to coordinate with personnel and ensure scene integrity. The gang officers were able to identify, locate and arrest the suspects involved in this incident and three firearms were recovered.

### **Regional Gang Task Force (MVRGTF)**

- MVRGTF arrested 192 suspects, including 68 gang members for felony charges.
- The MVRGTF:
  - Filed 2 gang enhancements
  - Served 43 search warrants
  - Identified 68 probation and 6 parole violations
  - Seized 6 firearms including 1 assault weapon
  - Conducted 11 gang presentations
  - Seized 569 grams of narcotics

- In conjunction with the MVPD school resource officers and other special team units, the MVRGTF continued to implement the Gang Intervention For Teens (GIFT) program. They conducted 27 juvenile gang interventions, visited 36 residences of at-risk youth and provided gang education to 41 parents during in-home visits.
- The MVRGTF provided gang training to the Patrol division throughout the year.
- The MVRGTF conducted 11 gang presentations to organizations within the community.
- The MVRGTF assisted our school resource officers during truancy sweeps.
  - MVRGTF investigated a robbery that occurred in the City of Moreno Valley involving suspected gang members. GTF officers investigated the crime and discovered gang members were responsible for the robbery. Three search warrants were authored and served to support a gang enhancement. Three gang members were arrested and charged with strong-arm robbery.

### **Problem Oriented Policing Team**

- The Problem Oriented Policing Team in our on-going effort to improve the quality of life for Moreno Valley residents, made 254 arrests, including 101 felony arrests and 153 misdemeanor arrests. The team also realized the following accomplishments:
  - 3 off road vehicle enforcement operations
  - 52 search warrants authored and served
  - 3 prostitution sting operations resulting in over 100 arrests
  - 3 Internet gambling businesses identified and closed
  - 15 squatter investigations
  - 261 administrative citations issued
  - 18 homeless operations conducted
- The POP team continued instituting the Crime Free Multi-Housing Program by conducting training for property owners and managers. The goal of the program is to improve apartment and rental living in Moreno Valley.
- MVPD POP team significant cases for 2014:
  - In 2014, POP officers identified three internet café businesses operating in the City of Moreno Valley involved in illegal internet gambling. Officers conducted undercover operations and authored search warrants for those establishments. Another male was arrested for selling counterfeit videos. These investigations resulted in four arrests and all businesses were closed.
  - In 2014, POP officers conducted several reverse prostitution sting operations at local hotels. These operations resulted in the arrest of over 100 persons for solicitation. POP officers targeted prostitutes operating in the city by conducting “outcall” VICE operations. During 2014, over 10 prostitutes were identified and arrested for solicitation.

### **Traffic**

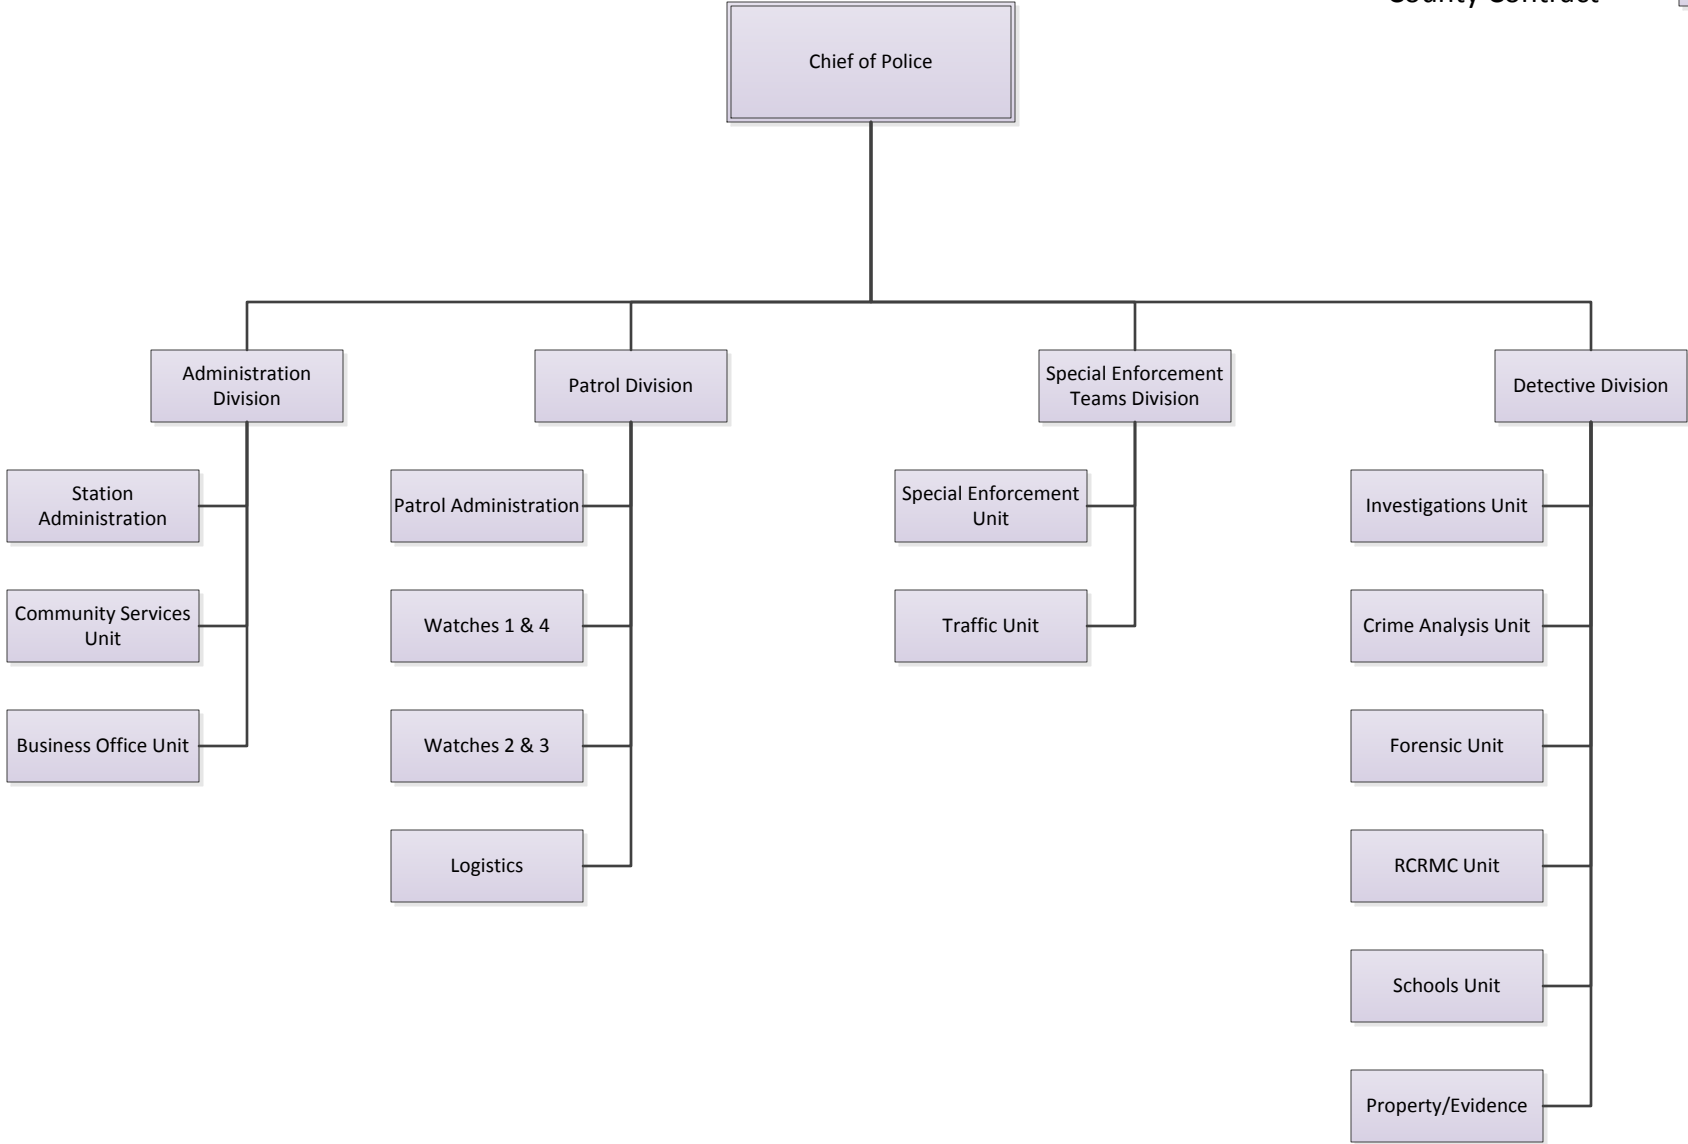

- 7 Officers were recognized by Mothers Against Drunk Driving (MADD) for their number of DUI arrests. Two officers were honored with Century Awards for

making more than 100 DUI arrests each, and one of our officers was recognized for making the highest number of DUI arrests (253) in Riverside County.

- The traffic team conducted the following programs and operations:
  - 12 DUI/Driver's License Checkpoints
  - 19 DUI Saturation Patrols
  - 36 Distracted Driving Enforcement operations
  - 35 Traffic Enforcement/Primary Collision Factor operations
  - 2 Motorcycle Safety Enforcement operations
  - 3 DUI Warrant Service operations
  - 4 Child Safety Seat Fit Station operations
  - 7 Pedestrian Safety Operations
  - 8 Traffic Safety Presentations
  - 2 DUI Stakeout Operations

## PUBLIC WORKS DEPARTMENT

### Description

The Public Works Department is the largest “non-public safety” full-service department in the City of Moreno Valley consisting of five divisions. The Public Works department is responsible for public works administration, city engineering, maintenance of public facilities located within the street right-of-way, design and construction of City-built capital improvements, administration of traffic facilities, special landscape and lighting districts, and related activities.

### Mission Statement

To manage and maximize Moreno Valley’s public infrastructure investment to enhance the quality of life today, while striving to develop and implement innovative solutions for tomorrow; and promote public trust and community pride.

### Goals

#### Administration

- Provide leadership and support to all divisions in pursuit of planning and implementing the City’s infrastructural needs.
- Involvement at, and outreach to, the community groups to announce and better explain current and upcoming public works projects and programs.
- Pursuit of federal, state and local grant funding for various projects and programs especially for much needed but deferred citywide storm drain and street pavement improvements and maintenance.
- Provide leadership and support to Capital Projects Division to update the City’s Transportation Uniform Mitigation Fee (TUMF) Network through collaborative efforts working with the Western Riverside Council of Governments (WRCOG).
- Continue to set values, to lead by example, and monitor the department’s quality customer service, customer care and same day response.
- Continue to provide leadership and support to all divisions in assessing operational and budgetary statuses throughout the department and implement changes to make the operation most efficient.

#### Capital Projects

- Complete the construction of Cactus Avenue between Heacock Street and Veterans Way
- Complete the construction of Perris Boulevard between Ironwood Avenue and Manzanita Avenue
- Complete the construction of Corporate Yard Administration Building
- Complete the construction of Nason Street between Cactus Avenue and Fir Avenue
- Complete the construction of Cycle 2 Pavement Resurfacing Project (Frederick Street between Alessandro Boulevard and Sunnymead Boulevard)

- Complete the construction of East Sunnymead Boulevard Storm Drain between Indian Street and SR60-Perris Boulevard off-ramp
- Complete the construction of Reche Vista Drive Realignment between Perris Blvd/Heacock St and the north city limits
- Complete the Preliminary Design of the Theodore Street Interchange
- Complete the Heacock Channel Design by assisting March Joint Powers Authority (MJPA) on this collaborative project
- Complete the design of the Moreno Townsite Flood Control Project and start construction
- Complete the environmental approval of the San Timoteo Flood Control Project
- Continue to collaboratively work with Western Riverside Council of Governments (WRCOG) and Riverside County Transportation Commission (RCTC) regarding Transportation Uniform Mitigation Fee (TUMF) and Measure A funded projects.

## Land Development

- Complete City-wide Storm Water Local Implementation Plan.
- Create Hydrology and Hydraulic manual for engineers to better understand what is required on the design of storm drain plans submitted to the City.
- Create and publish an instruction sheet and flowchart for the Public Improvement Agreement and security process.
- Create an internal policy for Precise Grading vs. Rough Grading requirements
- Update to the Master Area Drainage Plan and Area Drainage Plan to address any potential flooding issues.
- Update Division's database of improvement securities
- Mentor/train Engineering plan check staff to further develop their skills relative to WQMPs and Stormwater matters
- Be the lead MS4 negotiator regarding the Fishery Management and Aeration and Mixing Agreement as required in the 2010 NPDES Permit
- Manage existing NPDES MS4 mandates to ensure City compliance
- Analyze impacts to City departments, programs, and budget for the mandates in the upcoming new 2015 NPDES MS4 Permit
- Update the Local Implementation Plan for the city regarding management of the NPDES MS4 Permit based upon current MS4 Permit mandates
- Complete the Special Levy Report for the NPDES Regulatory Rate Schedules
- Ensure 2015 NPDES Annual Report is completed and filed on time
- Ensure City compliance with existing and anticipated NPDES Permit mandates

## Maintenance and Operations

- Implement full use of the Road Alert Divisional Operations Center Geographic Information Systems application for Emergency Storm response
- Relocate Maintenance & Operations staff to new City Yard Administration building following completion of the new building construction in 2016
- Expand the current Weekend Weed & Litter Abatement Program in conjunction with the Keep Moreno Valley Program
- Expand the current sidewalk grinding program to allow two crews to work simultaneously at different locations

- Complete an inventory of trees maintained by Maintenance & Operations
- Complete Phase II & III of the City-wide Vehicle & Equipment Replacement Program
- Installation of Global Position System/Automatic Vehicle Location Fleet Tracking System in City vehicles
- Improve the safety and efficiency of the Fleet Shop by improving the design, layout and improving overall organization
- Reduce Fleet Shop inventory levels and implement an inventory control system
- Continue AutoMotive Preventative Maintenance Program for all City vehicles and equipment
- Initiate In-House Car/Equipment Wash Services utilizing community service workers

### Special Districts

- Work with property owners within Community Facilities District No. 7, Improvement Area 1 to issue bonds.
- Evaluate options to acquire SCE street lights within Lighting Maintenance District 2014-01
- Work with property owners to determine how to bridge the funding shortfall within Zone 04 of Landscape Maintenance District 2014-02
- Launch a public outreach campaign with residents to determine interest in re-balloting for street lights.
- Work with the Land Development Division to determine the best financing mechanism for the NPDES program.

### Transportation

- Upgrade and connect a total of ninety traffic signals within the deployed Intelligent Transportation System (ITS)
- Achieve an annual 5% reduction in citywide injury collisions through continued high collision location monitoring and mitigation program
- Explore the feasibility of the City assuming operational responsibility for Caltrans owned traffic signals at freeway interchanges
- Upgrade twenty existing traffic signals with LED Safety Lighting
- Upgrade 10 existing traffic signals with Accessible Pedestrian Signals (APS)
- Collaborate with the Riverside Transit Agency (RTA) to develop and design Bus Rapid Transit (BRT) routes along Alessandro Boulevard and Perris Boulevard
- Complete a Pedestrian Master Plan
- Achieve \$1,000,000 in Transportation related grant funding
- Develop Traffic Calming Guidelines for use on residential collectors and /or minor arterials

## 14/15 Accomplishments

### Administration

- Designed and implemented the City Hall first floor space planning of cubicles for more efficient use of work area by staff
- Continued efforts with Finance Department to be fiscally responsible in managing the department's GF budget in 2014/15
- Provided leadership and support to the Maintenance & Operations Division regarding their organizational, staffing, vehicles and equipment needs at the City Corporate Yard
- Continued participation in Regional Committees including RCTC and chaired the WRCOG Public Works Committee
- Successfully led Capital Projects Division's efforts with WRCOG staff in including major infrastructure in 2014 TUMF Network Nexus Study, specifically the Theodore/SR-60 Interchange for funding
- Presided over the Traffic Safety and Utilities Commissions, along with Transportation Engineering and MVU Divisions
- Assisted the Economic Development team in attracting variety of new businesses to Moreno Valley through incentivized electric utility rates
- Continued working with the City Manager's Office to plan, fund, and fast-track various Capital Improvement Projects to support the City's Infrastructure needs
- Continued efforts in promoting quality customer service and Customer Care through Same Day Response philosophy
- Continued assessing department strategic planning on a weekly basis through task assignment, monitoring & reporting system (known as the Green Sheets) and promoted the same throughout the department divisions

### Capital Projects

- Alessandro Boulevard Median Improvements between Perris Boulevard and Indian Street
- Cycle 1 Citywide Pavement Resurfacing of Alessandro Blvd., Bay Ave., Dracaea Ave., and Cottonwood Ave
- Cycle 3 Pedestrian Access Ramp Enhancements
- Cycle 4 Pedestrian and Bicycle Enhancement Project
- Cycle 5 ADA Ramp Improvements at (29) Various Locations
- Alessandro Boulevard Pavement Modifications
- Delphinium Av Sidewalk Improvements
- Heacock Street South Extension (Study/Preliminary Design)
- Civic Center Site Improvements
- Started construction work on the Corporate Yard Administration Building
- Started construction work on Heacock Street between San Michele Road and Krameria Avenue
- Started construction work on the remodel/upgrade of Fire Station 48
- Security Fencing installed at Fire Station 48 and Fire Station 65
- Started construction work on Nason Street between Fir Avenue and Cactus Avenue

- Started construction work on Perris Boulevard between Manzanita Avenue and Ironwood Boulevard
- Started construction work on the East Sunnymead Boulevard Storm Drain Project between Indian Avenue and the SR60/Perris Boulevard Interchange Off Ramp.
- Started construction work on the Cactus Avenue East Bound 3rd Lane Project between Veterans Way and Heacock Street.
- Completed the FY 2014-15 Capital Improvement Plan Budget
- Completed the SR 60/Nason Overcrossing Bridge Landscaping Project
- Recognized at the Construction Management Associated of America – Southern California Chapter for excellence in delivery of the SR60/Nason Overcrossing Project
- Recognized at the American Public Works Association – Southern California Chapter for excellence in delivery of the SR60/Nason Overcrossing Project

## Land Development

- Issued 322 permits for grading, construction and special events.
- Provided oversight of the public improvements for the Harbor Freight expansion, Amazon and Proctor & Gamble projects
- Assisted County Flood Control District in preparing the final WQMP Guidance Document
- Assisted 1674 counter customers.
- Attended Planning Commission Meetings and participated in the Entitlement process
- Performed project plan checks and quality control of final plans for development projects throughout the city
- Implemented the DIF program on development projects
- Reviewed three-ring binders containing actual project costs for calculating DIF reimbursements
- Revised/Updated Existing and Created New Standard Conditions of Approval
- Reviewed TUMF Monthly Report and processed Direct Payments to WRCOG
- Provided Safety and Job-Related Training to Inspection Staff
- Assisted Finance in Reconciling In-Lieu Fee Deposit Account and Completed CIP Budget Sheets during Management Analyst position vacancy period
- Created the LD Division Mission Statement
- Add to the LDD's website, flow charts that will help developers and the general public understand the necessary steps for the WQMP review, Plan Check process and Final Map process.
- Assisted public Counter Customers
- Update City's Storm Water Pollution Prevention Materials.
- Created a Resolution and Administrative Policy for existing Sunnymead Blvd. sign encroachments
- Updated the Partial Security Reduction Policy
- Trained staff on how to prepare CSA 152 Invoices and update all parcels for addition to county tax assessor files
- Completed and monitor the City's NPDES Local Implementation Plan

- Assist Purchasing Division regarding NOV City received from SARWQB regarding non-payment for City parcels to WRCAC for TMDL (?)
- Complete the NPDES Regulatory Rate Schedules for addition to county tax assessor files
- Assist County FCD in preparing the final WQMP Guidance Document
- Continue to work on SWMP project to inventory private Treatment Control Best Management Practices—GIS/GPS database
- Coordinate any necessary annual continuing education units for biennial CFM certification
- Complete CRS Annual audit and report
- Complete NPDES Annual Report
- Attend all required NPDES TAC meetings, WRCOG NPDES Road Standards Committee meetings and TMDL meetings
- Evaluate and comment to Flood Control on the Watershed Action Plan and the Hydromodification Plan

## Maintenance & Operations

- Secured MSRC grant funding in the amount of \$105,000 for bicycle infrastructure improvements, construction of an electric vehicle charging station, and partial funding for the purchase/replacement of a street sweeper.
- Secured Carl Moyer grant funding in the amount of \$49,412 to assist in the purchase/replacement of (3) off-road vehicles.
- Completed City-wide sidewalk inventory for inclusion in the City Global Positioning System
- Completed City-wide guard rail inventory for inclusion in the City Global Positioning System
- Street Maintenance Program – July 2014 – April 2015
  - Repaired 3,074 potholes
  - Crack sealed 14 lineal miles of pavement
  - Sprayed herbicide on 498 acres of right-of-way
  - Supervised Riverside County Sheriff Work Release Program workers that spent 29,598 hours removing weeds & litter from 90 lineal miles of right-of-way
- Concrete Maintenance Program – July 2014 – April 2015
  - Reconstructed 936 square feet of damaged sidewalk
  - Mitigated tripping hazards at 2,029 sidewalk locations by grinding/ramping
- Illegal Dumping Program/Hazardous Materials Response Program – July 2014 – April 2015
  - Responded to 3 hazardous materials incidents
  - Removed illegally dumped debris from 22 locations
  - Responded to 99 Stand-by/Emergency Call-outs
- Tree Maintenance Program – July 2014 – April 2015
  - Trimmed 421 trees within the public right-of-way
  - Removed 259 trees within the public right-of-way
- Graffiti Abatement Program – July 2014 – April 2015
  - Removed graffiti from 12,793 public and private locations

- Street Sweeping Program – July 2014 – April 2015
  - Swept 14,418 curb miles of streets and medians
- Storm Drain Maintenance Program – July 2014 – April 2015
  - Inspected/Cleaned 1,305 catch basins
- Vehicle & Equipment Maintenance Program – July 2014 – April 2015
  - Performed 741 vehicle repairs
  - Performed 143 miscellaneous equipment repairs
  - Performed 192 preventative maintenance services
  - Responded to 55 road call requests
  - Placed into service a Compressed Natural Gas Sweeper, Patch Truck, Stand-by Vehicle, and 2-ton Utility Flatbed
- Special Projects
  - Concrete approach to access channel at 9746 Mira Montes Court
  - Driveway extension and conversion for handicap accessibility at the CRC
  - Provided traffic control and set-up at various special events including the 4th of July Parade, Family Fun Fest, and West Coast Thunder

## Special Districts

### Administration

- Amended Community Facilities District 2014-01 (Maintenance Services) to separate landscaping and street lighting tax rates areas to allow for more flexibility in utilizing the district.
- Amended Community Facilities District 2014-01 (Maintenance Services) a second time to add tax rate areas for arterial street lights, non-residential landscaping, and an expanded tax rate areas for residential landscape maintenance ensure equitable apportionment of the tax.
- Worked with the bond holder and received final payment for Assessment District 96-1.
- Worked with Capital Projects to include a slurry seal project bid for the alleyway within Assessment District 98-1.
- Submitted a comprehensive special financing district maximum and applied fixed charge report for Finance Subcommittee.
- Completed the annual process for authorization (Public Hearing) of calculation maximum and applied parcel charges/taxes for Community Services District.
- Completed the annual process for approval of calculation of maximum and applied special taxes and authorization to levy on the property tax rolls from the CFD legislative bodies.
- Completed the annual process (Resolution of Intention and Public Hearing) for approval of calculation of maximum and applied assessments for Lighting Maintenance District 2014-01.
- Completed the annual process (Resolution of Intention and Public Hearing) for approval of calculation of maximum and applied assessments for Landscape Maintenance District 2014-02.
- Submitted approximately 176,500 fixed charges for 48,242 parcels to the County of Riverside for inclusion on the property tax bills. The total value of the charges was \$15 million: approximately \$5.7 million will fund maintenance of

- landscaping in special districts, street lighting and CFD debt service payments; \$5.9 million for Parks: Zone A and CFD No. 1 (53,008 charges); \$124,907 for Nuisance Abatement (113 charges); \$439,115 for NPDES (5,115 charges); and approximately \$2.8 million for solid waste (7,729 charges).
- Converted and submitted all FY 2014/15 Fixed Charges via File Transfer Protocol (FTP), with zero errors.
  - Prepared and disseminated three Community Facilities Districts continuing disclosure reports in compliance with the continuing disclosure agreements and SEC rules.
  - Prepared and disseminated six Community Facilities District Annual Special Tax Reports in compliance with Government Code Sections 53410 and 53411.
  - Continued public awareness of annual parcel charges with the distribution of postcards noticing the property owners of approximately 41,000 parcels of the public hearing to continue the levy of existing CSD charges.
  - Conducted 8 Mail Ballot Proceedings for new charges for the NPDES program.
  - Conducted 3 landowner petitions to annex property into Community Facilities District No. 1 (Park Maintenance).
  - Conducted 5 landowner petitions to annex property into Community Facilities District No. 2014-01 (Maintenance Services).
  - Created a landscape palette and conducted residential outreach for and received property owner approval to annex Tract 27251 into Landscape Maintenance District No. 2014-02, as Zone 09.
  - Continued updates to the Division's public webpage including updates with the Landscaping and Lighting Annual Engineer's Reports and Zone 09 annexation process and Engineer's Report.
  - Developed a Broken Sprinkler website link and reporting form on the City's website giving residents a tool to report leaking or broken sprinklers within City maintained areas.
  - Mailed the Special Financing Districts 2014 Annual Update to property owners of over 48,000 parcels, highlighting the different CSD service zones and key accomplishments for the previous year.
  - Increased the landscape maintenance frequency for Zone 03 of Landscape Maintenance District 2014-02 from a 4 times a year rotation to an every other month frequency and notified property owners via postcard.
  - Increased the landscape maintenance frequency for Tract 20715 from a 4 times a year rotation to a monthly rotation and notified property owners via postcard.
  - Conducted a survey of a sampling of residents to determine level of interest in developing a parkway improvement program to include installation and ongoing maintenance.
  - Conducted a survey of a sampling of property owners adjacent to major roadways to determine interest level in a loan program to replace worn out wooden fences.
  - Issued an RFP for a landscape architect to design landscape concepts for a parkway improvement program.
  - Initiated ongoing customer care training with staff, to include discussions during monthly staff meetings.

- Submitted an application for grant funding to reconstruct the Alessandro medians to include removal of turf and installation of drought tolerant landscaping through the State Water Resources Board
- Responded to the Governor's Executive Order to eliminate watering of turfed medians with potable water.
- Submitted \$245,000 worth of turf removal rebate applications through Metropolitan Water District for replacement of turf with drought tolerant landscaping at the following: Alessandro Blvd. medians (between Old 215 Frontage Rd to Indian St.); Centerpoint Dr. medians (between Frederick St. and Town Circle); Towngate Blvd. medians (between Frederick St. and Eucalyptus Ave.); Parkland Ave. medians located in residential housing Tract 18512 (west of Heacock St., south of Manzanita Ave.); and, Day St. medians (between SR 60 and Campus Pkwy) (shared with the City of Riverside).
- Submitted \$745,000 worth of turf removal rebate applications through Metropolitan Water District for replacement of turf with drought tolerant landscaping for 34 parkways throughout the City's landscape districts.
- Working with Bond Counsel reviewed the request (MOU) of property owners of Community Facilities District No. 7, Improvement Area No. 1 to amend the RMA and issue debt.
- Reviewed and received City Council approval of a Partial Rescission Agreement for MVUSD's Community Facilities District No. 91-1, Improvement Area 1.
- Processed and executed a Maintenance Estoppel for a property owner within Community Facilities District 4-Maintenance.

### **Street Lights**

- Continued to facilitate the Coalition for Affordable Street Lights participation in Phase 1 of SCE's 2015 General Rate Case amongst the cities of Torrance, Murrieta, Rancho Cucamonga and Huntington Beach.
- Re-initiated discussions with SCE to acquire the street lights within Community Services District Zone C, Lighting Maintenance District 2014-01, and Community Facilities District No. 2014-01.
- Processed 483 street light repair requests: 445 SCE maintained and 38 MVU maintained.

### **Maintenance**

- Retrofitted the Alessandro median east of Frederick St. with drought tolerant landscaping which included removal of excess dirt, installation of drip irrigation and 300 drought tolerant shrubs.
- Trimmed 1,923 trees in the special district's parkways and medians; 176 tree and/or stump removals.
- Installed 2,375 cubic yards of mulch on parkways citywide.
- Responded to 173 Underground Service Alerts.
- Responded to 107 Landscape Service Requests.
- Completed a field survey audit of all medians within Zone M district to verify square footages and adjusted the landscape maintenance contracts accordingly.

- Conducted an audit of the landscape area square footages within the Zone S district and adjusted the landscape maintenance contracts accordingly.
- Negotiated a Temporary Right of Entry Agreement with Highland Fairview to maintain the Nason median, north of Cactus
- Converted 42,000 square feet of turf landscaping from potable to reclaimed water in LMD 2014-02 Zone 03, which was partially funded by a grant from the Metropolitan Water District.
- In partnership with the Hidden Springs Residents Committee, developed and install a priority list for \$20,000 in reinvestments (e.g. mulch, benches & trashcans and additional tree trimming/removals).

### **Landscape Development**

- Assumed parkway landscape maintenance for Tract 32715 (1/23/15)
- Assumed parkway landscape maintenance for Tract 32505 (3/23/15)
- Completed plan checks for Tracts 27251 and 36436.
- Completed plan check for March Business Center medians.

### **Transportation**

- Secured \$612,000 of Highway Safety Improvement Program (HSIP) grant funding to construct street improvements at the intersection of Alessandro Boulevard and Graham Street / Alessandro Boulevard / Chagall Court
- Secured \$816,000 of HSIP grant funding to upgrade all existing traffic signals with pedestrian countdown timers / ADA compliant push buttons and to implement a citywide Safe Routes to School program
- Secured \$1.6 million of Active Transportation Program (ATP) grant funding to construct Safe Routes to School sidewalk infrastructure
- Completed the Transportation Management Center (TMC) in City Hall
- Updated the City's Bicycle Master Plan
- Established an Ordinance prohibiting Vehicles for Sale on certain city streets
- Presented fifteen action item staff reports at Traffic Safety Commission
- Installed approximately 15 miles of new bike lanes / marked routes
- Upgraded two crosswalks with Rectangular Rapid Flash Beacons
- Processed 60 Requests for Service
- Processed 252 Development Reviews (including entitlements, plans checks, traffic studies, and Environmental Impact Reports)
- Installed fiber optics to 10 new intersections and added 14 intersections to the traffic control system
- Added 15 cameras to the camera system
- Completed 57 signing and striping modification work orders
- Installed 1,219 square feet of thermoplastic markings
- Painted 207 miles of long line striping
- Replaced or repaired 527 signs
- Performed 1464 preventive maintenance checks
- Responded to 87 after hours call-outs
- Installed five radar speed feedback signs and foundations

- Upgraded two traffic signals with Accessible Pedestrian Signals (APS)
- Upgraded 23 traffic signals with Emergency Vehicle Pre-emption equipment and wiring
- Installed three new traffic signals controller cabinets
- Upgraded three traffic signals with LED Safety Lighting
- Upgraded three traffic signals with pedestrian countdown modules

FY 2015/16 - FY 2016/17 Proposed Budget  
Program Detail**

PROGRAM NAME: Police Special Enforcement FUND: 1010

PROGRAM NUMBER: 40410

PROGRAM OBJECTIVE: To focus on the arrests of street level drug dealers, users, manufacturers and traffickers of illegal narcotics by using a variety of approaches to include but not limited to community involvement, WE TIP information, informants and other proactive police techniques. Parole and probation searches are used as a tool in exposing those responsible for the street level drug trade.

**Program Detail**

PROGRAM NAME: Public Works - Administration FUND: 1010

PROGRAM NUMBER: 45010

PROGRAM OBJECTIVE: Review and process all staff reports for the department that consists of Capital Projects, Transportation, Special Districts, Land Development, Electric Utility and Maintenance and Operations. Provide analysis of legislative actions concerning public works issues and coordinate with local agencies for flood control, water quality, solid waste disposal, and planning for public utilities. Prepare the annual Capital Improvement Project list for each fiscal year budget and coordinate the annual update of the 5-Year Capital Plan for the City. Promote the department throughout the year by participating in public relation activities.

Program Detail**

PROGRAM NAME: Public Works - Solid Waste FUND: 1010

PROGRAM NUMBER: 45310

PROGRAM OBJECTIVE: Ensure that the City meets the State required mandate of diverting 50% of the City's waste stream through recycling activities. Administer grants related to recycling of beverage containers and used oil. Administer the agreement between the City and the City's solid waste hauler. This entails annual rate adjustments and an annual delinquent solid waste tax roll public hearing and processing. Respond to customer service complaints and inquiries regarding solid waste and recycling. Issue and maintain all self-haul permits.

**City of Moreno Valley  
FY 2015/16 - FY 2016/17 Proposed Budget  
Program Detail**

PROGRAM NAME: Stormwater Plan Checks FUND: 2008

PROGRAM NUMBER: 20452

PROGRAM OBJECTIVE: To provide plan check services for storm water and non-storm water plans and studies that address water quality impacts associated with new development and redevelopment projects to ensure these projects implement Best Management Practices (BMPs) with respect to the current National Pollutant Discharge Elimination System (NPDES) permit for the Santa Ana River Watershed Region and meeting the "maximum extent practicable" standard.

Program Detail**

PROGRAM NAME: Stormwater Regulatory Permits FUND: 2008

PROGRAM NUMBER: 20453

PROGRAM OBJECTIVE: Responsible for city-wide storm water and non-storm water pollution prevention compliance work products and programs prepared in response to unfunded state and Federal permit mandates not otherwise funded by local special storm water related tax, levy and fee revenues. This includes securing local revenues for payment of state, Federal and intergovernmental storm water permit and cost-sharing agreements, updating local Master Drainage Plans including preparing applicable guidance documents, managing/preparing resource impact analyses for state and Federal permit mandates, etc.

**FY 2015/16 - FY 2016/17 Proposed Budget**  
**Program Detail**

PROGRAM NAME: ASES Program Grant FUND: 2202

PROGRAM NUMBER: 75312

PROGRAM OBJECTIVE: The purpose of the ASES grant program is to provide literacy, academic enrichment, and safe, constructive alternatives after school for students in kindergarten through grade nine at no cost to the participants. We provide an educational and literacy element which includes tutoring and/or homework assistance designed to help students meet state standards in one or more of the academic subjects and an educational enrichment element which includes an array of additional services, programs, and activities that reinforce and complement the regular academic program to support positive youth development.

**City of Moreno Valley  
FY 2015/16 - FY 2016/17 Proposed Budget  
Program Detail**

PROGRAM NAME: Neighborhood Stabilization Program 1 FUND: 2507  
 PROGRAM NUMBER: 72701

PROGRAM OBJECTIVE: In accordance with the Housing and Economic Recovery Act of 2008 (HERA), HUD has provided emergency CDBG grants to states, cities, and counties to address the foreclosure crisis. The City of Moreno Valley has been allocated funds to implement an 18-month Neighborhood Stabilization Program (NSP) aimed at assisting low- to moderate-income households, while targeting the areas of the City most affected by foreclosures. The City's NSP program will include: Activity 1 – Acquisition, Rehabilitation, and Rental of Multi-family Homes, Activity 2 – First Time Homebuyer Down Payment Assistance Program, and Activity 3 - Acquisition, Rehabilitation, Resale of Single Family Homes.

**City of Moreno Valley  
FY 2015/16 - FY 2016/17 Proposed Budget  
Program Detail**

PROGRAM NAME: JAG 2009-10 DD-BX-0445 FUND: 2715

PROGRAM NUMBER: 76510

PROGRAM OBJECTIVE: The goal of this project is to prevent and combat juvenile delinquency, reduce violence, gang involvement, alcohol, tobacco, and drug abuse to the students and staff at Rancho Verde High School with one full time presence of a Deputy Sheriff/Police Officer as a School Resource Officer (SRO). This Deputy/SRO will provide law enforcement services for incidents involving violations for criminal code violations occurring on or around the school campus where students are involved.

**City of Moreno Valley  
FY 2015/16 - FY 2016/17 Proposed Budget  
Program Detail**

PROGRAM NAME: Telecommunications FUND: 7220

PROGRAM NUMBER: 25412

PROGRAM OBJECTIVE: To provide and administer the City's comprehensive voice, data, video, and radio communications programs, including support of two City-owned amateur radio repeaters. This includes all services utilizing the common communications network that interconnects City facilities, offices, and end-users.

## Introduction

The Capital Improvement Plan (CIP) is a long-range fiscal forecast which identifies major public improvements to the City's infrastructure over the next five years. The CIP is important for planning and managing Moreno Valley's growth and development, as well as maintaining existing infrastructure.

Planning for capital improvements is an ongoing process. As the City's infrastructure conditions and needs change, capital programs and priorities must be adjusted. New construction may be required to accommodate increased demand or replace aging facilities, while existing infrastructure requires periodic rehabilitation, replacement, or other improvements to protect the City's investments.

Each year the CIP is updated allowing the City to re-evaluate its priorities and needs each subsequent year based upon the most current revenue projections and project priorities. During the development of the CIP, capital projects affecting public health and safety, and/or legal mandates may receive the highest priority. Emphasis is also placed on capital projects maintaining service levels or preventing deterioration of facilities.

CIP projects are proposed by the departments (primarily Public Works), reviewed by the City Manager's Office to ensure the City's priorities are addressed and adequate funds are available to complete projects, and funding is ultimately approved by the City Council as part of the budget.

Although the CIP spans five years, funds for only the first year are appropriated within the FY 2015/16-2016/17 Budget. In general, the CIP Budget provides funding for infrastructure construction and rehabilitation, while the operating budget and other special funds provide funding for routine infrastructure maintenance.

The City places a high priority on infrastructure construction, rehabilitation, and maintenance efforts to ensure its streets, landscaping, and facilities are built, maintained, and rehabilitated according to best practices and promote environmental sustainability. Emphasizing rehabilitation and effective maintenance practices minimizes deterioration and costly remediation efforts, thereby extending the useful life of infrastructure improvements and providing long-term savings.

## Capital Improvement Projects

Capital improvements are the construction, upgrading, or replacement of City infrastructure, such as residential and arterial streets, bridges, traffic signals, storm drain systems and drainage channels, parks, and public service providing facilities.

Infrastructure improvements are considered capital improvement projects when the expected life of the asset spans multiple years (in excess of two years) and expenditures are at least \$25,000. These significant non-routine capital expenditures

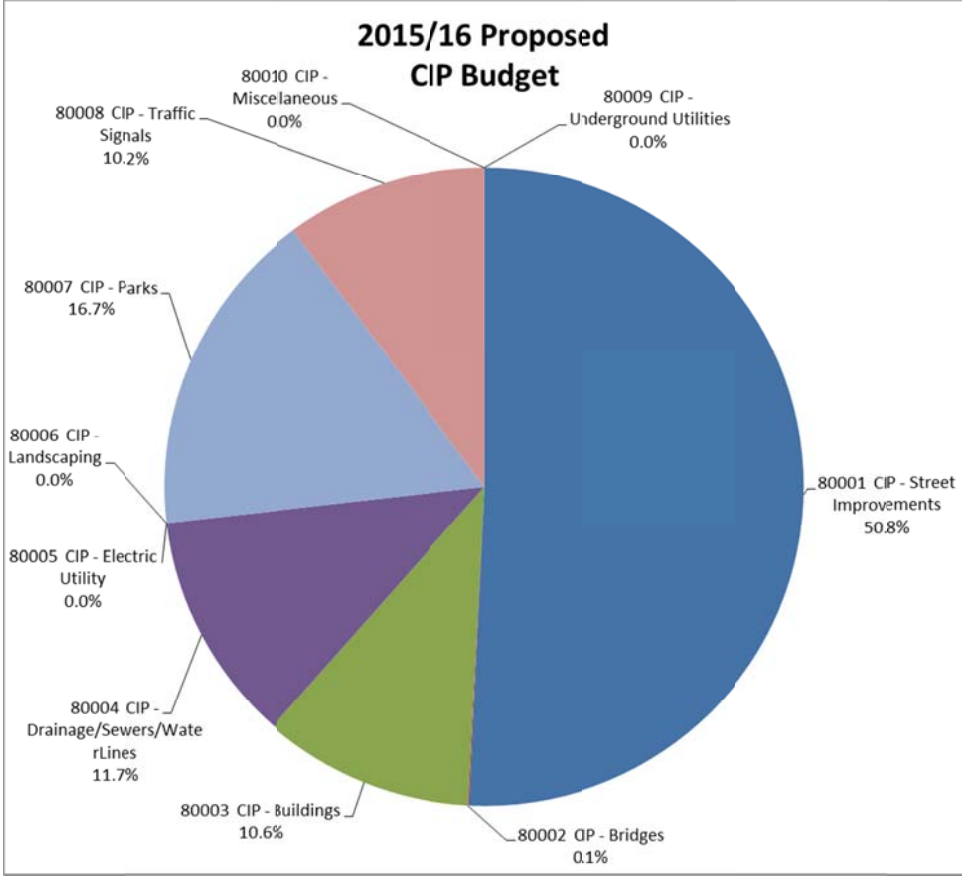

are accounted for as capital projects within the CIP. Equipment, operating, and maintenance costs are identified for inclusion in future operating budgets.

In contrast, routine capital purchases of new vehicles, computer hardware, and other equipment are largely accounted for in special funds, such as the Maintenance & Operations Funds and Technology Services Funds. These assets are capitalized when the initial individual cost is \$5,000 or more, with an estimated useful life greater than two years.

The CIP requires Council approval for the annual expenditures to construct or implement all capital improvements for the year. The CIP also includes expenditure estimates for all future projects. The historical expenditures along with the proposed new budget requests are summarized by category as follows.

	2012/13	2013/14	2014/15	2015/16	Increase	2016/17	Increase

**Revenue Sources and Categories**

The CIP outlines planned capital improvements, given available financial resources. Funding for capital projects is received from a variety of sources, including Federal, State, regional, and local funds resources.

The FY 2015/16 CIP budget is derived from grants, developer contributions to build specific projects, and other one-time revenue sources, while the rest of the budget originates from recurring City revenues. In addition, certain revenue sources are restricted to specific kinds of projects (circulation versus non-circulation), geographic areas, or construction types (new construction versus rehabilitation).

These funding sources are budgeted within the applicable special fund group. Fund summaries and descriptions are located in the separate special fund sections of this budget book.

Future capital improvement projects are limited based on the available funding sources identified in the following table.

APPROVALS	
BUDGET OFFICER	<i>me</i>
CITY ATTORNEY	<i>SMB</i>
CITY MANAGER	<i>D</i>

**Report to City Council**

**TO:** Mayor and City Council

**FROM:** Rick Teichert, Chief Financial Officer

**AGENDA DATE:** February 3, 2015

**TITLE:** GENERAL FUND LONG RANGE BUSINESS PROJECTIONS FOR THE PERIOD FY 2015/16 THROUGH FY 2024/25

**RECOMMENDED ACTION**

Recommendations: That the City Council:

1. Receive and file the General Fund Long Range Business Projections for the period FY 2015/16 through FY 2024/25.

**SUMMARY**

The City of Moreno Valley incorporated on December 3, 1984 during a significant housing boom in California. The City’s population has grown from 58,300 in January 1985 to a current population of 199,258 as of January 2014.

The City of Moreno Valley, the second largest city in Riverside County, is on a path to remain fiscally sound and continues to maintain a good credit rating. The City’s credit rating by Standard & Poor’s was raised to A+ on October 30, 2014. The City needs to plan for the financial future to take advantage of opportunities and manage the many financial challenges affecting the community today and in the future. It is appropriate to review the recently established City Council goals and approved plans, such as the Economic Development Action Plan and the Two-Year Budget, to ensure they work in concert together, along with the appropriate financial policies to direct the City toward a strong and prosperous financial future.

In the wake of the Great Recession, the City had substantially reduced the General Fund expenditures and staffing levels in an effort to successfully manage the City’s General Fund finances and achieve a balanced budget while faced with rapidly declining revenues. As revenues stabilized and with the end of the recession, the City

Attachment: Exhibit A - Proposed Budget Book (1548 : ADOPTION OF THE FISCAL YEAR 2015/16 ? 2016/17 BUDGET)

Council and Executive Management team remain focused on the strategic use of revenues and fund balances to maintain a balanced budget.

## **DISCUSSION**

The stabilization of the General Fund revenues presents an opportunity to look into the future to review and establish the City's long term financial direction and potential. Long range financial planning is an integral step in the visioning and goal setting process of a well-run government agency. This report discusses the goals and strategies of the organization and translates them into a financial context, using financial modeling to frame the fiscal policies and potential for the City's future. These Long Rang Business Projections (LRBP) look at the financial impacts of the current direction and policies of the organization over a longer duration of time. This document will provide the baseline that allows policymakers to test and model the impacts to the organization of various choices and decisions that will be faced in the near term and well into the future.

The foundation of the projections include the City Council Goals and Action Plan resulting from the Council's goal setting workshops in 2011 and 2013, the Economic Development Action Plan covering the three-year period of FY 2013/14 and FY 2015/16, and the two-year Budget for FY 2013/14 and FY 2014/15. These planning documents were relatively short-term focused to navigate the City through the recent years. The LRBP takes these documents and plans as the foundation and projects the City's economic development efforts and related estimated results through 2025. The report results in the following conclusions and/or recommendations:

- City Council has established a vision and direction for the City to implement its Economic Development Action Plan with a focus to bring in jobs and tax base growth.
- The LRBP brings life to that vision by being able to dynamically model revenues and expenditures resulting from the Economic Development Action Plan.
- The LRBP translates that revenue and tax base growth into services and programs based on Council's expenditure priorities that will continue to improve and enhance the quality of life for our residents.
  - The City is financially stable and the current vision and direction results in more stability and a better quality of life.
  - The needs are significant and the new revenue growth provides an opportunity to begin to meet these needs.
- The LRBP currently identifies the FY 2015/16 and FY 2016/17 budgets as balanced. It does not, however, address unfunded liabilities, support increased services, or re-establish any services which have been previously reduced. These items may include, but are not limited to, the following:
  - Any staffing increases for positions previously lost, including Police, Fire, and other City staff
  - Fire Stations, equipment and staffing to address commercial and retail growth
  - The restoration of funding for deferred infrastructure maintenance during the fiscal downturn

- Stay on Course with the adopted budget, but adjust the services and positions as new revenues allow.
- Update the Economic Development Action Plan for an additional three-year period.
- Establish a two-year budget, for period FY 2015/16 through 2016/17, based on a current stable economy and steady revenue growth. Remain dynamic, through the priorities set in this plan, to quickly allocate economic growth to appropriate uses.

### **ALTERNATIVES**

1. Receive and file the General Fund Long Range Business Projections for the period FY 2015/16 through FY 2024/25.
2. Do not receive and file the General Fund Long Range Business Projections for the period FY 2015/16 through FY 2024/25.

### **FISCAL IMPACT**

There is no fiscal impact for the Long Range Business Projections. Any fiscal impacts will be reflected in later staff reports to the City Council.

### **CITY COUNCIL GOALS**

**Revenue Diversification and Preservation.** Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

### **NOTIFICATION**

Publication of the agenda.

# CITY OF MORENO VALLEY: LONG RANGE BUSINESS PROJECTIONS 2015/16-2024/25

PRESENTATION BY: Rick Teichert, Chief Financial Officer

Marshall Eyerman, Financial Resources Division Manager

## Presentation Overview

- General Fund (GF) Operating Results
- Economic Projections
- Fund Balances
- Model Inputs
- Fiscal Challenges/Unfunded Needs
- Future Revenues

# Historical General Fund Operating Results - Revenues

- Still recovering from recession
- Beginning to see modest growth

## Historical General Fund Operating Results – Property Taxes

- Property Tax Revenues
  - An ad valorem tax on real property (City gets 11% of the 1% levy)

# Average Residential Property Tax and Tax Distribution

## Average Property Tax Revenues

<b>Taxable Assessed Value</b>	<b>\$</b>	<b>250,000</b>
General Property Tax		1.00%
<hr/>		
Total Property Taxes		2,500
City of Moreno Valley		5.07%
Moreno Valley Fire		5.88%
<hr/>		
Total Moreno Valley		10.95%

**Total City GF Share of Property Taxes**      **\$**      **274**

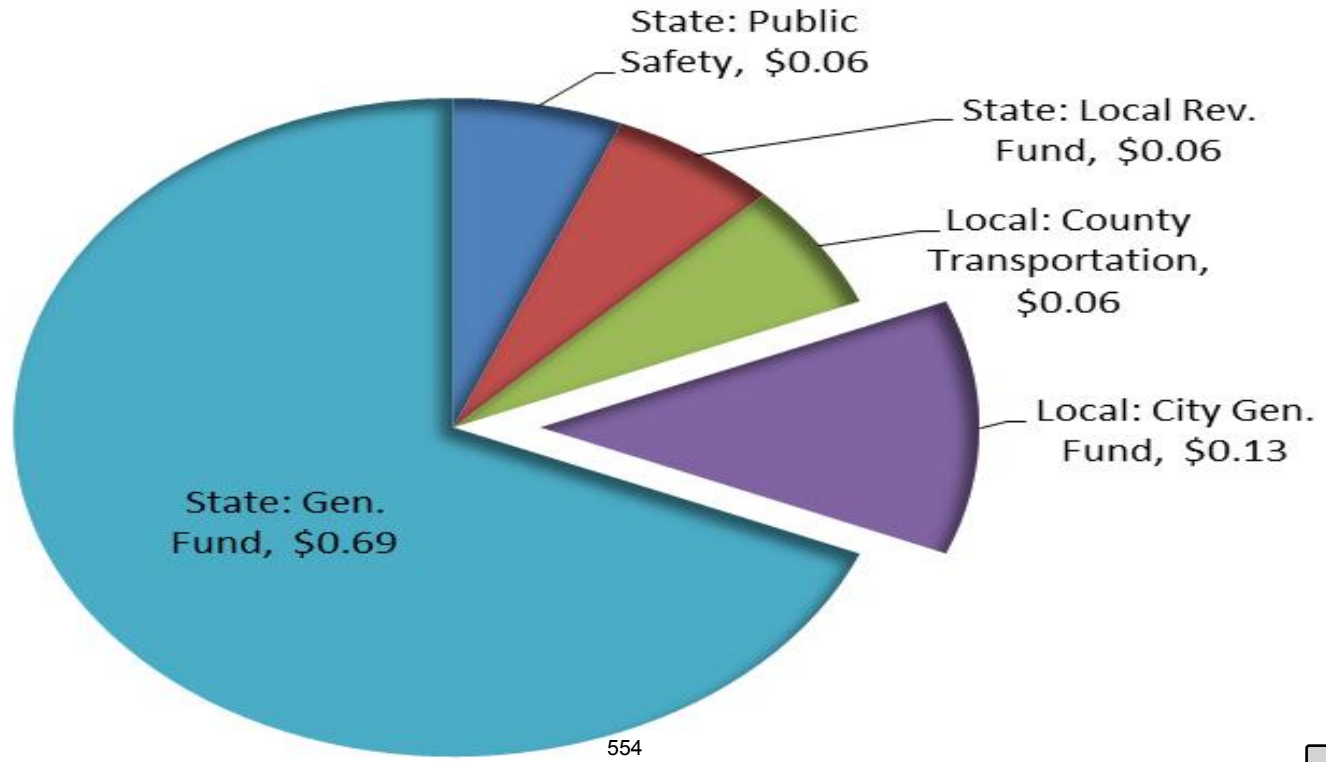

## Historical General Fund Operating Results – Sales Tax

- Sales Tax Revenues
  - State and local tax on total retail price of tangible personal property
  - City's 1% share of the cumulative 8%

# Sales Tax Rate Allocation

- Breakout of each \$1 of sales tax

# Historical Sales Tax Comparison

- Average sales tax per capita

## Historical General Fund Operating Results – Utility Users Tax

- Utility Users Tax Revenues
  - City tax on use of utility services (5.75%)

# Historical General Fund Operating Results - Expenses

# Historical General Fund Operating Results - Expenses

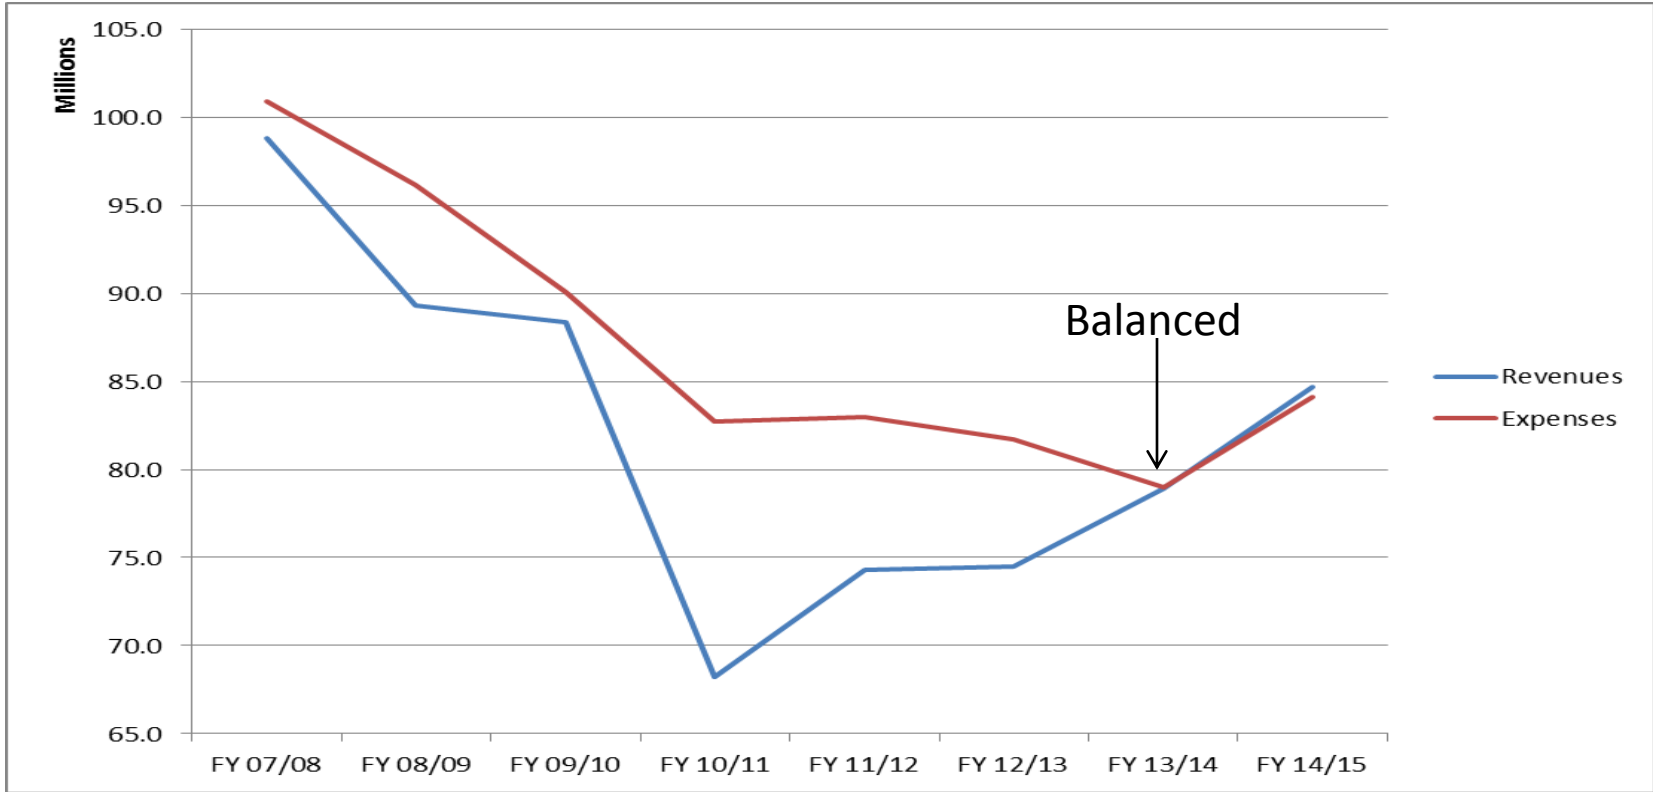

G.7.b

558

Packet Pg. 1257

# Historical General Fund Operating Results

## Economic Projections

- Economic factors used for forecasting
  - Unemployment Rates
    - General indicator of income stability
  - Consumer Price Index
    - Identifies future cost of goods and contracts
    - Historically averages approximately 2%
  - Home Values/Property Values
    - Indicator of property taxes

# Economic Projections - Unemployment

- Unemployment rates

# Economic Projections – Property Values

- Average Home Values

# Economic Projections – Property Values

- Total property values

## Fund Balances

- FY 2013/14 Unassigned Fund Balance \$27.5M
- Unassigned funds may be used to cover annual cash flow requirements and reserves.
- Cash flow – Largest variance between revenues and expenses \$17M or 20.4% requirement

## Fund Balances

- Reserve Requirements
  - Based on experience
  - May be set by policy

Cash Flow	20.4%	17,000,000
Economic Uncertainty	14.0%	11,700,000
	<b>34.4%</b>	<b>28,700,000</b>
Emergency	8.3%	6,900,000
	<b>42.7%</b>	<b>35,600,000</b>

- Additional resources for Economic Uncertainty and Emergency Reserves may be funded through future General Funds savings.

## Model Assumptions - Included

### Fiscal Challenges and Assumptions – Addressed in Baseline Model 1:

- Contractual service cost estimated at 2% cost increase
- Vacancy factor of \$1.5 million (M) for Police, Fire and staff vacancies for FY 15/16, increased to \$2.25M for FY 16/17
- Fund the accrued leave balance of \$6.5 million, transfer out \$500,000 in FY 15/16 (not include in later years)
- Annual Public Safety Contract Increases – Police and Fire
  - Assume a 10% annual Police contract increase and a 5% Fire contract increase
  - Each additional 1% adds about \$360,000 annually for Police and \$145,000 annually for Fire
- General Fund subsidy for street lights
  - Approximately \$.5 million for next two years, then increasing to approx. \$1M
  - Southern California Edison requesting rate increase of approx. 17% or approx. \$210,000
- Anticipated City pension cost increases
  - Beginning FY 15/16 additional 3.756%, FY 16/17 - 6.6%; 5% compounded annually thereafter (\$22.6M salaries = \$849,000 - \$1,491,000)

## Model Assumptions – Not Included

### Fiscal Challenges – Not Addressed in Baseline Model 1:

- Any staffing increases for positions previously lost, including Police, Fire, and City staff.
- Funding for any additional staff or services
  - Increasing Animal Services operations to six days a week
  - Position for the implementation and ongoing operation of the new CEDD software
  - Library Capital and Operating for new Library facility
- Fire Stations, equipment and staffing to address commercial and retail growth
  - Add fire station and equipment in the south industrial area to meet current demands
    - Annual operating costs estimated at \$2,000,000
  - Add fire station and equipment in the east end based on development requirements
- Police services:
  - Funding for the establishment of a reverse 911 system
  - The addition of any new officers or reclassification of Community Service Officers I to CSO II

## Model Assumptions – Not Included

### Fiscal Challenges – Not Addressed in Baseline Model 1:

- The restoration of funding for deferred infrastructure maintenance during the fiscal downturn
  - \$2M of cost allocated to Gas Tax fund (Crossing Guards and Staff)
  - Measure A dedicated to debt service payments
    - Street Arterial Development Impact Fees (DIF) debt - \$1.1M annually (matures 11/35)
    - Cert. of Participation debt - \$1.4M annually (matures 6/39)
- The General Fund's annual obligation to guarantee debt service payments on the 05 Lease Revenue Bonds
  - Police DIF payment allocation \$670,000 annually (matures 11/35)
  - Fire DIF payment allocation \$250,000 annually. FY 14/15 first year of shortfall (matures 11/35)
- New cost increases to meet increasing demands of the National Pollutant Discharge Elimination System (NPDES)
- Restore Funding for Technology Services
  - Collect additional cost allocation to fully fund \$500,000 annually to GF (\$900,000 annually City-wide)
- Need to rebuild and re-establish reserves

## Model Results – Revenues and Expenses

## Potential Future Funding Sources

- Sales Tax Measure
  - State and local tax on total retail price of tangible personal property
  - Each 1% increase is approx. \$12M
- Transient Occupancy Tax (TOT)
  - Tax collected from temporary hotel occupants
  - The tax rate set at the time of City incorporation was 8%, which it remains at today
  - Most neighboring cities are at 10% or higher
  - Each 1% increase is approx. \$125,000
- Parcel fees and taxes (e.g. streetlight parcel fees, Community Facilities District, Landscape Lighting Maintenance District)
- Regardless of funding source, the City would need to determine priorities for any future funding sources

## Financial Updates FY 2014/15

- March 2015: Mid-Year Budget Adjustments and Budget review

## FY 2015/16-2016/17 Budget Process

- Dec. 2014 – May 2015: Council Briefings
- **February 3, 2015:** **Long Range Business Projections / Fiscal Challenges**
- Jan. – March 2015: Study Sessions
- April – June 2015: Public Hearings
- June 2015: Budget Adopted

**City of Moreno Valley  
Long Range Business Plan (LRBP)  
General Fund  
January 2015**

The City of Moreno Valley incorporated on December 3, 1984 during a significant housing boom in California. The City's population has grown from 58,300 in January 1985 to a current population of 199,258 as of January 2014.

The City of Moreno Valley, the second largest city in Riverside County, is on a path to remain fiscally sound and continues to maintain a good credit rating. The City's credit rating by Standard & Poor's was raised to A+ on October 30, 2014. The City needs to plan for the financial future to take advantage of opportunities and manage the many financial challenges affecting the community today and in the future. The plan is based on established City Council goals and approved plans, such as the Economic Development Action Plan and the Two-Year Budget, to ensure they work in concert together. Appropriate financial policies are also considered to ensure the plan will direct the City toward a strong and prosperous financial future.

In the wake of the Great Recession, the City had substantially reduced the General Fund expenditures and staffing levels in an effort to successfully manage the City's General Fund finances and achieve a balanced budget while faced with rapidly declining revenues. As revenues stabilized and with the end of the recession, the City Council and Executive Management team remain focused on the strategic use of revenues and fund balances to maintain a balanced budget.

The stabilization of the General Fund revenues presents an opportunity to look toward the future to review and establish the City's long term financial direction. Long range financial planning is an integral step in the visioning and goal setting process of a well-run government agency. This plan discusses the goals and strategies of the organization and translates them into a financial context, using financial modeling to frame the fiscal policies and potential for the longer term period. This document will provide the baseline that allows policymakers to test and model the impacts to the organization of various choices and decisions that will be faced in the near term and into the future.

## **Current Long Term Planning**

### City Council Goals

In the spring of 2011, the City Council established their prioritized goals, and a corresponding action plan. The prioritized goals, which were initially approved on June 14, 2011 and reconfirmed February 2, 2013, are directed in five key areas:

- 1 Job Development, including maximizing vacant land in support of this goal
- 2 Focus on Medical Corridor and Health Services/Educational Opportunities
- 3 Maximize Transportation and Infrastructure Opportunities

- 4 Economic and Tax Base Development
- 5 Enhance City Image

The Council also approved actions and tasks related to each goal to direct staff toward successfully achieving these Council directives. These key goals have driven the planning and action plans developed subsequent to their adoption.

#### Economic Development Action Plan

In April 2011, the City adopted a two-year Economic Development Action Plan to act as a short term strategic plan to help guide the City's economic development efforts in five geographic areas including 1) Towngate, 2) Centerpointe Business Park, 3) South Moreno Valley Industrial Area, 4) Rancho Belago – East Moreno Valley, and 5) City Center. Additionally, the Economic Development Action Plan helped focus Capital Improvement Plan Funding on projects that can help advance economic Development efforts. During the two-year period of the action plan much has been accomplished in the five geographic areas including significant project advancement and job creation.

The new three-year Economic Development Action Plan (2013-2016) was presented to the City Council on April 2, 2013 and has been formulated to build upon the prior action plan, but continues to push many more economic development efforts including even more job creation. The current plan is under review and being updated for a future discussion at a City Council Study Session in February 2015. The current three-year action plan presents the following:

- A new three-year action plan would expand the focus to nine geographic areas including 1) Edgemont, 2) Towngate, 3) Festival, 4) Sunnymead Blvd., 5) Centerpointe Business Park, 6) South Moreno Valley Industrial Area, 7) City Center & Medical/Health Corridor, 8) World Logistics Center at Rancho Belago, and SR 60 East Corridor.
- The action plan also includes fourteen objectives aimed at increasing the overall economic development efforts with 1) Business Attraction, 2) Business Retention, and 3) Business Expansion.

The Economic Development Action Plan continues to focus on both job development and tax base growth. Action items included re-sequencing and advancing capital projects to create the infrastructure and environment to attract and facilitate commercial and retail development in the Central and Easterly parts of the City. The plan includes actions that focus on continuing to build commercial and retail growth and stability in existing centers. This plan is designed to leverage current economic development efforts and deliver projects within the next two to three year period and beyond as businesses develop along the improved corridor.

This plan recognizes that residential development is not an option to pursue in the short term due to two factors. First, the City's low tax base cannot support additional residential development and provide the related City-funded services. Second, the real

estate market is slowly recovering and median home values are still at only approx. 70% of the highs in 2006-2007 and not expected to fully rebound in the foreseeable future.

This is an opportune time for the City to focus on the development of jobs and tax base through an aggressive pursuit of commercial and retail development. The two markets that are seeking to expand currently include logistics/distribution centers and health care. The City is prepared to be in position to take advantage of opportunities in the healthcare industry with capital improvements recently completed in a healthcare corridor.

The City Council, City Manager's Office, Community and Economic Development Department, related support staff are focusing tremendous effort to achieve significant economic development and job creation within our City. Making Moreno Valley the place to do business is our objective and the catalyst to full economic recovery for our community.

The Long Range Business Plan identifies the results already realized from these efforts and anticipates others that will be delivered during the next few years. These are known projects that have commenced and will be operating within this timeframe. Additionally, the LRBP includes estimates from new taxes as a result of expected economic growth and new development during the next ten years, through June 2025. The impacts of these assumptions are estimated and presented in the LRBP Model Results section of this report.

### Two-Year Adopted Budget

The City Council adopted the Two-year Budget for FY 2013/14 and 2014/15 on June 11, 2013. The two-year budget established the appropriations necessary to balance the General Fund budget. The reductions approved for FY 2013/14 were implemented to ensure that all departments were operating within the reduced budget constraints. The two-year budget process has worked very well during the gradual economic recovery, providing the framework to stay the course and ensure a budget balanced.

Revenues have exceeded projections, allowing staff to do an abbreviated update process for the second year of the plan, FY 2014/15. The two-year budget has provided a flexible structure to quickly and strategically adapt and prevent unnecessary reductions in services as revenues recover. The improved revenues allowed Council to address increased contract and other expenditures, while staying on track with delivering a balanced budget.

Having a two-year plan in place also allowed staff to spend more time on service delivery and ongoing projects instead of recreating a completely new budget. The time savings and benefit to both staff and City Council has been tremendous. This has been particularly helpful as the City staff manages a heavy workload with reduced staffing levels.

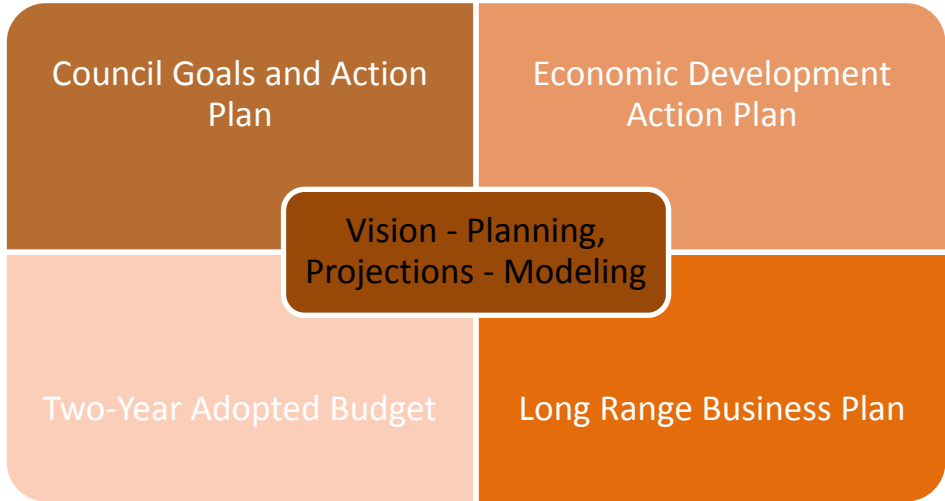

As staff is managing the second year of the two-year budget, the process for the next

budget cycle began in fall of 2014. Staff is recommending a two-year budget for FY 2015/16 through 2016/17. Staff is considering this option due to the slow, but steady, growth in the economy and revenues, making the budgeting for current core services very stable. The City Council will continue to receive updated revenue estimates and recommendations for service adjustments and expenditure modifications for consideration at mid-year and with each new Fiscal Year. The two-year budget provides a stable, consistent, yet dynamic structure to quickly respond to economic changes, while using the LRBP to prepare for and anticipate the recommendations, making the process more efficient for both staff and Council.

**LONG RANGE BUSINESS PLAN (LRBP)**

This long range plan links together the vision and direction of the Council Goals and action plan, the Economic Development Action Plan and the current Adopted Two-Year Budget for Fiscal Years 2013/14 and 2014/15 to model the long range financial impact and success of these plans. The report discusses the revenue and expenditure challenges facing the City over a ten-year period, modeling results through June 2025. It provides a financial model and basis on which to determine the sensitivity and impact to the General Fund financial position as the Council considers financial policies, economic changes, new services, projects, and other decisions impacting the General Fund. The LRBP depicts the transition from the Great Recession, through slow economic growth and recovery, to a period in which our community will reap the benefits from the long-term fiscal decisions made today.

As the following chart illustrates, the long term planning structure is complex, but it is necessary to dedicate the time to create a vision and understanding of the continuing impacts of today’s actions and investments. There are immediate benefits that will be realized from recent economic development efforts within the next three years. These are commercial projects primarily in the southern portion of Moreno Valley, as well as expanding retail development throughout the City.

The Council has also directed significant infrastructure improvements in the Central and Eastern sectors of the City. The benefits of these investments in terms of job development and tax base improvement are being realized currently will have an impact throughout the LRBP period as commercial and retail projects and support businesses emerge from these investments.

The City Council Goals are clear in directing the focus to create jobs through appropriate commercial and retail development. This is timely, since the lag in residential development makes this a very good emphasis for the City while the real estate markets and credit markets are stabilized and reenergized The City is also focused on improving and building the tax base, which has historically lagged behind other comparable cities in the region.

The report provides projections of revenues through 2025, including estimates for new revenue to be generated from Economic Development activity realized as a result of the Economic Development Action Plan. The LRBP discusses the historical and current revenue challenges the City faces, and how current and future plans address these issues.

The LRBP also illustrates difficult expenditure choices. It presents the opportunities for the Council to choose and prioritize how to apply new or increased revenues as they are realized. The need to enhance existing and establish new reserves to weather the next economic downturn is also discussed. The needs and choices are many, making the decisions challenging. However, the choices reveal that the future is bright and the opportunities are significant for the City as the direction to capitalize on commercial and retail business development begins to pay off for the citizens of Moreno Valley.

### **Status and Direction of the Economy**

The federal, state and local economies continue a slow, gradual pace of growth. Although many factors remain positive indicating that stronger than anticipated growth could occur in the future, significant growth restricting factors remain, such as the instability in European markets, massive federal debt and the willingness of banks to loan available capital. These negative issues not only are constraining market growth, but may have direct negative impacts on local government revenues.

Staff has considered factors affecting the overall economy when preparing the LRBP. Economic research experts Beacon Economics remains relatively bullish on the national economy and believes it could grow modestly, in excess of 3% growth in Gross Domestic Product (GDP), in 2015. The US economy expanded at 4.6% in the second quarter of 2014, compared with -2% in the first quarter of 2014. While this variable rate of growth may result in a slightly less than 3% GDP growth rate for 2014, it reflects continued expansion in the US as consumption and investment continue to build from their recessionary low. Although the U.S. economy is showing real signs of steady improvement from housing to public spending to credit, the global economy is weak again. Ultimately the United States is going to continue to have to go through an adjustment period, using higher taxes and less spending to close the Federal deficit. This

makes the outlook for 2015 and beyond slightly less rosy than it might otherwise have been.

Consumer Price Index

The Consumer Price Index (CPI) is a measure that examines the weighted average of prices of a basket of consumer goods and services, such as transportation, food and medical care. The CPI is calculated by taking price changes for each item in the predetermined basket of goods and averaging them; the goods are weighted according to their importance. Changes in CPI are used to assess price changes associated with the cost of living. The CPI is a key for the City as certain revenues and contract expenditures are adjusted annually by this index.

The Consumer Price Index for All Urban Consumers (CPI-U), as reported by the U.S. Bureau of Labor Statistics, declined in November on a seasonally adjusted basis. Over the last 12 months, the all items index increased 1.3 percent before seasonal adjustment.

Property Values

As reported by Zillow, the median home value in Moreno Valley is \$246,500. Moreno Valley home values have gone up 17.1% over the past year and Zillow predicts they will rise 8.6% within the next year. The median rent price in Moreno Valley is \$1,450.

During the last few years the City was significantly impacted by the decline in home value as a result of foreclosures and the overall economics of the U.S. The chart below reflects the stabilization of the housing market and the initial recovery, which will impact the financial position of the City's General Fund revenues.

The total property values within the City are determined by a combination of the existing residential and non-residential properties along with the valuation for any new developments. The values as reported by the Riverside County Assessor tax rolls are shown below.

Jobs and Employment

In November 2014, the unemployment rate in Moreno Valley decreased slightly for the fifth consecutive month to 9.6% and is 1.4% lower than the November 2013 rate of 11%. The unemployment rate supports the overall projection of growth both locally and regionally. Non-seasonally adjusted rates for Riverside County are 8.2% and 7.1% for the State, respectively. This supports continued steady economic recovery.

The pace at which unemployment has been falling has slowed in recent months. The Moreno Valley unemployment rate of 17.5% at the height of the Great Recession in July 2010, compared to the November rate of 9.6%, is an indicator of restoring economic balance and improving the stability of household incomes. The overall trend remains positive as business activity increases across the nation and in the City.

In summary, assumptions guiding economic growth over the next ten-year period will follow current trends of slow steady economic growth and expansion, with a gradually improving job picture. This appears to be a conservative, responsible approach to estimate future revenues driven by economic activity within the City. The dynamic approach to the City’s long range planning and multi-year budgeting will allow the Council and staff to quickly allocate faster revenue growth toward priority expenditure needs. Additionally, if the economy falters, the City will be positioned to respond quickly to adjust expenditures to achieve and maintain a balanced General Fund budget.

### REVENUE BACKGROUND, CHALLENGES AND OPPORTUNITIES

The City of Moreno Valley incorporated five years after Proposition 13 froze the property tax allocation to taxing agencies, creating inequity with cities that existed prior to 1979. Cities incorporating after 1979 had to negotiate with the County to gain a minimal portion of the property tax within the statutory 1% levy allowed. The Moreno Valley General Fund receives about 5.5% of the property taxes collected in the City, compared to pre-Proposition 13 cities that receive 20% or more. The City also receives about 5.5% for Fire Services, reflecting a total of about 11% of the property tax levy that is returned to the City. In addition, cities as a whole have had to deal with the consequences of Proposition 13. Proposition 13 has resulted in a very complex and costly government financial structure to administer and fund city services expected by the voters. This complexity has required that cities hire more staff to address the administration, reporting and regulatory management that is mandatory for the multiple organizations required to

provide municipal services.

As a low-property tax city with a low sales tax base, City leaders have to make difficult choices when allocating the financial resources toward needed services for the residents. Moreno Valley has had to manage the provision of necessary city services through alternative funding choices. The City uses a number of post-Proposition 13 revenue generating options, such as parcel fees for specific services, including Parks, Recreation and Community Services, Street Lighting and Landscaping services. The City had previously utilized the Redevelopment Agency to effectively capture property tax increment to support vital infrastructure needs and incentives to lure the retail and commercial development the City enjoys today, although with the dissolution of the Redevelopment Agency the options of the City are further limited. In addition, to support core City services during the recession of 1990-1993, the City implemented a Utility User's Tax (UUT) in 1991. Although the City had reduced General Fund staff by 40%, this new revenue source allowed the City to balance the General Fund budget without reducing public safety services. In 2008, the UUT, by direction of City Council and by action of the City's voters, was reduced from 6% to 5.75%. Analysis through this LRBP indicates the UUT is a vital, stabilizing revenue source critical to providing public safety services and is a revenue source that the City cannot afford to lose.

The City's tax base has not developed as quickly as similar cities in the region due to two factors. First, Moreno Valley needs jobs. The City is a "bedroom community", which does not create significant property tax base compared to the cost of services required for a good quality of life for the residents, and does not create the necessary sales tax base required to pay for necessary services. The commuter characteristic of being a "bedroom community" has hindered the tax base growth. Citizens tend to spend where they work, and do not tend to shop after coming home from a long commute. A strong employment base has not developed within the City, which would keep residents at home and bring outside commuters into the City to work and spend. The commercial and retail development is desirable not only for the jobs it brings, but it also brings higher property assessments and utility usage, both of which have a positive impact on the City's tax base. Secondly, there are geographic "barriers" to drawing people from outside the City into Moreno Valley for shopping and commerce. The fact that Moreno Valley is nestled into "the Badlands" creates a natural physical barrier that makes it less convenient for nonresidents to the north and east to access Moreno Valley retail and shopping. In addition, there is not a lot of nonresidential traffic that passes directly through Moreno Valley that would stop and shop in the City compared to cities like Corona, Rancho Cucamonga and Temecula. The largest share of commuter traffic on Interstate 215 never enters the City. The City Council cannot easily change these geographic barriers, but may consider a policy to push for a northerly connection to Interstate 10 to provide access to Moreno Valley shopping to residents of Redlands, Yucaipa, Cherry Valley, Calimesa and Beaumont, without having to wind through the Badlands stretch of Highway 60.

We have to be cognizant of what creates a strong tax base. Job centers bring people into the City. People tend to spend where they work. In addition, job centers cultivate

more support businesses and foster tax producing business-to-business sales.

The City’s revenue challenges are summarized by the following points:

- Insufficient tax base and revenue growth to support the growth in operating and capital expenditure requirements.
  - Due to a low tax base compared to other cities regionally of comparable size
  - Due to lack of job producing businesses and high unemployment
    - most of those that work do so outside of the City and spend outside of Moreno Valley
    - many residents are out of work and unable to spend at the same levels as prior to the recession
  - Economic driven fluctuation of the existing tax base
  - The State impact to local government revenues – slowly coming to an end simply because they have taken everything they can constitutionally take
    - The State dissolved Redevelopment Agencies creating a significant impact to the City and active capital projects
  - Inability to manage fee-based services due to voter restricted access to non-tax revenue sources (Props. 218 and 26)

Comparison to other cities:

A comparison of the City’s tax base to other comparable cities in the region shows that the City’s tax base is about 68% of cities of similar size/complexity.

<b>General Fund Revenue Comparison to Similar Cities in the Region</b>				
<b>City</b>	<b>Population</b>	<b>Adopted FY 14/15 General Fund</b>	<b>General Fund Per Capita</b>	<b>Percent of Average</b>
Moreno Valley	199,258	78,832,363	396	68%
Corona	159,132	116,427,136	732	
Fontana	202,177	96,990,900	480	
Rancho Cucamonga	172,299	99,277,690	576	
Temecula	106,289	61,977,909	583	
Four City Average	159,974	93,668,409	586	

Utilizing this comparison as an example, if Moreno Valley is successful in achieving the same revenue per capita as the City of Fontana at \$480 per capita, the Moreno Valley would be generating an additional \$16.7 million per year. Similarly, if Moreno Valley is able to achieve the average per capita revenue of \$586, the City would be receiving an additional \$37.8 million per year in General Fund revenue. These are revenues that would have a very positive impact on services that would improve the quality of life for

Moreno Valley citizens.

### Sales Tax Example

A more stark view is a comparison of sales tax collected for the same regional cities. The comparison reflected in the following table shows that the total sales tax base for Moreno Valley for the 2nd quarter of 2014 is 54% of the average for Corona, Fontana, Rancho Cucamonga and Temecula. However, on a sales tax per 1,000 population basis, Moreno Valley is only 41% of the average of the other four cities.

This is reflective of several factors. The four comparison cities are geographically closer to Los Angeles and Orange County job centers, meaning that they have built-out sooner than Moreno Valley and are more mature in business/job generation and retail sales tax generation. Job creation is a significant factor in developing a strong tax base in general and sales tax in particular. In the City of Rancho Cucamonga, for instance, the population is greater during the day than in the evening due to the number of jobs in that city. This generates more sales tax as these wage earners buy and spend within the City. In addition, the maturing of retail and commercial development provides significant growth in property taxes, utility taxes, and sales taxes. This is compounded by the attraction of support businesses and the business-to-business activity that is generated. Moreno Valley is only about 50% built out. With the job growth disseminating from the employment centers of Los Angeles and Orange County like a wave, the jobs have tended to be to the west and Moreno Valley developed as a primarily residential community, with residents commuting to the west for work. Now Moreno Valley is poised to make important progress in the area of commercial and retail job producing development through the City Council's goals and Economic Action Plan.

Second Quarter 2014 Sales Tax Comparison						
City	Population	No. of Businesses	Sales Tax Generated	Avg. Sales Tax per Businesses	Businesses per 1,000 Pop.	Sales Tax per 1,000 Pop.
Moreno Valley	199,258	2,660	3,863,056	1,452	13	19,387
Percentage of Average	125%	56%	54%	96%	44%	41%
Corona	159,132	4,881	8,384,226	1,718	31	52,687
Fontana	202,177	5,362	7,092,684	1,323	27	35,082
Rancho Cucamonga	172,299	4,698	6,056,508	1,289	27	35,151
Temecula	106,289	3,983	6,967,622	1,749	37	65,554
Four City Average	159,974	4,731	7,125,260	1,520	30	47,118

The City of Riverside was not included in the previous comparison as a comparable City. However, the City of Riverside has a population of 314,034 in 2014 and reported a total of 9,971 businesses for the second quarter of 2014. In addition, Riverside generated \$12,972,863 in sales tax for the same quarter reflecting an average sales tax per business of \$1,301. The city has 32 businesses per 1,000 population.

### The Long Range Vision:

As the City Council's Goals articulate, the City must focus on the development and use of vacant land for job producing commercial and retail development. This will occur working with property owners/developers to ensure quality development benefiting the community and the City's tax base. The focus of development in the Central and East portions of the City has been planned and anticipated since the early 1990's. Development is now poised to occur as the south industrial area of the City builds out.

The infrastructure development in the central corridor of the City which will accelerate the commercial and retail growth, thereby creating jobs, reducing unemployment and building the City's tax base. This LRBP model will estimate the revenue benefit that will be derived from the growth and through the development of distribution centers to the south and east portions of the City. Currently no estimates are included for development along the Nason Medical Corridor. The LRBP Model provides a tool for estimating the revenue that may be developed through implementation of the Economic Development Action Plan.

The City needs to solve the challenges presented by Propositions 218 and 26. Voters passed these ballot measures to gain more control over fees for services funded by parcel fees and other fee based services. Unfortunately for Moreno Valley, as the costs to provide services such as street lighting and landscaping have increased, property owners have not been receptive to paying increased parcel fees to cover these expenditures. The result has been decreased services (landscaping) or the City's General Fund subsidizing services (street lighting), ultimately resulting in reductions in public safety services. The City needs to consider an alternate, less costly, means of providing the financial resources for these services. Staff is recommending **consideration** of a ballot measure targeted for November 2016 to provide a substitute revenue source to provide for the street lighting and landscaping services that are not now covered by the current parcel fees. The ballot measure research will include many options including an increase in the City's TOT tax or sales tax, where the additional revenue may be dedicated to a specific purpose, based on what research indicates will garner the most voter support. An alternative for a revenue measure may be to dedicate the revenue to new or expanded services, since most existing revenue growth is addressing cost increases for existing services. These may include restoration of reduced public safety services, such as restoring sworn officers or motor officers or restoring reduced fire. There is also a strong need to fund a new fire station in the City's south industrial area that is not supported by the current revenue base.

### **EXPENDITURE NEEDS, CHALLENGES AND PRIORITIES**

The City Council has done an excellent job allocating scarce resources across the array of services needed to provide a high quality of life to the City's residents. The City wisely built a significant nest-egg or fund balance during the years of strong property tax growth that has enabled it to maintain most services during the period of the Great Recession. The City also moved quickly to reduce expenditures and certain services to weather the

storm of the recession. The City Council approved a balanced budget for fiscal years 2013/14-2014/15. The City must stay the course and maintain a balanced General Fund in the post-recession period of slow revenue growth. The LRBP provides the framework to discuss the expenditure needs that have developed during the recession in terms of reduced services, rising contract costs and unfunded liabilities that the City Council may now begin to prioritize and address as the City focuses on developing its tax base and the resources necessary to meet these needs through 2025. The needs are significant and not all can be met within the expected resources identified in this plan. It is important to be aware of the needs and have plans and priorities in place to quickly manage the implementation of the priorities as economic development is successful and resources become available. This plan is intended to spark the discussion about where to direct and prioritize the expenditure of growing revenues and tax base at a high level, not at a detail or budget level.

The needs are generally categorized as those requiring resources and revenues to sustain current service levels, such as contract cost increases for no additional service levels (public safety contracts and contracts with CPI escalators), restoration of merit pay concessions resulting from the recession, and absorbing rising street lighting costs without corresponding fee increases.

Costs related to new or increased service levels are currently not considered in the LRBP. Examples of these needs would be adding back staff positions reduced during the recession, adding back contracted police service hours or reinstating the staffing for a fire truck recently cut from the budget. Examples of new services would include opening a new library which has been a priority for a number of years or building and staffing a new fire station.

The LRBP also currently does not address long term asset management issues, including the need for investment in street rehabilitation, funding liabilities that are currently underfunded (retirement and retiree medical) and funding liabilities that are not funded today (compensated absences). As we discuss future revenue sources, certain determination of priorities should be discussed for funding.

The plan illustrates how the long term planning tools result in improvement in services and quality of life for Moreno Valley residents, reflecting a return on the investment in infrastructure and new commercial/retail development.

### **The Long Range Business Plan Model**

The Long Range Business Plan (LRBP) model is designed to be very dynamic, allowing for changes in assumptions in the revenue and expense elements of the model, tracking the specific assumption changes, and identifying/analyzing the corresponding results. The model incorporates actual revenues and expenditures for the past five fiscal years, utilizing the current budget as a base for FY 2014/15, and making assumptions for both revenue and expenditures for future years through FY 2024/25. Revenues are projected based on each major revenue source.

## Baseline Model 1

A base level of projected revenues and expenditures is presented in Attachment 1 and is titled **Baseline Model 1**. This view takes a moderate estimation of revenues beginning with the most recently completed Fiscal Year 2013/14 and the current approved Fiscal Year 2014/15 Budget and projects the General Fund revenues through FY 2024/25, providing a ten-year view of the City's revenues.

Expenses are projected at today's base or core service level, with no service expansion or recovery of positions lost during the recession. A few known expenditure increases are built into the expense base, such as contract increases for public safety, which are detailed in the following section of the report.

Revenues Staff has reviewed current trends and factors impacting each primary tax source and uses the following table to conservatively, but realistically project the growth of the current tax base for these revenues.

	FY 15-16	FY 16-17	FY 17-18	FY 18-19	FY 19-20
	Estimated	Estimated	Estimated	Estimated	Estimated
<b>General Fund Revenues</b>					
Taxes:					
Property Tax	8.76%	8.75%	5.86%	2.39%	2.39%
Property Tax in-lieu	3.00%	3.00%	2.50%	2.50%	2.50%
Utility Users Tax	-0.89%	2.04%	2.04%	2.04%	2.04%
Sales Tax	9.24%	8.39%	3.79%	3.86%	3.86%
Other Taxes	5.95%	3.63%	3.58%	3.59%	3.60%
Licenses & Permits	2.33%	1.99%	1.99%	1.99%	1.99%
Intergovernmental	19.30%	0.13%	0.13%	0.13%	0.13%
Charges for Services	-0.21%	2.97%	0.81%	1.89%	1.89%
Use of Money & Property	53.10%	0.00%	0.00%	0.00%	0.00%
Fines & Forfeitures	1.00%	1.00%	1.00%	1.00%	1.00%
Miscellaneous	-43.37%	0.00%	0.00%	0.00%	0.00%
Transfers In	-89.56%	0.00%	0.00%	0.00%	0.00%

Property taxes are recovering from the recent real estate market upheaval and have stabilized in the most recent years. Although Proposition 8 reassessments have resulted in sizeable property tax increases in FY 13/14 and 14/15, staff does not foresee any rapid recovery beyond this and remains vigilant to detect any weakness in the real estate market that may indicate a reversal of real estate prices. The projection reflects a combined 5.5% growth rate in property taxes and property taxes in-lieu in the FY 2015/16 budget year with an overall slow and gradual growth through FY 2020/25. The estimate for total property taxes grows from \$26 million in FY 2014/15 to \$35.6 million in FY 2024/25 which is an increase of \$9.6 million or an increase of 37% over the 10 year period, an average of \$960,000 annually during the planning period.

The projection of growth for Sales Taxes in the short term is fairly strong based on the recent activity of the City's current base of about 2,660 businesses. Part of the recent sales tax growth has been derived from new business. The number of businesses has grown during the recent economic recovery from 2,550 in 2009 to 2,660 in 2014,

reflecting an additional 110 business or a 4.3% increase. This is growth of an average of 22 businesses or about 1% per year. In addition, the existing businesses have experienced an average growth of about 9% annually. These factors combine to projection of sales tax growth of 9.2% in FY 2015/16, reducing toward the consistent growth rate for existing business of about 4% in the later years of the LRBP. The total sales tax revenue in FY 2015/16 is projected to be \$19.2 million. This is estimated to grow by \$9 million or 47% to a total of \$28.2 million by FY 2024/25 or an average of about \$900,000 annually during the plan period.

The City's Utility User's Tax (UUT) is the third largest revenue source. Currently, annual UUT is projected to be \$15.9 million based on utility usage of existing residents and businesses in the City. Staff projects this will remain relatively flat annually through FY 2024/25, although actual UUT may be increased based on the development of new businesses.

Overall, the revenues of the City General Fund are planned to be \$83.1 million in the FY 2014/15 amended budget. The largest share of this revenue is from the tax sources discussed above totaling \$59.5 million. Based on the assumptions used in developing Baseline Model 1, staff estimates total General Fund revenue will grow to \$112 million in FY 2024/25. This is an increase of about \$28.8 million, representing an average annual growth of \$2.8 million during the model period or about 3% annually.

Expenditures The General Fund expenditures reflect current core service levels provided, and the costs for supporting and providing those services as approved in the FY 2014/15 Amended Budget. Staffing levels are held constant assuming no service level changes or recovery of positions reduced during the past four years.

The model does reflect the incorporation of "vacancy" factors for City staff positions and for public safety contracts. This practice corrects for severe budget "under-runs" during a time of declining or slow growing revenues when these scarce resources are required to preserve City services and positions that provide valuable support and services within the General Fund. The result is anticipated budget performance within 2% variance of the approved budget. For FY 2015/16, the factors used include approximately a 4% vacancy factor for City staff, a 1% of contract factor for police services and a 3% of contract factor for fire services.

#### Baseline Model 1 Summary

Using the assumptions described above, the Baseline Model 1 results are presented in Attachment 1. The total revenues and expenses for FY 2014/15 are \$83.1 million and \$83.3 million, respectively, resulting in a structurally balanced budget. This Baseline Model indicates that the City can maintain the core services today, while remaining fiscally stable, within the limits of the assumptions in the model. **These assumptions may not be realistic.** There are limited inclusions for inflationary adjustments in contracts, such as public safety. Additionally there is a major assumption that the General Fund will not be required to support any additional cost for other funds.

The purpose of Baseline Model 1 is to establish a static frame of reference as staff begins to adjust model certain assumptions to compare to this baseline. The encouraging result of the assumptions in this Baseline Model is that it does reflect a core level of financial stability, and that with economic growth and new businesses and corresponding increase in tax base, the City will have some positive news and good choices to make beyond this baseline scenario.

## EXPENDITURE NEEDS/CHALLENGES/PRIORITIES

The following is a list of the known challenges, needs and priorities based on analysis of the City Manager and Finance & Management Services Department. This is a list of known, higher priority expenditure needs and opportunities for use of General Fund revenues and is not exhaustive.

The needs/projects/opportunities may change quickly as staff becomes aware of new opportunities and/or technology to better deploy or provide City services. One good example of this is the City-wide police camera project. As staff became aware of this emerging use of camera technology and its benefits, the Council was very quickly briefed and engaged on the use of this equipment, its success in other installations, with the resulting quick approval of this project.

There is a clear need to manage the rate of cost growth in two key areas. A lesson learned during the recession is that the rate of cost growth cannot significantly vary from the rate of revenue growth, or budget imbalances quickly result. This applies in the cost areas of employee salaries and benefits and in public safety contract cost increases. **These cost areas are singled out because collectively they comprise about 82% of the General Fund budget. Due to the magnitude of these costs, they must be managed within the rate of revenue growth to maintain a balanced budget.**

Staff presents the following list of needs for awareness at this time. The City Manager will bring these issues for discussion at a point in the future. This report is intended to stage this discussion, highlighting the positive results and direction of the current long range plans.

### Fiscal Challenges and Assumptions – Addressed in Baseline Model 1:

- Contractual service cost estimated at 2% cost increase
- Vacancy factor of \$1.5 million for Police, Fire and staff vacancies for FY 15/16, increased to \$2.25M for FY 16/17
- Fund the accrued leave balance of \$6.5 million, transfer out \$500,000 in FY 15/16 (not include in later years)
- Annual Public Safety Contract Increases – Police and Fire
  - Assume a 10% annual Police contract increase and a 5% Fire contract increase
  - Each additional 1% adds about \$360,000 annually for Police and \$145,000 annually for Fire
- A General Fund subsidy for street lights

- Approximately \$.5 million for next two years, then increasing to approx. 1M
- Edison requesting rate increase of approx. 17% or approx. \$210,000
- Anticipated City pension cost increases
  - Beginning FY 15/16 additional 3.756%; FY 16/17 - 6.6%; 5% compounded annually thereafter (\$22.6M salaries = \$849,000 - \$1,491,000)

### Fiscal Challenges – Not Addressed in Baseline Model 1:

- Any staffing increases for positions previously lost, including Police, Fire, and City staff.
- Funding for any additional staff or services
  - Increasing Animal Services operations to six days a week
  - Positions for the implementation and ongoing operation of the new CEDD software
  - Potential Deputy Director of Parks and additional Park Rangers
- Fire Stations, equipment and staffing to address commercial and retail growth
  - Add fire station and equipment in the south industrial area to meet current demands
  - Add fire station and equipment in the east end based on development requirements
- Police services:
  - Funding for the establishment of a reverse 911 system
  - The addition of any new officers or reclassification of Community Service Officers I to CSO II
- The restoration of funding for deferred infrastructure maintenance during the fiscal downturn
  - \$2M of cost allocated to Gas Tax fund (Crossing Guards and Staff)
  - Measure A dedicated to debt service payments
    - Street Arterial DIF debt - \$1.1M annually (matures 11/35)
    - TRIP debt - \$1.4M annually (matures 6/39)
- The General Fund's annual obligation to guarantee debt service payments on the 05 Lease Revenue Bonds
  - Police DIF payment allocation \$670,000 annually (matures 11/35)
  - Fire DIF payment allocation \$250,000 annually. FY 14/15 first year of shortfall (matures 11/35)
- Aging Vehicle fleet replacement – funded from accumulated replacement funds
- New cost increases to meet increasing demands of the National Pollutant Discharge Elimination System (NPDES)
- Restore Funding for Technical Services
  - Convert from an ISF to a General Fund Operating Division
  - Collect additional cost allocation to fully fund \$500,000 annually to GF (\$900,000 annually City-wide)
- Need to rebuild and re-establish reserves
- Library Capital and Operating for new Library facility
- Fund solutions to Box Springs Mutual Water Company water infrastructure problems

## SUMMARY

The Long Range Business Plan leaves us with the following comments and recommendations:

- Council has established a vision and direction for the City to implement its Economic Development Action Plan with a focus to bring in jobs and tax base growth
- LRBP brings life to that vision by being able to dynamically model revenues and expenditures resulting from the Economic Development Action Plan
- Ultimately translating that revenue and tax base growth into services and programs based on Council's expenditure priorities, that will continue to improve and enhance the quality of life for our residents
- The City is financially stable and the current vision and direction results in more stability and a better quality of life
- The needs are significant and the new revenue growth provides an opportunity to begin to meet these needs
- Tax measure should be discussed due to the failure of parcel fees to support current services and to possibly support improvements to public safety services and other unavoidable cost increases
- Consider Special Tax for Public Safety or Street Lights, Library Services
- Consider General Tax in the form of TOT, Sales Tax, Parcel Fee
- Stay on course with the current budget
- Establish a two-year budget, for period FY 2015/16 through 2016/17, based on a current stable economy and steady revenue growth. Remain dynamic, through the priorities set in this plan, to quickly allocate economic growth to appropriate uses.

## Budget & Financial Policies

One of the chief responsibilities of the City of Moreno Valley to its residents is the care of public funds. These financial management policies are designed to ensure the fiscal stability of the City of Moreno Valley and guide the development and administration of the annual operating and capital budgets through wise and prudent management of municipal finances, while providing for the adequate funding of the services desired by the public and the maintenance of public facilities.

## Objectives

The City's financial objectives address revenues, cash management, expenditures, debt and risk management, capital needs, and budgeting and management. Specific objectives are:

- To protect the policy-making ability of the City Council by ensuring important policy decisions are not dictated by financial problems or emergencies;
- To assist City management by providing accurate and timely information on financial conditions;
- To provide sound principles to guide the fiscal decisions of the City Council and City management;
- To provide essential public and capital facilities and prevent their deterioration;
- To set forth operational principles that minimize the cost of government and financial risk, to the extent consistent with services desired by the public;
- To enhance the policy-making ability of the City Council by providing accurate information on program costs;
- To employ revenue policies that seek to prevent undue or unbalanced reliance on one or a relatively few revenue sources; and,
- To implement a system of internal controls that ensures the legal and appropriate use of all City funds.

## Accounting & Reporting Policies

### Accounting and Annual Reporting Policies

The City's Comprehensive Annual Financial Report presents the government and its component units (entities for which the government is considered to be financially accountable) financial and operating activities. The City's blended component units, although legally separate entities, are, in substance, part of the City's operations and financial data from these units are combined with data of the City.

The government-wide financial statements report information on all of the non-fiduciary activities of the primary government and its component units. For the most part, the effect of inter-fund activity has been removed from these statements. Governmental activities, normally supported by taxes and inter-governmental revenues, are reported separately from business-type activities that rely, to a significant extent, on fees and charges for support. All City activities are governmental; no business-type activities are reported in the statements.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the providers have been met. As a general rule, the effect of inter-fund activity has been eliminated from the government-wide financial statements. Direct expenses have not been eliminated from the functional categories; indirect expenses and internal payments have been eliminated.

Amounts reported as program revenues include: 1) charges to customers or applicants for goods, services or privileges provided; 2) operating grants and contributions; and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred,

as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences are recorded only when payment is due.

Taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and are therefore recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered measurable and available only when the City receives cash.

The City reports major governmental funds and the following fund types:

- Special Revenue Funds account for proceeds of specific revenue sources that are legally restricted or otherwise designated for specific purposes;
- Debt Service Funds account for the accumulation of resources for and the payment of principal and interest on general long-term debt;
- Capital Projects Funds account for financial resources used for the acquisition or construction of infrastructure and major capital facilities;
- Permanent Funds account for resources that are legally restricted, to the extent that only earnings and not principal, may be used for purposes that support City programs;
- Internal Service Funds account for operations that provide services to other departments of the City on a cost reimbursement basis;
- Agency Funds are used to account for various activities in which the City acts as an agent, not as a principal. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

### **Audit and Financial Reporting**

Each year an audit will be conducted by an independent Certified Public Accountant Firm (CPA Firm).

The selection of the independent CPA Firm shall be in conformance with the City's competitive bidding procedures. The City shall request bids for audit services no less frequently than every five years. The CPA Firm shall provide the City Council with a Management Letter addressing the findings of the auditors in conjunction with their opinion on the City's Comprehensive Annual Financial Report. These reports shall be submitted to the City Council within 60 days of receipt of the report.

At the conclusion of each fiscal year, the City Manager will make available a preliminary year-end General Fund, fund balance. It should be recognized, however,

that the balance provided is subject to both unforeseen financial transactions of a material nature and subject to findings of the independent audit. An audit verified year-end balance will be available at the end of October and will be included within the year-end budget analysis report.

At the conclusion of the 1st fiscal quarter, and monthly thereafter, a financial report, which evaluates and details financial performance relative to the amended budget shall be provided to the Finance Committee and City Council.

### **Monthly Financial Reporting Quarterly**

On a regular basis, the Financial Resources Division Manager will evaluate financial performance relative to the adopted and amended budget, and prepare and present reports to the City Council and City management. The purpose of these reports is as follows:

- Provide an early warning of potential concerns and problems.
- Identify, investigate and correct accounting errors.
- Evaluate and explain significance of on-going variances.
- Give decision makers time to consider actions that may be needed if major deviations in budget-to-actual expenditures or revenues become evident.

## Budget Policies

The City utilizes the following policies to govern budget development and operations.

### Balanced Budget

The City Manager submits to the City Council a proposed budget for the ensuing fiscal year, and an accompanying message at such time as the City Council shall prescribe. It is the policy of the City Manager that this budget proposal be balanced. A balanced budget shall be adopted by the City Council before the beginning of the fiscal year.

It is the City's policy to fund current year operating expenses with current year revenues. The budget proposal as presented by the City Manager shall be balanced, with recurring revenues meeting or exceeding recurring expenditures for ongoing operations. Non-recurring revenues may not be used to fund recurring expenditures without the approval of the City Council.

### Budget Process

The fiscal budget is prepared by the City Manager for a two-year fiscal cycle beginning July 1 and ending June 30 and must be adopted by the City Council prior to the beginning of each fiscal year.

The Financial Resources Division Manager shall prepare and disseminate a budget preparation calendar that provides clear and concise direction on tasks and due dates. Departmental budget coordinators have responsibility for ensuring compliance with budget development policies, procedures and timelines.

Public input/review of the proposed budget is encouraged. The entire budget document shall also be available at City Hall for review. After providing public notice and opportunity for public review and comment, the City Council shall adopt the annual budget at a public meeting prior to July 1.

The budget proposal presented by the City Manager shall reflect the continuation of current service levels wherever appropriate and/or shall include an explanation of any decreases and increases.

After budget adoption, there shall be no changes in City programs or services that would result in significant and ongoing increases in City expenditures and obligations without City Manager and City Council review and approval

### Reporting Responsibilities

The City's level of budgetary control is at the individual fund level for all funds. The City Manager will submit quarterly budgetary reports to the City Council and Finance Sub-Committee comparing actual revenues and expenditures to the amended budget,

explaining variances. This report is to be prepared for the first quarter and mid-year of the fiscal year, and shall include a written analysis and a re-projection, if appropriate.

### **General Fund Budgeting**

The City will avoid budgetary procedures that balance current expenditures at the expense of meeting future years' expenses, such as postponing expenditures, accruing future years' revenues, or rolling over short-term debt.

In instances where specific activities/purchases are authorized by the City Council in a certain fiscal year and remain incomplete and/or unexpended, revenues and/or fund balance may be carried forward, at City Council's discretion, into the next fiscal year to support such activities/purchases.

Provisions will be made for adequate maintenance of capital and equipment and for orderly rehabilitation and replacement within available revenue and budgetary limits. To show true cost of services, revenues and expenditures will be budgeted and accounted for directly in the appropriate fund.

Budgetary and accounting procedures will conform to Generally Accepted Accounting Principles (GAAP) for governmental agencies.

### **Special Fund Budgeting**

The term "Special Funds" shall be used to identify all funds other than the General Fund (1010), inclusive of the following fund types: Special Revenue, Capital Projects, Debt Service and Internal Service Funds. Special Funds shall be created when legally required, requested by the City Council, recommended by the Finance Sub-Committee, or to facilitate internal accounting and financial reporting procedures.

The annual budget for each Special Fund shall be prepared in conjunction with the General Fund budget and shall be submitted to the City Council for adoption prior to the beginning of the fiscal year. Special Funds budgetary and accounting procedures will conform to GAAP.

Activities of the Special Funds shall be reported to the Finance Sub-Committee and City Council on a quarterly basis consistent with General Fund reporting responsibilities. To show true cost of services, revenues and expenditures will be budgeted and accounted for directly in the appropriate fund.

### **Contract Budgeting**

The City may enter into a contractual agreement for services. This includes new contract requirements, as well as contract amendments for additional scope of work and/or costs when the additional scope and/or costs are not consistent with items in the adopted budget. When scope of work and/or increased costs are inconsistent with

the adopted budget, approval for the amendment and/or increased costs must be obtained in accordance with the Procurement Policy #3.18 as summarized as follows:

<b><i>Authorized Signer</i></b>	<b><i>Amount to be Procured</i></b>
Division Manager	up to \$15,000
Department Head	up to \$30,000
Chief Financial Officer	up to \$50,000
City Manager (or designee)	up to \$100,000
Mayor (upon Council approval)	over \$100,000

To request approval to enter into the unanticipated contract or contract amendment, a request should be prepared explaining the justification for the new contract or contract amendment. This request should be input within the accounting system and the appropriate City representative signatures, in accordance with the limits set forth above. In cases exceeding \$100,000, a copy of the staff report and minutes or summary of actions from the City Council meeting approving the action should be attached.

**Internal Service Funds**

Internal Service Funds account for the financing of goods or services provided by one department to another on a cost reimbursement basis. These functions include workers compensation insurance, general liability insurance, fleet, duplicating, strategic technology, and facilities maintenance & operation funds.

**Fleet Operations Fund**

The City shall maintain an internal service fund to account for the original acquisition, replacement and ongoing maintenance, and operation of significant equipment. Significant equipment is defined as equipment costing \$5,000 or more, having a useful life of more than two years. The Fleet Operations Fund shall own and maintain all rolling stock. The useful life assigned to equipment is based on established City policy and is consistent with generally accepted equipment life cycles and/or based upon City experiences. Replacement is determined by evaluation of criteria including age, and actual and projected vehicle maintenance costs. The goal is to maximize each vehicle's useful life, while minimizing lifetime cost.

Full purchase costs of new equipment shall be budgeted by Fleet Operations. Thereafter, the department utilizing the inventory will budget for annual rental rates. The rental rates charged by the fleet internal service funds shall be adequate to cover equipment acquisition costs, other replacement cycle charges, maintenance, fleet services overhead costs, and any lease payment costs, loan amortization or related financing costs.

Attachment: Exhibit A - Proposed Budget Book (1548 : ADOPTION OF THE FISCAL YEAR 2015/16 ? 2016/17 BUDGET)

## Fund Balances/Reserves

To maintain the City's credit rating and meet seasonal cash flow shortfalls, economic downturns or a local disaster, the budget shall provide for an anticipated fund balance for general government and enterprise fund types. Fund balance shall be exclusive of all reserves not available for use in emergencies and contingencies.

The contingency reserve may be used at the discretion of the City Council to:

- Provide resources to make up for temporarily decreased revenues, such as state subventions.
- Provide temporary resources in the event of an economic downturn while expenditure reductions are implemented.
- Provide resources to meet emergency expenditures in the case of flood, fire, earthquake, landslides, or other disasters.

Whenever contingency reserve funds are used, the reserve shall be replenished as soon as possible.

There are almost always important limitations on the purpose for which all or a portion of the resources of a governmental fund can be used. The forces of these limitations can vary significantly, depending upon their source. Therefore, the various components of fund balance are designed to indicate "the extent to which the City is bound to honor constraints on the specific purposes for which amounts in the fund can be spent." Fund balance is categorized in five classifications, depicting the relative strength of the spending constraints placed on the purposes for which the resources can be used. The five classifications are:

- Nonspendable: amounts not in spendable form or are required to be maintained intact (inventories, prepaid items, endowment).
- Restricted: portions of fund balance that reflect resources subject to externally enforceable legal restrictions. Amounts constrained to specific purposes by their providers, through constitutional provisions, or by enabling legislation (creditors, grantors, restricted donations or contributions, required 3% minimum contingency reserve).
- Committed: amounts constrained to specific purposes by a government itself, using its highest level of decision-making authority (City Council), and remains binding unless removed in the same manner (over the required 3% minimum contingency reserve, SDC and IBC funding).
- Assigned: amounts a government intends to use for a specific purpose; intent can be expressed by the governing body, or by an official or body to which the governing body delegates the authority (education partnership, year-end

encumbrances, infrastructure and rehabilitation funding).

- Unassigned: unrestricted amounts available for any purpose.

### **Proposition 4 – Gann Initiative**

Article XIII B of the California Constitution (enacted with the passage of Proposition 4 in 1979 and modified with the passage of Proposition 111 in 1990) restricts the appropriations growth rate for cities and other local jurisdictions. The legislation provides that the governing body shall annually establish its appropriations limit by resolution.

The appropriations limit is calculated by determining appropriations financed by proceeds of taxes in the 1978/79 base year and adjusting the limit each subsequent year for changes in the cost of living and population. This appropriation limit is the maximum limit of proceeds from taxes the City may collect or spend each year. Budgeted appropriations are limited to actual revenues if they are lower than the limit. The appropriation limit may be amended at any time during the fiscal year to reflect new data.

The City shall annually calculate the Gann Limit according to legally established procedures (California Government Code Section 9710). The City shall conform and adhere to all Gann Limit and related requirements. The City Council shall adopt by resolution the City's Gann appropriations limit prior to the fiscal year in question.

The City Council shall pass a resolution annually certifying the City is in conformance with Gann requirements. The adoption of the appropriations limit by resolution of the City Council is to be completed prior to the fiscal year in question. Once the appropriation limit has been adopted, there are two publication requirements:

- The appropriations limit and the total appropriation subject to limitation must be published in the annual budget.
- The State Controller's Office requires the submission of an informational form along with the filing of the Annual Statement of Financial Transactions no later than 110 days after the close of each fiscal year.

Annually during the City's financial audit, the auditors apply agreed-upon procedures to ensure the City meets the requirements of Section 1.5 of Article XIII-B of the California Constitution.

## Cost Allocation Plan

When feasible, costs will be charged directly to the appropriate funds/division/section. Costs for internal services such as insurance, duplicating, equipment, vehicles, overhead costs and technology will be charged to the end user (fund/division/section), using the most appropriate allocation method (number of computers, employees, phones, etc.).

To ensure that appropriate fees for services and cost recovery level goals are being met, the City will conduct formal cost of services studies on a regular basis. Based on the cost of services study, development services and other fees as designated by the City Council shall include the cost of departmental and general City overhead costs.

## Budget Adjustments

Budget adjustments will be completed in compliance with the Budget Appropriation Adjustments Policy #3.11. Adjustments to the adopted or amended budget must be approved by the City Manager; Department Director; Financial Resources Division Manager; and Chief Financial Officer and approved by a majority vote of the City Council, unless the budget adjustment falls under one of the exceptions below.

The originating department's personnel will either generate the budget adjustment or request Financial Resources staff help prepare the form. The Financial Resources Division Manager will initiate budget adjustments that affect more than one department (such as year-end funds and citywide salary and benefit changes).

If the budget adjustment requires City Council approval, one of the recommended actions should be to approve, or recommend approval of, the budget adjustment.

## Financial Resources and Financial Management Services Review

The Budget Officer shall review all budget adjustments for availability of funds and compliance with budget policy. The Chief Financial Officer and Financial Resources Division Manager or their designees shall approve the budget adjustment prior to inclusion in the Finance Sub-Committee and/or City Council agenda packet. If the request is denied, it will be returned to the department with an explanation of why it was rejected. The request may then be revised and resubmitted or withdrawn by the department.

## Capital Improvement Project Policies

The City utilizes the following policies to govern its Capital Improvement Program and the use of special funds that address community capital project needs.

### Capital Improvement Program

The City Manager shall develop and maintain a five-year projection of capital improvement projects based on the General Plan, Specific Plans, and on City Council approved projects. The five-year projection shall be presented as part of the annual Capital Improvement Program (CIP) and should be tied to projected revenue and expenditure constraints. The five-year projection shall include new capital projects, rehabilitation needs and long-term maintenance. This multi-year plan shall be updated on an annual basis.

The City shall actively pursue outside funding sources for all capital improvement projects.

### Capital Improvement Funding

Within the limitation of existing law, various funding sources may be utilized for capital improvements. Capital projects shall not be dictated by the nature of funding available except to the extent that the projects meet an initial test required to achieve City goals and to the extent that projects must be placed in priority in order to utilize outside funding.

Unexpended project balances shall be carried forward to future fiscal years to complete the intent of the original budget, contingent upon approval by the City Council. Upon completion of capital projects, unspent funds shall be returned to fund balance. The City Manager shall provide recommendations to redirect the use of unspent capital project funds.

In no case shall projects incur a funding deficit without the approval of the City Council.

## City of Moreno Valley

The City of Moreno Valley is located in the western portion of Riverside County, surrounded by Riverside, Perris, March Air Reserve Base, Lake Perris and the Badlands. Incorporated as a General Law City on December 3, 1984, merging the communities of Moreno, Sunnymead and Edgemont.

Among California's growing cities; second most populous in Riverside County. Growth can be attributed to a range of quality housing options including high-end executive homes, affordable single-family homes, and condominiums; a family-friendly lifestyle; good schools, impressive quality-of-life amenities and growing job centers.

Moreno Valley's amenities include: more than 38 parks and/or joint-use facilities (531 maintained acres) and 8,000 acres of open space at Lake Perris; recreational facilities, major medical, and educational facilities; quality housing at affordable prices, open spaces, abundant retail centers, industrial developments, social and cultural activities.

Moreno Valley has two public school districts: Moreno Valley Unified School District has 23 Elementary Schools, 6 Middle Schools, 4 Comprehensive High Schools, 1 Charter School, 1 Adult School, 1 Continuation School, 1 Community Day School, 1 Pre-School Head-Start and 1 Academic Center; 35,068 students enrolled. Val Verde Unified School District (includes Perris, Mead Valley and Moreno Valley) has 1 Preschool, 13 Elementary Schools, 4 Middle Schools, 3 High Schools, 1 Continuation High School, with a total of 20,500 students enrolled. Moreno Valley College has approximately 10,000 students enrolled.

Moreno Valley Police Department has received numerous awards. The City's public safety record is comparable to other cities of similar size, as verified by state and federal crime and traffic safety audits.

## History

An area once comprised of three rural communities, the City of Moreno Valley, incorporated in 1984, has twice emerged as one of the fastest growing cities in the US. While the City represents one of the most dynamic economic market potentials in contemporary California, this has not always been the case.

### The First Inhabitants...

The initial inhabitants of the valley were American Indians, a renegade sect of the Shoshones. These early settlers dotted the area wherever springs or rivers provided water. They developed a pastoral culture nourished by a daily staple of acorn mush supplemented by any available game and edible insects. Rock "metate" bowls used to grind the acorns are still found around Moreno Valley, as are primitive rock paintings.

This was the setting found by the first explorers from Spain who, coming north from Mexico, established various routes to Northern California, setting out well-defined trails, and constructing numerous missions, many of which stand today for the enjoyment of thousands of tourists and history aficionados. One of these trails, the Anza Trail, passes in a northwesterly direction from San Jacinto through the former community of Edgemont, terminating at Alta, California.

### **One Hundred Years Later...**

Nearly a hundred years later, in 1850, California became a state and the large Spanish land grant of San Jacinto Nuevo Y Potrero became public land, developed by ranchers and traveled over by John Butterfield's legendary but short-lived Overland Mail Company. His Tucson-to-San Francisco stage, via San Diego and Los Angeles, opened up the Temescal approach to Los Angeles, passing through the oak groves of what is now Perris Valley, continuing through what is now Moreno Valley, and over Reche Canyon into Redlands.

In 1883, Frank E. Brown formed the Bear Valley Land and Water Company. Brown ("Brown" is "Moreno" in Spanish) built a dam at Bear Valley in the San Bernardino Mountains and contracted to provide water to the tiny, and new communities of Moreno and Alessandro. In 1891, the formation of the Perris and Alessandro Irrigation District increased the demands upon Bear Valley water, and resulted in litigation with the city of Redlands which claimed priority rights. Redlands won their suit in 1899. This compounded a period of drought which forced the failure of numerous farmers who had developed a strong agricultural base of deciduous and citrus fruit trees.

### **A New Element: March Field**

1918 saw the construction of a new element in the valley's history: March Field. The military airfield was originally built on 640 acres of land purchased primarily from the Hendrick Ranch. March was established at a time when the United States was anticipating entry into World War I and was rushing to build up its military forces. March Field was first used to train fighter pilots; in 1922 the Field was closed, only to reopen again in 1927 as a flight training school. Later, March became a permanent military facility encompassing more than 7,000 acres. For more than 70 years, March Air Force Base enjoyed a long and active military history in the valley; at the height of its activity, the Base supported 85,000 troops.

In 1996, March -- home to the longest airstrip in Southern California -- was realigned as an Air Reserve Base, and is today poised for great economic growth involving public and private development.

### **The Valley Begins to Flourish...**

Over the succeeding decades, the valley began to flourish. Developers purchased large parcels of land and began constructing houses and small commercial

developments. Attractive land prices lured more developers, and below-market home prices attracted families searching for alternatives to "big city" life.

### Explosive Growth...

In the decade of the '80s, the valley experienced explosive growth, signaling the start of a major transition from rural life to urbanization. Housing construction escalated, and families from the major metropolises migrated by the tens of thousands. In a little more than a decade, the valley's population more than doubled from 18,871 residents in 1970 to 49,702 in 1984.

### A City is Born...

The need for managed growth and the desire for self-governance served as the major impetus behind the movement to incorporate the three valley communities as an independent city. The notion was not immediately favored by voters. The incorporation effort failed in the 1968 election and again in 1983. In 1984, however, the voters of Edgemont, Sunnymead and Moreno overwhelmingly passed the measure, and a new city was born.

On December 3, 1984, the City of Moreno Valley was officially incorporated as a California general law municipality. The charter City Council was also elected that year: Bob Lynn, Judith A. Nieburger, Steven Webb, J. David Horspool (the first Mayor Pro Tem), and Marshall C. Scott (the first Mayor).

## Demographics

Moreno Valley’s strength is its people. The City is the success it is today because of nearly 200,000 hard-working and community minded citizens who have chosen Moreno Valley as their home. Moreno Valley’s population has grown significantly over the past 30 years, with population increases averaging more than 4% per year since incorporation.

## Population Growth

<sup>2</sup> HdL Companies, the City’s property tax consultant (2014/15)

## Education

Moreno Valley has two public school districts: Moreno Valley Unified School District has 23 Elementary Schools, 6 Middle Schools, 4 Comprehensive High Schools, 1 Charter School, 1 Adult School, 1 Continuation School, 1 Community Day School, 1 Pre-School Head-Start and 1 Academic Center; 35,068 students enrolled. Val Verde Unified School District (includes Perris, Mead Valley and Moreno Valley) has 1 Preschool, 13 Elementary Schools, 4 Middle Schools, 3 High Schools, 1 Continuation High School, with a total of 20,500 students enrolled. Moreno Valley College has approximately 10,000 students enrolled.

## Industry and Employment

Moreno Valley has established itself as an ideal location for business and development in several areas.

### Commercial - Retail

In recent years, Moreno Valley's residents have fueled substantial growth opportunities in the commercial sector with competitively-priced housing and increasing median household incomes.

### Industrial and Office

More than 15.8 million square feet of office and industrial development is underway in a variety of product sizes, from 9,000 sq. ft. research and development units to 1.8 million sq. ft. logistics facilities. Job producing development is a primary focus. The City works closely with developers to produce facilities that draw family-supporting job opportunities to Moreno Valley. Medical office is expanding in Moreno Valley to serve our growing population. Firms find ample, well-qualified employees trained locally.

### Lodging and Hospitality

The population explosion and current growth in business development has sparked a critical need for hotel and hospitality development. Six hotel projects are currently developing more than 561 guestrooms. Residential Moreno Valley offers a wide range of housing from quality multifamily to affordable entry-level homes to executive single-family product.

## Glossary of Terms

---

### Accrual Basis of Accounting

The basis of accounting by which revenues are recorded when earned and expenditures are recorded as soon as they result in liabilities for benefits received.

### Appropriation

A specific amount of money authorized by the City Council for an approved work program or individual project.

### Assessed Valuation

A dollar value placed on real estate or other property by Riverside County as a basis for levying property taxes.

### Balanced Budget

A budget in which planned expenditures do not exceed planned funds available.

### Basis of Budgeting

Budgets are adopted on a basis consistent with accounting principles general accepted in the United States of America. Annual appropriated budgets are adopted for all departments within the general, special revenue and capital projects funds.

### Beginning/Ending Fund Balance

Unencumbered resources available in a fund from the prior/current year after payment of the prior/current year expenses.

### Bond

A certificate of debt issued by an entity, guaranteeing payment of the original investment, plus interest, by a specified future date.

### Budget

An annual financial plan that identifies revenues, types and levels of services to be provided, and the amount of funds that can be spent.

### Budget Calendar

The schedule of key dates or milestones, which the city follows in the preparation and adoption of the budget.

### Budget Message

A general discussion of the preliminary/adopted budget presented in writing as part of, or supplement to, the budget document. Explains principal budget issues against the background of financial experience in recent years and presents recommendations made by the City Manager.

### **CalPERS**

The California Public Employees Retirement System, which is the agency providing pension benefits to all City employees.

### **Capital Expenditures**

Typically are expenditures related to major construction projects such as roads, buildings, and parks. These expenditures are typically capitalized and depreciated over time.

### **Capital Improvement Program**

A multi-year financial plan containing proposed construction of physical assets, such as park, street, cultural, and recreation facilities. This program has identified all projects, which are the responsibility of the City between the present to build out.

### **Capital Projects**

Projects that purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

### **Capital Outlay**

Equipment (fixed assets) with a value of \$5,000 or more (or \$1,000 for electronic equipment) and an estimated useful life of more than one year, such as automobiles and office furniture, which appear in the Operating Budget.

### **Community Development Block Grants (CDBG)**

Funds established to account for revenues from the federal government and expenditures as prescribed under the Community Development Block Grant program.

### **Comprehensive Annual Financial Report (CAFR)**

Financial report organized by fund, which provides a balance sheet that compares assets with liabilities and fund balance. The CAFR is also an operating statement that compares revenues with expenditures.

### **Contingency**

An appropriation of funds to cover unforeseen events that occur during the fiscal year, such as federal mandates, shortfalls in revenue, and similar eventualities.

## **Council-Manager Form of Government**

An organizational structure in which the Mayor and City Council appoint an independent City Manager to be the chief operating officer of a local government. In practice, a City Council sets policies and the city manager is responsible for implementing those policies effectively and efficiently.

## **Continuing Appropriations, or Carryovers**

Funding approved in the current budget but not expended during a particular fiscal year. These appropriations are carried forward into the next fiscal year for their original intended purpose.

## **Cost Allocation**

A method used to charge General Fund overhead costs to other funds, such as enterprise funds and internal service funds.

## **Debt Service**

The payment of principal and interest on borrowed funds, such as bonds.

## **Department**

An organizational unit comprised of programs or divisions. Examples include the Police Department, Library, and Human Resources Department.

## **Encumbrance**

A legal obligation to expend funds for an expenditure that has not yet occurred.

## **Enterprise Fund**

A fund type established to account for the total costs of selected governmental facilities and services that are operated similar to private enterprises.

## **Equipment Outlay**

A category of expenditures that captures purchases of capital equipment, such as furniture, vehicles, large machinery, and other items.

## **Estimate**

Represents the most recent estimate for current year revenue and expenditures. Estimates are based upon several months of actual expenditure and revenue experience and consider the impact of unanticipated price or other economic factors.

## **Expenditure**

The actual spending of funds set aside by appropriation for identified goods and services.

### **Fee**

A general term used for any charge levied by government for providing a service or performing an activity.

### **Fines, Forfeitures, and Penalties**

Revenue category that contains monies resulting from violations of various City and state laws, and from damage to City property.

### **Fiscal Year**

A twelve-month period of time designated as the budget year. The City of Moreno Valley's fiscal year is July 1 to June 30.

### **Full-Time Equivalent (FTE)**

A position converted to the decimal equivalent of a fulltime position based on 2,080 hours per year.

### **Fund**

A set of inter-related accounts to record revenues and expenditures associated with a specific purpose.

### **Fund Balance**

The amount of financial resources in a given fund that are not restricted to fund existing commitments and are therefore available for any use permitted for the fund.

### **GANN Limit (Proposition 4)**

Under this article of the California Constitution, the City must compute an annual appropriation limit that states a ceiling on the total amount of tax revenues the City can appropriate annually.

### **Generally Accepted Accounting Principles (GAAP)**

Uniform minimum standards used by state and local governments for financial recording and reporting that have been established by the accounting profession through the Governmental Accounting Standards Board (GASB).

### **General Fund (1010)**

The primary fund used by the City for which revenues and expenditures are not legally restricted for use. Examples of departments operating within the General Fund include Fire, Police, and City Manager.

### **Governmental Accounting Standards Board (GASB)**

The Governmental Accounting Standards Board (GASB) was organized in 1984 by the Financial Accounting Foundation (FAF) to establish standards of financial accounting and reporting for state and local governmental entities. Its standards guide the preparation of external financial reports of those entities.

### **Grant**

Contributions of cash or other assets from another governmental agency or other organization to be used or expended for a specific purpose, activity or facility.

### **HUD**

The United States Department of Housing and Urban Development.

### **Infrastructure**

Facilities that support the daily life and growth of the City, for example, roads, water lines, and sewers.

### **Interfund Transfers**

A transfer of funds between departments/ funds for specific purposes as approved by the appropriate authority.

### **Internal Service Funds**

A fund for financing and accounting for a department's (or division's) work for other fund transfers.

### **Levy**

To impose taxes, special assessments, or charges for the support of city activities.

### **Licenses and Permits**

Revenue category that accounts for recovering costs associated with regulating business activity.

### **Mission Statement**

A broad statement that describes the reason for existence of an organization or organizational unit, such as a department.

## **NPDES**

The National Pollution Discharge Elimination System, which is a permitting process with which the City is required to comply to ensure that storm water runoff is not contaminated.

### **Objective**

Describes an outcome to be accomplished in specific well defined and measurable terms and is achievable within a specific timeframe.

### **Ordinance**

A formal legislative enactment by the governing board (City Council) of a municipality. If it is not in conflict with any higher form of law, an Ordinance has the full force and effect of law within the boundaries of the municipality to which it applies.

### **Operating Budget**

The annual appropriation of funds for on-going program costs, which include salaries, benefits, maintenance, operation, and capital outlay items.

## **PERS**

The California Public Employees Retirement System, which is the agency providing pension benefits to all City employees.

### **Personnel Expenses**

An expenditure category that captures expenses related to employee compensation, such as salaries and fringe benefits. Personnel expenses include salaries, pensions, retirement, special pay, and insurance for full-time and part-time employees of the City.

### **Program**

Represents major areas or support functions; defined as a service provided to citizens, other departments, or other agencies.

### **Proposed Budget**

A balanced budget presented to the City Council by the City Manager. Any City Council changes to the proposed Budget are incorporated into the final adopted budget.

### **Request for Proposals**

A written solicitation issued by a Using Agency which generally describes the Goods or Services sought to be Procured by the City, sets forth minimum standards and criteria for evaluating proposals submitted in response to it, generally describes the format and content of proposals to be submitted, provides for negotiation of terms and conditions of

the Procurement Contract and may place emphasis on described factors other than price to be used in evaluating proposals.

### **Revenues**

Funds received from the collection of taxes, fees, permits, licenses, interest, and grants during the fiscal year.

### **Schedule**

A summary of expenditures, revenues, positions, or other data that reflects funding sources and spending plans of the budget and capital improvement programs.

### **Special Project**

An account created for operating expenditures that relate to a specific project or program and should therefore be segregated from general expenditures in the Section housing the Special Project.

### **Special Revenue Funds**

Revenues received that have specific purposes for which they are earmarked.

### **Transfers**

Authorized exchanges of money, positions, or other resources between organizational units or funds.

### **Transient Occupancy Tax (TOT)**

A tax that is levied on occupants of hotel and motel rooms in the City.

### **VLF**

Vehicle license fees, which are collected by the State of California when vehicles are registered with the California Department of Motor Vehicles and distributed to various public agencies, including the City.

## RESOLUTION NO. HA 2015-03

A RESOLUTION OF THE MORENO VALLEY HOUSING AUTHORITY OF THE CITY OF MORENO VALLEY, CALIFORNIA, ADOPTING THE BUDGET FOR FISCAL YEARS 2015/16 - 2016/17

WHEREAS, the City Manager has heretofore submitted to the Chairman and Commissioners of the Moreno Valley Housing Authority a Proposed Budget for the Authority for Fiscal Years 2015/16 - 2016/17, a copy of which, as may have been amended by the Housing Authority's Board of Directors, is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said Proposed Budget contains estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the Housing Authority; and

WHEREAS, the said Proposed Budget contains the estimates of uses of fund balance as required to stabilize the delivery of Housing Authority services; and

WHEREAS, the Chairman and Commissioners have made such revisions to the Proposed Budget as so desired; and

WHEREAS, the Proposed Budget, as herein approved, will enable the Housing Authority to make adequate financial plans and will ensure that Housing Authority officers can administer their respective functions in accordance with such plans.

NOW, THEREFORE, THE MORENO VALLEY HOUSING AUTHORITY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. The Proposed Budget, as Exhibit A to this Resolution and as on file in the Office of the City Clerk is hereby approved and adopted as the Annual Budget of the Moreno Valley Housing Authority for the Fiscal Years 2015/16 - 2016/17.
2. The amounts of proposed expenditures, which include the uses of fund balance specified in the approved budget, are hereby appropriated for the various budget programs and units for said fiscal year.
3. Pursuant to Section 53901 of the California Government Code, by no later than August 30, 2015, the City Clerk shall file a copy of this Resolution with the Auditor/Controller of the County of Riverside.
4. Within fifteen (15) days after the adoption of this Resolution, the City Clerk shall certify to the adoption hereof and, as so certified, cause a copy to be posted in at least three (3) public places within the City.

## RESOLUTION NO. CSD 2015-26

A RESOLUTION OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT OF THE CITY OF MORENO VALLEY, CALIFORNIA, ADOPTING THE BUDGET FOR FISCAL YEARS 2015/16 - 2016/17

WHEREAS, the City Manager has heretofore submitted to the President and Board Members of the Moreno Valley Community Services District a Proposed Budget for the District for Fiscal Years 2015/16 - 2016/17, a copy of which, as may have been amended by the District's Board of Directors, is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said Proposed Budget contains estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the Community Services District; and

WHEREAS, the said Proposed Budget contains the estimates of uses of fund balance as required to stabilize the delivery of CSD services during periods of operational deficits; and

WHEREAS, the President and Board of Directors have made such revisions to the Proposed Budget as so desired; and

WHEREAS, the Proposed Budget, as herein approved, will enable the Community Services District to make adequate financial plans and will ensure that District officers can administer their respective functions in accordance with such plans.

NOW, THEREFORE, THE MORENO VALLEY COMMUNITY SERVICES DISTRICT OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. The Proposed Budget, as Exhibit A to this Resolution and as on file in the Office of the City Clerk is hereby approved and adopted as the Annual Budget of the Moreno Valley Community Services District for the Fiscal Years 2015/16 - 2016/17.
2. The amounts of proposed expenditures, which include the uses of fund balance specified in the approved budget, are hereby appropriated for the various budget programs and units for said fiscal year.
3. Pursuant to Section 61047 of the California Government Code, compensation for the City Council acting in the capacity of the Directors of the Community Services District, shall be \$100 per meeting or for each day's service rendered as a Director, not to exceed six days or \$600 in any calendar month. In addition, the Directors shall be compensated for actual and necessary

traveling and incidental expenses incurred while on official business.

- 4. Pursuant to Section 53901 of the California Government Code, by no later than August 30, 2015, the City Clerk shall file a copy of this Resolution with the Auditor/Controller of the County of Riverside.
- 5. Within fifteen (15) days after the adoption of this Resolution, the City Clerk shall certify to the adoption hereof and, as so certified, cause a copy to be posted in at least three (3) public places within the City.

APPROVED AND ADOPTED this 23rd day of June, 2015.

City of Moreno Valley

Date Council Approved \_\_\_\_\_

Date Effective \_\_\_\_\_

**CLASS SPECIFICATION**  
**Business License Liaison**

**GENERAL PURPOSE**

Under general supervision, performs field and office work to identify businesses that are not in compliance with the business license provisions of the City's Municipal Code and to assist them to becoming compliant; review and process business license applications; and performs related duties as assigned.

**DISTINGUISHING CHARACTERISTICS**

Business License Liaison performs complex and highly responsible duties in the preparation, administration and maintenance of business license and other accounting transactions and records, ensuring that these functions are carried out in an accurate, timely manner in accordance with legal requirements and sound financial management principles and practices.

**ESSENTIAL DUTIES AND RESPONSIBILITIES**

The duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to this class.

1. Provides information and responds to inquiries from business owners and members of the public in the field, at the public counter and over the phone.
2. Identifies business activities and businesses operating through the use of field surveys, computerized databases, published business lists and other resources to assure proper compliance with the business tax and other fee requirements.
3. Performs on-site inspections of various commercial or residential business establishments, transient businesses and construction sites for valid and proper business license.
4. Check businesses for proper display of business tax certificates.
5. Investigate applicants for a variety of business tax categories, including such things as commercials stores, contractor and subcontractors, and others.
6. Maintain business tax files and records. Enters and updates business owners regarding the status of their accounts.
7. Reviews and processes business license applications, renewals and other business records to determine the adequacy of tax and fees paid both in the field and in the office.
8. Accepts business tax payments and issues appropriate receipts.
9. Issues notices of non-compliance to businesses operations delinquent in paying the business tax.

10. May issue citations to businesses operating in violation of the Municipal Code.
11. May prepare evidence files on businesses operating in a manner that does not comply with the Municipal Code.
12. Uses a City vehicle to perform field inquiries of business tax compliance.

## QUALIFICATIONS

### Knowledge of:

1. General characteristics of a wide variety of businesses commonly requiring business tax certificates.
2. Research techniques useful in reviewing business activities to ensure compliance with business tax requirements.
3. Effective customer service techniques.
4. Principles and practices of record keeping.
5. Standard office practices and procedures.
6. Principles and practices of sound business communication.

### Ability to:

1. Analyze information, identify problems, develop solutions and implement recommendations in support of City, department and division goals.
2. Read, interpret, apply and explain municipal codes and ordinances related to business licenses, special events and other.
3. Provide effective customer service.
4. Make basic arithmetic calculations accurately and quickly.
5. Complete, compile, file and maintain accurate records and reports.
6. Understand and follow written and oral instructions.
7. Organize, set priorities and exercise sound judgment within established guidelines.
8. Process and audit a high volume of business renewals.
9. Follow applicable safety rules.
10. Communicate clearly and effectively, both orally and in writing.
11. Use standard office equipment, including personal computer and applicable software applications.
12. Interpret, apply and reach sound decisions in accordance with City rules, policies and department procedures.

13. Establish and maintain effective working relationships with supervisors, staff of other departments, customers, the public and others encountered in the course of work.

**Education, Training and Experience:**

A typical way of obtaining the knowledge, skills and abilities outlined above is a high school diploma or equivalent; and at least three years of experience in public contact work involving research or inspection skills, code compliance enforcement, interpreting and enforcing laws, codes and other regulations. Experience in a public agency is especially desirable.

**Licenses; Certificates; Special Requirements:**

Possession of a valid California Class C driver license and the ability to maintain insurability under the City's vehicle insurance policy. A valid Certified Revenue Officer certification is desirable.

**PHYSICAL AND MENTAL DEMANDS**

The physical and mental demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

**Physical Demands**

While performing the duties of this class, employees are regularly required to sit; talk or hear, in person and by telephone; use hands repetitively to finger, handle, feel or operate computers and other standard office equipment; and reach with hands and arms. Employees are frequently required to walk and stand; and lift up to 10 pounds.

Specific vision abilities required by this job include close vision and the ability to adjust focus.

**Mental Demands**

While performing the duties of this class, employees are regularly required to use written and oral communication skills; read and interpret data; use math and mathematical reasoning; analyze and solve problems; learn and apply new information and skills; perform highly detailed work on multiple, concurrent tasks; and interact with City staff, customers, the public and others encountered in the course of work.

**WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Employees work under typical office conditions and regularly works in outside weather conditions. The employee is occasionally exposed to wet or humid conditions, vibration, airborne particles, toxic or caustic chemicals, and risk of electrical shock. The noise level is occasionally loud.

2. Prepare and maintain a variety of reports and records.
3. Operate and maintain equipment and tools used in the field.
4. Identify and implement effective courses of action to complete assigned work.
5. Coordinate work assignments with other divisions and departments.
6. Develop and implement foals, objectives, policies, procedures, work standards and internal controls.
7. Exercise independent judgment and initiative without close supervision.
8. Prepare basic records and reports.
9. Read and interpret manuals, specifications and drawings.
10. Use shop mathematics to make calculations.

11. Safe work methods and safety regulations pertaining to the work.
12. Establish and maintain effective working relationships with City management, staff, vendors and others encountered in the course of work.

**Education, Training and Experience:**

A typical way of obtaining the knowledge, skills and abilities outlined above is graduation from high school or G.E.D. equivalent; five years of related journey-level mechanic experience, including two years of lead/supervisory experience, preferably in management of a commercial or government fleet.

**Licenses; Certificates; Special Requirements:**

A valid California Class B driver's license and the ability to maintain insurability under the City's vehicle insurance policy. A valid California Class A driver's license or the ability to obtain one within 12 months of hire is highly desirable. ASE Certification in automobiles and/or medium/heavy trucks.

**PHYSICAL AND MENTAL DEMANDS**

The physical and mental demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

**Physical Demands**

While performing the duties of this job, the employee is frequently required to use hands to finger, handle, feel or operate objects, tools or controls; and reach with hands and arms. The employee is occasionally required to climb or balance, stoop, kneel, crouch or crawl, walk, sit and talk or hear. The employee must regularly lift and/or move up to 50 pounds and frequently over 100 pounds. Specific vision abilities required by this job include close vision, color vision and the ability to adjust focus.

**Mental Demands**

While performing the duties of this class, employees are regularly required to use written and oral communication skills; read and interpret data, information and documents; analyze and solve basic problems; use simple math and mathematical reasoning; observe and interpret situations; learn and apply new information or new skills; work under deadlines with interruptions; and interact with City management, staff, vendors and others encountered in the course of work.

**WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The employee frequently works near moving mechanical parts or in outside weather conditions and is occasionally exposed to wet and/or humid conditions, fumes, toxic or caustic chemicals. The noise level is moderately noisy.

Date Effective \_\_\_\_\_

**CLASS SPECIFICATION**  
**Building Safety Supervisor**

**GENERAL PURPOSE**

Under general supervision, performs highly skilled specialty technical work in the enforcement of building, zoning, fire, mechanical, plumbing, electrical, sanitation and related codes and regulations governing housing, new building construction, and remodeling, repair and use; acts as a lead and schedules, assigns, directs, reviews and evaluates the work of building safety staff; provides training and guidance to assigned staff; and performs related duties as assigned.

**DISTINGUISHING CHARACTERISTICS**

Building Safety Supervisor supervises the work of assigned staff responsible for permit issuance, plan review and conducting building inspections and to ensure enforcement of state and municipal codes and ordinances in the Building Safety Division. The incumbent may also perform the more complex inspection, plan reviews and investigations and coordinate work with other City departments and governmental agencies to ensure the Division's objectives are met. Duties and responsibilities are carried out with a high degree of independence within the framework of established policies, procedures and regulations.

Building Safety Supervisor is distinguished from Building & Neighborhood Services Division Manager in that the latter class is responsible for planning, managing, directing, evaluating, supervising and overseeing the work of an entire Division's staff.

**ESSENTIAL DUTIES AND RESPONSIBILITIES**

The duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to this class.

1. Plans, organizes, supervises and evaluates the work of assigned staff; participates in establishing operational plans and initiatives to meet division goals and objectives; implements division plans, work programs, processes, procedures and policies required to achieve overall division performance results; coordinates and integrates functions and responsibilities to achieve optimal efficiency and effectiveness; participates in developing and monitoring performance against the annual budget.
2. Plans and evaluates the performance of assigned staff; establishes performance requirements and personal development targets; monitors performance and provides coaching for performance improvement and development; provides or recommends compensation and other rewards to recognize performance; takes disciplinary action, up to and including termination, to address performance deficiencies, subject to management concurrence, in accordance with the City's human resources policies and procedures and labor contract provisions.

3. Provides leadership and works with staff to develop and maintain a high performance, customer service-oriented work environment that supports achieving the City's mission, strategic goals and core values.
4. Conducts complex and difficult structural building inspections on commercial, industrial and residential structures, requiring interpretation and application of state and local codes, related regulations and restrictions.
5. Performs general inspections of work under permit in the City to enforce building, zoning, housing, fire, plumbing, electrical, sanitation and related codes and regulations; reviews plans and specifications for building and related construction, installation, repair, replacement and alteration in compliance with codes.
6. Inspects sites and buildings before construction or alteration for adequacy of plans, use of occupancy, compliance with regulations, and validity of permits; inspects construction or alterations in progress for conformity with approved construction and installation practices; makes final inspections to clear permits; provides technical and referral information to contractors, supervisors and owners on construction and alteration methods and materials.
7. Answers inquiries from and advises property owners, builders and the public regarding compliance with City municipal and building codes; represents the City in public and community meetings and provides information to the public on City building safety policies and regulations; responds to citizen complaints regarding potential code violations; conducts research regarding property ownership, current and past permits and applications and applicable codes; prepares administrative search or seizure warrants or warrants for demolition; obtains warrants to perform inspections of property, abatements of property or to demolish buildings; coordinates enforcement actions with other City departments and other governmental agencies when necessary; performs sweeps and special details with policy staff, fire inspectors, and representative of other governmental agencies; represents the City in court and at administrative hearings and testifies regarding code violations.
8. Interprets codes and regulations, explains the City's building plan review, permit issuance and inspection programs and gives advice relevant to construction, repair methods and materials to owners, architects, engineers, contractors, lending institutions, realtors and utility companies; determines status of major projects nearing completion and coordinates conditional releases and approvals as needed.
9. Determines appropriate actions in response to code violations; issues "stop work" and "no occupancy" orders; writes citations and warning letters; investigates complaints concerning new or existing construction or work involving a permit; investigates and resolves contractor, owner-builder and developer disputes and customer concerns regarding inspection staff or building codes.
10. Maintains records and files of inspections made.

#### **OTHER DUTIES**

1. Supervises special surveys of housing conditions.
2. Assists at the public counter as required.

3. Performs plan reviews as required.
4. Serves as Building Official in that individual's absence as needed.

## QUALIFICATIONS

### Knowledge of:

1. Principles and methods used in various building construction craft areas, including all applications, materials and tools — from large-scale construction to installation of equipment and appliances — applicable to electrical, plumbing, structural and mechanical disciplines.
2. Modern methods of building construction and principles of structural design.
3. Principles, procedures and methods of building inspection.
4. Laws, ordinances and codes regulating building construction and zoning.
5. Appropriate safety and fire prevention methods in construction.
6. Principles and practices of effective supervision.
7. City Human Resources policies and practices and labor contract provisions.

### Ability to:

1. Review plans and specifications for building and related construction and determine compliance of plans with regulations and validity of permits.
2. Inspect building sites accurately and consistently applying provisions of the City's building codes.
3. Communicate clearly and effectively, both orally and in writing.
4. Resolve job-related problems with property owners and contractors, architects, tenants, engineers, realtors and representatives of city and outside organizations and firms.
5. Prepare clear, concise and comprehensive correspondence, reports and other written materials.
6. Provide lead direction and training to assigned staff.
7. Make sound independent judgments in complex, difficult inspection work within established guidelines.
8. Exercise tact and diplomacy in dealing with sensitive and complex issues and situations.
9. Establish and maintain effective working relationships with City management, staff, owners, architects, engineers, contractors, lending institutions, realtors, utility companies and others encountered in the course of work.

**Education, Training and Experience:**

A typical way of obtaining the knowledge, skills and abilities outlined above is graduation from high school or G.E.D. equivalent; completion of two years of college-level course work in construction management, architecture or a related field; and five years of journey-level building inspection, structural design or plan check experience; or an equivalent combination of training and experience.

**Licenses; Certificates; Special Requirements:**

A valid California driver's license and the ability to maintain insurability under the City's vehicle insurance policy.

A current, valid certification as a Building Inspector through I.C.C. Also a valid certification as Plans Examiner through I.C.C., or obtained within one year of hire.

**PHYSICAL AND MENTAL DEMANDS**

The physical and mental demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

**Physical Demands**

While performing the duties of this job, the employee is regularly required to use hands to finger, handle, feel or operate objects, tools, or controls and reach with hands and arms. The employee frequently is required to stand and talk or hear. The employee is frequently required to walk; sit; climb or balance; bend, grasp, stoop, kneel, crouch, twist, climb ladders or inclines, or crawl. The employee must frequently lift and/or move up to 50 pounds.

Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

**Mental Demands**

While performing the duties of this class, employees are regularly required to use written and oral communication skills; read and interpret data, information and documents; analyze and solve problems; use math and mathematical reasoning; observe and interpret situations; learn and apply new information or new skills; work under deadlines with constant interruptions; interact with City management, staff, owners, architects, engineers, contractors, lending institutions, realtors, utility companies and others encountered in the course of work, some of whom may be dissatisfied or quarrelsome.

**WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The employee may work in outside weather conditions, exposed to heat, cold, wind, rain and other conditions. The employee, at times, works near moving mechanical parts, is exposed to wet and/or humid conditions and vibration, and works in confined or high, precarious places. The employee is occasionally exposed to fumes or airborne particles, toxic or caustic chemicals, dust and soil, slippery and uneven surfaces, risk of electrical shock and moving traffic. The noise level is frequently loud.

PROPOSED TWO YEAR BUDGET FISCAL YEARS 2015/16 – 2016/17

PRESENTATION BY: Michelle Dawson, City Manager  
Richard Teichert, Chief Financial Officer  
Marshall Eyerman, Financial Resources Division Manager

Attachment: Final Budget Adoption 6-23-15 (1548 : ADOPTION OF THE FISCAL YEAR 2015/16 ? 2016/17

# MORENO VALLEY'S CURRENT FINANCIAL STATUS

# FY 2013/14 – 2014/15 Budget

- The City has emerged from the last deficit in FY 2012/13
- Balanced budget for the last two years
- Growing fund balance

General Fund	FY 2013/14	FY 2014/15 Amended Budget
Total Revenues & Transfers In	82,042,808	85,716,131
Total Expenditures & Transfers Out	(75,861,257)	(84,659,976)
<b>Change of Fund Balance</b>	<b>\$ 6,181,551</b>	<b>\$ 1,056,155</b>
<b>Unrestricted Fund Balance</b>	<b>27,536,445</b>	<b>28,592,600</b>

PROPOSED BUDGET

FY 2015/16 – 2016/17 BUDGET PROCESS

# Budget Calendar

- February: Long Range Business Projections reviewed
- April - June: Public review of the Proposed Budget
- April - June: Meetings and responses to Council Member request
- May 5: City Council Study Session
- May 12: City Council Meeting
- May 19: City Council Study Session
- May 26: City Council Meeting
- June 9: City Council Meeting
- June 18: Town Hall Meeting
- June 23: City Council Meeting
- July 1: Budget effective
  
- Future: User fees/Development Impact Fees/Quimby study
- Future: Quarterly budget reviews and study sessions

PROPOSED BUDGET

## Public Comments Received

- No new or raising of taxes
  - No increases or new taxes are proposed in budget
- Tired of paying higher taxes
  - City only receives approx. 11% of property taxes, remaining portion to County, schools and other special districts
  - General Fund revenue per capita less than 70% for similar regional cities
- No creating new jobs or increases to staffing
  - Budget proposes a net reduction of (6) positions
  - Some positions re-classed to absorb additional workloads due to lower staffing levels

## Public Comments Received

- Expenditure growth should be limited to 2%
  - Excluding fleet transfers, proposed budget increases 4-5% or \$3.5-4.5M
  - Cost driven by contractual services, including Police (10%) and Fire (5%)
- Not enough money to do what we are doing now, Still in the red, Still don't have enough money
  - Budget has been balanced for two years and is proposed to be balanced for next two years.
- Take this back to study session
  - Six public meetings have occurred based on Council direction
- Is Moreno Valley paying for police calls for service in unincorporated areas
  - City is billed only for police hours serving the City

## Public Comments Received

- The City is spending all of its reserves and we will have no more reserves
  - Reserve fund balance has grown approx. \$3M since FY 12/13
  - Proposed budget continues to add approx. \$525,000
- Why are we changing the policies of the past two years
  - Proposed budget represents a “rollover” budget
- How are we encouraging job growth
  - Focus on Economic Development
  - Over 4,000 jobs have been created since 2013

## Budget Development Approach

- Budget Instructions
  - Maintain a balanced budget
  - Maintain existing service levels
  - Maintain rollover budget amounts
- Create a foundation for the future growth of the City through essential investments in operations (Econ. Dev.)
- City positioned to address ongoing challenges
  - Council will amend the budget throughout the FYs
  - Continue to bring back items for Council Study Sessions
  - Provide fiscal updates and make timely adjustments to the budget through quarterly reviews

FY 2015/16 – 2016/17 PROPOSED BUDGET

# Expenditures – All Funds

Expenditures by major fund type and component unit of the City.

- Structurally balanced
- Contract rates continue to increase

Budget Expenditure Summary		
Fund/Component Unit	FY 2015/16 Proposed	FY 2016/17 Proposed
General Fund	\$ 91,635,196	\$ 95,154,160
Community Services District (CSD)	19,313,385	19,851,779
Successor Agency	5,394,517	5,395,517
Housing Fund	72,000	72,000
Special Revenue Funds	27,817,559	27,513,046
Capital Projects Funds	2,391,884	2,410,500
Enterprise Funds	23,688,897	23,549,201
Internal Service Funds	20,106,545	11,915,579
Debt Service Funds	6,237,300	6,670,800
<b>Total Budget</b>	<b>\$ 196,657,283</b>	<b>\$ 192,532,582</b>

PROPOSED BUDGET

## General Fund

- Summary of key expenditure changes proposed for FY 2015/16 (\$7M increase)
  - Police contract - \$3.0M
    - Estimated 10% contract increase
  - Fire contract – \$700,000
    - Estimated 5% contract increase
  - Technology Services – \$800,000
    - Maintenance, replacement, and operation costs for previously approved technology
  - Vehicle replacement - \$2.5M
    - Expense offset with equal transfer in
  - Approved employee MOUs- \$700,000

## General Fund

- Summary of key expenditure changes proposed for FY 2016/17 (\$3.5M increase)
  - Police contract - \$2.8M
    - Estimated 8% contract increase
  - Fire contract – \$800,000
    - Estimated 5% contract increase
  - Approved employee MOUs - \$300,000

## General Fund - Unrestricted Fund Balance

- FY 2014/15 Projected \$28.6M
- FY 2015/16 projected \$28.8M
- FY 2016/17 projected \$29.1M
- Unassigned funds may be used to cover annual cash flow requirements and reserves.

# Expenditures - Personnel

# Expenditures - Departments

- 12 Departments
- All technology costs now reflected in Finance
- Public safety 63%

# Revenue - Property Taxes

# Revenue – Sales Tax

# Revenue - Utility Users Tax

## General Fund Revenue

Revenues returning

- Still not at pre-recession levels
- Costs have continued to increase

General Fund Revenue Projections		
Fund/Component Unit	FY 2015/16 Proposed	FY 2016/17 Proposed
Taxes:		
Property Tax	\$ 12,072,224	\$ 12,736,197
Property Tax in-lieu	15,732,303	16,597,580

FY 2015/16 – 2016/17 OPTIONS – POSITION CONTROL

# Position Control – Key Changes

## Transfers (no fiscal impact)

- Special Districts Div. to Public Works
- Moreno Valley Utility to Finance & Management Services
- Exec. Asst. and Management Analyst from Police

## New positions

- Business License Liaison (self-funded)
- Sr. Accountant (MVU)
- Facilities Maintenance Worker (PT)

Net result:  
 Reduction of 6 positions

## Position Reductions

- Gas Tax - Management Asst., Accounting Technician, Sr. Engineers, Assoc. Engineer
- Fire Prevention – Fire Inspectors, Fire Safety Specialist
- Special Districts – Program Manager

## New Job Classifications

- Fleet Maintenance Supervisor
- Building Safety Supervisor

## Council Discussion and Direction

- Recommend proposed position control/staffing

FY 2015/16 – 2016/17 OPTIONS – FIRE DEPARTMENT

# Fire Department

## Contract Summary

- Operations \$15M / Prevention \$1M

## Positions

- Operations: 2 City / 69 contract positions
- Prevention: 3 City / 8 contract positions
- Emergency Management: 3 City positions

## Fire Stations

## Fire Department

Summary of presentation to Public Safety Sub-Committee:

- Per capita spending in Moreno Valley ranked as the 3<sup>rd</sup> lowest amongst the 18 cities surveyed
- Moreno Valley tied for 3<sup>rd</sup> lowest in the number of firefighters per 1000
- Moreno Valley is the lowest on spending when compared to other cities of similar population

## Council Discussion and Direction

- Recommend existing Fire Services as included in the proposed budget
- Other Council actions as discussed or recommended
- 

FY 2015/16 – 2016/17 OPTIONS – LIBRARY SERVICES

## Library Services

### Existing Facility

- 14,000 sq. ft. facility.
- Library building is 28 years old
  - No reserves for building replacement
- Average annual operations/maintenance/facility expenses of \$76,600
  - \$383,000 spent over the last five years
- Current repairs
  - \$8,155 Termite Fumigation
  - \$179,000 for new HVAC system
    - Library is designated cooling center

## Library Services

### Existing operations

- \$1.75M budget

### Proposed operating costs for an additional location

- Estimated 5,000-7,000 sq. ft. store front facility
- Start-up costs \$700,000
- Annual operations \$500,000. Excludes facility lease

### Financing alternatives

- Zone L parcel fee previously proposed to voters in 2001
  - 9.5% voted, 43% voted "Yes"
  - Required 2/3 approval of registered voters
  - Additional \$20 per parcel could generate \$1M

## Council Discussion and Direction

- Recommend existing Library services as included in the proposed budget
- Discuss additional library services and a possible Library parcel tax at the September study session

FY 2015/16 – 2016/17 OPTIONS - FLEET OPERATIONS

# Fleet Operations

- Prior Council direction was to defer replacements until after the recession

- Current vehicle Inventory

- Cars/trucks (80)
- Working trucks (60)
- Specialty (28)
- Equipment (33)
- Approx. 50% 10 years or older after current replacements

- Replacement plan

- 20% of fleet for two years to catch up from last seven years
- Oldest vehicles/highest needs replaced first
- Lengthen replacement plan/schedule for most vehicles going forward
- Supports program service levels, reliability, emergency preparedness

# Fleet Operations

- Financials
  - Total fleet replacement value \$12M
  - Reserve \$900,000 for replacement annually
  - Fund balance of \$8M
- Impacts of delaying replacements
  - Parts and vehicle cost continue to increase
  - Repair budget increasing approx. 25% annually
  - Additional "down-time"
  - Three year delay could cost an additional \$780,000

### Vehicle/Equipment Maintenance/Repair Parts 3-Year Cost History & Projection

PROPOSED BUDGET

# Fleet Operations

## VEHICLE/EQUIPMENT REPLACEMENT PLAN CRITERIA

- Replacement Thresholds
  - 10 Years or 100K miles – All vehicles/equipment except street sweepers
    - Anticipated repair requirements
    - Repair parts availability
  - 7 Years – Street sweepers
  - Note: Current Average Age of Fleet is 13 Years
- Comparison of Replacement Criteria (U.S. Government General Services Administration)
 

• Passenger Vehicles:	3 – 5 Years
• Light Trucks:	7 – 8 Years
• Medium Trucks:	10 Years
• Heavy Trucks:	12 Years
- Future Purchase of “Good Quality” Used Vehicles
  - All non-specialty vehicles, when possible
  - Good Quality = Max 2 yrs old, Max 35K miles

PROPOSED BUDGET

Attachment: Final Budget Adoption 6-23-15 (1548 : ADOPTION OF THE FISCAL YEAR 2015/16 ? 2016/17

## Fleet Operations

### VEHICLE/EQUIPMENT REPLACEMENT PLAN CONSIDERATIONS

- Cost Savings: 780K (current costs vs. 3-year delay)
  - Cumulative CPI savings
  - Cumulative repair parts cost escalation
- Safety
  - Commercial vehicle safety requirements
  - Special certifications (boom trucks)
  - Employee safety
  - Public safety
- Reliability
  - Decreased "down-time" = Decreased program service level impacts
  - Working conditions (off-road, construction site, storm/weather events)
  - Emergency response
- Regulatory Requirements
  - Current and potential future air quality mandates

## Council Discussion and Direction

- Continue with long-term fleet replacement business process as included in the proposed budget
- Other action as recommended or discussed by City Council

FY 2015/16 – 2016/17 OPTIONS – DISCRETIONARY/BACKFILL FUNDING

## Discretionary/Backfill Funding

Citywide discretionary accounts

- Each Council Member receives \$3,000 annually
- City Manager oversees \$125,000 (proposed budget reduces to \$50,000)
  - Typically used for various one-time, unanticipated study costs

Community Development Software Upgrade

- Accela contract awarded in March by City Council
- Standard 10% (\$200,000) project contingency
- \$400,000 for new position and temporary staff "backfill"

Capital Improvement Projects typically require 5-10% contingency

- Restricted for project use

## Council Discussion and Direction

- Retain current proposed budget with City Manager's contingency reduced from \$125,000 to \$50,000
- Other Council action as directed/discussed

FY 2015/16 – 2016/17 OPTIONS - POLICE

## Police Department

Police Department service levels:

- Proposed budget maintains current level of service
- 151 Sworn positions, including:
  - 9 Sworn positions – Motorcycle
  - 3 Sworn positions - K-9
- 49 Non-Sworn positions , including:
  - 20 Community Service Officers (CSO)
    - Each CSO costs \$109,000
    - Limited scope of service to support Patrol Officers

## Police Department - Motorcycles

Under the current contract, the City has opted for additional dedicated services.

- Motorcycle Officers (9 + 1 Sergeant)
  - Each Officer costs \$311,000
    - Includes motorcycle, fuel, training, operational costs.
  - Sergeant costs \$229,000
  - Total program costs in excess of \$3M
- Comparative Patrol Officers (9 + 1 Sergeant)
  - Each Officer costs \$302,500
    - Includes fuel, training, operational costs.
  - Sergeant costs included in rate
  - Total program costs in excess of \$2.7M. Savings of approx. \$300,000
    - Potential reduction to traffic enforcement

## Police Department – K9

- K-9 Units (3 Teams)
  - Each Officer costs \$314,000
    - Includes fuel, training, operational costs, Vet., kennel, food.
  - Total program costs in excess of \$942,000
  - Net savings if converted to Patrol Officers
    - \$36,000

## Police Department

Dedicated positions (Excludes mileage, overtime, training, operating costs)

- 1 Captain - \$255,500 (90% funded)
- 1 Lieutenant - \$251,500
- 2 Sergeants - \$223,500 each
- 18 Deputy Sheriffs - \$160,000 - \$292,000 each
  - motorcycle team, K9, crime prevention, regional gang task force, graffiti prevention, AB 109 task force
- 1 Forensic Technician - \$118,500
- 20 Community Service Officers - \$109,000 each
- 2 Office Assistants - \$67,500 each
- 1 Supervising Office Assistant - \$78,500

## Council Discussion and Direction

- Maintain current police services as included in the proposed budget
- Eliminate the SRO Sergeant from the City's requested services – budget reduction of about \$203,000
- Eliminate a specific service or position as proposed by Council ...

FY 2015/16 – 2016/17 OPTIONS – CROSSING GUARDS

## Crossing Guards

### Crossing Guard Program:

- CA Manual of Uniform Traffic Control Devices (CA MUTCD) identifies locations which warrant the use of crossing guards
  - 19 warranted locations
  - 8 unwarranted locations
- Currently provided for Moreno Valley Unified School District

### Program currently employs 47 positions:

- Full Time staff – 1 Supervisor
- Part Time staff – 1 Asst. Supervisor
- Temporary staff – 35 Crossing Guards and 10 Alternate Crossing Guards

## Crossing Guards

### Annual Expenditures

- Historically averages \$550,000 annually
- Funded out of Gas Tax revenues

### Options/Alternatives to Examine

- Maintain existing Crossing Guard program as budgeted
- Shift funding responsibility to MVUSD
- Reach Cost Sharing arrangement with MVUSD

FY 2015/16 – 2016/17 OPTIONS – PARKS & COMMUNITY SERVICES

## Parks & Community Services

### Revenues for Maintenance and Operations

- CSD Zone A
  - \$87.50 (since 1992) per dwelling unit or nonresidential or undeveloped taxable parcel
  - No annual escalator
- Community Facilities District (CFD) No. 1
  - Maintenance for new parks constructed after the formation of the District in 2003
  - Charged to residential only. Approx. 8,131 units
  - FY 14/15 Max Charge \$155.33, Applied charge \$122.40. Annual escalator greater of CPI or 2%
- Cell Phone Tower Rental Income
  - FY 2015/16 Budget = \$225,000 (includes \$1,200 current contract amendment)

## Parks & Community Services

- General Fund provides a transfer of \$521,021
  - \$307,500 for Community & Recreation Center operational costs

# Parks & Community Services

- Community Events

• Egg Hunt	\$4,000
• MoVal Movies	\$7,000
• MoVal Rocks	\$13,500
• Ride MoVal	\$6,200
• Youth Fest	\$3,600
• MoVal Haunting (haunted house and carnival)	\$11,500
• Snow Day	\$17,000
• Defund July 4th Parade	\$27,500
• Defund FunFest	\$56,200
• Defund July 4th Fireworks	\$52,000
• Close Splash Pads	\$10,200

PROPOSED BUDGET

## Council Discussion and Direction

- Budget is balanced with \$522,000 General Fund transfer
- Reduce GF transfer to support programs
- Reduce GF transfer by \$307,000 supporting CRC operations
  - Reduce programs to balance the budget
  - Use CSD Zone A Fund Balance to balance the budget

FY 2015/16 – 2016/17 OPTIONS – TRANSIENT OCCUPANCY TAX (TOT)

## Transient Occupancy Tax (TOT)

- Transient Occupancy Tax revenues approx. \$1.1M annually
  - Tax paid by individuals staying in hotels
- Current TOT rate is 8%
  - Surrounding jurisdictions 10-12%
  - Each 1% increase equals approx. \$130,000
  - 4% increase: new revenue of about \$520,000
- Nov. 2, 2010 ballot measure not approved by voters
  - Measure P - proposed raising rate from 8% up to 11%
  - Received approx. 30% approval

## Council Discussion and Direction

- No increase in the TOT rate is in the proposed budget
- August study session to discuss a possible November 2016 ballot measure

FY 2015/16 – 2016/17 OPTIONS – FUND BALANCE

# General Fund – Fund Balance

- Long Range Business Projection set the foundation for the development of the proposed budget
- Study presented to City Council on Feb. 3, 2015

	FY 15-16 Estimated	FY 16-17 Estimated	FY 17-18 Estimated
<b>Long Range Bus. Proj.</b>			
Total General Revenues	\$ 87,138,796	\$ 91,222,463	\$ 93,945,315
Total General Government Exp.	86,994,201	91,147,515	96,541,650
<b>Variance</b>	<b>\$ 144,595</b>	<b>\$ 74,948</b>	<b>\$ (2,596,335)</b>
 Proposed Budget increase to fund balance	 \$ 250,205	 \$ 275,018	

- Unrestricted fund balance may be committed for future purposes
  - Council may create Economic Uncertainty Fund

# Council Discussion and Direction

## General Fund

As Proposed:

Total Revenues:	\$91,885,401
Total Expenses:	\$91,635,196
Surplus	+250,205

PROPOSED BUDGET

# Council Discussion and Direction

Council-led Discussion item:

Add Library Location

\$1.2M

Excludes Lease

PROPOSED BUDGET

# Council Discussion and Direction

## Council-led Discussion items

Redirect funding for compensated absences to Economic Uncertainty Fund	(\$500,000)		
Continue to defer fleet replacement plan	\$0		
Reduce CM Discretionary account to \$50,000	Included		
Eliminate Dedicated Police Positions	TBD		
Shift/Share Costs for Crossing Guards	TBD	up to	(\$500,000)
Reduce GF Subsidy to CSD Zone A*	(\$62,000)	up to	(\$207,900)
Sub-Total	(\$562,000)	to	(\$1,207,900)
Existing Surplus (as proposed)	(\$250,000)		
<b>TOTAL</b>	<b>(\$812,000)</b>	<b>to</b>	<b>(\$1,457,900)</b>

\*Additional Proposals Forthcoming

Would increase with elim. of dedicated Police positions

PROPOSED BUDGET

FY 2015/16 – 2016/17 FUTURE EVENTS

## Future Events/Study Sessions

- Quarterly budget reviews
- User fees study
- Development Impact Fees/Quimby study
- Gas Tax and Measure A fund review
- Utility User Tax (UUT) analysis (August Study Session)
- Transient Occupancy Tax rate (August Study Session)
- Library financing options (September Study Session)
- Police contract review
- Parks and community services funding sources
- Street Light funding analysis
  
- Additional items as directed by Council
