## Report to City Council

---

**TO:** Mayor and City Council

**FROM:** Martin Koczanowicz, City Attorney  
Thomas M. DeSantis, City Manager

**AGENDA DATE:** January 9, 2018

**TITLE:** INITIATION OF STREET NAME CHANGE PROCESS

---

### **RECOMMENDED ACTION**

#### **Recommendation:**

It is recommended that the City Council consider the initiation of the process to change current name Theodore to a name that would recognize the World Logistic Center and direct staff accordingly.

### **SUMMARY**

The City Council agendized this item to consider initiation of the process under Municipal Code Section 7.05.020 to change the current street name Theodore to a name that would recognize the World Logistic Center project. The name change would be applicable to the entire length of Theodore, from Ironwood to its southerly terminus. An affirmative vote on this item would send the application attached to this staff report to the Environmental and Historical Preservation Board (EHPB) for review and return recommendation to the Council.

### **DISCUSSION**

The City Council requested that a discussion of a potential name change for Theodore be put on the agenda. As explained at the last Council Meeting by the City Manager, Theodore received a historical landmark status along with over 50 other street names in 1989 through a Resolution adopted by Cultural Preservation Advisory Board.

In order for a change to that name to be considered, an application for repeal or a modification of the historical landmark status needs to be processed in accordance with Municipal Code Section 7.05.020. The process requires an application to be submitted to the Community Development Director along with any other pertinent information related to the proposal. The application would be considered by the EHPB during their

regular meeting, with a recommendation then being transmitted to the City Council for the Council's final consideration and decision.

Staff was directed to continue to gather additional information that may be relevant to the final decision (i.e. potential Caltrans costs) concurrently with bringing this item for Council's action. Attached is a proposed application, which if approved by the Council, would initiate the modification or repeal of the landmark status for Theodore thus, removing a potential barrier for a name change. The EHPB recommendation would return to the Council for final action. In accordance with the Municipal Code Council can adopt, modify or reject the recommendation. Staff is confident that all of the pertinent information will be available prior to the EHPB considering this item.

## **ALTERNATIVES**

1. Direct staff to submit the attached application to EHPB for recommendation in its current format or with amendments directed by the City Council.
2. Do not initiate the name change process.

## **FISCAL IMPACT**

Staff engaged the assistance of a local consultant familiar with working with Caltrans on similar sign modification projects. They have provided a cost proposal of approximately \$74,000, which includes all agency coordination, preparation of required engineering design plans, specifications, cost estimates (for new freeway signage), and related construction support. More detailed costs associated with the actual signage and other name change expenses will be presented to the City Council when the item returns to the agenda with the recommendation of the EHPB.

## **NOTIFICATION**

Agenda was posted in accordance with the Brown Act. Potentially affected business owners on Theodore were also notified.

# Agency Report of: Public Official Appointments

California  
Form **806**

A Public Document

## Background

This form is used to report additional compensation that officials receive when appointing themselves to positions on committees, boards, or commissions of another public agency or to a committee or position of the agency of which the public official is a member.

This form is required pursuant to FPPC Regulation 18702.5. Each agency must post on its website a single Form 806 which lists all the paid appointed positions to which an official will vote to appoint themselves. When there is a change in compensation or a new appointment, the Form 806 is updated to reflect the change. The form must be updated promptly as changes occur.

## Instructions

This form must be posted prior to a vote (or consent item) to appoint a governing board member if the appointee will participate in the decision and the appointment results in additional compensation to the appointee.

FPPC Regulation 18702.5 provides that as long as the public is informed prior to a vote, an official may vote to hold another position even when the vote results in additional compensation.

### Part 1. Agency Identification

Identify the agency name and information on who should be contacted for information.

### Part 2. Appointments

Identify the name of the other agency, board or commission. List the name of the official, and an alternate, if any.

List the appointment date and the length of term the agency official will serve. Disclose the stipend provided per meeting and the estimated annual payment. The annual salary is an estimate as it will likely vary depending upon the number of meetings. It is not necessary to revise the estimate at the end of the calendar year.

### Part 3. Verification

The agency head or his/her designee must sign the verification.

## Frequently Asked Questions (FAQs)

1. When does an agency need to complete the Form 806?

A Form 806 is required when an agency's board members vote to appoint a board member to serve on another governmental agency or position of the agency of which the official is a member and will receive additional compensation.

2. The city council votes to serve as the city's housing authority, a separate entity. Will the Form 806 be required?

If the council members receive additional compensation for serving on the housing authority, the Form 806 is required.

3. Are appointments made by a governing board to appoint one of its members to serve as an officer of that board for additional pay (e.g., mayor) required to be disclosed on Form 806?

No. FPPC Regulation 18702.5(b)(6) exempts from this requirement decisions to fill a position on the body of which the official is a member (such as a councilmember being appointed as mayor) despite an increase in compensation.

4. In determining the income, must the agency include mileage reimbursements, travel payments, health benefits, and other compensation?

No. FPPC Regulation 18702.5 requires only the amount of the stipend or salary to be reported.

5. Which agency must post the Form 806?

The agency that is voting to appoint a public official must post the Form 806 on its website. The agency that the official will serve as a member is not required to post the Form 806. The form is not sent to the FPPC.

6. When must the Form 806 be updated?

The Form 806 should be amended promptly upon any of the following circumstances: (1) the number of scheduled meetings is changed, (2) there is a change in the compensation paid to the members, (3) there is a change in membership on the board or commission, or (4) there is a new appointment to a new agency.

7. If officials choose to recuse themselves from the decision and leave the room when a vote is taken to make an appointment, must the Form 806 be completed?

No. The Form 806 is only required to identify those officials that will vote on an appointment in which the official will also receive additional compensation.
