
INVESTMENT POLICY

PURPOSE: The City Council of the City of Moreno Valley (City) and its related authorities and agencies recognizes its responsibility to properly direct the investments of funds under its care. It is the purpose of this policy to provide guidelines for the prudent investment of unexpended funds in a manner which allows for maximum security, while at the same time providing the best investment return to meet the daily cash flow demands of the City, and conform to all applicable statutes pertaining to the investment of public funds. In instances in which the Policy is more restrictive than Federal or State law, the Policy supersedes.

This investment policy was endorsed and adopted by the City Council and is effective as of the 20th day of June, 2023, and replaces any previous versions.

I. Scope

- A.** Investments for the City and its related authorities and agencies will be made on a pooled basis including the City of Moreno Valley, the City of Moreno Valley Housing Authority, the Moreno Valley Community Services District, the Moreno Valley Public Facilities Financing Corporation, the Moreno Valley Public Financing Authority, and the Moreno Valley Industrial Development Authority. These funds are accounted for in the City's Annual Comprehensive Financial Report and include:
1. General Fund
 2. Special Revenue Funds
 3. Debt Service Funds
 4. Capital Project Funds
 5. Internal Service Funds
 6. Agency Funds
 7. Enterprise Funds
- B.** The City Council has the authority to allow investments that do not follow this policy as long as such investments are recommended by the City Manager and City Treasurer, and expressly authorized by the City Council.
- C.** At the time this policy is adopted, the portfolio may hold investments which were made in the past and in accordance with previous policies and existing State law, but do not meet the provisions of this policy. These past investments are grandfathered as permissible investments. The City may choose to hold these investments until maturity; however, their maturity cannot be extended without the expressed authorization of the City Council.
- D.** Funds excluded from this policy
1. **Bond Proceeds.** Proceeds of debt issuance shall be invested in accordance with the City's general investment philosophy as set forth in this policy. The overriding policy for the investment of bond proceeds will be dictated by the bond documents governing such funds as long as the documents are approved by the City Council or related governing board.
 2. **Deferred Compensation Plans.** Investments related to the City's deferred compensation plans are not subject to this policy since third-party administrators manage them and the individual plan participant's direct investment and mutual fund selection. Deferred compensation plans must be approved by the City Council.
 3. **Voluntary Employees' Beneficiary Association (VEBA) plan:** Funds deposited into VEBA plans on behalf of employees are managed under a separate investment policy and are held and managed by a third party fund manager.
